MEMORANDUM

TO: Honorable LoRenzo Bates, Speaker
Navajo Nation Council

FROM:

Russell Begaye, *President*
THE NAVAJO NATION

DATE: May 7, 2018

SUBJECT: Resolution No. CAP-35-18: RELATING TO HEALTH EDUCATION AND HUMAN SERVICES, RESOURCES AND DEVELOPMENT, BUDGET AND FINANCE, NABIK'ÍYÁTI' COMMITTEES AND NAVAJO NATION COUNCIL; ADOPTING THE SISHASIN FUND POWERLINE AND CHAPTER PROJECTS EXPENDITURE PLAN PURSUANT TO CD-68-14, AS AMENDED BY CJA-03-18 AND 12 N.N.C. 2501-2508, AS AMENDED; WAIVING 12 N.N.C. 810 (F), 820(I) AND (M) AND 860(C) RELATING TO THE CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROCESS

Pursuant to 2 N.N.C. 1005 (C)(10), action for Resolution No. CAP-35-18 is being submitted to the Navajo Nation Council, through the Office of the Speaker within the ten (10) days requirement. Furthermore, the Navajo Nation President has line item veto authority for budget items within the Supplemental Appropriations, which are not subject to override by the Navajo Nation Council. 2 N.N.C. 164 (A)(17).

After review of Resolution No. CAP-35-18, I hereby exercise my line-veto to:

1. Section Three. Approval and Adoption of Expenditure Plan.
2. Section Four. Approval and Adoption of Expenditure Plan Administration.
3. EXHIBIT D. SISHASIN FUND POWERLINE AND CHAPTER CAPITAL PROJECTS EXPENDITURE PLAN

- a. NO. 42 YEAR 1 Funding \$46,100.00, YEAR 2 Funding \$143,250.00, YEAR 3 Funding \$643,983.00, SIHASIN FUNDS REQUESTED in the total amount of \$833,333.00.
- b. NO. 70 YEAR 1 Funding \$350,000.00, SIHASIN FUNDS REQUESTED in the total amount of \$350,000.00

After consultation with the impacted Divisions, I have decided to exercise my line-item veto authority. The justification and details for use of the President's line-item veto is set forth below.

- a. NO. 42 YEAR 1 Funding \$46,100.00, YEAR 2 Funding \$143,250.00, YEAR 3 Funding \$643,983.00, SIHASIN FUNDS REQUESTED in the total amount of \$833,333.00.
- b. NO. 70 YEAR 1 Funding \$350,000.00, SIHASIN FUNDS REQUESTED in the total amount of \$350,000.00

First, the 110 Chapters have millions in unexpended dollars and should expend these fund for the many uses and projects on this Sihasin project listing. There are still many people that need water and electricity and these dollars should be priority for these funds. Second, the two projects vetoed are Bureau of Indian Affairs (BIA) projects and should remain under the BIA funding. Third, I support these appropriations as they also fulfill our four (4) pillars for Veterans, Youth and Elders, Jobs and Infrastructure.

I am pleased to sign this legislation into law as it will stimulate our economy by creating much needed jobs and bringing in infrastructure for our People.

Therefore, I will exercise my line-item veto authority to only two (2) items.

The Naabik'iyáti' Committee adopted NABIAP-20-15 establishing the Naabik'iyáti' Síhasin Fund Subcommittee to "recommend to the Naabik'iyáti' Committee and Navajo Nation Council financial support and/or financing plan(s) for the purposes designated in CD-68-14 [Navajo Nation Breach of Trust Settlement Act of 2014, establishing the Síhasin Fund]".

- F. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C. § 102 (A).

