Be it enacted:

Section One. Authority

- A. The Navajo Nation Council is the governing body of the Navajo Nation. 2  
N.N.C. § 102 (A).
- B. The Naabik'iyati' Committee of the Navajo Nation Council is empowered to  
review all proposed legislation which requires final action by the Navajo Nation  
Council. 2 N.N.C. §164(A)(9).
- C. The Budget and Finance Committee of the Navajo Nation Council is empowered  
to review and recommend to the Navajo Nation Council the budgeting,  
appropriation, investment, and management of all funds and to coordinate and

1 review all fiscal, financial and investment activities of the Navajo Nation. 2  
2 N.N.C. §§ 301 (B) (2) and (5).

- 3 D. The Health Education and Human Services Committee of the Navajo Nation  
4 Council is empowered to provide legislative oversight on matters involving health  
5 and social services and to oversee Navajo Nation policies and priorities to optimize  
6 the delivery of social services and health services to the Navajo people and to  
7 review and recommend resolutions relating to social services and health. *See* 2  
8 N.N.C. §§400 (C)(1) and (4) and 401 (B)(6)(a).
- 9 E. The Law and Order Committee has oversight of courts, criminal defense, legal  
10 defense of the indigent, juvenile justice, corrections, law enforcement, emergency  
11 management for the purpose of establishing and developing the Navajo Nation  
12 justice system infrastructure including justice system facilities and to promote  
13 institutional planning and coordination among and between justice-system-related  
14 entities. 2 N.N.C. §600(C)(3).

15  
16 **Section Two. Findings**

- 17 A. The *Ramah Navajo Chapter et al. v. Jewell* (No. 1:90-cv-957-JAP-KPM) is a  
18 class action lawsuit against the U.S. Department of Interior for under-payment of  
19 contract support costs by the Bureau of Indian Affairs (“BIA”). Two earlier  
20 settlements in the case generally dealt with unpaid contract support costs  
21 between the years 1989 and 1993. In 2008 a third settlement made adjustments  
22 to the system for negotiating indirect cost rates. Earlier settlements left  
23 unresolved claims for unpaid contract support costs from 1994 to the present.
- 24 B. Since 1994, Congress has capped the maximum appropriation the BIA could  
25 spend on contract support cost payments. As a result, the BIA asserted it could  
26 not be held liable for any resulting underpayments.
- 27 C. In 2012, the United States Supreme Court in *Salazar v. Ramah Navajo Chapter*,  
28 132 U.S. S. Ct. 2181 (2012), held that capped “not to exceed” agency  
29 appropriations in and after 1994 did not relieve the government of its contractual  
30

1 obligation to pay full contract support costs to Indian Self-Determination Act  
2 contractors.

3 D. Congress wanted tribes to be able to control and operate their own programs and  
4 services under contract without diminishing the quantity or quality of the  
5 services. Contract support costs ensure that tribes and their organizations  
6 contracting under the Indian Self- Determination Act can operate their programs  
7 and services on parity with those operated by the Federal Government.

8 E. In direct response to the *Ramah* decision, Congress has appropriated enough to  
9 pay full contract support costs. For fiscal years 2014, 2015 and 2016, the  
10 increased appropriations for the Department of the Interior and the Department  
11 of Health and Human Services for contract support cost payments to Tribes have  
12 totaled approximately \$740 million.

13 F. The Final Settlement Agreement was filed with the Court on September 16, 2015  
14 (“Ramah Settlement”) and the Unopposed Motion for Matters including Payment  
15 Accounts for Class Members was filed on August 15, 2016. The Ramah  
16 Settlement provides the Navajo Nation with a settlement amount of  
17 \$58,413,809.36 as found in Exhibit “A” (Claim Form Amounts for Class  
18 Members), page 10, attached hereto.

19 G. It is the intent of the Navajo Nation that the total amount of these moneys,  
20 \$58,413,809.36 plus any accrued interest or added amounts, be invested in a  
21 Public Safety System Fund and the income earned from that principal be used to  
22 supplement the improvement and expansion of the protections offered by the  
23 Navajo Nation’s criminal justice system, including those services provided by  
24 the Navajo Nation Department of Public Safety, the Office of Navajo Public  
25 Defender, Judicial Branch offices, programs and courts, the Office of the  
26 Prosecutor, the Navajo Department of Health, and the Navajo Nation Division of  
27 Social Services, collectively referred to hereafter as the “Navajo Nation Public  
28 Safety System.” It is also the intent of the Navajo Nation that a certain amount of  
29 the fund principal be made available for the Nation’s response to events that  
30 constitute an emergency or a major disaster.

