RE: *CJY-70-23 An Act Relating to the Law and Order, Health, Education, and Human Services, Budget and Finance, and Naabik'iyáti' Committees, and the Navajo Nation Council; Approving Amendments to the Navajo Nation Veterans Trust Fund at 12 N.N.C § 1171- § 1178*

Dear Speaker Curley,

I am pleased to support our Navajo Nation veterans by signing this resolution into law. The purpose of this law is to clarify the funding available from the Navajo Nation for veterans' services and to ensure the Nation has sufficient funds available for those services.

Council created the Navajo Nation Veterans Trust Fund ("Trust Fund") in 1998. In 2006 through Resolution CN-55-06, the Council began setting aside 4% of Navajo Nation revenue for the Trust Fund. Numerous additional amendments have occurred since leading ultimately to conflicting language resulting in less money available for veterans' programs. INSERT EXAMPLE?

These amendments that I am signing into law clarify that the Council's 2006 action to set-aside 4% of Navajo Nation revenue for the Trust Fund will not be counted as Trust Fund principal and will be available for use as veterans' programs without compromising the principal. This results in more money being available to serve veterans.

The new formula for the 4% set aside is to divide the set aside funding in half. One half will go towards the Navajo Veterans Housing Program. The other half is available for the Trust Fund annual recommended budget allocations to be added to the remaining balance of the most recently completed audited income. After expenses are paid as required by the statute governing the Trust Fund, the remaining funding is then divided into 25% and 75%. The 25% will be invested in Trust Fund principal to ensure growth of the Trust Fund. The 75% will go toward veterans' program.

The Navajo Nation Council and I stand united in supporting our veterans.

Sincerely,

A blue ink signature of Dr. Buu Nygren, President of the Navajo Nation.

Dr. Buu Nygren, *President*

RESOLUTION OF THE  
NAVAJO NATION COUNCIL  
25<sup>th</sup> NAVAJO NATION COUNCIL - FIRST YEAR, 2023

AN ACT

RELATING TO THE LAW AND ORDER, HEALTH, EDUCATION, AND HUMAN SERVICES, BUDGET AND FINANCE, AND NAABIK'ÍYÁTI' COMMITTEES, AND THE NAVAJO NATION COUNCIL; APPROVING AMENDMENTS TO THE NAVAJO NATION VETERANS TRUST FUND AT 12 N.N.C. § 1171 - § 1178

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Law and Order Committee of the Navajo Nation Council reviews and recommends proposed amendments to the Navajo Nation Code. 2 N.N.C. § 600(B)(14).
- B. The Health, Education, and Human Services Committee has oversight authority over veterans' services. 2 N.N.C. § 400(A), § 400(B)(6)(a).
- C. The Budget and Finance Committee is authorized to review and recommend to the Council resolutions that strengthen the fiscal and financial position of the Navajo Nation and promote the efficient use of the financial resources of the Navajo Nation. 2 N.N.C. § 300(A), § 300(C)(3).
- D. The Naabik'íyáti' Committee of the Navajo Nation Council reviews all proposed legislation that requires final action by the Navajo Nation Council. 2 N.N.C. § 164(A)(9).
- E. The Navajo Nation Council is the governing body of the Navajo Nation, and approves amendments to Navajo Nation law. 2 N.N.C. § 102(A), 2 N.N.C. § 164(A).

SECTION TWO. FINDINGS

- A. Due to a different statutory interpretation, the amount of available funds for veterans' services was much lower during FY2022.
- B. The needs of Navajo veterans have increased since the Navajo Nation Veterans Trust Fund was first established in Resolution No. CJY-46-98.
- C. The Department of Justice, the Navajo Nation Veterans Administration, and the Office of the Controller have collaborated and prepared revised language in the Veterans

Trust Fund statute to address the differing statutory interpretations, and to avoid a shortfall in funding for veterans' services.

- D. The attached EXHIBIT 1 is the version that the group prepared, and that DOJ has submitted for legislative approval. This version was reviewed and deemed "legally sufficient" in December of 2022.
- E. There is a need to ensure that there are sufficient funds available to allocate for veterans' services from the Veterans Trust Fund. Therefore, the Navajo Nation finds it in the best interest of the Navajo Nation and Navajo veterans to approve the amendments to the Veterans Trust Fund, attached hereto as EXHIBIT 1.