Section Two. Findings

- A. On November 1, 2006, the 20th Navajo Nation Council unanimously passed Resolution No. CN-57-06 authorizing the Navajo Nation Attorney General to file a lawsuit against the United States for the alleged breach of its fiduciary duties to the Nation arising under treaties, executive orders, public laws, statutes, regulations and contracts due to its mismanagement of the Nation's tribal trust assets, including tribal trust funds and select tribal resources, specifically excluding water and assets held in trust for individual Navajo members. Resolution No. CN-57-06 was signed into law by the President of the Navajo Nation on November 13, 2006.
- B. On September 26, 2013, the Naabik'iyáti' Committee of the Navajo Nation Council passed NABIS-42-13 creating a Trust Mismanagement Litigation Task Force ("Task Force"), composed of Council Delegates, from each agency and each standing committee, as well as Presidential appointees, to assist and consult with the Navajo Nation Office of the Attorney General, Department of Justice, outside legal counsel and the Office of the Navajo Nation President & Vice-President in evaluating whether any proposals put forth by the United States to settle the lawsuit, *Navajo Nation v. United States*, No. 06-945L, (United States Court of Federal Claims) were in the best interests of the Nation.
- C. On May 16, 2014, the United States made a settlement offer that was acceptable to the Nation's Attorney General, outside legal counsel, the Task Force and the Office of the President & Vice-President as being in the best interests of the Navajo Nation and on May 30, 2014, the 22nd Navajo

Nation Council adopted Resolution No. CMY-28-14 accepting a settlement of the Navajo Nation's lawsuit, *Navajo Nation v. United States*, No. 06-945L, against the United States for its historical mismanagement of the tribe's trust assets and its failure to ensure that the Navajo Nation received all funds due and owed under the United States' trust obligations and fiduciary duties. Resolution No. CMY-28-14 was signed into law by the President of the Navajo Nation on June 4, 2014.

- D. The 22nd Navajo Nation Council recognized that during the many decades that the United States was in breach of its trust obligations and fiduciary duties to the Nation and engaged in the mismanagement of the Nation's tribal trust assets and resources, the tribal government was without sufficient funds to provide basic services and amenities to the Diné of past generations. The tribal government was also without funds to develop an infrastructure within the four sacred mountains that would support the growth and development of opportunities crucial for the prosperity of future generations of Diné. See Resolution No. CMY-28-14.
- E. Between October 6, 2014 and November 8, 2014, the Office of the Speaker held seven (7) Public Hearings, as directed by the Navajo Nation Council's Naabik'iyati' Committee, to receive input from Navajo Nation members on how the net proceeds from *Navajo Nation v. United States* should be used. During that same time period, the Office of the President & Vice-President also held five (5) town hall meetings for a similar purpose.
- F. On December 13, 2014, in the best interests of the Nation and consistent with the collective wishes expressed by its members, the 22nd Navajo Nation Council adopted Resolution No. CD-68-14 enacting the Navajo Nation Breach of Trust Settlement Act of 2014 (hereinafter "2014 Act") and establishing the Navajo Nation Sihasin Fund at 12 N.N.C. § 2501 et seq. The President of the Navajo Nation signed Resolution No. CD-68-14 into law on December 31, 2014.
- G. On January 31, 2018, the 23rd Navajo Nation Council adopted Resolution No. CJA-03-18 enacting amendments to CD-68-14 clarifying the intent of the 22nd Navajo Nation Council, including that Sihasin Fund infrastructure projects were not to be limited by 12 N.N.C. § 1310(F) (Navajo Nation Bond Financing Act) or by TCDCJY-77-99 (Capital Improvement Projects Guidelines Policies and Procedures).

Resolution No. CJA-03-18 was signed into law by the President of the Navajo Nation on February 8, 2018.

- H. The 2014 Act, as amended by CJA-03-18, mandates that the net proceeds and earnings thereon received by the Navajo Nation from the settlement of *Navajo Nation v. United States*, No. 06-945L, be deposited into the Sihasin Fund and managed and invested to provide financial support and/or financing for (1) the planning and development of economic development and regional infrastructure supporting economic development and community development, including such infrastructure as, but not limited to, housing, commercial and government buildings, waterlines, solid waste management development, powerline projects, transportation and communication systems, within the Navajo Nation; and/or (2) education opportunities for members of the Navajo Nation. See 12 N.N.C § 2501 and § 2502 (A), as amended.
- I. The 2014 Act, as amended, also established that "leveraging of the [Sihasin] Fund by way of guaranteeing loans, match funding, direct funding in part and other weighted uses of the Fund, including loan financing from the Fund for the purposes in § 2502 (A)(1), shall be favored over direct funding in whole". 12 N.N.C § 2502 (C), as amended.
- J. The 2014 Act further established that with the exception of outstanding and accrued litigation costs, Sihasin Fund Principal and Income shall only be expended pursuant to a Fund Expenditure Plan consistent with the purposes set forth in the 2014 Act, as amended, at 12 N.N.C. §2502 and adopted by a two-thirds (2/3) vote of all members of the Navajo Nation Council. See 12 N.N.C. § 2505 (A).
- K. On April 9, 2015, the Naabik'iyáti' Committee adopted NABIAP-20-15 establishing the Naabik'iyáti' Sihasin Fund Subcommittee to "recommend to the Naabik'iyáti' Committee and Navajo Nation Council financial support and/or financing plan(s) for the purposes designated in CD-68-14 [Navajo Nation Breach of Trust Settlement Act of 2014, establishing the Sihasin Fund]".
- L. Between April 2015 and March 2018, the Subcommittee, assisted by the Office of Legislative Services, Office of the Speaker, Office of Legislative Counsel and outside legal counsel, met on more than thirty (30) occasions in either work sessions or official meetings to review and evaluate comments and recommendations from the Navajo