- 1 H. Pursuant to 12 N.N.C. § 2501(A), Establishing the Navajo Nation Sihasin Fund,  
2 it states, “Additional deposits, when duly designated, may be made to the Fund  
3 from the net proceeds of settlement or judgment awards of other litigation  
4 brought against the United States concerning its failure to ensure that the Navajo  
5 Nation received all funds due and owing under the United States’ trust  
6 obligations and fiduciary duties.”
- 7 I. The Navajo Nation Council hereby determines that the Ramah Settlement award  
8 to the Navajo Nation meets the criteria of 12 N.N.C. § 2501; however, the net  
9 proceeds from such settlement are eligible for deposit as designated as additional  
10 revenue to be deposited in the Unreserved, Undesignated Fund balance unless  
11 otherwise designated by the Navajo Nation Council pursuant to 12 N.N.C. §  
12 820(K).
- 13 J. The following amendments to the Navajo Nation Code are in the best interest of  
14 the Nation and are consistent with the collective wishes expressed by members of  
15 the Navajo Nation. These amendments are intended to ensure that the proceeds  
16 from the Ramah Settlement are used to supplement the operating and capital  
17 budgets of the Navajo Nation Public Safety System as identified above.

18  
19 **Section Three. Establishing the Navajo Nation Public Safety System Fund Act**  
20 **of 2016**

- 21 A. Pursuant to 12 N.N.C. § 820(K), this Act clarifies and designates that the net  
22 proceeds received from the settlement of *Ramah Navajo Chapter et.al v. Jewell*  
23 (No. 1:90-CV-957-JAP/KBM) are additional revenues that shall not be deposited  
24 into the Nation’s General Fund or Unreserved, Undesignated Fund Balance  
25 (UUFB). The Navajo Nation designates the Ramah Settlement funds shall be  
26 deposited into the Navajo Nation Public Safety System Fund, as established, and  
27 managed and invested to provide for the support of the Navajo Nation Public  
28 Safety System and for the betterment and protection of the Navajo Nation and  
29 the Navajo People.
- 30 B. Title 12 of the Navajo Nation Code is hereby amended as follows:

Title 12 Fiscal Matters

**Chapter 26. Navajo Nation Public Safety System Fund**

**§ 2601. Establishment**

There is hereby established the “Navajo Nation Public Safety System Fund” (hereinafter “Fund”).

A. The Navajo Nation Council hereby designates the net proceeds and earning received by the Navajo Nation through the settlement captioned *Ramah Navajo Chapter et.al v. Jewell* (No. 1:90-CV-957-JAP/KBM) shall be deposited into the Fund. Additional deposits, when duly designated, may be made to the Fund from any future settlements in the *Ramah Navajo Chapter et.al v. Jewell* litigation.

B. The Navajo Nation Council may make additional appropriations to the Fund from any other sources of revenue that may become available to the Navajo Nation.

C. Any money deposited in or appropriated to the Fund, regardless of source, including Fund Income (defined below), shall be used only as provided in this Chapter.

D. The fund shall be a continuing account and shall not lapse on an annual basis pursuant to 12 N.N.C. § 820(N).

E. Appropriations of Fund Interest Income made pursuant to an Expenditure Plan shall continue and shall not lapse on an annual basis pursuant to 12 N.N.C. § 820(N).

**§ 2602. Purpose**

The purpose of this Fund is to provide a supplemental source of funds dedicated to:

A. The operating and capital expenditures of the “Navajo Nation Public Safety System” (defined to include the Navajo Nation Department of Public Safety; the Office of Navajo Public Defender, Judicial Branch offices, programs and courts,

1 the Office of the Prosecutor, the Navajo Department of Health, and the Navajo  
2 Nation Division of Social Services) in the areas of both recurring and non-  
3 recurring costs that will improve and expand the delivery of public safety  
4 services focused on criminal justice to the Navajo People.

5 B. Providing up to \$1.5 million of Fund Principal so that Navajo Nation Chapters,  
6 Divisions, and Departments may begin immediate response and relief efforts  
7 when affected by a major disaster or an emergency. Up to \$1.5 million of Fund  
8 Principal will be provided per occurrence and any expenditure of the \$1.5  
9 million shall be reimbursed to the Fund Principal upon approval and receipt of  
10 Federal Emergency Management Agency ("FEMA") assistance.

11 C. The leveraging of the Fund by providing a source of repayment for bonds,  
12 security for binds, loan guarantees, match funding, partial direct funding, and  
13 other weighted uses of the Fund for purposes consistent with § 2602(A) of this  
14 chapter. Proposed leveraged uses of the Fund shall be granted preference over  
15 proposed direct funding uses.

