RELATING T, HEALTH EDUCATION AND HUMAN SERVICES, BUDGET
AND FINANCE, AND NAABIK'ÍYÁTI' COMMITTEES AND NAVAJO
NATION COUNCIL; APPROVING \$9,910,040 FROM THE UNRESERVED,
UNDESIGNATED FUND BALANCE ("UUFb") TO THE DEPARTMENT OF
PERSONNEL MANAGEMENT FOR \$1,500 APPRECIATION REWARDS TO
NAVAJO NATION EMPLOYEES FOR WORKING THROUGHOUT THE
COVID-19 PANDEMIC

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Health Education, and Human Services Committee was established as a standing committee of the Navajo Nation Council with oversight authority over the Department of Human Resources and employment/labor matters. 2 N.N.C. §400 (A), §401 (C)(1) and (C)(6).
- B. The Budget and Finance Committee was established as a standing committee of the Navajo Nation Council with the authority to review and recommend to the Council the budgeting, appropriation, investment and management of all funds. 2 N.N.C. §300(A), §301(B)(2).
- C. The Naabik'iyáti' Committee was established as a standing committee of the Navajo

1 Nation Council with authority to hear all proposed resolutions requiring final action
2 by the Navajo Nation Council. 2 N.N.C. §164 (A)(9), §701(A)(5).

3 D. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C.
4 §102(A). As such, the Council “. . . may adopt and approve supplemental
5 appropriations to the Annual Comprehensive Budget during the fiscal year.
6 Supplemental appropriations of General Funds within the current fiscal year are
7 permitted, if and when additional sources of revenues above and beyond the initial or
8 current revenue projections are projected and which are also in excess of the reserve
9 amount set forth at §820(J).” 12 N.N.C. §820(L).

10 E. The restrictions on supplemental appropriations, including all amounts from the
11 UUFB, include:

12 1. Payment of recurring government operating expenses shall be from recurring
13 revenues, and payment of nonrecurring expenses shall be from nonrecurring
14 revenues such as UUFB funds. 12 N.N.C. §820(E), §820(F).

15 2. Specifically, the UUFB shall not be used for recurring government expenditures
16 or operations. 12 N.N.C. §820(J), §820(L).

17 3. Nonrecurring revenues such as UUFB funds may be used only after the Controller
18 determines whether or not such revenues are subsidizing an imbalance between
19 the Navajo Nation’s recurring revenues and expenditures, and government
20 expenditures shall only be authorized if a long-term (3-year to 5-year year)
21 forecast shows that the operating deficit will not continue; otherwise, nonrecurring
22 revenues will be added to the Unreserved, Undesignated Fund Balance. 12 N.N.C.
23 §820(F).

24 4. The above provisions in Title 12 may be amended or waived by a two-thirds vote
25 of the full Navajo Nation Council. 12 N.N.C. §820(F), 12 N.N.C. §880.

26 5. In compliance with 12 N.N.C. §820(F) all UUFB funding requests must be
27 reviewed by the Controller. Such review is also required because the Controller
28 determines which revenues and expenses are recurring and which are non-
29 recurring. 12 N.N.C. §820(L).

30 6. In compliance with 12 N.N.C. §820(M) all UUFB funding requests must be

submitted to the Office of Management and Budget (“OMB”) for a budget impact analysis.

7. Supplemental funding such as UUFB appropriations shall lapse at the end of the current fiscal year unless the Navajo Nation Council decides otherwise. 12 N.N.C. §820(N).

SECTION TWO. FINDINGS

- B. The Navajo Nation Commission on Emergency Management, with the concurrence of Navajo Nation President Jonathan Nez, declared a Public Health State of Emergency on the Navajo Nation on March 11, 2020, due to the COVID-19 outbreak. *See* Resolution No. CEM 20-03-11, incorporated herein by reference. The Navajo Nation Department of Health has subsequently issued numerous Public Health Emergency Orders. Public Health Orders 2020-001 through 2022-06 are incorporated herein by reference. As of April 5, 2022, the Navajo Nation Health Command Operations Center has confirmed 53,100 positive COVID-19 cases and 1,738 COVID-related deaths on the Navajo Nation. COVID-19 variants have recently emerged that threaten to increase these numbers and continue the pandemic’s assault on the Navajo People, including Navajo Nation government employees.
- D. The efforts of Navajo Nation government employees, including Chapter employees, were instrumental and vital in ensuring that the Navajo Nation government continued

1 to operate and provide desperately needed services to the Navajo people during the
2 COVID-19 pandemic.

