26 appropriate authority of the Navajo Nation consistent with Navajo and federal law.” DED Plan of

## 28 29 **Section Two. Findings**

- 1 A. On March 11, 2021, United States President Biden signed Public Law 117-2, American  
2 Rescue Plan Act (“ARPA”) into law. Section 3301 of ARPA amended and reauthorized  
3 the State Small Business Credit Initiative (“SSBCI”), which provided \$10 billion to fund  
4 the SSBCI, including \$500 million specifically allocated for Tribal governments.  
5 Approximately \$15 million in technical assistance funding is reserved for Tribal  
6 governments to provide legal, accounting, and financial advisory services to businesses  
7 owned by socially and economically disadvantaged individuals and very small  
8 businesses.
- 9 B. Through the United States Department of Treasury, SSBCI will fund state, territory, and  
10 Tribal government small business credit support programs, including capital access  
11 programs, loan participation programs, loan guarantee programs, collateral support  
12 programs, and venture capital programs (“other credit support programs”).
- 13 C. To participate in the SSBCI program, Tribal governments were required to submit a  
14 Notice of Intent to apply (“NOI”) by December 11, 2021. SSBCI requires Tribal  
15 governments to complete and submit an SSBCI capital application to the U.S.  
16 Department of Treasury by September 1, 2022. A separate SSBCI technical assistance  
17 application to the U.S. Department of Treasury may be submitted by December 9, 2022.
- 18 D. The Navajo Nation is expected to receive a Tribal allocation of approximately \$90  
19 million upon timely submission of the complete SSBCI capital application and approval  
20 by the U.S. Department of the Treasury. The Tribal allocation for technical assistance  
21 funding will be determined by the U.S. Department of Treasury after Tribal consultation  
22 and consideration of public comments in May 2022.
- 23 E. The Navajo Nation timely submitted a Notice of Intent on July 6, 2021. After the  
24 submission of the Notice of Intent, DED began development of a Navajo SSBCI Program  
25 (defined below) that supports Navajo-owned small businesses.
- 26 F. In the course of development, DED has outlined an administration strategy to involve  
27 third party entities to administer or provide technical assistance to support SSBCI  
28 programs (“Program Administrators”) in order to both leverage the experience and build  
29 the capacity of these entities to serve the unique needs of Navajo business owners.  
30

- 1 G. DED worked with Program Administrators to define the initial scope for Phase I of the  
2 Navajo SSBCI Program, pursuant to which DED will implement a loan guaranty and loan  
3 participation program ("Loan Program") through subrecipient agreements with the  
4 Program Administrators to facilitate borrowing by Navajo owned businesses, as set forth  
5 in the SSBCI Phase I Program Plan. **EXHIBIT A**
- 6 H. Upon the United States Department of Treasury's approval of the Navajo Nation's  
7 SSBCI application, and prior to distribution of SSBCI funds to the Navajo Nation, the  
8 parties must enter into an Allocation Agreement, which is anticipated to be in a form  
9 substantially similar to **EXHIBIT B**.
- 10 I. After successful implementation of the Loan Programs and further due diligence, DED  
11 anticipates it will later amend the SSBCI application to add capital access, venture  
12 capital, or collateral support programs in a phased-in approach, subject to approval by the  
13 U.S. Department of the Treasury ("Phased Program Development," together with the  
14 Loan Programs, the "Navajo SSBCI Program").
- 15 J. The Naabik'íyáti' Committee of the Navajo Nation Council has considered the Loan  
16 Program and the Phased Program Development and determined that it is in the best  
17 interest of the Navajo Nation to participate in the State Small Business Credit Initiative  
18 through the Navajo SSBCI Program, which will encourage and enhance economic  
19 development within the Navajo Nation.

### 21 **Section Three. Findings**

- 22 A. The Naabik'íyáti' Committee hereby designates the DED as the Implementing Entity and  
23 Technical Assistance Authorized Official for purposes of the SSBCI application, and approves and  
24 authorizes the DED to submit a capital application and a technical assistance application to the  
25 United States Department of Treasury to receive SSBCI funding to implement the programs  
26 outlined in **Exhibit A**, and further approves and authorizes the DED to amend the applications as  
27 necessary and appropriate for Phased Program Development.
- 28 B. The Naabik'íyáti' Committee hereby designates the DED to accept the SSBCI allocation  
29 and technical assistance funds on behalf of the Navajo Nation, to implement the Navajo  
30

1 SSBCI Program, and affirms DED has the legal authority to enter into an Allocation  
2 Agreement with Treasury.

3 C. The Naabik'iyáti' Committee hereby authorizes and directs the DED to take any and all  
4 actions as necessary and appropriate to implement the Navajo SSBCI Program, including  
5 a technical assistance program, in a manner consistent with the federal SSBCI Program  
6 requirements.

