OF THE NAVAJO NATION COUNCIL

23RD NAVAJO NATION COUNCIL - Third Year, 2017

AN ACTION

RELATING TO THE BUDGET AND FINANCE COMMITTEE; APPROVING THE
LOAN AND LOAN DOCUMENTS BETWEEN THE NAVAJO NATION, ACTING BY
AND THROUGH THE BUDGET AND FINANCE COMMITTEE, AS THE LENDER,
AND THE NAVAJO TRIBAL UTILITY AUTHORITY, AS THE BORROWER, TO
FUND THE SIHASIN FUND BULK WATER & WASTEWATER DEVELOPMENT
PROJECTS ASSIGNED TO THE NAVAJO TRIBAL UTILITY AUTHORITY
PURSUANT TO NAVAJO NATION COUNCIL RESOLUTION CJA-12-16

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Budget and Finance Committee of the Navajo Nation Council was established to exercise oversight authority over, including but not limited to, budget, finance, investment, bonds, contracting, insurance, audits, accounting, taxes and loans and is specifically empowered to coordinate and review all fiscal, financial and investment activities of the Navajo Nation and its enterprises. 2 N.N.C. §§ 300(C) and 301(B)(5).
- B. Navajo Nation Council Resolution No. CJA-12-16, signed by the President of the Navajo Nation February 21, 2016, delegated to the Budget and Finance Committee the responsibility and authority to approve a Loan Agreement to the Navajo Tribal Utility Authority from the Sihasin Fund to implement the Sihasin Fund Bulk Water & Wastewater Development Expenditure Plan. CJA-12-16, section Three. Subsection D.

SECTION TWO. FINDINGS

- A. The Navajo Nation Breach of Trust Settlement Act of 2014 (hereinafter "2014 Act"), CD-68-14, mandated that the net proceeds and earnings thereon received by the Navajo Nation from the settlement of *Navajo Nation v. United States*, No. 06-945L, be deposited into the Navajo Nation

Sihasin Fund and managed and invested to provide financial support and/or financing for (1) the planning and development of regional infrastructure supporting economic and community development, including housing, within the Navajo Nation; and/or(2) education opportunities for members of the Navajo Nation. See 12 N.N.C. § 2501 and § 2502(A).

- B. The 2014 Act also established the "leveraging of the [Sihasin] Fund by way of guaranteeing loans, match funding, direct funding in part and other weighted uses of the Fund shall be favored over direct funding in whole". 12 N.N.C. § 2502(B).
- C. The Navajo Nation Council determined that the lack of a comprehensive nationwide bulk water delivery system or infrastructure, as well as wastewater treatment facilities, delays and impedes true sustainable economic, community and housing development throughout Navajo Nation.
- D. The Navajo Nation Council further determined that it was in the best long-term interests of the Navajo people collectively to utilize a portion of the Sihasin Funds to provide the financial support necessary to plan, develop and construct an integrated nationwide bulk water supply and wastewater treatment infrastructure sufficient to support sustainable economic, community and housing development and growth throughout the Navajo Nation.
- E. The Navajo Nation Council requested that the Navajo Tribal Utility Authority ("NTUA"), Navajo Nation Water Management Branch ("WMB") and Indian Health Services("IHS") collectively and collaboratively submit a five-year proposal, hereinafter referred to as the "Bulk Water & Wastewater Development Expenditure Plan", subsequently adopted as CJA-12-16 Exhibit A, to take maximum advantage of federal, state and private funding opportunities and partnerships to subsidize Navajo Nation bulk water delivery and wastewater development projects pursuant to cost-sharing, multi-agency contribution and reimbursement strategies as part of a cohesive global Navajo Nation water supply plan targeting five interrelated project categories:

1. The establishment of bulk water capacity and the treatment and transmission of that bulk water to the delivery systems.
 2. The improvement of existing water systems through renovation, upgrade and capacity increase to accommodate the delivery of new bulk water.
 3. The construction of new plants, as well as the upsizing or replacement of existing plants, to process new bulk water.
 4. The development and construction of bridge water projects, such as new ground water wells, to bridge the capacity until the larger capacity reaches certain areas that are farthest from the bulk water sources.
 5. The interconnection of lines that will network water systems together to move water from system to system and eventually create the flow path to move bulk water to the farthest reaches and isolated communities.
- F. Prior to the final adoption of CJA-12-16, the Navajo Nation Council, as well as assigned Standing Committees, debated a version of the Bulk Water & Wastewater Development Expenditure Plan wherein NTUA was to receive \$85,445,972 in direct funding to plan, develop and construct bulk water and wastewater projects; however, during the committee debates, in an effort to further leverage the Sihasin Fund dollars and replenish the principle, NTUA was asked if it could absorb loan funding of \$63,945,972 with direct funding limited to \$21,500,000.
- G. In the spirit of the collaborative collective effort necessary to plan, develop and construct a cohesive integrated nationwide bulk water supply and wastewater treatment infrastructure, NTUA agreed to absorb the loan funding of \$63,945,972, if the terms of the loan were no less favorable than the terms it would receive if borrowing the dollars through the United States Department of Agriculture Rural Services Utilities' loan program.
- H. The Navajo Nation Council adopted Resolution No. CJA-12-16 ON January 27, 2016 incorporating a loan to NTUA in the amount of \$63,945,972 with direct funding limited to \$21,500,000 with loan terms no less favorable than the

