RESOLUTION OF THE

23rd NAVAJO NATION COUNCIL -- Fourth Year, 2018

AN ACTION

RELATING TO HEALTH, EDUCATION AND HUMAN SERVICES AND
NAABIK'ÍYÁTI' COMMITTEES; RESPECTFULLY REQUESTING THE UNITED
STATES VETERANS AFFAIRS ADMINISTRATION TO ESTABLISH A VETERANS
HOSPITAL AND CREATE PERSONNEL POSITIONS TO ADDRESS HOUSING AND
BENEFITS ON THE NAVAJO NATION FOR NAVAJO NATION VETERANS

WHEREAS:

- A. The Navajo Nation established the Health, Education and Human Services Committee (HEHSC) as a Navajo Nation Council standing committee and as such empowered HEHSC to review and recommend resolutions regarding veterans and/or veteran services. 2 N.N.C. §§ 164 (A)(9), 400 (A), 401 (B)(6)(a) (2012). See also CO-45-12.
- B. The Navajo Nation established the Naabik'íyáti' Committee as a Navajo Nation Council standing committee and as such empowered Naabik'íyáti' Committee to coordinate with all committees, Chapters, branches and entities concerned with all Navajo appearances and testimony before Congressional committees and departments of the United States government. See 2 N.N.C. §§ 164 (A)(9), 700 (A), 701 (A)(8) (2015); See also CO-45-12.
- C. The Navajo Nation has a government-to-government relationship with the United States of America, Treaty of 1868, Aug. 12, 1868, 15 Stat. 667.
- D. Historically, Native Americans served in the military at a higher rate than any other ethnic group. U.S. Gov'T ACCOUNTABILITY OFFICE, HEALTH CARE ACCESS: IMPROVED OVERSIGHT, ACCOUNTABILITY, AND PRIORITIZATION CAN IMPROVE ACCESS FOR NATIVE AMERICAN VETERANS 1 (2014).
- E. Currently, there are over 128,000 living Native American veterans with approximately 10,000 from the Navajo Nation. See U.S. Census Bureau, 2011-2015 American Community Survey 5-Year Estimates: 2011-2015 American Community Survey American Indian and Alaska Native Tables.

- F. Native American veterans have provided invaluable service and allegiance to the United States of America and bring great honor to their tribal communities.
- G. Within the last 5 years, reports of excessive, and sometimes deadly, waiting times for veterans seeking government healthcare came to light, and President Obama promised accountability. Scott Bronstein & Tom Cohen, *Obama: Shinseki stays for now, but VA misconduct will be punished*, CNN (May 23, 2014) available at www.cnn.com.
- H. In 2010, tribal leaders and representatives offered comments on the U.S. Department of Veteran Affairs (VA) and Indian Health Service (IHS) 2010 Memorandum of Understanding and other health related issues. One comment recorded showed that IHS understood the native culture, languages, and background; however, IHS did not understand the specific needs of Native veterans like the VA, i.e. post-traumatic stress disorder (PTSD) and traumatic brain injury (TBI). DEPARTMENT OF VETERANS AFFAIRS: 2012 TRIBAL CONSULTATION REPORT 11 (2012).
- I. There is currently no United States Veteran Affairs office or services on the Navajo Nation. This requires Navajo veterans to travel off reservation to seek veteran services. The Navajo Nation has established a Veterans Administration through appropriations from the Navajo Nation General Fund; however, assistance through the Navajo Veterans Administration is limited to housing and financial assistance.
- J. It is in the best interest of the Navajo Nation to request the United States Department of Veterans Affairs to establish a veteran's hospital and create personnel positions to address housing and other benefits on the Navajo Nation to meet the needs of the Navajo veterans.

NOW, THEREFORE, BE IT RESOLVED:

- A. The Navajo Nation respectfully requests the United States Department of Veterans Affairs to establish a veteran's hospital and create personnel positions to address housing and other benefits on the Navajo Nation to meet the needs of the Navajo veterans.
- B. The Navajo Nation hereby authorizes the Navajo Nation President, the Navajo Nation Speaker, Navajo Washington Office and their designees to advocate for this request.

Yá'á't'ééh! Legislation No. 0019-19 and 0021-19 are identical in nature, asking VA to provide direct veterans service on Navajo Nation. This is like a dog trying to get a porcupine off a tree. VA has MOU with Indian Health Service for veteran health care service. There are several VA community base health clinic in border towns, such as Farmington and Gallup. VA also have contract veterans counseling service in each state, i.e. Farmington has Veterans Counseling Service. The porcupine is not coming down to the dog. Tree is home to porcupine. For these reasons, I recommend Health, Education and Human Service Committee to request the President Nez to put together a study group, consists of multiply disciplinary knowledgeable people to explore the feasible way to get Navajo Nation designate Veterans Service Agency. Goals: 1st. Navajo Nation to request VA to designate NN as Veterans Service Agency. Similar to states are designated Veterans Service Agency. The VA Regional Office operate hospital, financial services, cemetery, nursing home and etc. in the designated veterans service agency area. The U.S. This may require Congressional action. 2nd Navajo Nation need to have update statistical data of the veterans population. 3rd Nation need to have NVA strategy plan develop and implement it (daily use). 4th Staff NVA with qualified Veterans. This mean to update the Navajo Veteran Preference Policy. I thank you for your service and advocacy for the veterans and families. Paul J. GeorgeCommanderTse' Daa Kaan CVONorthern Agency
