**RE :** **Review of Office of Dine' School Improvement Plan of Operation**

On December 5, 2018 the Department of Justice ("DOJ") received a Request for Services from the Office of Dine School Improvement ("ODSI"). ODSI requested the DOJ to review the Office of Dine' School Improvement Plan of Operation.

The Office of Management Budget issued a memorandum regarding the drafting of Plan of Operation and Enabling Legislation. The purpose of the memorandum is to ensure that Navajo Nation Program Plan of Operation and Enabling Legislation is consistent and uniform. After careful review, DOJ recommends the following:

1. Section I. This section needs clarity. First, identify ODCLCS, ODSMT and OMETA. DOJ believes ODSMT is the Office of Dine Science, Mathematics and Technology. The ODSMT establishment is set forth in the first paragraph but there is no reference to OMETA and ODCLCS. Therefore, if the program decides to keep the first paragraph then the program should also provide information on OMETA and ODCLCS. This section should also cite what authority aligned the OMETA, ODCLCS and ODSMT into three new programs. Overall this section is confusing and does not clearly the establishment of the Office of Dine' School Improvement.

3. Section IV.(B), "Education Administrator is authorized to recommend additional professional, technical and clerical positions as needed to carry out the organization purpose and Plan of Operation, as stated herein...."
4. Section IV. (E), "Education Administrator is under the general direction of the Superintendent of Schools", Client needs to determine if this is correct.
5. Section V., "The Office of Dine' School Improvement has the authority and responsibility to:"
6. Section V.(j), "Maintain security of student level data pursuant to the Family Education Rights Privacy Act (FERPA) and the Navajo Nation Privacy Act at 2 N.N.C. § 81 et seq."
7. Section VI., "The Health, Education, and Human Services Committee of the Navajo Nation Council is the oversight committee for the Department pursuant to 2 N.N.C. § 400 482 and 484."
8. Section VII., "The Board may forward recommendations for amendments to this Plan of Operation to the Education Committee, and the Education Committee would make final recommendations for amendments of this Plan of Operation to the Government Services Committee of the Navajo Nation Council.