terms NTUA would receive if borrowing the dollars through the United States Department of Agriculture Rural Services Utilities' loan program.

- I. Pursuant to CJA-12-16, The Loan Agreement, attached as **Exhibit A** and incorporated herein, between the Nation and NTUA is to be approved by the Budget and Finance Committee.
- J. NTUA, the Navajo Nation Controller and the Navajo Nation Department of Justice, along with the Nation's outside bond legal counsel, have negotiated and agreed upon the substantive provisions of the Loan Agreement, including the supporting documents and schedules, attached as **Exhibit A**.
- K. The Budget and Finance Committee hereby determines that the Loan Agreement, including all supporting schedules and documents, meets the intents and purposes CJA-12-16 and is the appropriate agreement to fund the projects assigned to NTUA under the Sihasin Fund Bulk Water & Wastewater Development Expenditure Plan as part of the collaborative collective effort necessary to plan, develop and construct a cohesive integrated nationwide bulk water supply and wastewater treatment infrastructure throughout the Navajo Nation.

SECTION THREE. APPROVAL

- A. The Navajo Nation hereby approves the Loan Agreement, including all supporting schedules and documents, attached as **Exhibit A**, and hereby authorizes and directs such other actions by the Office of the Controller and Office of the President & Vice President as may hereafter be necessary and appropriate to carry out the obligations of the Nation under the Loan Agreement.
- B. The Navajo Nation hereby authorizes the Controller and the President of the Navajo Nation to finalize and execute the Loan Agreement and any and all documents necessary to effectuate the intent and purpose of this Resolution.

CERTIFICATION

I hereby certify that the foregoing resolution was duly considered by the Budget and Finance Committee of the Navajo Nation Council at a duly called meeting held at St. Michaels, Navajo Nation (Arizona), at which a quorum was present and that the same was passed by a vote of 4 in favor and 0 opposed, this 14th day of April, 2017.

(a) The Lender, on the terms and subject to the conditions set forth in this Agreement, agrees to make the Loan to the Borrower and agrees to disburse the Non-Repayment Amounts to the Borrower. The Loan shall be evidenced by the Note and will be disbursed in Advances in accordance with the schedule set forth in Exhibit C. All Non-Repayment Amounts shall be disbursed to the Borrower in accordance with the schedule set forth in Exhibit C. All or any portion of the Loan which are repaid or prepaid may not be reborrowed.

(b) The Loan shall be a general obligation of the Borrower, backed by the full faith and credit of the Borrower and payable from all legally available revenues of the Borrower.

(c) Notwithstanding any other provision herein, the Lender shall have no obligation of any nature to fund any Advance until and unless (i) no Event of Default has occurred and is continuing; (ii) all representations and warranties of the Borrower in each Loan Document are true and correct; (iii) all conditions set forth in Section 8.1 as conditions to the effectiveness of this Agreement (unless waived in connection with the execution of this Agreement) shall have been satisfied; (iv) for any Advance, all conditions set forth in Section 8.2 shall have been satisfied; and (v) after giving effect to such Advance, the original principal amount of all Advances will not exceed the Maximum Loan Amount.

(d) The Navajo Nation Code, 2 N.N.C. § 223 (A), requires that any contract involving the expenditure of funds executed on behalf of the Navajo Nation shall expressly state that "the liability of the Navajo Nation under such contract is contingent upon the availability of appropriations by the Navajo Nation Council to carry out the same" and that language is incorporated herein. Notwithstanding the foregoing, the Lender and Borrower stipulate and agree that, under all applicable laws, the Navajo Nation Council and President of the Navajo Nation have fully appropriated the Maximum Loan Amount totaling \$63,945,972 and to Non-Repayment Amounts totaling \$21,500,000 pursuant to the Act, and that no further action is necessary to effectuate the availability of the appropriations.

(e) Subject to Section 2.1(g), Borrower shall use the proceeds of the Loan solely for Project Costs.

