Pursuant to Executive Order No. 07-2013, the Office of Management and Budget (OMB) reviewed the proposed document, and deems the document to be Sufficient however the following comments are provided.

SUBJECT: §164 Review # 5415 - Approving the FY 2016 Navajo Nation Road Funding Plan

The Navajo Nation Division of Transportation (Navajo DOT) prepared and presents the FY 2016 Road Funding Plan in the total amount of \$2,175,000. This is the original amount planned and budgeted in Business Unit 506007. A February 4th review of the Budget Status Report displays an available budget amount of only \$2,163,357.07 in 506007.9020 (see Attachment A). To cover the reduced amount, Navajo DOT initiated a Budget Revision Request Form in the amount of \$11,642.93; signed and submitted on February 10th (see Attachment B)

This BRR will restore the balance available back to the original planned & budgeted amount of \$2,175,000. With this, Navajo DOT will proceed with the original FY 2016 Road Funding Plan.

Thank you for your timely review of this 164 Review package. If you have any questions or need any additional information, please contact me at (505) 371-8397 or Ms. Edith Morgan at (505) 371-8374.

JUSTIFICATION FOR BUDGET REVISION (Must be detailed and complete):

Navajo DOT Road Department were advised to purchased much needed safety signs however, when the Purchase Requisition was reviewed at NN Property Section, they determined that these signs are capital items and changed the line item to "9024" Roads. This reduced the amount of funds available for FY 2016 Project Listing which was ready for 164 review. Therefore, NDoT Roads is requesting to replenish the amount used for signs and complete the FY 2016 Project Listing review.

IMPACT ON PROGRAM PERFORMANCE CRITERIA (Must be detailed and complete):

This BRR will not have an impact on DEPT of Roads this year.
