Introduced by:

(Prime Sponsor)

Tracking No. 0108-23

AN ACT

RELATING TO THE LAW & ORDER, HEALTH, EDUCATION, AND HUMAN
SERVICES, BUDGET AND FINANCE, AND NAABIK'ÍYÁTI' COMMITTEES,
AND THE NAVAJO NATION COUNCIL; APPROVING AMENDMENTS TO
THE NAVAJO NATION VETERANS TRUST FUND AT 12 N.N.C. §1171 - §1178

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Law & Order Committee of the Navajo Nation Council reviews and recommends proposed amendments to the Navajo Nation Code. 2 N.N.C. §600(B)(14).
- B. The Health, Education, and Human Services Committee has oversight authority over veterans' services. 2 N.N.C. §400(A), §400(B)(6)(a).
- C. The Budget and Finance Committee is authorized to review and recommend to the Council resolutions that strengthen the fiscal and financial position of the Navajo Nation and promote the efficient use of the financial resources of the Navajo Nation. 2 N.N.C. §300(A), §300(C)(3).
- D. The Naabik'iyati' Committee of the Navajo Nation Council reviews all proposed legislation that requires final action by the Navajo Nation Council. 2 N.N.C. §164(A)(9).
- E. The Navajo Nation Council is the governing body of the Navajo Nation, and approves amendments to Navajo Nation law. 2 N.N.C. §102(A), 2 N.N.C. §164(A).

1 **SECTION TWO. FINDINGS**

2 A. Due to a different statutory interpretation, the amount of available funds for veterans'
3 services was much lower during FY2022.

4 B. The needs of Navajo veterans have increased since the Navajo Nation Veterans Trust Fund
5 was first established in Resolution No. CJY-46-98.

6 C. The Department of Justice, the Navajo Nation Veterans Administration, and the Office of
7 the Controller have collaborated and prepared revised language in the Veterans Trust Fund
8 statute to address the differing statutory interpretations, and to avoid a shortfall in funding
9 for veterans' services.

10 D. The attached **EXHIBIT 1** is the version that the group prepared, and that DOJ has submitted
11 for legislative approval. This version was reviewed and deemed "legally sufficient" in
12 December of 2022.

13 E. There is a need to ensure that there are sufficient funds available to allocate for veterans'
14 services from the Veterans Trust Fund. Therefore, the Navajo Nation finds it in the best
15 interest of the Navajo Nation and Navajo veterans to approve the amendments to the Veterans
16 Trust Fund, attached hereto as **EXHIBIT 1**.

17
18 **SECTION THREE. APPROVING AMENDMENTS TO THE NAVAJO NATION**
19 **VETERANS TRUST FUND AT 12 N.N.C. §1171 - §1178**

20 The Navajo Nation hereby approves the amendments to the Veterans Trust Fund, at 12 N.N.C.
21 §1171 - §1178, as shown in the attached **EXHIBIT 1**.

22
23 **SECTION FOUR. CODIFICATION**

24 The provisions of this Act that amend or adopt new sections of the Navajo Nation Code shall
25 be codified by the office of Legislative Counsel. The Office of Legislative Counsel shall
26 incorporate such amended provisions in the next codification of the Navajo Nation Code.

27
28 **SECTION FIVE. EFFECTIVE DATE**

29 This Act shall become effective in accordance with 2 N.N.C. §221(B).

1 **SECTION SIX. SAVING CLAUSE**

2 If any part of this Act is invalidated by the Supreme Court of the Navajo Nation, or by any
3 Navajo Nation District Court without appeal to the Navajo Nation Supreme Court, the
4 remainder of this Act shall be the law of the Navajo Nation.

TITLE 12. FISCAL MATTERS
CHAPTER 10. NAVAJO NATION TRUST FUNDS
SUBCHAPTER 8. NAVAJO NATION VETERANS TRUST FUND

§1171. Establishment

A. The "Navajo Nation Veterans Trust Fund" hereinafter the "Trust Fund" is established with an initial appropriation of six million dollars (\$6,000,000) from revenues from the Undesignated Tribal Reserves.

B. Each year, during the appropriation of the Navajo Nation Comprehensive Budget, the Navajo Nation Council shall budget a sum equal to at least 4% of any and all projected revenues of the Navajo Nation, including, but not limited to revenues received from taxes, oil and gas mining and minerals, timber, land rentals, interest and dividends, gain on sale of securities and other revenue producing activities as follows: for transfer to and use by Trust Fund funded programs and the Navajo Veterans Housing Program as set forth within this chapter. Any allocations above the mandatory minimum 4% set-aside shall be designated as additional contributions to veterans programs or the Navajo Veterans Housing Program within the annual comprehensive budget legislation as approved by the Navajo Nation Council.