(f) Borrower shall have the ability to make changes to the disbursement of funds for Projects within the Expenditure Plan to account for (i) Projects which run over budget, (ii) Projects which run under budget and (iii) with the approval of the Naabik'iyati Committee of the Navajo Nation Council, Projects whose priority has moved ahead of the date of disbursement of funds within the Expenditure Plan for that specific Project. Notwithstanding the above, the Loan disbursement amount for each Fiscal Year shall not be greater than as set forth in the Expenditure Plan.

(g) Borrower is responsible for identifying ways to leverage the Loan funds appropriated under the Act and any costs saved, reduced or reimbursed through leveraging shall remain in the respective continuing account and be expended to design, plan or construct the Projects listed under Exhibit A or, with the approval of the Naabik'iyati Committee of the Navajo Nation Council, subsequently eligible water and wastewater projects.

(h) In the event Borrower is leveraging Loan funds to reduce the cost of a Project and the agency providing financial assistance is requesting that all money be available for disbursement for a Project, NTUA shall have the right, upon approval by the Naabik'iyati Committee of the Navajo Nation Council, to advance funds within the Expenditure Plan for such Project.

2.2 Request for Advances and Non-Repayment Amounts. The Advances set forth on Exhibit C for Fiscal Year 2016 and Fiscal Year 2017 shall be made on the Closing Date.

Each Advance and disbursement of Non-Repayment Amounts, other than initial Advance and disbursement of Non-Repayment Amounts to be made on the Closing Date, shall be made pursuant to a Request for Advance to the Controller in the form of Exhibit B hereto which shall: (i) be delivered to the Controller at least 10 calendar days before the requested date of disbursement, and (ii) specify the principal amount of such Advance and the amount of any Non-Repayment Amounts. Pursuant to the Act, each Advance shall be released to Borrower by the end of the second quarter of the respective Navajo Nation Fiscal Year through a single distribution and not more than one (1) Request for Advance shall be submitted per Fiscal Year, subject to the provisions set forth in Section 2.1(g). Unless the Lender otherwise consents, no Request for Advance may be revoked by the Borrower after its submission to the Lender. In the event that the Lender consents to the revocation of any Request for Advance submitted by the Borrower, the Borrower agrees that it shall reimburse the Lender for any loss, cost, damage or expense associated with any redeployment of funds caused by such revocation.

ARTICLE 3 PAYMENTS AND FEES

3.1 Principal and Interest.

(a) *Interest Rate.* Interest on the outstanding principal of each Advance shall accrue from the date on which the respective Advance is made to the date on which such principal is paid and shall accrue and be payable as set forth herein before and after Default, before maturity, before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law. The principal amount of each Advance of the Loan shall bear interest at the prevailing Federal Financing Bank (FFB) quarterly rates as published on the USDA Rural Utilities web site at <http://www.rd.usda.gov/programs-services/services/rural-utilities-loan-interest-rates> and pursuant to Section 6(b) of the Federal Financing Bank Act of 1973, as amended (codified at 12 U.S.C. 2281 et. seq.) in effect from time to time (the "FFB Rate"). The interest rate on all outstanding amounts of the Loan shall be adjusted to the applicable FFB Rate each year on May 1 until May 1, 2023. On May 1, 2024, the Interest Rate for the remaining term of the Loan shall be fixed at the FFB Rate in effect on such date.

(b) *Interest-Only Payments Through May 1, 2024.* Borrower shall pay interest-only payments on Advances until May 1, 2024 (the "Interest-Only Period"). The initial interest-only payment schedule for Advances of the Loan made on the Closing Date is attached hereto as Schedule 3.1. Schedule 3.1 shall be supplemented and updated by the Controller after each Advance to reflect the total amount loaned to the Borrower and the consolidated interest-only payment schedule during the Interest-Only Period.

(c) *Interest and Principal Payments After May 1, 2024.* On or before May 1, 2024, the Controller shall prepare a consolidated interest payment and principal amortization schedule for the Loan. Principal amortization shall be based on a thirty-three (33) year principal amortization schedule. Beginning on the first Payment Date after May 1, 2024, the Borrower shall pay on each Payment Date through the Maturity Date the principal and interest payments as set forth in such schedule.

(d) Determinations of interest and principal payments on each Advance made by the Controller shall be conclusive and binding on Borrower in the absence of manifest error.

3.2 Prepayment. The Loan may be prepaid in whole or in part in amounts of not less than \$50,000, on any Payment Date, upon not less than fifteen (15) days prior written notice to Lender by the Borrower.