3 E. The Navajo Nation Council has determined that it is imperative to recognize and
4 reward Navajo Nation government employees, including Chapter employees, for
5 their outstanding efforts during the COVID-19 pandemic to ensure that services to
6 the Navajo people were not substantially interrupted.

7 F. Regarding this UUFB funding request, the Controller may be asked to satisfy the
8 requirements of 12 N.N.C. §820(L) by memorandum, or telephonically or in-person
9 when this matter is heard by the Navajo Nation Council.

10 G. Regarding this UUFB funding request, the OMB may be asked to provide the budget
11 impact statement required by 12 N.N.C. §820(M) by memorandum, or telephonically
12 or in-person when this matter is heard by the Navajo Nation Council.

22 Navajo Nation government, including Chapters, during the COVID-19 pandemic
23 between October 1, 2021 through March 25, 2022. C.

24 E. The appreciation reward appropriated herein shall not be considered CARES Act
25 Special Duty or Hazard Pay; nor shall the appreciation reward be considered a Merit
26 Pay or Other Bonus as set forth in section as set forth in Section VII of the Personnel
27 Policies Manual. In addition, shall receipt of an appreciation reward shall not affect

Good evening Honorable members of the 24th Navajo Nation Council members and Honorable Navajo Nation President,

I am working this email in support of legislation No. 0076-22. All Navajo Nation employees deserve a reward for they're hard work, working through the pandemic. A majority of employees have worked through the pandemic by doing many task that required working directly with the great Navajo People.

We at Pinedale Chapter, our staff including PEP staff worked tirelessly to respond to the pandemic. We have hosted drive-by events such as PPE supplies, food, and community dinners for the Pinedale Chapter and surrounding communities. I can attest that we have worked at the start of pandemic and through out the last two years and continue to provide direct services.

I believe all employees deserve this. Thank you for taking the time to address my email, and I hope you all positively consider this legislation for the Navajo Nation workforce. Ahehee

Respectfully,
Titus J Nez,

TO WHOM IT MAY CONCERN:

My name is Caroline Pete. I work as an Administrative Assistant with the Navajo-Hopi Land Commission Office.

I fully support the above-mentioned legislation. I worked full-time during the pandemic along with my director, Mr. Robert K. Black, Jr.

We submitted our request for Special Duty Pay back in November 2020 and we were denied.

Mr. Black and myself worked throughout the whole pandemic period. I arrived at work approximately 7:30 am daily, due to our Office being under the Office of the President and Vice President. At times, they would request of me to pick up PPE Supplies, etc. Towards the end of the major pandemic period, I came down with COVID-19 Virus and spent five days in the hospital.

I felt that it was unfair that we were denied the Special Duty Pay. Therefore, I support this legislation for employees that actually worked daily throughout the pandemic period, not employees that worked a few hours at the office and not the employees that worked from home, because there is really no proof that they actually work during that period. I am only commenting on our office.

I hope that you will take my comments into consideration.

Thank you and have a wonderful day!

All

I wrote memo to my executive leadership in August 2021 concerning the above, contents include:

SUBJECT : Recommendations for individuals, branch contribution, civilian service awards

Thank you for your dedication, commitment, continued efforts in improving the Navajo Nation Judicial Branch workplace and facilitate the work performance of individuals and attaining the maximum efforts of the individuals and business units. Recognizing, rewarding members of the Branch is important component, the people drives this organization in order to achieve the branch outcomes and it is hard work, consuming under the conditions for the human resource industry today. Most importantly, we serve our communities. •

I am also compel by the comments made by AOC Director's statement during the Special duty pay provisions briefing, held August 4, 2021 for the leadership & management team in the which the Director declares, I highlighted some key points.

