

23rd NAVAJO NATION COUNCIL LEGISLATION SPONSORSHIP WITHDRAWAL

I, STEVEN BEGAY, Primary
Sponsor of proposed legislation hereby withdraw my
sponsorship of the proposed legislation. The legislation
tracking number is 0404-17.

An Action Relating to Resources and Development Committee; Approving the Bahastl'ah Chapter Community-Based Land Use Planning Committee's Plan of Operation.

If there are any co-sponsors, they may re-sponsor the same bill by beginning a new legislation.

The matter was prematurely initiated in the legislative process. When RDC considered the legislation, it was ruled out of order because NNDOJ and OLC advised the Committee the Bahastl'ah Chapter CLUPC has not completed the process and the Plan of Operation would require additional information and including a supporting Chapter resolution. Based on the legal advisory, RDC Chairman ruled the matter out of order. A proper legislation will be reinitiated when the process is properly completed.

A. Damages to Improvements of Individual Navajo Indians

1. Whenever a Navajo Nation Chapter disposes of land containing anyimprovement belonging to a Navajo Indian who will not donate the same, whether the disposition is made by surface lease, permit, consent to grant of right-of-way or consent to commencement of construction on a proposed right-of-way, or in any other manner that gives the grantee or proposed grantee exclusive use of the surface of the land containing such improvement, or authorizes the grantee or proposed grantee to use the surface of the land in such manner that said improvement or improvements must be removed, damaged, or destroyed, the Chapter will pay damages to the rightful claimant of such improvement or improvements.

2. As used in this Section "improvement" means house, hogans, sunshade, stables, storage sheds, dugouts, and sweathouses; sheep and horse corrals, and pens, and fences lawfully maintained; irrigation ditches, dams, development work on springs, and other water supply developments; any and all structures used for lawful purposes and other things having economic value. Where any improvement of a Navajo Indian is readily removable and such person has an opportunity to remove the same, damages payable on account of said improvement shall be limited to the reasonable cost of removal, if any, even though the claimant thereof may have failed to remove such improvement and it may have been destroyed or damaged in the authorized course of use of the land on which it is located.

3. No damages shall be paid to any person for any improvement, when such person at the time of building or acquiring said improvement knew or with reasonable diligence ought to have known that the area in which it was located was proposed to be disposed of by the Chapter adversely to such person's interest.

4. Damages to be paid to individual Navajo Indians under this Section shall be fixed by negotiation and consent between the Chapter President of the Chapter or his or her authorized representative and the individual involved. If no agreement satisfactory to the Chapter President or his or her representative can be reached within a reasonable time, the Chapter President shall appoint one appraiser, the individual shall appoint one appraiser, and the two appraisers so appointed shall appoint a third appraiser; but if they cannot agree upon the third appraiser within 10 days, the Chapter President may appoint him or her. Their determination shall be submitted to the Natural Resources Committee of the Navajo Nation Council and when, if, and as approved by said Committee the amount thereof shall be final. The Chapter shall pay the fees of said appraisers, except where they are regular Navajo Nation employees, in which case they shall not be entitled to any fees. In addition the Chapter shall pay the reasonable and necessary expenses of said appraisers, whether or not such appraisers are Navajo Nation employees.

B. Economic Damage to Intangible Interests of Navajo Indians

1. Whenever as a result of a Navajo Nation Chapter granting any lease or permit embracing Navajo Nation land, or granting permission by the Chapter for the use of Navajo Nation land, or as a result of the use of Navajo Nation land under such lease, permit or permission, the value of any part of such land for its customary use by any Navajo Indian formally lawfully using the same is destroyed or diminished, the Chapter will compensate the former Navajo Indian user in the manner hereinafter specified.

2. When the livelihood of the former Navajo Indian user is gravely affected by the new use, such user shall have first priority in resettling on other lands acquired by the Navajo Nation, except the area acquired pursuant to the Act of September 2, 1958 (72 Stat. 1686); and the Chapter shall pay the expense of removing said person, his or her family, and property to any newland made available for his or her use, and such shall constitute full compensation to such Navajo.

Whereby reseeding, irrigation, or otherwise, the remaining land in the customary use area of any individual damaged by the governmental exercise of eminent domain is within a reasonable time made able to provide the same economic return as his or her former entire customary use area, no damages shall be payable to such person, except for the period, if any, between adverse

disposition of the land in the customary use area and the time when the productivity of the remaining land achieves equality with the entire former customary use area.

5. Only lawful and authorized use shall be compensated under this Section. Thus, no person shall be compensated for loss of use of land for grazing animals in excess of his or her permitted number, or without a permit.

6. Every person otherwise entitled to damages under subsection (3) of this Section shall not be entitled to receive any payment thereof until that person has surrendered for cancellation that person's grazing permit as to all animal units in excess of the carrying capacity of the land remaining in that person's customary use area. Persons so surrendering their grazing permits shall be entitled to an immediate lump sum payment based on the current market value for each sheep unit canceled.

C. Adverse Disposition of Navajo Nation Land Not to be Made Until Individual Damages are Estimated

Neither lessee, permittee, or the grantee of a right-of-way or other interest in or right to use Navajo Nation lands shall commence any construction thereon, nor make any change in the grade or contour thereof or remove any surface vegetation thereon until the damages to the improvements thereon or the customary use rights of all the individuals affected thereby have been estimated by the Office of Navajo Land Administration of the Navajo Nation. Unless the Chapter membership has previously authorized the payment of such damages from nonreimbursable funds of the Chapter, the Chapter President shall require the applicant for such lease, permit or grant of a right-of-way or other interest in or right to use Navajo Nation lands to deposit with the Chapter Secretary/Treasurer an amount equal to at least double the estimate of damage made by the Office of Navajo Land Administration. After the lease, permit, or grant of right-of-way or user has become final and the damages have been determined, either by appraisal, estimate or by consent as hereinbefore provided, the Chapter President shall cause the Secretary/Treasurer to pay, from and out of this deposit, to the person or persons damaged thereby such sum as he, she or they may be entitled to under the terms of this Section, and to return to the applicant the excess thereof, except that where the individual damaged has not consented to the determination of the amount thereof, it shall be withheld in order to satisfy the excess amount, if any, determined under 26 N.N.C. Section 2005(A)(4). Such disbursements shall be made without further appropriation of the Navajo Nation Chapter membership. All sums held by the Secretary/Treasurer of the Navajo Nation Chapter, pursuant to the terms of this Section, for a period of more than 30 days shall be deposited in a Federal Savings and Loan Association or invested in the bonds of the United States until needed for disbursement.
