RE: Appointment to the Eastern Navajo Land Commission

Dear Mr. Yazzie,

I am pleased to appoint you to serve on the Eastern Navajo Land Commission.

The President has the honor of selecting a member who is skilled in land matters. Given your long history and service to the Navajo Nation, and especially to the eastern part of the Navajo Nation, I am proud to appoint you.

Ahéheo?

Dr. Buu Nygren, *President*
THE NAVAJO NATION

March 14, 2023

Dr. Buu Nygren
Navajo Nation President
Window Rock, AZ

Greetings and Well Wishes,

My name is Edmund E. Yazzie. I am a former Council Delegate for the Chapters of Thoreau, Mariano Lake, Smith Lake, Pinedale, Churchrock, and Iyanbito. I have served 4 terms on the Council, first being elected in 2007.

Throughout the years of my service to my communities and constituents, I have served on various committees to help the people of our Nation. It has been an honor and a privilege to serve in such offices, either as a member, or as a chairperson.

One such office I have served as Chairperson is the Eastern Navajo Land Commission (ENLC). Currently, the ENLC is comprised of the five Navajo Nation Council Delegates who represent their communities respectively in the Eastern Navajo Agency. And, as you may know, one person can be appointed by the Navajo Nation President to serve on this commission. This is the reason I am writing this letter to you today.

I believe the work of the Commission is very important for the benefit of the communities and the people of the Eastern Navajo Agency. During my tenure as first a Commission member, and then the Commission's Chairperson, important and crucial work has been accomplished for the benefit of the Navajo Nation as a whole, and its people. I am proud of the work that was accomplished by the ENLC, but I am confident there is much more the commission still needs to get done. One such project that is at a critical juncture is the Navajo Exchange Legislative Initiative (NELI) project. NELI is a project that started in 2007 and has been heavily invested with time and research.

Since 2007, NELI, for the *first* time will be introduced to the United States Congress within this year. Currently, New Mexico U.S. Senators Ben Ray Lujan and Martin Heinrich are aware of the NELI project, and have been briefed extensively by staff with the ENLC. Mr. Lujan's office is working with the ENLC staff to write and draft the bill, which will be finalized for introduction, hopefully by the spring session of Congress.

I would like to emphasize my extreme interest in this appointment, and I would be honored to represent your administration in the Eastern Navajo Land Commission. Please know that I am ready, and willing to continue working with the Commission to get this NELI bill passed by the U.S. Congress. It will benefit the people of the Eastern Navajo Agency and the Navajo Nation as a whole.

I Thank you for your time and consideration in this matter. If you should need to contact me I can be reached at (505) _____ or Email: _____@hotmail.com. I look forward to your response in due course.

Sincerely,

Edmund E. Yazzie