People; hear proposals from Navajo Nation entities, Chapters, programs and officials; and develop expenditure plan(s) for the Sihasin Fund Principal and Income consistent with the purposes set forth in the 2014 Act, as amended.

- M. After reviewing the comments and recommendations submitted during the Public Hearings and town hall meetings, as well as the reports and comments made during Sihasin Fund Subcommittee meetings, the Subcommittee determined that powerline projects and Chapter capital and economic development projects were a high priority for Navajo communities and that the funding of such projects would afford Navajo communities the opportunity to start and complete local projects currently stalled by the lack of sufficient funds, apply for additional state and federal funds requiring an identified match, as well as support CMY-28-14's intent to expand infrastructure(s) on the Navajo Nation, spur economic development at the local level and provide amenities to Navajo communities.
- N. In November of 2017, the Subcommittee issued a directive to the Speaker of the Navajo Nation Council to develop a nationwide powerline projects expenditure plan combining Undesignated Unreserved Fund Balance ("UUFB") and Sihasin Funds to total one hundred million dollars (\$100,000,000.00) divided equally amongst the twenty-four Council Delegate Districts equaling \$4,166,666.67 per District. On February 15, 2018, the Navajo Nation Council issued a further directive to the Speaker to have his staff meet with Navajo Nation Council Delegates and the Chapters they represent to develop a nationwide powerline and chapter projects expenditure plan for one hundred million dollars (\$100,000,000.00) divided equally amongst the twenty-four Council Delegate Districts with the Sihasin Fund as the intended funding source.
- O. Between March 5, 2018 and March 16, 2018, Office of the Speaker staff, contract legal counsel, Captial Projects Management Department ("CPMD") staff, and Navajo Tribal Utilities Authority ("NTUA") staff, met twice with each Council Delegate and their Chapter representatives, including but not limited to Chapter Officials, Chapter Managers and Community Service Coordinators, to review each District's proposed projects for (1) compliance with the 2014 Act's, as amended, purpose of "the planning and development of economic development and regional

infrastructure supporting economic development and community development, including such infrastructure as, but not limited to, housing, commercial and government buildings, waterlines, solid waste management development, powerline projects, transportation and communication systems, within the Navajo Nation"; and (2) readiness status, e.g., project ready, construction ready or shovel ready, as applied by CPMD.

- P. Powerline, economic development and infrastructure projects were proposed at the March meetings including, but not limited to, Head Start facilities, senior and veteran centers, and road improvements. A listing of the proposed projects, including match and contribution funding, is included on attached **Exhibits A through E**.
- Q. To ensure that Sihasin Funds are not prematurely withdrawn and continue to earn investment earnings for as long as possible, CPMD, with the assistance of the Office of the Speaker and NTUA, compiled the proposed projects into nationwide three-year funding plans, i.e., Chapter Projects, NTUA Powerlines, Non-NTUA Powerlines, and Waterlines, attached as **Exhibits A through E**, based on individual project readiness status.
- R. On March 23, 2018, contract legal counsel and CPMD updated the Sihasin Subcommittee on the Office of the Speaker's efforts to develop the powerline and Chapter projects expenditure plan, including the identification of almost twenty million dollars (\$20,000,000.00) in already secured project matching funds.
- S. During the update to the Sihasin Subcommittee, the following accountability and implementation measures were discussed:
 - 1. Due to their experience and expertise, as well as economies of scale, the funding and responsibility for implementing Chapter projects and Non-NTUA Powerline projects should be allocated to CPMD with a template in place, e.g., Memorandum of Agreement or other form of grant agreement, for CPMD to transfer the project funds and responsibilities to Local Governance Act Certified Chapters at their request;
 - 2. Due to their experience and expertise, as well as community need to lock-in project pricing, the funding

and responsibility for NTUA Powerline and waterline projects should be allocated directly to NTUA;

