SUBJECT: Legislation # 0085-16 - Marvin Murphy

With this memorandum, I am respectfully requesting that you withdraw Legislation No. 0083-16, an action relating to the confirmation of Mr. Marvin Murphy to serve on the Navajo Housing Authority Board of Commissioners. LETTER OF INTEREST:

**FOR THE RE-APPOINTMENT OF MARVIN P. MURPHY CURRENT
NAVAJO HOUSING AUTHORITY (NHA) BOARD OF COMMISSIONER (BOC)
FOR A FULL-TERM OF FOUR YEARS REPRESENTING THE NEW MEXICO
TENANT AND HOMEBUYERS (NMT&H)**

Yá'át'ééh Honorable Council Delegates, NNC. At this time, I am graciously requesting through your power and authority in re-appointing me as the New Mexico Tenant and Homebuyers representative as their Board Of Commissioner for Navajo Housing Authority, pursuant to 6 N.N.C. §606 (A) & §607. Also, I personally want to thank you in allowing me the privilege in serving as a BOC for the past 14 months. While being a BOC, I oversaw the day-to-day operations NHA has to officiate. The challenges created and solutions produced by NHA have been beneficial to the people. The passion I have in listening to all 368 employees and how their role plays in the Indian Housing Plan (IHP) is vital to NHA. Learning the Essentials of NAHASDA and using that experience benefit NHA to a higher level. Learning quickly and gaining information about HUD and our LOCCS balance has made NHA a huge powerhouse.

From day one, we encountered a 26 item list of Major Concerns directed to the NHA appointees during the Naabi'kiyati' meeting held in December 2014. Within accordance the BOC addressed over 70% of items by the first quarter through policy updating or BOC Directives. Today, over 90% of these issues are resolved and 10% are in the plans. As well as having a working BOC we have been developing new policy or updating outdated policies to fit the current needs of the Navajo people.

In my 59-Chapters in NM, it is a goal this year to visit the communities and gain trust with Chapter Resolutions for land withdraws so sufficient homes can be built to their satisfaction. Next, to continue and fulfill my duties as BOC by attending all required meeting and trainings by means of the least expensive fare.

Learning there is a \$9 Billion housing need and I plan for the next 30-60yrs to see these funds be spent on; building homes for our new-families, students, working-class, veterans, elderly and to the less fortunate, the next things are Self-Sustaining Communities. Within this past year I asked a lot of questions and I will enhance those answers by advancing homes in accordance to NHA's Mission, Values and Goals.

Áhe'ee', and quite a historical year full of 1st time experiences while learning about a powerful entity in NHA. As BOC, my voice and recommendations were being heard from Chapter Houses all the way to the halls of Congress to make my people proud. Please feel free in contacting me through email, _____@yahoo.com or at (505) _____ or further questions.

Respectfully,

Marvin P. Murphy