16 **§ 2603. Investment of the Fund**

17 All moneys deposited in the Fund shall be invested as soon as practical in  
18 accordance with the degree of care exercised by reasonable and prudent managers of  
19 investments intended to produce maximum growth of the investments with a high  
20 degree of safety; such investments shall be made under the direction of the Navajo  
21 Nation Investment Committee.

22 **§ 2604. Definition of Fund Principal and Income**

23 A. "Fund Principal" shall consist of the following:

- 24 1. All deposits made to the Fund pursuant to § 2601 of this Chapter.  
25 2. Annual deposits of one-quarter (1/4) of the Fund Income from the preceding  
26 fiscal year as calculated and reported pursuant to § 2606 of this chapter; such  
27 deposits shall be made no later than 120 days after the end of each fiscal year.

28 B. "Fund Income" shall consist of all earnings (interest, dividends, etc.) generated  
29 and realized by the Fund Principal in a given fiscal year.  
30

1     **§ 2605. Expenditure of the Fund**

- 2     A. The Fund Principal may be expended to cure default on a borrowing approved in  
3         the same manner as an Expenditure Plan for which the Fund Principal was  
4         pledged as security to fund a purpose consistent with § 2602 of this Chapter.
- 5     B. Fund Interest shall be utilized to cover recurring expenditures. Fund Principal  
6         shall be utilized to cover non-recurring expenditures pursuant to an Expenditure  
7         Plan duly approved for purposes consistent with those set forth in § 2602 of this  
8         Chapter. Provided, however, the total amount of expenditures authorized from  
9         the combined Fund Interest and Fund Principal in any given fiscal year shall not  
10         exceed three-quarters (3/4) of the Fund Interest earned in the preceding fiscal  
11         year.
- 12    C. Expenditure Plans shall be adopted by a majority vote of the full Navajo Nation  
13         Council and signature of the President of the Navajo Nation before becoming  
14         effective. Expenditure Plans may extend over multiple years provided they do  
15         not exceed the expenditure limitations set forth in § 2605(B).
- 16    D. In the event a balance of Fund Income is not dedicated to an Expenditure Plan by  
17         the end of a fiscal year in which the Fund Income balance is available for  
18         appropriation, the undedicated Fund Income balance shall be added to the Fund  
19         Principal.
- 20    E. The Fund Principal shall be expended pursuant to § 2602(B) if authorized under  
21         emergency legislation of the Navajo Nation Council.

25         Committee and Navajo Nation Council that will include an unaudited version of  
26         financial statements, including the Management Discussion and Analysis report and  
27         an investment report for the Fund by no later than December 31 of each fiscal year.

28    **§2607. Expenses**

29         All expenses directly associated with the administration and management of the  
30         Fund shall be paid from the Fund Income as approved by the Naabik'íyáti'

1 Committee. Such expenses shall include investment advisory and management fees,  
2 audit costs and other related expenses; all pursuant to duly approved contracts for  
3 such services.

4 **§2608. Amendments**

6 membership of the Navajo Nation Council and signature of the President of the  
7 Navajo Nation.

16 Legislative Counsel shall incorporate such amended provisions in the next

23 invalid shall remain the law of the Navajo Nation.

Dear Sponsor Edmund Yazzie,

I am in total support of this Legislation No: 0055-17. I agree the monies need to be available to support a public safety system in our plus 27,000 square miles of the Navajo Nation that needs protection (of citizens and those who protect us)

and safety to its citizens and the meager Public Safety System we have now on this reservation.

58,413,809.36 is money that should be used for the betterment of our Navajo Nation. I support Navajo Nation Public Safety System Fund Act of 2017.

In my research, I read that we only have 134 police officers in the whole nation. If this does pass, please use the money well.

Karen Schell - Tribal member( Houck Chapter )and I live on the NN. My Council Delegate is Raymond Smith, Jr.

RE: Statement of Support for the Establishment of a Public Safety  
System Fund Pursuant to Legislation No. 0055-17

Dear Honorable Council Delegates:

We write to you to express our strong support for the establishment of a Public Safety System Fund with the balance of the \$58,413,809.36 Ramah Settlement Funds received by the Nation as part of the settlement of *Ramah Navajo Chapter et al. v. Jewell* (No. 1:90-cv-957-JAP-KPM). As you are well aware, crime levels on the Nation continue to rise, particularly in the area of violent crime. For example, over the Christmas holiday, there were two double homicides on the Navajo Nation in Tuba City and Shiprock. This level of violence at a time of year centered around family and festivities is absolutely shocking, but sadly has become the norm for our communities. Unfortunately our Public Safety System does not have the resources to adequately protect our Navajo People from the growing levels and occurrences of violence in our communities. Our officers, prosecutors, public defenders, courts, behavioral health providers, and victim services providers are desperately struggling to stretch their understaffed and under-funded teams to meet the tremendous needs of our community, but we simply do not have adequate manpower or resources. Meanwhile, violent offenders know the limitations of our system and commit their crimes ever more boldly knowing they likely will not be arrested, detained, prosecuted, or punished.