3. If the funding for NTUA Powerline and Waterline projects is disbursed directly to NTUA and the funding for Chapter and non-NTUA Powerline projects is disbursed directly to CPMD, the funding for projects at Chapters sanctioned pursuant to 12 N.N.C. § 9 should not be subject to § 9 (B)'s ten percent (10%) withholding;
 4. All of the proposed projects were vetted by CPMD and NTUA, respectively, for project readiness before being apportioned into the three-year plans based on project readiness status; therefore, if the funding for a project is not spent or encumbered within twenty-four (24) months of distribution, the project funds should revert to the Sihasin Fund; and
 5. To support expeditious administration and implementation of the more than two hundred (200) Chapter projects, CPMD operations should be supplemented with administrative costs.
- T. In addition, during the District meetings with Delegates and their Chapter officials and community representatives to select and vet powerline and Chapter projects, concerns were raised that the President's line-item veto of even a single project would disrupt the equal distribution of funds among the Districts, as well as, negate local choice in project selection and impair Chapter and community efforts to procure additional matching funds from federal and state sources.
- U. The Navajo Nation Council finds that the Powerline and Chapter Projects Expenditure Plan proposal, attached as **Exhibits A through E**, meets the purposes of the 2014 Act, as amended, i.e., "the planning and development of economic development and regional infrastructure supporting economic development and community development, including such infrastructure as, but not limited to, housing, commercial and government buildings, waterlines, solid waste management development, powerline projects, transportation and communication systems, within the Navajo Nation"; as well as the leveraging preference criteria of the 2014 Act, as Sihasin Funds will only fund a portion of the overall total cost of the projects with at least \$19,440,279.45, as

set forth on **Exhibits A through E**, of projects' costs covered by other Navajo Nation funds or federal, state or private entities through match funding, joint funding, contribution funding, cost-share funding or similar arrangements and agreements.

- V. The Navajo Nation Council also finds that the proposed Powerline and Chapter Projects Expenditure Plan proposal, attached as **Exhibits A through E**, supports community choice and addresses CMY-28-14's intent to expand infrastructure(s) on the Navajo Nation, provide economic development at the local level and provide amenities to Navajo communities.
- W. The Navajo Nation Council hereby determines that allocating Sihasin Funds to implement the Powerline and Chapter Projects Expenditure Plan, as set forth in **Exhibits A through E**, fits within the priorities established under the July 20, 2015 One Nation, One Voice Navajo Nation Three Branch Agreement and that it is in the best interests of the Navajo Nation, as well as in the best interests of community development, the expansion of infrastructure(s) on the Navajo Nation, economic development at the local level and the provision of amenities to Navajo communities, to adopt the Sihasin Fund Powerline and Chapter Projects Expenditure Plan, attached as **Exhibits A through E**.

Section Three. Approval and Adoption of Expenditure Plan

- A. The Navajo Nation hereby approves and adopts the Sihasin Fund Powerline and Chapter Projects Expenditure Plan, attached and incorporated herein as **Exhibits A through E**.
- B. 2. Year 2: The distribution of \$46,203,956.06 of Sihasin Funds in Navajo Nation Fiscal Year 2019 allocated as follows: \$12,154,756.58 to NTUA for the second year of NTUA Powerline projects, as set forth in **Exhibit B**; \$1,068,666.66 to NTUA for the second year of Waterline projects, as set forth in **Exhibit E**; \$31,124,968.21 to CPMD for the second year of Chapter projects and administrative costs (\$200,000.00), as set forth in **Exhibit D**; and \$1,855,564.61 to CPMD for the second year of Non-NTUA Powerline projects, as set forth in **Exhibit C**.

- C. Section Four. Approval and Adoption of Expenditure Plan Administration

A. The Navajo Nation hereby approves administration of the Sihasin Fund Powerline and Chapter Projects Expenditure Plan as follows:

1. The Navajo Nation Controller shall determine whether the source(s) of the annual distributions of the \$100,600,000.00 will be Sihasin Fund Principal or Income or a combination of both;
