September 1, 2016

Dear Mr. Shepherd,

I am writing to express my great interest in serving a new term as board member for the Navajo Tribal Utility Authority.

I am very proud to be a member of this NTUA board. NTUA is a great organization with a terrific staff, and I am proud to be a part of it. As a board member, my approach has been to help set the tone for the organization and provide guidance, but to empower the staff to do its work without our interference. The tone we have set has been one of service and loyalty to the Navajo people, being respectful and fair to the excellent staff, and thrifty and wise with our resources. This approach has allowed GM Walter Haase and the organization to grow in exciting ways. NTUA has started construction on a solar plant in Kayenta, extended its service territory into Utah, launched a new phone service with expanded cellular coverage, grown our strength to over 720 employees, secured new contracts for energy supply and transmission for years in the future, and hooked up new customers at the rate of around 700 per year.

Being a member of the NTUA has been a wonderful opportunity for me, and I greatly appreciate the chance to serve the Nation. I have learned a great amount about the industry that has helped me in my career, and has allowed me to share with NTUA what I know from my work for a large utility. I sincerely hope to continue on the board.

Thank you for your consideration!

Yours truly,
