10 **SECTION TWO. FINDINGS**

11 A. On March 11, 2020, the Navajo Nation Commission on Emergency Management
12 declared a Public Health State of Emergency due to COVID-19 on the Navajo
13 Nation. **Exhibit A.**

14 B. On March 13, 2020, the Navajo Nation President issued Executive Order No.
15 001-20 declaring a State of Emergency on the Navajo Nation due to the spread of
16 COVID-19. **Exhibit B.**

17 C. The Navajo Department of Health has issued numerous Public Health Emergency
18 Orders that have implemented various curfews to slow the spread of COVID-19.
19 The first of these Orders was issued on March 18, 2020 and the most recent was
20 issued on November 13, 2020. Public Health Emergency Orders Nos. 2020-001
21 through 2020-030 are incorporated by reference into this resolution.

22 D. The most recent Order that implemented a curfew is Public Health Emergency
23 Order No. 2020-028, which establishes a daily curfew from 9:00 p.m. to 5:00 a.m.
24 (pursuant to Order No. 2020-19, dated August 6, 2020) and establishes weekend
25 curfews from 9:00 p.m. on Friday, November 6, 2020 to 5:00 a.m. Monday

F. Currently, the fines collected for curfew violations are deposited into the Navajo Nation's General Fund, pursuant to 12 N.N.C. § 820 (K), which specifically provides: "[f]unds received in excess of the initial or current revenue projection shall be deposited in the General Fund Unreserved, Undesignated Fund balance *unless otherwise designated by the Navajo Nation Council.*"

Public Health Emergency Order No. 2020-028

Public Health Emergency Order Implementing a 56-Hour Weekend Curfew for the Next Two Weekends in November and Closing Most Essential Businesses During the Weekend Curfews Due to Uncontrolled Community Spread of COVID-19 in 29 Communities on the Navajo Nation

- I. Paragraphs I – IX from Public Health Emergency Order No. 2020-004 (March 29, 2020) are incorporated herein, addressing the various Navajo Nation (Nation) authorities related to the current COVID-19 Public Health Emergency.
- II. Regular daily curfew hours continue to be from 9:00 P.M. MST to 5:00 A.M. MST pursuant to Public Health Emergency Order No. 19 (August 6, 2020).
- III. The intent and purpose of this Public Health Emergency Order No. 2020-028 is to limit the movement of individuals on the Nation to their local communities for a 56-hour period due to uncontrolled spread of COVID-19 in various communities throughout the Navajo Nation, and to implement a full weekend curfew from November 6, 2020 to November 9, 2020 starting at 9:00 P.M. MST on Friday and ending at 5:00 A.M. MST on Monday, and continuing for the same time periods during the weekend of November 13 – 16, 2020.
- IV. The Navajo Nation is currently experiencing its second wave of COVID-19 cases. The number of new cases have been on an upward trajectory during the past 2 (two) months within and surrounding the Navajo Nation, including record high numbers for the United States reported on Sunday, November 1, 2020. The percent of COVID-19 tests which are positive continue to rise and clusters continue to emerge throughout the Navajo Nation and has resulted uncontrolled spread in 29 communities on the Navajo Nation. **Cluster cases are a direct result of family gatherings and off-Reservation travel and have resulted in an uncontrolled spread.**
- V. **Individuals are advised to STAY ON THE NAVAJO NATION and refrain from off-Reservation travel. Individuals are also advised not to gather with anyone outside your immediate household and stay within your local communities.** Clusters have the potential to lead to even more uncontrolled spread throughout the Navajo Nation, which may overwhelm the health care system on the Navajo Nation if not mitigated immediately.

- VI. To mitigate the risk, individuals are advised to stay home (isolate or quarantine) and self-monitor for the next two (2) weeks. Isolation and quarantine help protect the public by preventing exposure to people who have or may be contagious. Isolation separates people who may be sick from people who are not sick. Quarantine separates and restricts the movement who are exposed to a contagious disease.
- VII. According to the Centers for Disease Control and Prevention, "COVID-19 cases and deaths have been reported in all 50 states, and the situation is constantly changing. Because travel increases your chances of getting infected and spreading COVID-19, **staying home is the best way to protect yourself and others from getting sick.**"
- VIII. According to the Centers for Disease Control and Prevention, "Limiting face-to-face contact with others is the best way to reduce the spread of coronavirus disease 2019 (COVID-19)" and **"the more closely you interact with others and the longer that interaction, the higher the risk of COVID-19 spread."**
- IX. The Nation's roads remain closed to Visitors for the duration of the declared public health emergency, and Visitors are advised to refrain from traveling to the Navajo Nation. Tribal parks will not be accessible to Visitors and Tourists during this time. Visitors and Tourists will be informed when the Navajo Nation can safely welcome Visitors back to the Nation.

THEREFORE, NOTICE IS GIVEN that, pursuant to the power and authority set forth in the NDOH enabling legislation (NNC Resolution No. CO-50-14), and in conjunction with the Navajo Nation Public Health State of Emergency Declaration (CEM Resolution No. 20-03-11):

- A. All individuals on the Nation shall comply with the **Weekend Curfews** across the Nation from 9:00 P.M. MST on Friday, November 6, 2020 to 5:00 A.M. MST on Monday, November 9, 2020 and from 9:00 P.M. MST on Friday, November 13, 2020 to 5:00 A.M. MST on Monday, November 16, 2020. All individuals shall remain at home during curfew hours except to access essential services, or in the event of an emergency, or as described below.

Wood collection and hauling, with an appropriate permit issued by the Navajo Nation Forestry Department, is a permissible activity during the weekend curfew hours, however groups are limited to no more than 5 people, masks are required, maintain social distancing to the greatest extent possible, and use hand sanitizer. Coal collection and hauling is also permissible with the same preventive measures.

4. Refrain from gathering with individuals from outside your immediate household.
5. Practice all individual preventative measures including wearing a mask in public, avoid public gatherings, maintain social (physical) distancing, remain in your vehicle for curbside and drive-through services.

Greetings to the Navajo Nation Council:

My name is Henry Haskie. I am a voting member and resident of the Indian Wells Chapter. First, I am a firm believer in freedom afforded by the Constitution of the United States and the Bill of Rights of the U.S. and the Navajo Nation.

This particular legislation is dangerous and opens the doors to the Executive Branch of the Navajo Nation government to initiate fund raising efforts to address the needs of their departments, divisions, programs, projects, and activities. Having work in law enforcement in the military and civilian settings, the role of the public safety was to "Protect and serve..."

This legislations is dangerous because it will require the Navajo Division of Public Safety to focus on funds raising efforts over protecting and serving. Citizens of the Navajo Nation and the United States will be stopped and issued criminal summons (citation) for being a "nuisance" to the public for the sake of putting another dollar in the DPS coffers. This is NOT protection and services. This will be a "legal" form of intimidation to take personal funds of the citizen's wallet for the sake of meeting a law enforcement agency's shortage of funds.

What are the long and short term impact? Navajo Department of Public Safety focusing on \$\$\$ rather than protecting and service. Protection and service is a great need on the Navajo Nation. How will NN start to address the needs? Perhaps develop a Navajo Nation Police Reserve Officers program where qualified individuals serve as police officers with the same qualifying standards, training, and authority as regular police officers? They volunteer their time and service. In today's age, there are many retirees who are yearning to be public servants. Their education, experience, discernment and wisdom are in demand. Why not take advantage of it.

I am very concern about this legislation because it opens the door to expanding on the collection of funds on the roads and at private residents of the Navajo people.

Navajo Nation Council members, I urge you to vote a NO SUPPORT for legislation # 0308-20.

Thank you.