Indeed, the Nation currently faces a public safety crisis wherein our Public Safety System is unable to take on the most vicious monsters that plague our people: violence and substance abuse. While our ability to defend our people from those monsters is hindered, we are left with almost no capacity to address other important monsters, like theft. For example, it has become a common occurrence for our elderly to be robbed of their family heirloom jewelry collections, and for

family sheep, cattle, and horse herds to be stolen. Property crimes are the bane of economic development. For good reason, businesses are loathe to set up shop in an environment where property crimes go unenforced or unprosecuted. Additionally, business owners are unwilling to bring their families to or raise their families in an environment where they feel their families will be exposed to high levels of violence and disorder.

Given all of the above, we believe the Nation should take extraordinary measures to aggressively chip away at our Public Safety challenges. The situation will only get worse if we do not do something now. The Ramah Settlement funds provide a unique opportunity for the Navajo Nation Council to dedicate significant funds towards taking on the monsters that plague the safety and security of our people, and that hinder or scare away the economic development that we as a Nation, and our people as aspiring home-owners and job holders, so greatly need.

The other thing to keep in mind is that funding reductions to our already fragile Public Safety System are imminent from the impending closure of NGS and the soon-to-come policies of a federal administration intent on reducing the federal deficit and tax burdens. Unfortunately spending in Indian country is not an entitlement, so our Public Safety System is likely to be hit hard with spending reductions. It is thus critical that the Nation take bold steps to shield its Public Safety System from the effects of those imminent funding reductions. The establishment of a Public Safety System Fund will do just that.

As funding streams to our System deplete, this Fund will allow System participants—such as Navajo Division of Public Safety, Office of the Prosecutor, Office of the Public Defender, Judicial Branch, Department of Behavioral Health Services, and Division of Social Services—to tap into the Fund Income to cover shortfalls. Additionally, the Fund Income will allow surges of resources when System participants believe those surges are needed, such as the quick creation of new positions in Law Enforcement or the Prosecutor's Office. This will allow the Nation to fill gaps in our System that make us vulnerable to attack by the monsters we seek to destroy before they destroy us. It will also allow us to respond dynamically to shifts in crime levels. The Fund Principal will be available for much-needed one-time expenditures, such as bullet-proof vests, fire trucks, and other equipment. It is also possible that we can fund the staff housing that

we so desperately need for our System professionals and staff through a bond issue wherein we pledge the Fund Income as a source of repayment.

The needs of our Public Safety System are varied and extensive. If we wish to meet the Public Safety needs of the Navajo People, we need the full support of our leadership, particularly through a commitment of funds. The establishment of the Public Safety System Fund through passage of Legislation No. 0055-17 would do just that. We thus implore you to support and pass this legislation so we can be enabled to better serve our Navajo People, and to make our communities safe and thriving environments.

**RE: Statement of Support for the Establishment of a Public Safety System Fund Pursuant to Legislation No. 0055-17**

Dear Honorable Council Delegates,

We write to you to express our support for the establishment of a Public Safety Fund with the Ramah Settlement Funds received by the Nation as part of the settlement of *Ramah Navajo Chapter et al. v. Jewell* (No. 1:90-cv-958-JAP-KPM), pursuant to the "Navajo Nation Public Safety System Fund Act of 2017" (Legislation No. 0055-17). The Ramah Settlement Funds provide our Nation with the extraordinary opportunity to address the public safety concerns of our people.

We can think of no cause more worthy of, or in more dire need of immediate attention. Our Nation is in the unfortunate position wherein our current Public Safety System is unable to adequately respond to the growing levels of violent crime within our lands due to a lack of significant resources. As our system currently stands, our protectors and victim advocates—officers, prosecutors, courts, behavioral health services, and victim service providers—are grossly underfunded and understaffed, allowing for the most violent offenders to reoffend without fear of retribution or punishment.

The supplement of funds to our Public Safety System through Legislation No. 0055-17, would remedy the most concerning deficiencies of our current system by providing the resources necessary to properly staff system participants including, the Navajo Division of Public Safety, the Office of the Prosecutor, the Office of the Public Defender, the Judicial Branch, the Department of Behavioral Health Services, and the Division of Social Services.

We urge you to support the Navajo Nation Public Safety System Fund Act of 2017 so may work together restore harmony to our communities.

Respectfully,