"Significant role, contribution in providing continued essential court services, operations during the periods of covid19 pandemic, began on or about March 10, 2020...

The Navajo Nation Council LOC's recognizes the essential judicial services, work...

Two flow reasoning, policy in recognizing the work by the Judicial Branch... the extraordinary work, contribution, dedications expended by court personnel ...in order to achieve the end results under the covid19 pandemic."

As such I propose in order to bridge the recognition of the above and beyond performers during the period of covid19 pandemic that plagued our people, our country and nations, and the continued essential judicial workers' contributions who do not immediately qualify for the Special Duty Pay incentives, I suggest we (Judicial Branch) recognize, honor our employees with Covid19 pandemic civilian service award.

The Covid19 pandemic civilian service award may be in the form of simple official business letters outlining the contributions made during the periods of covid19 pandemic (March 12, 2020 to the present) and under the covid19 Delta variant period (July 20, 2020 to TBD). The letters should be awarded to members of the Judicial Branch either temporary or permanent, volunteer status, or internship. The letters signed by the Chief Justice or other branch chiefs (Speaker and President)and inserted in the Navajo Nation official employee personnel records. The award letters should be for both permanent, temporary or other forms of services such as, volunteer, contractors etc. Other forms of recognition include specially designed lapels, or even civilian service medals (specially designed for the Navajo Nation of course), these are some ideas. I may add other government services such as, IHS (Indian Health Services) have such civilian service medals for people in their charge. It is a form of recognition to people who served during the periods of covid19 pandemic.

These are some ideas, the idea and scope of this program to recognize everybody during this period. Furthermore, members of the branch need to hear this and be recognize. I realize there are costs involved but may qualify under the American Rescue Plan.

I am bringing these ideas to the HR table for consideration, discussions and I believe the initiatives will promote cohesion, instill unity and help foster the branch's collective goals & objectives. Lastly, paying \$1,500 to each employee for covid19 services may send the wrong message or public perception Any questions,

clarifications please let me know. Thanks.

Good after noon all.

I am responding to the legislation 0076-22. I am a PEP WORKER working under the chapter. UsPEP WORKERS should be CONSIDERED in this pay that is being TALKED ABOUT. Majority of the time us pep workers are the ones that are outside doing distribution for community members. Majority of the time the chapter rely on PEP workers. PEP WORKERS are always left out of everything and we are the ones that do most of the work around the chapters. The same with sub committee they volunteer there time to help at the chapter and some even caught covid thru this pandemic and don't even get pay back for anything that happens. So please consider PEP WORKERS FOR A PART OF THIS PAYMENT. THANK YOU.

To Whom It May Concern,

As one of the first volunteers for the Navajo Nation COVID-19 pandemic emergency response team (later HCOC) in March 2020, I had the privilege of partnering and working with the tribal employee volunteers who gave their time and effort for the benefit of the Navajo Nation people. The volunteers worked through the initial frightening prospect of catching the COVID-19 virus in their new emergency response team job duties.

But, in keeping with the principle of self-sacrifice for the benefit of the many, these volunteers did what most tribal employees couldn't or wouldn't do: personally give their time, and effort, and risking their own health to keep our people protected from this health threat.

In my role as one of the HCOC Safety Officers, I personally know the courage and personal commitment each volunteer gave to benefit their own people. This volunteer effort is history in the making for our Nation, where individuals risked their own lives to help their relatives, their clan relatives, their neighbors, and mainly our elders and children. Volunteer efforts such as we witnessed during the COVID-19 pandemic are often unrecognized because these volunteers do not seek personal fame or fortune like some we see on social media.

I strongly advocate rewarding these first-line volunteers in recognition of their sacrifices for a job well done. They have set an example for our Nation's future generations to come; the new nurses and doctors, new business owners, new police officers, new emergency medical technicians, new caregivers, and new chapter officials. These heroes of the day, who in the end, can say with conviction and purpose: "I did my part, when are you going to do yours?"

I say in respect and humility, do all you can to reward these COVID-19 Emergency Response Team members for all they have done and sacrificed for our Nation.

Thank you,

John Platero Jr
