From: *Robert Willie*
Robert Willie, Accounting Manager
Office of the Controller

Date: June 7, 2019

Subject: 164 Review-012129-DODE Fund Management Plan

The Office of the Controller has reviewed the above referenced document.

1. This document would be an expenditure of revenues which fall under resolution BFN-187-03. This is a General Fund account which will charge for conference room usage.
2. The Plan of Expenditures of Revenues section IX. Unexpended Revenue would need to state that any unexpended revenue generated shall revert to the Navajo Nation General Fund at the end of the year per BFN-187-03.
3. Navajo Nation buildings in general belong to the Navajo Nation and maintained for the most part by the facilities maintenance department. Perhaps all the Navajo Nation programs that are charging fees for building use should contribute their revenues to the maintenance of buildings or the General Fund revenue shortfall as most of these programs are service orientated and not intended to collect revenues as proprietary accounts.

ELIGIBILITY CRITERIA FOR THE EXPENDITURE OF REVENUES GENERATED BY PROGRAMS AND DEPARTMENTS

I. PURPOSE

To establish criteria for Navajo Nation Programs and Departments, who do not meet the criteria of BFMY-38-02 (Eligibility Criteria for the Establishment of a Fund and Related Fund Management Plan), to generate revenue, including the collection of fees, for goods and/or services provided and to expend such revenue generated. This criteria is not intended to apply to chapters or fund raising activities conducted by employees.

II. CRITERIA

1. Programs and departments shall have a current and approved Plan of Operation on file with the Office of the Controller.
2. A program's and/or department's generation of revenue for goods and/or services provided and expenditure of such revenues shall have Navajo Nation oversight committee and Budget and Finance Committee approval legislation. Such legislation can be part of or separate from the program or department's Plan of Operation. The program or department shall provide the Office of the Controller with copies of the legislation. At a minimum, such legislation shall include:
 - A. A detailed explanation of the specific sources from which such revenue is to be generated; and
 - B. A detailed explanation of the rate or fee setting method and process used; and
 - C. A statement defining the purposes for which the revenue generated can be expended and/or utilized. The expenditure and/or utilization of revenue shall have a correlation with the reason for the generation of revenue. For example, if a program collects fees for the use of its equipment, such revenue should only be expended for the repair, maintenance, and/or replacement of such equipment.

- D. A statement that the revenues generated cannot be expended on or allocated to uses other than those specified in the legislation.
- E. A statement that the expenditure and utilization of all revenue generated and/or fees collected will comply with Navajo Nation law, including the Navajo Business Opportunity Act.
- F. A statement that any unexpended revenue generated shall revert to the Navajo Nation General Fund at the end of the fiscal year.

III. EXPENDITURE REQUIREMENT

The expenditure and generation of revenues and/or collection of fees shall comply with sound financial administration, including accountability principles. Programs and departments shall utilize the Office of the Controller's established internal process for recording and depositing all revenues generated and/or fees collected. The program or department shall provide the Office of the Controller with written in-house procedures governing the expenditure and generation of revenue. Such procedures shall ensure the safeguarding of revenues and/or fees and depositing of such revenues and or fees intact into the Navajo Nation's depository account or to the Navajo Nation's Cashier's Section.

IV. BUDGET REQUIREMENT

The revenues generated will be credited to the program's or department's general fund budget upon receipt by the Office of the Controller Cashier's Section. Programs and/or departments shall develop a general fund budget using Navajo Nation Budget Form #___ at the beginning of the fiscal year that includes a conservative projection of the revenues that will be generated. The estimated expenditures shall be consistent with Section II above. This conservative yearly projection shall meet the intent of this policy.

V. AMENDMENTS

The Budget and Finance Committee may amend these Eligibility Criteria for the Expenditure of Revenues Generated by Programs and Departments upon recommendation by the Office of the Controller.