~~1. One half of the 4% shall be transferred to the Navajo Veteran's Trust Fund to be used as set forth herein.~~

~~2. The remaining one half of the 4% shall be allocated to the Navajo Veterans Housing Program and administered by the Navajo Nation Veterans Administration (NNVA).~~

~~a. The Navajo Veterans Housing Program will maximize the use of the allocated funds, including through leveraging additional funding sources such as match funding when available, in order to construct as many turnkey homes as possible for veterans without permanent housing, as well as to provide major and minor home renovations and repairs to veterans with permanent housing.~~

~~b. Subparagraph (a) above shall apply to honorably discharged Navajo veterans, without regard to age, gender or geographical location, as long as such location is within the exterior boundaries of the Navajo Nation.~~

~~c. Subparagraph (a) above shall also apply to honorably discharged Navajo veterans living beyond the exterior boundaries of the Navajo Nation, without regard to age, gender or geographical location, except that assistance shall be limited to financial assistance as set forth in the Navajo Veterans Housing Program Policies.~~

~~C. Navajo veterans shall be limited to assistance from the Navajo Veterans Housing Program for the construction or purchase of one new home, not including renovations and repairs.~~

~~D. The annual appropriation authorized above shall not expire and unexpended funds shall not lapse back into the Veterans Trust Fund and shall continue to be expended for the purposes for which they were appropriated.~~

§1172. Purpose

The purpose of the Trust Fund is to provide funding for veterans programs, projects and services or activities which may include, but not be limited to program/project development, community/economic development, housing, training and employment opportunities, leveraging or matching funds for exemplary projects, protection and advocacy services, financial assistance of benefits and services, education and scholarship, and survivor's benefits for the surviving spouses of deceased veterans. The Navajo Nation has a clear understanding and responsibility to its Navajo Nation veterans based on Navajo Nation Council Resolution CJ-5-40 which pledged its people the loyalty to the system which recognized minority rights and the Navajo a way of life that has placed us among the greatest people of our race. Many more than 16,000 Navajo veterans have served their country in war or peacetime from World War I, World War II, Korean Korea, Vietnam, the Persian Gulf, Iraq, Afghanistan and many others through to today. ~~and to the present.~~

§1173. Trust Fund Investment

All monies deposited in the Trust Fund shall be invested in accordance with Investment Policies of the Navajo Nation as adopted by the Budget and Finance Committee of the Navajo Nation Council.

§1174. Expenditure of Trust Fund ~~principle~~ Principal

Fund ~~principle~~ principal shall not be expended except pursuant to a referendum adopted by a two-thirds (2/3) vote of all registered Navajo voters. The Navajo Nation Council may place a "Referendum to Expend Trust Fund Principal" on the ballot of any primary, general or special election by a two-thirds (2/3) vote of the full membership of the Navajo Nation Council.

§1175. Definition of ~~principle~~ "Principal" and ~~income~~ "Income"

- A. Trust Fund ~~principle~~ principal shall consist of all Navajo Nation Council appropriations made pursuant to the tribal appropriations processes and procedures with the intent of being as well as direct capital contributions to the Trust Fund, and any contributions made by any parties or entities; Principal shall exclude the current veterans set-aside authorized by the Navajo Nation Council under Resolution CN-55-06. This set-aside is intended to increase funding available for veterans programs without compromising Trust Fund principal. All amounts in this sub section shall be investable per section 1173.
- B. Trust Fund income shall consist of all earnings (interest, dividends, and other such related earnings) generated by the ~~principle-principal~~ and interest of the Trust Fund, less all expenses directly associated with the administration and management of the Trust Fund.

b. Except as provided at §1176, all recommended budget calculations shall be determined pursuant to the total of all eligible recipients, registered with the Navajo Nation Veterans Administration, as defined within Navajo Nation Veterans Administration Financial Assistance Policies, consistent with §1172 of this chapter.

c. Tribal grants to non-tribal government programs and projects shall be awarded in accordance with rules and regulations developed by the Navajo Nation Veterans Administration, consistent with §1172 of this chapter.

d. The annual appropriation authorized above shall not expire and any unexpended funds shall not lapse back into the Trust Fund. Carryover balances shall be redistributed consistent with paragraph 1(b) above and shall continue to be expended for the programmatic purposes for which they were appropriated. a. The Navajo Veterans Housing Program will maximize the use of the allocated funds, including through leveraging additional funding sources such as match funding when available, in order to construct as many turnkey homes as possible for veterans without permanent housing, as well as to provide major and minor home renovations and repairs to veterans with permanent housing.

b. Subparagraph (a) above shall apply to honorably discharged Navajo veterans, without regard to age, gender or geographical location, as long as such location is within the exterior boundaries of the Navajo Nation.

c. Subparagraph (a) above shall also apply to honorably discharged Navajo veterans living beyond the exterior boundaries of the Navajo Nation, without regard to age, gender or geographical location, except that such assistance shall be limited to financial assistance as set forth in the Navajo Veterans Housing Program Policies.

~~The Fund income shall not be expended, except as provided in §1177, from Fiscal Year 1998 to Fiscal Year 2003. From Fiscal Year 2004, the Fund income shall be expended as follows:~~

- ~~1. 75 percent (75%) of the total income earned, plus the current projected set-aside of the Fund will be used as supplemental funding for programs and services to benefit veterans, as noted under §1172 on an annual basis, excluding two percent (2%), which shall be for the exclusive use of the Veterans Housing Program in accordance with 12 N.N.C. §1171 (A) and Navajo Nation Council Resolution CS 56-17. The Fund's income earned at the end of the previous audited fiscal year plus the current fiscal year projected set-aside will be used to determine the allowable expenditure (i.e. budget purposes). The excess of the Fund income over expenditures shall be reinvested in the Fund to cover the rate of inflation and to provide for reasonable Fund growth.~~
- ~~2. Tribal grants to non-tribal government programs and projects shall be awarded in accordance with rules and regulations developed by the Department of Navajo Veterans Affairs, in consultation with the Health, Education and Human Services Committee of the Navajo Nation Council and, if required, the Navajo Nation Council.~~
- ~~3. ~~Except as provided at §1177, all Trust Fund income distribution shall be determined pursuant to all eligible Navajo veterans and distributed among those applicable Navajo Nation chapters to be expended in accordance with §1172 of this Plan.~~

§1176. Expenses
