BE IT ENACTED:

SECTION 1. AUTHORITY

- A. The Navajo Nation Council is the governing of body of the Navajo Nation. 2 N.N.C. § 102(A).
- B. The Navajo Nation Code provides, “[m]atters constituting an emergency shall be limited to the cessation of law enforcement services, and disaster relief services, fire protection services or other direct services required as an entitlement under Navajo Nation or Federal law, or which directly threaten the sovereignty of the Navajo Nation. Such an

1 emergency matter must arise due to the pressing public need for such resolution(s) and
2 must be a matter requiring final action by the Council. 2 N.N.C. § 164(16).

3 C. The Navajo Nation Council has the authority to approve supplemental appropriations.
4 12 N.N.C. § 820(L). Pursuant to 12 N.N.C. § 820 (L), “[t]he Navajo Nation Council
5 may adopt and approve supplemental appropriations to the Annual Comprehensive
6 Budget during the fiscal year. Supplemental appropriations of General Funds within
7 the current fiscal year are permitted, if and when additional sources of revenues above
8 and beyond the initial or current revenue projections are projected and which are also
9 in excess of the reserve amount set forth at § 820(J).”

10 D. The Title 12 Finance Act Supplemental Appropriation requirements include:

- 11 1. All requests for annual operating funds and supplemental funds shall be submitted
12 to the Office of Management and Budget for budget impact analysis. 12 N.N.C.
13 § 820(M).

- 17 3. Supplemental Appropriations made from non-recurring revenues shall only be
18 made for non-recurring operations or purposes, as set forth at § 820(F). The

20 non-recurring revenues. 12 N.N.C. § 820(L).

22 maintenance, from recurring revenues. Long term debt shall not be used to finance

- 24 5. The Navajo Nation Code provides, “[t]he Nation shall restrict non-recurring
25 revenues to budget non-recurring expenditures. In addition, non-recurring revenues
26 will be budgeted only after an examination by the Controller to determine whether
27 or not the revenues are subsidizing an imbalance between recurring revenues and
28 expenditures, and expenditures may be authorized only if a long-term (three-five
29 year) forecast shows that the operating deficit will not continue. Otherwise, non-
30 recurring revenues will be added to the Unreserved, Undesignated Fund balance.

1 This provision may be amended or waived by a two-thirds vote of the full Navajo
2 Nation Council.” 12 N.N.C. § 820(F).
3

4 **SECTION 2. FINDINGS**

- 5 A. The Health Command Operations Center has requested a supplemental appropriation
6 to address the effects of the novel coronavirus (COVID-19).
7 B. This Resolution is offered as an emergency due to the damaging effects COVID-19
8 has had upon the Navajo Nation. The Navajo Nation’s ability to provide care and
9 prevent the spread of COVID-19 upon the Navajo Nation directly relates to the Navajo
10 Nation’s exercise of sovereignty.
11 C. The Navajo School Clothing Program has also requested a supplemental appropriation
12 due to the programs ability to provide supplies and clothing for Navajo children in
13 need of support. This appropriation will offer supplemental assistance to school age
14 children of families struggling to meet additional needs during this time of distance
15 learning.
16 D. The Navajo Nation Commission on Emergency Management, with the concurrence of
17 the President of the Navajo Nation, Jonathan Nez, declared a public health state of
18 emergency on the Navajo Nation, on March 11, 2020 due to COVID-19. Emergency
19 Management Commission Resolution No. CEM 20-03-11. Resolution CEM 20-03-11
20 is incorporated by reference into this resolution.
21 E. The Navajo Nation has issued numerous public health orders in recognition of the
22 severity of COVID-19. These Public Health Emergency Orders (2020-001 through
23 2020-031) are incorporated by reference into this resolution. Most recently, the Navajo
24 Nation Department of Health issued Public Health Emergency Order No. 2020-031,
25 entitled, “Continuing the Stay at Home (Shelter in Place) Lockdown Order for an
26 Additional Three (3) Weeks, Including Full 57-Hour Weekend Lockdowns,” to
27 continue to combat the spread of COVID-19.
28 F. COVID-19 infections and deaths continue to be a serious issue within the Navajo
29 Nation and are straining an already overburdened healthcare system. As of December
30

1 8, 2020, the Navajo Nation reached a total of 18,324 positive cases and 688 COVID-
2 19 related deaths.