EXHIBIT A  
NAVAJO SSBCI PROGRAM  
Phase I – Navajo Nation Loan Guarantee Program (LGP)  
and Loan Participation Program (LPP)

Program Overview

Division of Economic Development (DED) will implement a Loan Guarantee Program (LGP) and Loan Participation Program (LPP) for small business loans to Navajo business (majority owned and controlled by Navajo member(s) or the Navajo Nation) and businesses owned and controlled by socially and economically disadvantaged individuals (SEDI) (including businesses located on the Navajo Nation and certain qualifying businesses in the states of Arizona, New Mexico, Colorado, or Utah). Administration of the LGP and LPP may be delegated to third party administrators with experience sourcing, underwriting, and/or administering small business loans and commercial loans. The intent of both the LGP and LPP Program, in partnership with participating lenders, is to facilitate and provide credit support for several hundred small business loans to benefit tribal members and tribally owned businesses.

The LGP and LPP will include guidelines that address the following:

- Program eligibility requirements that shall ensure primary benefit to Navajo owned and Navajo Nation owned businesses, and may provide for benefit to other small businesses that clearly demonstrate substantial Navajo benefit, e.g., through significant employment opportunity for Navajo members.
- Minimum and maximum loan/investment amounts.
- Maximum percentage amount that guarantee will cover and operational standards for reserve fund.
- A plan to ensure a meaningful amount of lender capital is at risk, and SSBCI leverage requirements of at least 1:1 are met.
- Standard loan terms and processes for reviewing non-standard transactions.
- Sources for loan originations.
- Processes for negotiating and approving loan support terms.
- Processes for tracking and reporting loans made and guarantees issued.
- Kinds of and rates for fees that may be charged.
- Processes for monitoring compliance and performance of outstanding loans.
- Processes for addressing loan defaults or investment write-offs.

### Technical Assistance

DED will directly and/or indirectly provide technical assistance to very small businesses (VSBs) and SEDI-owned businesses. The SSBCI technical assistance will provide legal, accounting, and financial advisory services to VSBs and SEDI-owned businesses applying for SSBCI capital programs. If indirectly, DED will contract with a third party to provide wrap-around services to meet the needs of VSBs and SEDI-owned businesses, especially those located in rural and underserved communities. Any third party technical assistance provider should have a developed network of Navajo owned and Navajo Nation owned businesses and a plan to maximize participation in the LGP and later phased SSBCI programs. The third party technical assistance provider will serve as an on-the-ground partner to create cycles of capital-ready applicants equipped to participate in the LGP, creating borrowers more adept to repay loans. The technical assistance provided in turn should create cycles of economic growth to benefit the Navajo Nation.

The plan for technical assistance will include guidelines that will address the following:

- How the technical assistance provider will provide legal, accounting, and/or financial advisory services to VSBs and SEDI-owned businesses applying for SSBCI capital programs.
- How the technical assistance funding may meet the needs of VSBs and SEDI-owned businesses in different communities.
- Reporting procedures for technical services provided.

### U.S. Department of the Treasury State Small Business Credit Initiative Allocation Agreement

The American Rescue Plan Act of 2021 (ARPA) amended the Small Business Jobs Act of 2010, codified at 12 U.S.C. § 5701 *et seq.*, to reauthorize and provide \$10 billion to fund the State Small Business Credit Initiative (SSBCI) as a response to the economic effects of the COVID-19 pandemic. SSBCI is a federal program administered by the U.S. Department of the Treasury (Treasury) that is intended to strengthen programs of eligible jurisdictions (states, the District of Columbia, territories, Tribal governments, and eligible municipalities) that support private financing to small businesses.

### **Section 2.6 Withholding or Suspending Disbursements.**

Notwithstanding anything herein to the contrary, Treasury may, in its sole discretion, withhold or suspend any Disbursement if Treasury believes the Participating Jurisdiction may have failed to comply with any term or condition of this Allocation Agreement pending the final compliance determination by Treasury. Treasury will resume making Disbursements to the Participating Jurisdiction upon Treasury’s determination that the Participating Jurisdiction is in compliance with all applicable requirements and has appropriately remedied any violation, unless Treasury exercises additional remedies under Article V.

