

RESOLUTION OF THE
NAABIK'ÍYÁTI' COMMITTEE OF THE
NAVAJO NATION COUNCIL

23RD Navajo Nation Council - Third Year, 2017

AN ACTION

RELATING TO RESOURCES AND DEVELOPMENT COMMITTEE AND
NAABIK'ÍYÁTI' COMMITTEE; ESTABLISHING A NAABIK'ÍYÁTI' COMMITTEE
NEGOTIATION SUBCOMMITTEE FOR THE COMPLETION OF THE NAVAJO INDIAN
IRRIGATION PROJECT

Section One. Authority

- A. The Resources and Development Committee of the Navajo Nation Council is the legislative oversight authority for the Navajo Agricultural Products Industry. 2 N.N.C. § 500, 5 N.N.C. § 1604.
- B. The Navajo Nation Council established the Naabik'íyáti' Committee as a standing committee authorized to coordinate with all committees and branches of the Navajo Nation the appearance and testimony before federal entities to provide the most efficient delivery of services to the Navajo Nation. 2 N.N.C. §§ 700 (A), 701 (A) (4).
- C. Each Committee may establish subcommittees consisting of committee members selected by the Committee; the subcommittee shall exist until its assigned tasks are completed and a report and recommendation is made to the Committee. 2 N.N.C. § 186.

Section Two. Findings

- A. Navajo Agricultural Products Industry is an enterprise of the Navajo Nation charged with operating a commercial farm on land held in trust by the United States for the Navajo Nation under federal legislation authorizing the Navajo Indian Irrigation Project (NIIP). 5 N.N.C. § 1602; Public Law 87-483, signed on June 13, 1962, amended by Public Law 91-416 on September 25, 1970; NIIP authorized by Acts of Congress approved April 11, 1956 (70 Stat. 105); June 13, 1962 (76 Stat. 96); and August 4, 1977 (91 Stat. 565).
- B. The Navajo Agricultural Products Industry (NAPI) was originally established.. primarily to plan, develop, and

promote the use of agricultural, water and related resources for the use of Navajo Agricultural Products Industry and the Navajo Indian Irrigation Project resulting in a profit to Navajo Agricultural Products Industry and to prevent waste of valuable resources. See CJY-60-01.

- C. Public Law 87-483 passed by Congress on June 13, 1962 authorized "the Secretary of the Interior to construct, operate, and maintain the Navajo Indian Irrigation Project and the initial stage of the San Juan-Chama project as participating projects of the Colorado River Storage Project, and for other purposes." The authorization was amended September 25, 1970, by Public Law 91-416. To date the construction of the San Juan-Chama Project is completed while construction of the Navajo Indian Irrigation Project is only approximately 70% complete.
- D. The Bureau of Indian Affairs, Navajo Area Office, and Farmington Construction Office have overall responsibility for the development of the NIIP, but in 2002 the Bureau of Indian Affairs supported a reduction of NIIP funding from \$24 million to \$12 million per year under the reasoning that such temporary funding reduction was necessitated by the costs of the United States war in Afghanistan.
- E. The reduction of funding from \$24 million to \$12 million has not been temporary, but has continued in each funding year from Federal Fiscal Year 2002 through Federal Fiscal Year 2010.
- F. The lack of funding for NIIP has delayed and prevented the development of NAPI Block 9, which limits NAPI to cultivation of only 73,000 of the 110,630 acres authorized by the federal legislation.
- G. The Navajo Nation authorized NAPI to contract under the Indian Self-Determination and Education Assistance Act, 25 U.S.C. § 450 et seq. (P.L. 93-638, as amended) to include the remaining construction of the NIIP and to otherwise support Navajo Agricultural Products Industry's efforts to develop Blocks 9, 10, and 11 of the Navajo Indian Irrigation Project at the sole cost and expense of the United States. See NABID-82-15.
- H. The Navajo Agricultural Products Industry Board of Directors recommends the re-establishment of a subcommittee to advocate for the completion of the NIIP, advocate for funding for the

operation and management of the NIIP, advocate for funding for NIIP under the Water Infrastructure Improvements for the Nation Act (S. 612, 2016) and lobby in the interest of the NIIP. NAPI Board of Directors Resolution, BDMA-09-17 attached as **Exhibit A**.

Section Three. Establishing the Naabik'iyáti' NIIP Negotiation Subcommittee

- A. The Navajo Nation establishes the Naabik'iyáti' NIIP Negotiation Subcommittee to negotiate with the United States to develop a Memorandum of Agreement regarding the funding and completion of the NIIP, advocate for funding for the operation and management of the NIIP, advocate for funding for NIIP under the Water Infrastructure Improvements for the Nation Act and lobby in the interest of the NIIP.
- B. The Naabik'iyáti' NIIP Negotiation Subcommittee shall consist of five (5) members who are from the Navajo Nation Council Standing Committees. The Naabik'iyáti' Committee shall appoint the subcommittee members. The appointed Delegates serve at the pleasure of the Naabik'iyáti' Committee. The Naabik'iyáti' Committee appoints the following delegates to the subcommittee:
 - 1. Steven Begay, Health, Education and Human Services Committee
 - 2. Benjamin Bennett, Resources and Development Committee
 - 3. Kee Allen Begay, Law and Order Committee
 - 4. Leonard Tsosie, Budget and Finance Committee
 - 5. LoRenzo C. Bates, Naabik'iyáti' Committee

Section Four. Subcommittee Term

The Naabik'iyáti' NIIP Negotiation Subcommittee shall exist until their assigned tasks are completed and shall report their recommendations to the Naabik'iyáti' Committee. 2 N.N.C. § 186.

Section Five. Directives

- B. The Legislative Services' Executive Director shall assign two Office of Legislative Services staffers to assist the Naabik'iyáti' NIIP Negotiation Subcommittee.