3 G. The supplemental funding will allow the Health Operations Command Center to
4 engage contractual personnel for alternate site care for patients throughout the Navajo
5 Nation who are required to quarantine or isolate as a result of COVID-19 exposure.

6 H. The funding will also enable the Health Operations Command Center the ability to
7 provide public outreach through oral and video materials to educate the Navajo public
8 on how to prevent the spread of COVID-19.

9 I. The supplemental appropriation is requested in the total amount of Ten Million Four
10 Hundred Six Thousand Two Hundred Twenty-Two Dollars (\$10,406,222). The
11 budget documents are attached as **Exhibit A**. Due to the emergency nature of this
12 Resolution, the Office of the Controller and the Office of Management and Budget
13 reviews for this budget were not available at the time of drafting. These documents
14 can be included as exhibits to this Resolution when provided.

15 J. The supplemental appropriation to the Navajo School Clothing Program within the
16 Division of Social Services is requested in the amount of One Million, Twenty-Four
17 Thousand, Five Hundred Dollars (\$1,024,500). The budget documents for this request
18 are attached as **Exhibit B**. The Office of Management and Budget (“OMB”) has
19 reviewed the budget for this request in accordance with 12 N.N.C. 820 (M). OMB’s
20 budget impact analysis is attached as **Exhibit C**. Due to the emergency nature of the
21 legislation, the review by the Office of the Controller, required by 12 NNC § 820(L),
22 was not available at the time of drafting. The document can be included in as an exhibit
23 to this Resolution when provided.

24 K. In its approval of the Navajo Nation Budget Instruction Manual (“BIM”) for Fiscal Year
25 2021, the Budget and Finance Committee recognized the difficulties involved in
26 obtaining signatures on budget forms related to requests for appropriation. The Fiscal
27 Year 2021 BIM, therefore, reflects that divisions and departments are encouraged, rather
28 than required, to have written concurrence from the appropriate Branch Chief or
29 Division Director. Navajo Nation BIM, Fiscal Year 2021, Section XII.B.1.a.i.

SUPPLEMENTAL FUNDING PROPOSAL SUMMARY**

PART I. Business Unit No.: 113022 Program Title: FY 2021 HEALTH COMMAND OPERA
 Division/Branch: NDOH Amount Requested: \$10,406,222.00 Prepared By: Christine Chavez
 Phone No.: 928-871-6733 Email Address: cmchavez@navajo-nsn.gov

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

To continue to respond to the COVID-19 pandemic such as mitigation through isolation, quarantine, patient care, home support, and public health messaging. There are no identified funds in 2021 to respond to the public health emergency. In order to continue to reduce transmission of COVID-19 and vaccines are not available for the entire population, we will continue to see new cases and resources are needed on a daily basis. We also need to ensure there are no gap in services after December 30, 2020 as CARES act dollars are set to expire on that day. There are around 70 patients still in isolation, quarantine and in the alternate care site who are still in recovery. Families impacted are still seeking assistance through case management to receive food and hygiene kits for them to safely recover. The congressional actions are not guaranteed; therefore, this request is an emergency to ensure there are no gap in services to help the Navajo people that have or at risk for COVID-19.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

1. Continue to advocate to Congress to support stimulus or funds to support responding to COVID-19.

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

SUPPLEMENTAL FUNDING PROPOSAL SUMMARY**

PART I. Business Unit No.: 117008 Program Title: Navajo School Clothing Program
 Division/Branch: Division of Social Services Amount Requested: \$1,024,500 Prepared By: Dawn Foster
 Phone No.: 928-810-8592 Email Address: Madelena.Kee@nntanf.org

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

The Supplemental Funding request is to replenish the Navajo School Clothing Program's funding due to an error that occurred when the Navajo Nation General Accounting Section utilized FY2021 budget instead of FY2020 budget, for the education incentive payments. Consequently, the FY2020 funding was not spent at all resulting in the Navajo School Clothing Program facing a huge budget deficit.