3.3 Late Charge. In the event that any payment required hereunder is not paid within ten (10) Business Days after the due date thereof, the Borrower agrees to pay a late charge of one percent (1%) of the unpaid payment to defray the costs of the Lender incident to collecting such late payment (the "Late Charge"). This Late Charge shall apply individually to each payment past due and there will be no daily pro rata adjustment. This provision shall not be deemed to excuse a late payment or be deemed a waiver of any other rights the Lender may have including the right to declare the entire unpaid principal amount of the Loan together with interest immediately due and payable.

3.4 Computation of Interest and Fees; Non-Business Days. Computation of interest and fees (if any) payable under this Agreement shall be calculated on the basis of a year of 360 days and actual days elapsed. If any payment to be made by the Borrower under any Loan Document shall come due on a day other than a Business Day, payment shall instead be considered due on the next succeeding Business Day and the extension of time shall be reflected in computing fees and interest.

3.5 Manner and Treatment of Payments. Each payment hereunder or under any other Loan Document shall be made, without setoff, counterclaim or deduction of any kind, to the Lender, at the Lender's Office in immediately available funds not later than 11:00 a.m. on the day of payment (which must be a Business Day). All later payments shall be deemed received on the next succeeding Business Day. Lender shall use its best efforts to keep a record of Advances made by it and payments received by it with respect to its Notes and such record shall be presumptive evidence of the amounts owing. Notwithstanding the foregoing sentence, Lender shall not be liable to any party for any failure to keep such a record, and no such failure shall affect the amount of the Obligations hereunder.

3.6 Failure to Charge Not Subsequent Waiver. Any decision by the Lender not to require payment of any interest, fee, cost (including the Late Charge) or other amount payable under any Loan Document, or to calculate any amount payable by a particular method, on any occasion shall in no way limit or be deemed a waiver of the Lender's right to require full payment of any interest, fee, cost (including the Late Charge) or other amount payable under any Loan Document, or to calculate an amount payable by another method, on any other or subsequent occasion.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF THE BORROWER

The Borrower represents and warrants to the Lender that:

4.1 Existence and Qualification; Power; Compliance with Laws. The Borrower is an instrumentality and enterprise of the Nation. To the extent required by Law, the Borrower is qualified to do business and is in good standing under the Laws of each jurisdiction in which it is required to be qualified by reason of the location or the conduct of the business of the Borrower. The Borrower has all requisite power and authority to conduct its business, to own and lease its Property, to execute and deliver each Loan Document to which it is a party and to perform its Obligations. The General Manager's office of the Borrower is located at the address for notices set forth on the signature pages hereto. The Borrower is in compliance with all applicable Laws and other legal requirements applicable to its existence and its business, has obtained all authorizations, consents, approvals, orders, licenses and permits from, and has accomplished all filings, registrations and qualifications with, or obtained exemptions from any of the foregoing from, any Governmental Agency that are necessary for the transaction of its business, except where the failure so to file, register, qualify or obtain exemptions could not constitute a Material Adverse Effect.

4.2 Authority; Compliance with Other Agreements and Instruments and Government Regulations. The execution, delivery and performance by the Borrower of the Loan Documents have been duly authorized by all necessary Management Board and other action, and do not: (a) require any consent or approval not heretofore obtained of any enrolled tribal member, Management Board member, other tribal body, security holder or creditor; (b) violate or conflict with any provision of the governing documents of the Borrower; (c) result in or require the creation or imposition of any Lien upon or with respect to any of the Borrower's Property now owned or leased or hereafter acquired; (d) violate any Law or Requirement of Law, applicable to the Borrower; (e) constitute a "transfer of an interest" or an "obligation incurred" by the Borrower that is avoidable by a trustee under Section 548 of the Bankruptcy Code, or constitute a "fraudulent conveyance," "fraudulent obligation" or "fraudulent transfer" by the Borrower within the meanings of the Uniform Fraudulent Conveyances Act or Uniform Fraudulent Transfer Act, as enacted in any applicable jurisdiction; (f) result in a material breach of or default under, or would, with the giving of notice or the lapse of time or both, constitute a material breach of or default under, or cause or permit the acceleration of any obligation owed under, any mortgage, indenture or loan or credit agreement or any other contractual obligation to which the Borrower is a party or by which the Borrower or any of its Property is bound or affected; or (g) require any consent or approval of any Governmental Agency, or any notice to, registration or qualification with any Governmental Agency, not heretofore obtained or obtained concurrently with the Closing Date.

4.3 No Governmental Approvals Required. No authorization, consent, approval, order, license or permit from, or filing, registration or qualification with, any Governmental Agency is required to authorize or permit under applicable Laws the execution, delivery and performance by the Borrower of the Loan Documents to which it is a party, except for those which have been made or heretofore obtained and are in full force and effect (including those required by the Bond Financing Act and 12 N.N.C. § 1330(A)).

