failure to pay full contract support costs to tribes and tribal organizations contracting to run Bureau of Indian Affairs' (BIA) programs through the Indian Self-Determination and Education Assistance Act of 1975 (ISDA), Pub. L. 93-638, as amended.

- B. In 1990, the Ramah Chapter brought suit in the United States District Court of the District Court of New Mexico claiming that the DOI improperly calculated indirect cost rates for ISDA contractors; and in 1993, the District Court certified a class of all Tribes, including the Navajo Nation, and tribal organizations that have ISDA contracts or compacts.
- C. In 1999 and 2002, the parties entered settlement agreements to resolve unpaid contract support costs for the years 1989 through 1993; and in 2008, the parties entered a third settlement agreement to reform the indirect cost rate system.
- D. The Final Settlement Agreement, as set forth in the Claim Form Amounts for Class Members attached as **Exhibit A**, awards a settlement amount of fifty-eight million four hundred thirteen thousand eight hundred nine dollars and thirty-six cents (\$58,413,809.36) to the Navajo Nation. See **Exhibit A**, page 10.
- E. The Navajo Nation Council established the Síhasin Fund, which provides, "[a]dditional deposits, when duly designated, may be made to the Fund from the net proceeds of settlement or judgment awards of other litigation brought against the United States concerning its failure ensure that the Navajo Nation received all funds due and owing under the United States' trust obligation and fiduciary duties." 12 N.N.C. § 2501(A).
- F. The Navajo Nation Council agrees that the *Navajo Ramah Chapter*, et al., v. *Jewell* settlement award to the Navajo Nation meets the criteria of 12 N.N.C. § 2501 and that the net proceeds from such settlement are eligible for deposit in the Síhasin Fund, and the Navajo Nation Council determines that the best use of the settlement proceeds is to deposit the net proceeds into the Síhasin Fund.

### Section Three. Approving and Designating

The Navajo Nation Council, pursuant to 12 N.N.C. § 2501, hereby approves and

designates that the net proceeds of fifty-eight million four hundred thirteen thousand eight hundred nine dollars and thirty-six cents (\$58,413,809.36) awarded to the Navajo Nation in the settlement of *Navajo Ramah Chapter*, et al., *v. Jewell*, No. 90-CV-957 (D.N.M), be deposited in and added to the Síhasin Fund.

<sup>\*</sup>The amount actually paid into the Reserve Account and to Attorneys' Fees will be slightly reduced because three Class members will not contribute due to Treasury offsets. However, the rest of the Class will pay into the Reserve Account and to Attorneys' Fees their shares of the full amounts for these two funds.

<sup>\*\*</sup>The Judgment Fund made three \$1 payments to the three Class Members with full TOP offsets. These three dollars result in a corresponding \$3.00 discrepancy in the final payment calculations.