The Supplemental Funding request is to resolve the huge budget deficit by increasing the Navajo School Clothing Program budget with \$1,024,500 supplemental budget, which will restore the FY 2021 original budget amount of \$1,172,470. The error of utilizing the wrong fiscal year funding will result in serving only 591 Navajo children with the current balance of \$147,970 for the 2021/2022 academic year.

The Navajo School Clothing Program has been renamed to be called Navajo Education Incentive and is not exclusive to clothing, it includes school supplies. Navajo school children attending schools on and off the Navajo reservation receive \$250.00 each to purchase clothing or school supplies of their choice that encourage school attendance and support academic performance, on an annual basis, until funds are expended.

The batch submitted to OOC on September 25, 2020 supported 4,098 Navajo children with education incentive in the amount of \$1,024,500. Unfortunately, 591 deserving Navajo children did not receive education incentive due to the error.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

The Navajo Family Assistance Services' contingency plan is for those Navajo children who are eligible for TANF benefits will receive Navajo Education Incentive support through the Department for Self Reliance; however, Navajo children who are ineligible for TANF will not be served. There are no other funding sources to pursue.

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

JONATHAN NEZ | PRESIDENT MYRON LIZER | VICE PRESIDENT

MEMORANDUM

TO : 24th Navajo Nation Council

FROM : 
Lisa Jymm, Acting Budget Officer
Office of Management and Budget

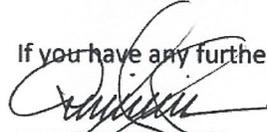

DATE : December 23, 2020

SUBJECT : Legislation 0311-20: FY21 Health Command Center Proposed Budget in the amount of \$17,420,482, Business Unit #113022, and Navajo School Clothing Program, Business Unit #117008 in the amount of \$1,024,500.

The Office of Management and Budget (OMB) reviewed the above budget documents according to 12 N.N.C. § 820 (M) and the following is noted:

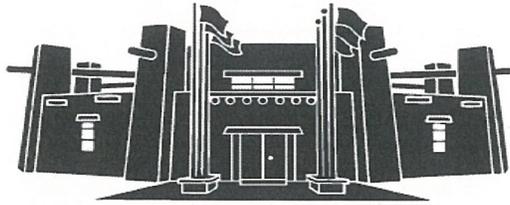

1. Because of the limited availability of funds, OMB advises the Branch Chiefs to prioritize all supplemental funding proposals pursuant to the FY 2021 Budget Instructions Manual (Section XII), and the Appropriations Act. This activity should be completed by the three branches to determine priorities.
2. OMB recommends compliance with the Navajo Nation Appropriations Act regarding Supplemental Appropriations (Section 820, L). This has not been done. Compliance includes:
 - a. Branch Chief's concurrence of the supplemental request (NN President).
 - b. The Supplemental Funding Proposal Summary, Appendix K in the FY21 BIM, is not attached in the Health budget documents.
 - c. The proper reviews have not been done.
3. The grand total of both allocations would be either \$18,444,982 or \$18,449,982 (+\$5,000) with \$16,746,624 from the available UUFB and the difference of \$1,698,358 from the 10% Minimum UUFB.
4. In the past, leadership was cautioned about appropriations from the Minimum Fund Balance because it could negatively affect the Nation's credit and bond ratings because the balance is not consistently maintained.
5. The balance available in the UUFB is \$16,746,624. The DOH/FY21 Health Command Center budget is for \$17,425,482 which exceeds the available balance. Also, the revised budget dated 12/22/20 based on the BFC amendment includes an increase of \$5,000 in object code 9140 – Capital Outlay line item. The BFC amendments do not speak to this.
6. The budget for FY21 Health Command Center is from 1/1/21 to 1/31/21. Is this correct? Is there a reason why the program indicates 1/31/21? OMB questions this.
7. The Navajo School Clothing Program states the error is with the Office of the Controller, did the program meet with OOC to get this corrected? Was there consultation to use the FY2020 funds when the entire FY20 balance was available to cover their request?

If you have any further questions, you may contact me at extension 6230.