4.4 Financial Statements of the Borrower; No Material Adverse Effect; No Default. All financial statements of the Borrower provided to the Lender are complete and correct and fairly present the financial condition of the Borrower as of the date indicated in such financial statements and the results of operations for the fiscal period ended on such date, all in

accordance with GAAP and in conformity with accounting principles generally accepted in the United States of America as applied to governmental units.. Since the date of the latest financial statements, there has been no material adverse change in the business, assets, liabilities (actual or contingent), Property, operations, condition (financial or otherwise) or prospects of the Borrower. No event or circumstance exists or has occurred and is continuing that is a Default or an Event of Default.

4.5 Brokerage Commissions. No Person is entitled to receive any brokerage commission, finder's fee or similar fee or payment in connection with the extensions of credit contemplated by this Agreement as a result of any agreement entered into by the Borrower. No brokerage or other fee, commission or compensation is to be paid by the Lender with respect to the extensions of credit contemplated hereby as a result of any agreement entered into by the Borrower.

4.6 Litigation. There are no legal or arbitral actions, suits, proceedings or investigations by or before any arbitrator or Governmental Agency now pending or (to the Borrower's knowledge) threatened against the Borrower or any of its Property which, if adversely determined, could have a Material Adverse Effect.

4.7 Binding Obligations. The Loan Documents to which the Borrower is a party have been duly executed and delivered by the Borrower and constitute the legal, valid and binding obligations of the Borrower enforceable in accordance with their terms, and each Loan Document hereafter executed will, when executed and delivered by the parties thereto, constitute the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms. The provisions of Section 10.16 and Section 10.19 of this Agreement are specifically enforceable against the Borrower.

4.8 Disclosure. No written statement made by or on behalf of the Borrower to the Lender in connection with this Agreement, or in connection with the Loan, contains any untrue statement of a material fact or omits a material fact necessary in order to make the statement made not misleading in light of all the circumstances existing at the date the statement was made. There is no fact known to the Borrower (other than matters of a general economic nature) which could constitute a Material Adverse Effect.

4.9 Tax Liability. The Borrower has filed all tax returns which are required to be filed, and has paid, or made provision for the payment of, all taxes with respect to the periods, Property or transactions covered by said returns, or pursuant to any assessment received by the Borrower, except such taxes, if any, as are being contested in good faith by appropriate proceedings and as to which adequate reserves have been established and maintained.

4.10 Employee Matters. There are no disputes presently subject to grievance procedure, arbitration or litigation under any of the collective bargaining agreements, employment contracts or employee welfare or incentive plans to which the Borrower is a party, and there are no strikes, lockouts, work stoppages or slowdowns, or, to the best knowledge of the Borrower, jurisdictional disputes or organizing activities occurring or threatened, in each case, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

4.11 Hazardous Materials. Neither the Borrower nor to the best knowledge of each Senior Officer of the Borrower, any predecessor in title or any third person at any time occupying or present on the real property underlying the Projects or any other operations of the Borrower at any time, has disposed of, discharged, released or threatened the release of any material amount of Hazardous Materials on, from or under such real property in any manner that violates any Hazardous Materials Law. No condition exists that violates any Hazardous Material Law affecting the real property underlying the Projects or any other operations of the Borrower except for such violations that could not individually or in the aggregate have a Material Adverse Effect. The real property underlying the Projects or any other operations of the Borrower and each portion thereof is not and has not been utilized by the Borrower as a site for the manufacture of any Hazardous Materials and is in compliance in all material respects with all applicable Hazardous Materials Laws. To the extent that any Hazardous Materials have been, or are, used, generated or stored by the Borrower on any real property underlying the Projects or any other operations of the Borrower, or transported to or from such real property underlying the Projects or any other operations of the Borrower by the Borrower, such use, generation, storage and transportation have been and are, in compliance in all material respects with all applicable Hazardous Materials Laws.

4.12 Statutory Limitation on Borrower's Long-Term Debt; Government Regulation of Incurrence of Debt. After the incurrence of the Loan made hereunder, the Borrower will not be in violation of 21 N.N.C. § 7(B)(12) which provides that the total outstanding long-term indebtedness of the Borrower at any one time shall not exceed \$500,000,000. Other than as set forth in the Bond Financing Act and 21 N.N.C. § 7(B)(12), the Borrower is not subject to regulation under any law limiting or regulating its ability to incur indebtedness for money borrowed or to otherwise incur the indebtedness hereunder or perform its obligations hereunder.

4.13 Bond Financing Act. The Loan made hereunder constitutes a bond obligation of the Borrower under the Bond Financing Act.

