My name is Shonie De La Rosa I am a Navajo and a community member of Kayenta, AZ. I was recently elected as a Kayenta Township Commissioner and will begin my term in January 2023. I am also a life member of the Arizona Rifle & Pistol Association which is the Arizona representative of the NRA (National Rifle Association). I completely support Legislation 0224-22 "Recognizing Concealed Weapon Carry Permits Issued by other States". There are many reasons as to why I support this legislation.

- 1) We all have the responsibility and duty to protect ourselves and family. You never know when a criminal may commit an act against ourselves or family member.
- 2) Most of the time we do not have the time to wait for law enforcement to arrive when we are in serious danger from a criminal. This is especially true here on the Navajo Nation with very few police officers to cover the entire Navajo Nation. We all know response time from the Navajo Police is rarely ever immediate.
- 3) Criminals would be less likely to attack someone when they do not know if an individual is armed or not. Criminals would have to consider if they want to risk a threat of a well-armed & trained individual.
- 4) Criminals are everywhere. Even right here at home on the Navajo Nation. With the ever rising problem of alcohol and drug addiction on the Navajo Nation, many addicts have turned to violent crime to support their habits.
- 5) People with a concealed carry license develop a huge respect and responsibility for firearms. When an individual starts classes to obtain a CC license, they will go through many hours of training. They will learn everything from firearm safety, maintenance, and state & federal firearm laws.

Thank you,

Shonie De La Rosa