CHAPTER 10. NAVAJO NATION TRUST FUNDS  
SUBCHAPTER 8. NAVAJO NATION VETERANS TRUST FUND**

\*\*\*.

**§1171. Establishment**

**A. The "Navajo Nation Veterans Trust Fund" hereinafter the "Trust Fund" is established with an initial appropriation of six million dollars (\$6,000,000) from revenues from the Undesignated Tribal Reserves.**

**B. Each year, during the appropriation of the Navajo Nation Comprehensive Budget, the Navajo Nation Council shall budget a sum equal to at least 4% of any and all projected revenues of the Navajo Nation, including, but not limited to revenues received from taxes, oil and gas mining and minerals, timber, land rentals, interest and dividends, gain on sale of securities and other revenue producing activities as follows: for transfer to and use by Trust Fund funded programs and the Navajo Veterans Housing Program as set forth within this chapter. Any allocations above the mandatory minimum 4% set-aside shall be designated as additional contributions to veterans programs or the Navajo Veterans Housing Program within the annual comprehensive budget legislation as approved by the Navajo Nation Council.**

**~~1. One half of the 4% shall be transferred to the Navajo Veteran's Trust Fund to be used as set forth herein.~~**

**~~2. The remaining one half of the 4% shall be allocated to the Navajo Veterans Housing Program and administered by the Navajo Nation Veterans Administration (NNVA).~~**

**~~a. The Navajo Veterans Housing Program will maximize the use of the allocated funds, including through leveraging additional funding sources such as match funding when available, in order to construct as many turnkey homes as possible for veterans without permanent housing, as well as to provide major and minor home renovations and repairs to veterans with permanent housing.~~**

**~~b. Subparagraph (a) above shall apply to honorably discharged Navajo veterans, without regard to age, gender or geographical location, as long as such location is within the exterior boundaries of the Navajo Nation.~~**

**~~c. Subparagraph (a) above shall also apply to honorably discharged Navajo veterans living beyond the exterior boundaries of the Navajo Nation, without regard to age, gender or geographical location, except that assistance shall be limited to financial assistance as set forth in the Navajo Veterans Housing Program Policies.~~**

**C. Navajo veterans shall be limited to assistance from the Navajo Veterans Housing Program for the construction or purchase of one new home, not including renovations and repairs.**

**D. The annual appropriation authorized above shall not expire and unexpended funds shall not lapse back into the Veterans Trust Fund and shall continue to be expended for the purposes for which they were appropriated.**

§1172. Purpose

The purpose of the Trust Fund is to provide funding for veterans programs, projects and services or activities which may include, but not be limited to program/project development, community/economic development, housing, training and employment opportunities, leveraging or matching funds for exemplary projects, protection and advocacy services, financial assistance of benefits and services, education and scholarship, and survivor's benefits for the surviving spouses of deceased veterans. The Navajo Nation has a clear understanding and responsibility to its Navajo Nation veterans based on Navajo Nation Council Resolution CJ-5-40 which pledged its people the loyalty to the system which recognized minority rights and the Navajo a way of life that has placed us among the greatest people of our race. Many more than 16,000 Navajo veterans have served their country in war or peacetime from World War I, World War II, Korean Korca, Vietnam, the Persian Gulf, Iraq, Afghanistan and many others through to today. ~~and to the present.~~

§1173. Trust Fund Investment

The Navajo Nation Council may place a "Referendum to Expend Trust Fund Principal" on the ballot of any primary, general or special election by a two-thirds (2/3) vote of the full membership of the Navajo Nation Council.

§1175. Definition of principle "Principal" and income "Income"

- A. Trust Fund principle principal shall consist of all Navajo Nation Council appropriations made pursuant to the tribal appropriations processes and procedures with the intent of being as well as direct capital contributions to the Trust Fund, and any contributions made by any parties or entities; Principal shall exclude the current veterans set-aside authorized by the Navajo Nation Council under Resolution CN-55-06.
