OF THE DEPARTMENT OF THE INTERIOR
AND THE NAVAJO NATION**

A. Authority and Purpose

1. Authority

This agreement, denoted a Self-Determination Contract (referred to in this agreement as the "Contract"), is entered into by the Secretary of the Interior or the Secretary of Health and Human Services (referred to in this agreement as the "Secretary"), for and on behalf of the United States pursuant to Title I of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5301, et seq.) and by the authority of the Navajo Nation (referred to in this agreement as the "Contractor"). The provisions of Title I of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5301, et seq.) are incorporated in this agreement.

2. Purpose

Each provision of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5301, et seq.) and each provision of this Contract shall be liberally construed for the benefit of the Contractor to transfer the funding and the following related functions, services, activities and programs (or portions thereof), that are otherwise contractible under Section 102(a) of such Act, including all related administrative functions, from the Federal Government to the Contractor:
Navajo Nation Safety of Dams Program .

B. Terms, Provisions and Conditions

1. Term

Pursuant to Section 105(c) (I) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5324 (c)

(1)), the term of this contract shall be three (3) years. Pursuant to Section 105(d)(1) of such Act (25 U.S.C. 5324(d)), upon the election by the Contractor, the period of this Contract shall be determined on the basis of a calendar year, unless the Secretary and the Contractor agree on a different period in the annual funding agreement incorporated by reference in subsection F2.

2. Effective Date

This Contract shall become effective upon the date of approval and execution by the Contractor and the Secretary, unless the Contractor and the Secretary agree on an effective date other than the date specified in this paragraph.

3. Program Standards

The Contractor agrees to administer the program, services, functions and activities (or portions thereof) listed in subsection A2 of the Contract in conformity with the following standards: Navajo Nation laws and policies, federal laws (including the Indian Civil Rights Act), Bureau of Indian Affairs Manual, Part 55 Safety of Dams . The Secretary shall provide copies of all Bureau of Indian Affairs manuals, federal laws and regulations, as well as any updates, used as standards within this Contract. The procedures contained within this Contract supersede any conflicting Bureau procedures. In the event the Bureau updates its procedures the Contractor may request a waiver before these updated procedures become applicable to this Contract.

4. Funding Amount

Subject to the availability of appropriations, the Secretary shall make available to the Contractor the total amount specified in the annual funding agreement incorporated by reference in subsection F2. Such amount shall not be less than the applicable amount determined pursuant to Section 106(a) of

the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5325(a)).

5. Limitation of Costs

The Contractor shall not be obligated to continue performance that requires an expenditure of funds in excess of the amount of funds awarded under this Contract. If, at any time, the Contractor has reason to believe that the total amount required for performance of this Contract or a specific activity conducted under this Contract would be greater than the amount of funds awarded under this Contract, the Contractor shall provide reasonable notice to the appropriate Secretary. If the appropriate Secretary does not take such action as may be necessary to increase the amount of funds awarded under this Contract, the Contractor may suspend performance of the Contract until such time as additional funds are awarded.

6. Payment

A. In general - Payments to the Contractor under this Contract shall:

- (i) be made as expeditiously as practicable; and
- (ii) include financial arrangements to cover funding during periods covered by joint resolutions adopted by Congress making continuing appropriations, to the extent permitted by such resolutions.

- (i) In general - Pursuant to Section 108(b) of the Indian Self-Determination and Education Assistance Act, and notwithstanding any other provision of law, for each fiscal year covered by this contract, the Secretary shall make available to the Contractor the

funds specified for the fiscal year under the annual funding agreement incorporated by reference pursuant to subsection F2 by paying to the Contractor, on a quarterly basis, one-quarter of the total amount provided for in the annual funding agreement for that fiscal year, in a lump-sum payment or as semiannual payments, or any other method of payment authorized by law, in accordance with such method as may be requested by the Contractor and specified in the annual funding agreement; and

- (ii) Method of quarterly payment - If quarterly payments are specified in the annual funding agreement incorporated by reference pursuant to subsection F2, each quarterly payment made pursuant to clause (i) shall be made on the first day of each quarter of the fiscal year, except that in any case in which the Contract year coincides with the Federal fiscal year, payment for the first quarter shall be made not later than the date that is 10 calendar days after the date on which the Office of Management and Budget apportions the appropriations for the fiscal year for the programs, services, functions and activities subject to this Contract; and
- (iii) Applicability - Chapter 39 of Title 31, United States Code, shall apply to the payment of funds due under this Contract and the annual funding agreement referred to in clause (i).