The Participating Jurisdiction shall only use SSBCI Funds, Returned Funds, and Program Income to carry out the Approved Programs. Without limiting the generality of the foregoing:

- (a) The Recipient shall comply with the provisions of 31 U.S.C. § 1352, as amended, and with the regulations at 31 CFR Part 21.
- (b) The Participating Jurisdiction shall not use any SSBCI Funds, Returned Funds, or Program Income to pay any costs incurred in connection with (i) any defense against any claim or appeal of the U.S. Government, any agency or instrumentality thereof (including Treasury), against the Participating Jurisdiction, or (ii) any prosecution of any claim or appeal against the U.S. Government, any agency or instrumentality thereof (including Treasury), which the Participating Jurisdiction instituted or in which the Participating Jurisdiction has joined as a claimant.
- (c) The Participating Jurisdiction shall not use any SSBCI Funds, Returned Funds, or Program Income for loans, investments, and other credit or equity support to finance, in whole or in part, purposes prohibited by the SSBCI statute or Treasury's SSBCI regulations or guidance as in effect from time to time.

The Participating Jurisdiction consents to such use and publication of the reported data, subject to applicable laws and regulations.

**Section 3.7 Notices of Certain Material Events.**

The Participating Jurisdiction shall promptly notify Treasury in writing in reasonable detail:

- (a) if there has been any material adverse change in the condition, financial or otherwise, or operations of the Participating Jurisdiction that may affect the Participating Jurisdiction's Approved Programs;
- (b) if the Participating Jurisdiction believes that any representation, warranty, certification, assurance, or any other statement of fact contained in this Allocation Agreement, including the incorporated Approved Application, or any statement set forth in any document, report, certificate, financial statement or instrument now or hereafter delivered to Treasury in connection with this Allocation Agreement and the Approved Programs, was inaccurate, false, incomplete, or misleading when made, in any material respect;
- (c) if the Participating Jurisdiction believes that it has materially failed to comply with any term or condition contained in this Allocation Agreement; and
- (d) if there are facts, events, or circumstances, real or anticipated, that may materially affect the Participating Jurisdiction's ability to comply with the terms and conditions of this Allocation Agreement or to carry out the Approved Programs; in this event, the Participating Jurisdiction must describe actions taken or contemplated to be taken to address the issue.

**Section 3.8 Publication of Approved Program Contact Information**

The Participating Jurisdiction agrees that Treasury may publish any e-mail contact information provided from time to time by the Participating Jurisdiction for each Approved Program listed in Schedule A.

**Article IV: Representations and Warranties**

The Participating Jurisdiction represents and warrants as of the date hereof and as of the date of each Disbursement that:

**Section 4.1 Authority of Authorized Representative.**

The Authorized Representative has all requisite power and authority to execute and deliver this Allocation Agreement.

**Section 4.2 Due Authorization of Participating Jurisdiction.**

- (b) conflict with, result in a breach of, or constitute a default under any existing agreement or other instrument to which the Participating Jurisdiction is subject or by which it is bound, other than any such conflict, breach, or default that could not reasonably affect the Participating Jurisdiction's performance of its obligations under this Allocation Agreement or its use of SSBCI Funds.

**Section 4.5 Litigation.**

**Section 4.6 Disclosure.**

Neither this Allocation Agreement, nor the incorporated Approved Application, nor any other document or instrument delivered to Treasury by the Participating Jurisdiction related to this Allocation Agreement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein, in light of the circumstances under which they were made, not misleading. The Participating Jurisdiction has disclosed, in writing, to Treasury all facts that might reasonably be expected to result in a material adverse effect upon the Participating Jurisdiction's ability either to conduct its business or to carry out this Allocation Agreement and the transactions contemplated hereby. The Participating Jurisdiction has not knowingly and willfully made or used a document or writing containing any false, fictitious, or fraudulent statement or entry as part of its Approved Application or correspondence or communication with Treasury related to this Allocation Agreement.

**Article V: Termination For Cause and Other Remedies****Section 5.1 General Events of Default.**

Treasury, in its sole discretion, may find the Participating Jurisdiction to be in default in the event that either:

- (a) Treasury determines that any representation, warranty, certification, assurance, or any other statement of fact contained in this Allocation Agreement, including the incorporated Approved Application, or any information or statement set forth in any

document, report, certificate, financial statement or instrument now or hereafter delivered to Treasury in connection with this Allocation Agreement or the Approved Programs, is inaccurate, false, incomplete, or misleading when made, in any material respect; or

- (b) Treasury determines that the Participating Jurisdiction has materially failed to comply with any term or condition under this Allocation Agreement, including, but not limited to, the Participating Jurisdiction's failure to submit complete and timely quarterly reports or annual reports; the Participating Jurisdiction's failure to expend the SSBCI Funds, Returned Funds, and Program Income to carry out the Approved Programs; or the Participating Jurisdiction's failure to expend the SEDI Allocation or VSB Allocation in the manner prescribed in Sections IV and V, respectively, of the Capital Program Policy Guidelines.