Pay and discharge promptly all applicable taxes, assessments and governmental charges or levies imposed upon the Borrower or its Property or any part thereof, upon its income or profits or any part thereof or any applicable tax assessment, governmental charges or levies imposed upon any right or interest of the Lender under any Loan Document, except that the Borrower shall not be required to pay or cause to be paid any tax, assessment, charge or levy that is not yet delinquent, or is being contested in good faith by appropriate proceedings, so long as the Borrower has established and maintained adequate reserves for the payment of the same and by reason of such nonpayment and contest no material item or portion of the Borrower's Property is in jeopardy of being seized, levied upon or forfeited.

5.2 Maintenance of Properties. 5.3 Maintenance of Insurance. Secure, pay for and maintain without interruption, (i) insurance during the term of this Agreement of the types and in the amounts customarily carried from time to time by others engaged in substantially the same business as the Borrower and operating in the same or similarly situated geographic area as the Borrower, including, but not limited to, fire, public liability and property damage and (ii) such additional insurance as the Lender may reasonably request from time to time. 5.9 Project Accounting and Reporting. The Borrower shall account for all Project Costs and the use of all funds advanced hereunder. ARTICLE 10 MISCELLANEOUS

10.1 Cumulative Remedies; No Waiver. The rights, powers, privileges and remedies of the Lender provided herein and in the other Loan Documents are cumulative and not exclusive of any right, power, privilege or remedy provided by Law or equity. No failure or delay on the part of the Lender in exercising any right, power, privilege or remedy may be, or may be deemed to be, a waiver thereof; nor may any single or partial exercise of any right, power, privilege or remedy preclude any other or further exercise of the same or any other right, power, privilege or remedy.

10.2 Amendments; Consents. No amendment, modification, supplement, extension, termination or waiver of any provision of this Agreement or any other Loan Document, no approval or consent thereunder, and no consent to any departure by the Borrower therefrom, may in any event be effective unless in writing signed by the Lender and the Borrower, and then only in the specific instance and for the specific purpose given.

10.3 Costs, Expenses and Taxes; Indemnification.

(a) The Borrower and Lender stipulate and agree that they will equally share costs and expenses in connection with the negotiation, preparation, closing, execution and delivery of the Loan Documents, which costs and expenses consist only of the fees, disbursements and expenses of Lender's outside legal counsel. The Controller has waived the application fee contemplated by 12 N.N.C. § 1330 (A)(3) and (4).

(b) The Borrower agrees to pay all costs and expenses of Lender incurred in connection with each refinancing, restructuring, reorganization (including a bankruptcy reorganization) and enforcement or attempted enforcement of the Loan Documents, or with the preparation for such enforcement if Lender has reasonable grounds to believe that such enforcement may be necessary, including filing fees, recording fees, title insurance fees (to the extent applicable), appraisal fees, search fees and other out-of-pocket expenses and the fees and out-of-pocket expenses of any outside legal counsel to the Lender, independent public accountants and other outside experts retained by the Lender, and including any costs, expenses or fees incurred or suffered by the Lender in connection with or during the course of any bankruptcy or insolvency proceedings of the Borrower.

against any Indemnitee by reason of claims that such Indemnitee is obligated or has undertaken to perform or discharge any obligation of Borrower with respect to any Project; (ii) any and all claims, demands, actions or causes of action by a third party if the claim, demand, action or cause of action arises out of or relates to the Loan, the use or contemplated use of proceeds of any Advance, the relationship of the Borrower and the Lender under this Agreement or any transaction contemplated by the Loan Documents; (iii) any administrative or investigative proceeding by any Governmental Agency arising out of or related to a claim, demand, action or cause of action described in clauses (i) or (ii) above; (iv) any and all liabilities, losses, costs (including settlement costs) or expenses (including reasonable attorneys' fees and disbursements and other professional services) that any Indemnitee suffers or incurs as a result of the assertion of any foregoing claim, demand, action or cause of action; and (v) any and all losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of any counsel for Indemnitees) in connection with, or as a result of (A) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or (B) any Advance or the use or proposed use of the proceeds therefrom.

10.4 Nature of the Lender's Obligations. Nothing contained in this Agreement or any other Loan Document and no action taken by the Lender pursuant hereto or thereto may, or may be deemed to make the Lender a partnership, an association, a joint venture or other entity, with the Borrower or any Affiliate of the Borrower.

10.5 Survival of Representations and Warranties. All representations and warranties contained herein or in any other Loan Document, or in any certificate or other writing delivered by or on behalf of any one or more of the parties to any Loan Document, will survive the making of the Loan and the execution and delivery of the Loan Documents, and have been or will be relied upon by the Lender, notwithstanding any investigation made by the Lender or on its behalf.