7. Records and Monitoring

A. In general - Except for previously provided copies of tribal records that the Secretary demonstrates are clearly required to be maintained as part of the recordkeeping system of the Department of the Interior or the Department of Health and Human Services (or both), records of the Contractor shall not be considered Federal records for purposes of Chapter 5 of Title 5, United States Code.

B. Recordkeeping System - The Contractor shall maintain a recordkeeping system and, upon reasonable advance request, provide reasonable access to such records to the Secretary.

C. Responsibilities of Contractor - The Contractor shall be responsible for managing the day-to-day operations conducted under this Contract and for monitoring activities conducted under this Contract to ensure compliance with the contract and applicable Federal requirements. With respect to the monitoring activities of the Secretary, the routine monitoring visit shall be limited to not more than one performance monitoring visit for this contract by the head of each operating division, departmental bureau, or departmental agency, or duly authorized representative of such head unless:

- (i) the contractor agrees to one or more additional visits; or
- (ii) the appropriate official determines that there is reasonable cause to believe that grounds for resumption of the Contract, suspension of Contract payments, or other serious Contract performance deficiency may exist. No additional visit referred to in clause (ii) shall be made until such time as reasonable advance notice that includes a

description of the nature of the problem that requires the additional visit has been given to the Contractor.

8. Property

A. In general - As provided in Section 105(f) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5324(f)), at the request of the Contractor, the Secretary may make available, or transfer to the Contractor, all reasonable divisible real property, facilities, equipment, and personal property that the Secretary has used to provide or administer the programs, services, functions, and activities covered by this Contract. A mutually agreed upon list specifying the property, facilities, and equipment so furnished shall also be prepared by the Secretary, with the concurrence of the Contractor, and periodically revised by the Secretary, with the concurrence of the Contractor.

The amount reflects the Fiscal Year 201~~8~~⁷ recurring enacted amount allocated. If Congressional appropriation for full year funding is not available at the start of the FY 2019, as an initial budget, the Navajo Nation may enter in the FMIS a full year budget at the actual, total amount of recurring funds distributed for FY 2018 that is based on Congressional appropriation. If the Navajo Nation is proposing to allocate costs between two 638 programs, the percentage breakdown of such cost allocation shall be reflected in the budget.

2. Funding Distribution and Final Budget. Subject to the availability of Congressional appropriation, DOI shall distribute direct program funding for Fiscal Year 2018 exclusive of any Central Office or Regional Office shares, direct contract support cost and indirect cost funds, in one lump sum payment to the Navajo Nation in accordance with Section B(6) of the Contract. DOI will report such shortfalls to Congress and simultaneously provide the Navajo Nation with such report.

4. Nothing in this AFA shall be deemed a waiver of any right the Navajo Nation may have under the Act to receive 100% of its funding, direct, contract support cost or otherwise, as determined under Section 106 of the ISDEAA, as amended.

However, upon becoming available by Congressional appropriation or through the identification of appropriate budget savings from CSC funds line items, the Navajo Nation shall participate in the distribution of those shortfall funds. If, during the term of this AFA, it is not possible to pay all CSC funds, DOI shall make a good faith effort, subject to applicable law, to identify funds or to obtain an appropriation to address this shortfall.

1. Direct Contract Support Cost (DCSC) Funds

In addition to the amount in paragraphs D and D(2) of this AFA, the Navajo Nation shall receive DCSC funds pursuant to Section 106(a)(2) of the ISDEAA, as amended. DOI shall pay any shortfalls in IDC funds when, and to the extent, such shortfall funds are appropriated by Congress. In no event does the Navajo Nation waive its right to recover 100% of the IDC funds associated with this AFA.

3. **Contract Support Cost (CSC) Calculation**

In addition to the entitlement of the CSC funds, the Navajo Nation shall submit a budget report that provides estimated CSC funds needs of both DCSC funds and IDC funds which will be submitted to BIA NRO by July 10 of the AFA year.
