7 **SECTION TWO. FINDINGS**

8 A. COVID-19 is a dangerous and extremely contagious respiratory virus. The virus is
9 pandemic and has reached the Navajo Nation. COVID-19 is spreading at an alarming
10 rate within the Navajo Nation; as of July 15, 2020, the Navajo Nation has reported
11 8,370 cases of COVID-19 and 406 related deaths.

12 B. The World Health Organization declared a Public Health Emergency of International
13 Concern on January 30, 2020; the United States Department of Health and Human
14 Services declared a Public Health Emergency related to the COVID-19 outbreak on
15 January 31, 2020; and the World Health Organization officially declared a pandemic
16 due to COVID-19 on March 11, 2020.

17 C. On March 11, 2020, the Navajo Nation Commission on Emergency Management,
18 with the concurrence of the Navajo Nation President and Vice President, declared a
19 Public Health State of Emergency on the Navajo Nation due to the presence of
20 COVID-19 in areas surrounding the Navajo Nation. Resolution No. CEM 20-03-11.
21 The President and Commission have issued other Public Health Emergency Orders:
22 including: Order No. 2020-001 dated March 18, 2020 (declaring the outbreak of
23 COVID-19 and limiting mass gatherings); Order No. 2020-002 dated March 19, 2020
24 (quarantining the Chilchinbeto Community); Order No. 2020-003 dated March 20,
25 2020 (ordering individuals living on the Navajo Nation to stay home and shelter in
26 place except for essential activities, prohibiting visitors to the Navajo Nation, and
27 closing all businesses on the Navajo Nation except essential businesses); Order No.
28 2020-004 dated March 29, 2020 (implementing a daily curfew from 8:00 p.m. to 5:00
29 a.m. for all Navajo Nation residents, extending the shelter in place order, and further
30 limiting public gatherings); Order No. 2020-005 dated April 5, 2020 (implementing a

1 57-hour weekend curfew on April 10-13); Order No. 2020-006 dated April 16, 2020
2 (extending the weekend curfew for April 17-20 and April 24-27, and closing Navajo
3 Nation essential businesses during curfew hours); Order No. 2020-007 (requiring face
4 masks in public); and Order No. 2020-008 dated April 29, 2020 (extending the
5 weekend curfew to May 11, 2020). The Navajo Nation Office of the President and
6 Vice President issued Executive Order 002-20 on March 31, 2020 (closing all Navajo
7 Nation offices except essential personnel through April 21); and Executive Order
8 003-20 on April 21, 2020 (extending the closure order to May 17, 2020).

9 D. There likely will be other orders issued as the risk of the spread of COVID-19
10 continues.

11 E. As COVID-19 remains a major health concern for the Navajo Nation, it is in the best
12 interest of the Navajo Nation to amend Title 17 of the Navajo Nation Code in regards
13 to violations of Emergency Orders and Actions and enforcement thereof.
14

15 **SECTION THREE. AMENDMENT TO TITLE 17**

This law effects essential businesses on the Navajo Nation and so the hemp farming must be shut down. It only essential to Dineh [sic] Benally and his foreign business partners. If you can make laws like this, enforce them. All known bootleggers/drug dealers should be arrested and jailed.

I support this resolution.

Honorable Council Delegates, I hereby submit my opposition to Legislation 0210-02 because more laws to restrict mobility, no matter what the issue, will not deter people -in this case the Navajo people. Such a law can only lead them to ignoring the law as they have been conditioned to such behavior. The judicial system, as I understand, is already overloaded with cases and law enforcement officers are stretched to the limit. These two issues must be solved first.

My recommendation to prevent the spread of adverse events that are disastrous and caused by the "acts of God", as lawyers often say, is to upscale resources for NN wide community education on the danger and remedy for such events as the coronavirus-19.

Thank you
