FOR THE PERIOD

January 1, 2023 through December 31, 2023

Pursuant to 25 U.S.C. 5301et. seq.
(Pub. L. 93-638, as amended)

ANNUAL FUNDING AGREEMENT

This Annual Funding Agreement (“AFA”) is entered into between the Navajo Nation and the United States Department of the Interior (“DOI”), pursuant to the agreement between the Navajo Nation and DOI for Juvenile Detention Services Program, pursuant to Title I of the Indian Self-Determination and Education Assistance Act (“ISDEAA”), Pub. L. 93-638, as amended (hereinafter referred to as the Contract).

A. PROGRAM, FUNCTIONS, SERVICES AND ACTIVITIES

1. The Navajo Nation agrees to administer and perform those portions of the Bureau of Indian Affairs’ (“BIA”) Juvenile Detention Services Program identified in the Scope of Work, attached hereto as Attachment A and incorporated herein by reference, in accordance with its own laws and policies and the terms, provisions, and conditions of the Contract and this AFA and any attachments hereto. The program standards, including any provisions of Federal Regulations waived by the Secretary, are identified in Section B of the Contract.
2. The Navajo Nation agrees that any services or assistance provided to Indian beneficiaries under the Contract and this AFA shall be provided in a fair and uniform manner subject to applicable laws and regulations.
3. The Navajo Nation shall obtain from the BIA all such funds and other resources made available for the benefit of the tribe and Indian beneficiaries for all programs to be operated and services to be delivered by the Navajo Nation through the Contract and this AFA on behalf of the DOI, except for “Trust” and executive functions of the BIA considered non-contractible under the ISDEAA, as amended.
4. The BIA shall transfer to the Navajo Nation all such funds and other resources available for the benefit of the Tribe and Indian beneficiaries through the Contract in the most expeditious manner authorized by law, and shall provide technical support and assistance at the request of the Navajo Nation or as provided herein, in the most expeditious manner authorized by law.

5. The Navajo Nation shall exercise full discretion over the funds made available subject only to the provisions of the Contract, this AFA, tribal law, and Federal law.

6. The Navajo Nation has identified a need for program and/or office space. DOI shall undertake reasonable efforts to make such program and/or office space available to the Navajo Nation, together with such maintenance services as may be necessary for that program and/or office space. When not available and tribal buildings are used, DOI will enter into a lease pursuant to Section 105 (f) (1) of the ISDEAA, as amended and 25 CFR Part 900, Subpart H.

7. The Secretary shall provide copies of all Bureau of Indian Affairs manuals, federal laws and regulation, as well as any updates, used as standards under this Contract. The procedures contained within this Contract supersede any conflicting Bureau procedures. In the event the Bureau update its procedures the Contractor may request a waiver before these updated procedures become applicable to this Contract.

B. PROGRAM BUDGET AND FUNDING

1. Proposed Budget. Attached hereto as Attachment B is the proposed program budget for the services to be provided under this AFA. The amount reflects the Fiscal Year 2022 recurring enacted amount allocated. If Congressional appropriation for full year funding is not available at the start of the FY 2023, as an initial budget, the Navajo Nation may enter in the FMIS a full year budget at the actual, total amount of recurring funds distributed for FY 2022 that is based on Congressional appropriation. If the Navajo Nation is proposing to allocate costs between two 638 programs, the percentage breakdown of such cost allocation shall be reflected in the budget.

2. Funding Distribution and Final Budget. Subject to the availability of Congressional appropriation, DOI shall distribute direct program funding for Fiscal Year 2023 exclusive of any Central Office or Regional Office shares, direct contract support cost and indirect cost funds, in one lump sum payment to the Navajo Nation in accordance with Section B(6) of the Contract. The final program budget shall reflect the actual funds distributed. Funding award(s) such as one time funding which require separate expenditure report shall

be specified in the contract modification (SF-30) by BIA. A separate account Financial Management Information System (FMIS Business Unit) shall be assigned by the Navajo Nation accordingly. Full payment shall be made by all-electronic payment through an Automated Standard Application for Payment (ASAP), an information system developed by the Financial Management Services and the Federal Reserve Bank of Richmond. The Navajo Nation must have: (1) an active registration in ASAP by completing the Participation Request Form; (2) an active Data Universal Number System (DUNS); and an active registration in the System for Award Management (SAM).