10.6 Notices. Except as otherwise expressly provided in the Loan Documents (a) all notices, requests, demands, directions and other communications provided for hereunder or under any other Loan Document must be in writing and must be mailed, telegraphed, telecopied, electronically submitted, delivered or sent by recognized overnight courier service, to the appropriate party at the address set forth on the signature pages of this Agreement or other applicable Loan Document or, as to any party to any Loan Document, at any other address as may be designated by it in a written notice sent to all other parties to such Loan Document in accordance with this Section; and (b) any notice, request, demand, direction or other communication given by telecopier or electronically must be confirmed within 48 hours by letter mailed or delivered to the appropriate party at its respective address. Except as otherwise expressly provided in any Loan Document, if any notice, request, demand, direction or other communication required or permitted by any Loan Document is given by mail it will be effective on the earlier of receipt or the third Business Day after deposit in the United States mail with first class or airmail postage prepaid; if given by telegraph or cable, when delivered to the telegraph

company with charges prepaid; if given by telex, telecopier or electronically, when sent; or if given by personal delivery, when delivered.

10.7 Execution of Loan Documents. Unless the Lender otherwise specifies with respect to any Loan Document, this Agreement and any other Loan Document may be executed in any number of counterparts and any party hereto or thereto may execute any counterpart, each of which when executed and delivered will be deemed to be an original and all of which counterparts of this Agreement or any other Loan Document, as the case may be, when taken together will be deemed to be but one and the same instrument. The execution of this Agreement or any other Loan Document by any party hereto or thereto will not become effective until counterparts hereof or thereof, as the case may be, have been executed by all the parties hereto or thereto.

10.8 Binding Effect; Assignments. This Agreement and the other Loan Documents shall be binding upon and shall inure to the benefit of the parties hereto and thereto and their respective successors and assigns, except that the Borrower may not assign its rights hereunder or thereunder or any interest herein or therein without the prior written consent of the Lender. Any assignment by the Borrower without the prior written consent of the Lender shall be null and void; provided, that no Person other than the Lender shall have any rights under this sentence. The Lender may assign its interest under the Loan Documents (or any portion thereof) without the prior written consent of the Borrower; provided that (i) the Lender agrees to use commercially reasonable efforts to provide the Borrower with at least five Business Days' prior written notice of such assignment and (ii) the failure of the Lender to provide such notice shall not have any effect on the obligations of the Borrower under the Loan Documents or the rights and remedies of the Lender under the Loan Documents or result in any liability for the Lender).

10.9 No Third Parties Benefited. This Agreement is made for the purpose of defining and setting forth certain obligations, rights and duties of the Borrower and the Lender in connection with the Loan, and is made for the sole benefit of the Borrower, the Lender, and any of their successors and assigns. Except as expressly provided in Sections 10.8, no other Person shall have any rights of any nature hereunder or by reason hereof.

10.10 Further Assurances. The Borrower shall, at its sole expense and without expense to the Lender, perform, execute and deliver such further acts and documents as the Lender from time to time reasonably requires for the assuring and confirming unto the Lender of the rights hereby created or intended now or hereafter so to be, or for carrying out the intention or facilitating the performance of the terms of any Loan Document.

10.11 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and supersedes all prior agreements, written or oral, on the subject matter hereof. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control and govern; provided that the inclusion of supplemental rights or remedies in favor of the Lender in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

10.12 Governing Law. This Agreement and the Loan Documents shall be governed by, construed and enforced in accordance with, the internal law of the Nation. The Borrower and each other party hereto each hereby consents to the application of civil law of the Nation to the construction, interpretation and enforcement of this Agreement and the other Loan Documents, and to the application of civil law of the Nation to the procedural aspects of any suit, action or proceeding relating thereto, including, but not limited to, legal process, execution of judgments, enforcement of any arbitration award and other legal remedies, except for any procedural matters governed by or relating to the conduct of arbitration under Section 10.16. This Agreement and the Loan Documents shall be construed in accordance with their intent and with the fair meaning of its provisions and without regard to any presumption or other rule requiring construction against the party which caused the same to be drafted.

10.13 Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable or invalid as to any party or in any jurisdiction shall, as to that party or jurisdiction, be inoperative, unenforceable or invalid without affecting the remaining provisions or the operation, enforceability or validity of that provision as to any other party or in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

10.14 Headings. Article and Section headings in this Agreement and the other Loan Documents are included for convenience of reference only and are not part of this Agreement or the other Loan Documents for any other purpose.