#### **Section 5.2 Discretionary Remedies.**

If Treasury determines that the Participating Jurisdiction is in default under Section 5.1 hereof, Treasury may, in its sole discretion, take any one or more of the following actions, subject to Section 5.5 hereof:

- (a) withhold Disbursements pending the Participating Jurisdiction's correction of the default; or
- (b) reduce, suspend, or terminate the commitment of Treasury to make Disbursements to the Participating Jurisdiction under this Allocation Agreement.

#### **Section 5.3 Specific Events of Default.**

Treasury shall find the Participating Jurisdiction to be in default in the event of a Treasury Inspector General audit finding of either:

- (a) intentional or reckless misuse of Allocated Funds by the Participating Jurisdiction; or
- (b) the Participating Jurisdiction having intentionally made misstatements in any report issued to Treasury.

#### **Section 5.4 Mandatory Remedies.**

If Treasury determines that the Participating Jurisdiction is in default under Section 5.3 hereof, Treasury shall take the following actions:

- (a) in the case of an event of default under Section 5.3(a) hereof, recoup any misused Allocated Funds that have been disbursed to the Participating Jurisdiction; or
- (b) in the case of an event of default under Section 5.3(b) hereof, terminate the commitment of Treasury to make Disbursements to the Participating Jurisdiction under this Allocation Agreement and find the Participating Jurisdiction ineligible to receive any additional funds under this Allocation Agreement.

#### **Section 5.5 Prior Notice to Participating Jurisdiction of Exercise of Remedies.**

Prior to exercising or imposing any remedy under Section 5.2(b), Treasury will, to the extent practicable, provide the Participating Jurisdiction with written notice of the determination under Section 5.1 and the proposed remedy. Treasury's written notice will give the Participating Jurisdiction 10 calendar days from the date of the notice to respond. Treasury may, in its sole discretion, also afford the Participating Jurisdiction 20 calendar days from the date of the notice to remedy the default. If the Participating Jurisdiction fails to respond or remedy the default, as

determined by Treasury in its sole discretion, within the applicable period, Treasury may, in its sole discretion, exercise the remedies set forth in its written notice. Nothing in this Allocation Agreement, however, provides the Participating Jurisdiction with any right to any formal or informal hearing or other proceeding not otherwise required by law.

#### **Section 5.6 Un-enrollment and Replenishment.**

The Participating Jurisdiction may submit a request to Treasury that a specific loan or investment previously made, or costs previously paid, by the Participating Jurisdiction using SSBCI Funds not be considered to have been made or paid with SSBCI Funds if (1) the Participating Jurisdiction or Treasury identifies a potentially noncompliant use of funds or (2) the Treasury Office of the Inspector General (OIG) identifies an instance of noncompliance or misuse not characterized as reckless or intentional. In this case, the Participating Jurisdiction shall follow the applicable procedures and requirements in Treasury's SSBCI regulations and guidance, including the Capital Program Policy Guidelines Section XII.

### **Article VI: General**

#### **Section 6.1 Entire Agreement.**

This Allocation Agreement, which incorporates Schedule A and the Approved Application, constitutes the entire agreement and supersedes all other prior agreements, understandings, representations, and warranties, both written and oral, between the parties, with respect to the subject matter hereof.

#### **Section 6.2 Notices.**

All notices, requests, demands, consents, waivers, and other communications given under this Allocation Agreement shall be in writing and shall be mailed by postage-prepaid first-class mail, delivered by overnight courier service, or transmitted electronically via e-mail transmission to the addresses set forth in Schedule A. Either party may change its contact information set forth in Schedule A upon written notice given to the other party.

#### **Section 6.3 Amendments.**

This Allocation Agreement may be amended, modified, waived, supplemented, or terminated only by an instrument in writing duly executed by Treasury and the Participating Jurisdiction, except that Treasury may unilaterally amend this Allocation Agreement if required in order to comply with applicable federal law or regulation.

#### **Section 6.4 Assignment.**
