RE: Sponsorship for UUFB Legislation

I respectfully ask for your consideration to sponsor UUFB Legislation to support four (4) economic development projects. The 4 projects were chosen based on need and strategic planning within several Chapters.

The four projects are:

1. Bond & Bond Site: located in Shiprock and is in a prime location. New development is being proposed within a mile of this site and lends to the overall master plan of Shiprock. The site is in need of asbestos abatement, clean-up and redevelopment. The estimated project amount is: \$ 400,000
2. Former Jim's Business Site: This site is one of two (2) business sites that are ready for clean-up, demolition, and redevelopment. A c-store is proposed on the site. The estimated project cost of this particular opportunity is: \$2,215,000
3. Former Round Rock Trading Post: The other of two (2) business sites is in need of funding for clean-up and removal. Cleaning up the burnt remains of the former trading post compliments the Jim site project and ready the centrally located Chapter for growth. The estimated project cost is: \$ 400,000
4. Former Chee's Southwest Store: Located in Pinon, this is also one of two sites that is in need of demolition, clean-up, and redevelopment. The site is abandoned with debris strewn around the site. The project is a strategic selection given other clean-up work and long term plans for an office complex nearby. The project's estimated cost is: \$1,455,000

Attached you will find brief descriptions and Project Budget Summaries that have been prepared for all four. Please don't hesitate to contact me at: 928-551-7983 should you have further questions.

Your support and assistance is greatly appreciated.

Respectfully,

The project scope includes demolition and site cleanup. The proposed cost of the project is estimated at \$400,000.

MEMORANDUM

TO : Dwight Witherspoon, Delegate
23rd Navajo Nation Council

FROM : Lisa Jymm
Lisa Jymm, Principal Budget Analyst
Office of Management & Budget

DATE : October 27, 2017

SUBJECT : OMB Review of Legislation #5763: Four (4) budgets totaling \$4,470,000 from the UUFB to Division of Economic Development for capital projects, as listed below:

- a. Bond & Bond Business Site Redevelopment.....\$400,000
- b. Jim Business Site Redevelopment.....\$2,215,000
- c. Round Rock Trading Post Business Site Redevelopment.....\$400,000
- d. Chee's Store Business Site Redevelopment.....\$1,455,000

The Office of Management and Budget (OMB) has reviewed the above packet and provides the following:

1. Because of the limited availability of funds, OMB advises the Branch Chiefs to prioritize all supplemental funding proposals pursuant to the FY 2018 Budget Resolution CS-53-17 (paragraph 'L'), the FY 2018 Budget Instructions Manual (Section XIV), and the Appropriations Act. This activity should be completed by the three branches to determine priorities.
2. OMB recommends compliance with the Navajo Nation Appropriations Act regarding Supplemental Appropriations (Section 820, L). This has not been done. Compliance includes:
 - a. Branch Chief's concurrence of the supplemental request (NN President).
 - b. Non-recurring expenses only.
 - c. The supplemental Funding Proposal Summary (Appendix K, FY 18 BIM)
3. The Budget Instructions Manual states that Supplemental Funding request for Capital Projects shall be submitted to DCD-Capital Project Management Department (CPMD) for review, guidance, and advice. There is no indication that this was done.
4. The Appropriations Act, at 12 NNC 820 (I), requires that the capital outlay comply with an adopted Capital Plan. Currently, there is no approved Capital Plan.
5. Corrections need to be made to the proposed budgets. The proposed budget for Jim Business Site Redevelopment, Project Form 3, indicated \$320,000 but does not calculate into the budget amount. This needs to be reviewed and amounts recalculated.

The document as submitted is deemed "insufficient" for the reasons listed above. If there are any further questions contact me at extension 6230.

FROM: Dwight Witherspoon
Dwight Witherspoon, Delegate
23rd Navajo Nation Council

DATE: October 30, 2017

SUBJECT: Legislation #5763, Projects Proposed for UUFB, \$4,470,000.

The Memorandum addresses the OMB memorandum of October 27, 2017 and responds to the inquiries that were presented:

1. The Division of Economic Development (DED) has prioritized projects that were submitted to the Office of the President and Vice President and approved as the DED Five Year Plan. See Item 3.
2. The FY2018 Supplemental Forms are attached for:

a. Bond & Bond	\$400,000.00
b. Jim Business Site Redevelopment	\$2,215,000.00
c. Round Rock Trading Post Redevelopment	\$400,000.00
d. Chee's Store Business Site Redevelopment	\$1,455,000.00
3. The Division of Economic Development projects are not typically included in the Division of Community Development Capital Plan as its priority is community/chapter projects. DED has an Economic Development Plan (Five Year Plan) that was approved by the Resources and Development Committee of the Navajo Nation Council, pursuant to Resolution No. RDCJY-79-17. The DED Five Year Plan supports the Division's efforts to seek funds for projects in the commercial, industrial and industrial sectors to develop the economy of the Navajo Nation. (RDC Resolution is attached).
4. The Budget for the Jim Business Site Redevelopment, Form 3 was corrected, deleting \$320,000 and inserting the correct number. The corrected form is attached.

First, I would like to apologize for the delay in responding to this issue. In reviewing the document, the Navajo Nation Department of Justice (DOJ) has reviewed the above-mentioned document and deems the document to be "insufficient." As you know, all supplement requests must be made consistent with the Budget Instruction Manual (BIM) Section XI(E), and Appropriation Act (Act), 12 N.N.C. § 800 et. seq. I have attached a checklist that I have created for all supplemental appropriation requests. Second, please review the attached checklists for each of the four (04) projects as there are requirements that are lacking and those requirements need to be submitted. The checklist reflects the requirements of the BIM and Act. In its current form, the documents are not in compliance with the BIM and Act.

RE: Sponsorship for UUFB Legislation

I respectfully ask for your consideration to sponsor UUFB Legislation to support four (4) economic development projects. The 4 projects were chosen based on need and strategic planning within several Chapters.

The four projects are:

1. Bond & Bond Site: located in Shiprock and is in a prime location. New development is being proposed within a mile of this site and lends to the overall master plan of Shiprock. The site is in need of asbestos abatement, clean-up and redevelopment. The estimated project amount is: \$ 400,000
2. Former Jim's Business Site: This site is one of two (2) business sites that are ready for clean-up, demolition, and redevelopment. A c-store is proposed on the site. The estimated project cost of this particular opportunity is: \$2,215,000
3. Former Round Rock Trading Post: The other of two (2) business sites is in need of funding for clean-up and removal. Cleaning up the burnt remains of the former trading post compliments the Jim site project and ready the centrally located Chapter for growth. The estimated project cost is: \$ 400,000
4. Former Chee's Southwest Store: Located in Pinon, this is also one of two sites that is in need of demolition, clean-up, and redevelopment. The site is abandoned with debris strewn around the site. The project is a strategic selection given other clean-up work and long term plans for an office complex nearby. The project's estimated cost is: \$1,455,000

Attached you will find brief descriptions and Project Budget Summaries that have been prepared for all four. Please don't hesitate to contact me at: 928-551-7983 should you have further questions.

Your support and assistance is greatly appreciated.

Respectfully,

The community has repeatedly requests that the remaining building and debris be cleaned up. Besides the debris, there are other refuses, such as an old well and water tank, that need to be removed.

The project scope includes demolition and site cleanup. The proposed cost of the project is estimated at \$400,000.