10.15 Time of the Essence. Time is of the essence of the Loan Documents.

10.16 Arbitration. The Lender or the Borrower may require that any dispute be settled by binding arbitration pursuant to and in accordance with arbitration procedures referenced in the Navajo Nation Sovereign Immunity Act, as amended, at 1 N.N.C. § 554 J and § 554 K, and as set forth in the Navajo Arbitration Act, as amended, at 7 N.N.C. §§ 1101 et seq. ("Arbitration"), and judgment on any arbitration award may be entered in the Nation court. No provision hereof shall limit the right of any party to this Agreement to exercise self-help remedies such as setoff, foreclosure against or sale of any real or personal property collateral or security, or to obtain provisional or ancillary remedies, including injunctive relief, sequestration, attachment, garnishment or the appointment of a receiver, from a court of the Nation before, after or during the pendency of any arbitration or other proceeding; provided, that the right to compel arbitration and the remedies referred to herein shall be available only to the parties to this Agreement and no other parties. The exercise of any such remedy shall not waive the right of any party to compel arbitration hereunder. Each party to this Agreement severally represents and warrants to the other parties that this Section 10.16 is specifically enforceable against such party by the other parties. The Arbitration shall be conducted in accordance with the rules of the American Arbitration Association (AAA) except to the extent as modified by the following:

(a) Unless otherwise agreed upon, all Arbitration proceedings shall be held on the Nation;

(b) The arbitration shall be conducted by an arbitration panel consisting of three AAA available arbitrators, with at least one arbitrator possessing at least 10 years of

experience in federal Indian law, with each party choosing one arbitrator and the two arbitrators choosing a third arbitrator;

(c) The prevailing party in any action or proceeding shall be entitled to recover its costs of collection including reasonable attorney's fees.

10.17 Purported Oral Amendments. THE BORROWER AND THE LENDER EXPRESSLY ACKNOWLEDGE THAT THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS MAY ONLY BE AMENDED OR MODIFIED, OR THE PROVISIONS HEREOF OR THEREOF WAIVED OR SUPPLEMENTED, BY AN INSTRUMENT IN WRITING THAT COMPLIES WITH SECTION 10.2. EACH PARTY AGREES THAT IT WILL NOT RELY ON ANY COURSE OF DEALING, COURSE OF PERFORMANCE, OR ORAL OR WRITTEN STATEMENTS BY ANY OTHER PARTY THAT DOES NOT COMPLY WITH SECTION 10.2 TO EFFECT AN AMENDMENT, MODIFICATION, WAIVER OR SUPPLEMENT TO THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

10.18 Waiver of Right to Trial by Jury. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO.

10.19 Lender's Statutory Rights and Remedies; Consent to Jurisdiction.

(a) The Lender shall have the statutory rights and remedies of a noteholder to enforce this Agreement and any Loan Document as set forth in 21 N.N.C. § 26, which is incorporated herein by reference, and the Lender shall be entitled to the benefit of the waiver of sovereign immunity contained therein.

(b) The Borrower hereby expressly submits and consents to the jurisdiction of the courts of the Nation, including all Nation courts to which decisions of the courts of the Nation can be appealed, with respect to any dispute or controversy arising out of this Agreement or any Loan Document, including any amendment or supplement which may be made hereto or thereto or to any transaction in connection herewith or therewith and the enforcement of any arbitration award.

(c) The waivers and consents described in this Section shall inure solely to the benefit of the Lender and each other person who is entitled to the benefits of this Agreement, including without limitation the Indemnitees referred to in Section 10.3. The Lender and such other persons shall have and be entitled to all available legal and equitable remedies, including the right to specific performance, money damages, injunctive or declaratory relief, and the remedies provided for in 21 N.N.C. § 26. The consents to jurisdiction contained in this Section are irrevocable.

10.20 Waiver of Punitive Damages; Etc.. Notwithstanding anything to the contrary contained in this Agreement, the Borrower hereby agrees that it shall not seek from the Lender punitive, consequential or exemplary damages under any theory of liability. Notwithstanding anything to the contrary contained in this Agreement, the Lender hereby agrees that it and each other person who is entitled to the benefits of this Agreement, including without limitation the Indemnitees referred to in Section 10.3, shall not seek from the Borrower punitive, consequential or exemplary damages under any theory of liability.

10.21 No Lender Liability for Project Costs. Under no circumstances shall the Lender be expected to pay any costs of the Project (including any cost overruns) from the Síhasin Fund or any other funds of the Lender.

10.22 No Restrictions on Future Borrowing or Grants. Nothing in this Agreement restricts or prohibits the Borrower's ability to seek additional loans or grants from the Síhasin Fund beyond the Loan and the Non-Repayment Amounts.