3. DOI acknowledges that the amount allocated does not fully fund the contracted activities and to the extent that any shortfalls exist in funding (direct, contract support cost or otherwise,) owed to the Navajo Nation, the DOI and BIA shall make a good faith effort, subject to applicable law, to identify funds or to obtain an appropriation to address this shortfall. DOI will report such shortfalls to Congress and simultaneously provide the Navajo Nation with such report.

4. Nothing in this AFA shall be deemed a waiver of any right the Navajo Nation may have under the Act to receive 100% of its funding, direct, contract support cost or otherwise, as determined under Section 106 of the ISDEAA, as amended.

5. BUDGET REVISION. The Navajo Nation shall request prior approval from the Awarding Official for a budget revision that will increase the amount of indirect cost for the Contract.

All other budget revisions do not require BIA approval, including carryover funds attributable to operation of the program.

6. DEOBLIGATION OF FUNDS.

- a. Funding under this AFA may be reduced only according to the provisions of Section 106(b) of the ISDEAA, as amended.

- b. In the event that funding of this AFA is reduced because of Congressional action, the Navajo Nation retains the option to rescind the Contract, renegotiate the attached Scope of Work, or suspend performance under the Contract consistent with Section B(5) of the Contract.

C. TRIBAL SHARES

In addition to the amount referred to in Paragraph B of this AFA, DOI shall pay a sum to be negotiated representing Central Office and Regional Office shares associated with this AFA. Such shares do not reflect Central Office or Regional Office shares which the Navajo Nation has included in other Fiscal Year 2023 Pub. L. 93-638, as amended, Contracts.

D. CONTRACT SUPPORT COST (CSC) FUNDS

The Navajo Nation shall be entitled to CSC funds to the full extent specified in Section 106 (a)(2) of the ISDEAA, as amended and related provisions. It is understood by the parties that full CSC funds may not be initially available to the Navajo Nation. However, upon becoming available by Congressional appropriation or through the identification of appropriate budget savings from CSC funds line items, the Navajo Nation shall participate in the distribution of those shortfall funds. If, during the term of this AFA, it is not possible to pay all CSC funds, DOI shall make a good faith effort, subject to applicable law, to identify funds or to obtain an appropriation to address this shortfall.

1. Direct Contract Support Cost (DCSC) Funds

In addition to the amount in paragraphs D and D(2) of this AFA, the Navajo Nation shall receive DCSC funds pursuant to Section 106(a)(2) of the ISDEAA, as amended. The amount of DCSC funds are subject to negotiation between the Navajo Nation and DOI. To the extent that DOI does not receive sufficient appropriations to fully fund the amount of DCSC funds that would otherwise be available under Section 106(a)(2) of the ISDEAA, as amended, DOI shall report such shortfall to Congress pursuant to the requirements of Section 106(c)(2) of the ISDEAA, as amended, and simultaneously provide the Navajo Nation with such report. DOI shall pay any shortfalls in DCSC funds, and to the extent such shortfall funds are appropriated by Congress. In no event does the Navajo Nation waive its right to recover 100% of the DCSC funds negotiated under this AFA.

2. **Indirect Costs (IDC) Funds**

In addition to the amount identified in paragraphs B, C, and D(1) of this AFA, the Navajo Nation shall receive IDC funds applicable to the period covered by this AFA as determined pursuant to the applicable Indirect Cost Negotiation Agreement, entered into between the Navajo Nation and its federal cognizant agent. To the extent that DOI does not receive sufficient appropriations to fully fund the amount of IDC funds that would otherwise be available under Section 106(a) (2) of the ISDEAA, as amended, DOI shall report such shortfall to Congress pursuant to the requirements of Section 106(c) (2) of the ISDEAA, as amended, and simultaneously provide the Navajo Nation with such report.
