Re: Letter of Interest

I am writing this letter of interest of serving on the Navajo Nation Government Development Commission as a member. I am nominated by the Eastern Navajo Agency Council on June 5, 2021. It is with great pleasure I accept this nomination and look forward to working with the Office of the Navajo Government Development, Commission and other annexes in assisting the Navajo Nation Government to institute reforms necessary.

I will represent the Eastern Navajo Agency consisting of 31 Navajo Chapters. And each of these Chapters serves vast geographic communities. I served on the ONGD Commission during the enactment of the 26 NNC Local Governance Act of 1998 and therefore I have some insight about the enormous responsibilities this position holds. I also respect the ENAC for having the confidence in me and nominating me that responsibility to represent them.

Sincerely,

Anselm Morgan

OBJECTIVES:

I am interested in serving as a member of the Navajo Government Development Commission. As I am nominated at the Eastern Navajo Agency Council Meeting on June 3, 2017 at Baca Community Chapter. I served on the Navajo Government Development Commission during the 1998 enactment of the 26 NNC Local Governance Act.

SKILLS:

I worked with Chapter government for over 30 years and served in the capacity as Chapter Officer for 12 years. I was the Agency Director (Local Governance Support Center) overseeing Twenty-Nine (29) Chapters in ENA and came to establish the collaboration and respect during those years. At Smith Lake Chapter I served as the President of Local Land Use Planning Committee from 2013-2016. I am currently serving in the capacity of Chapter President at Smith Lake Chapter. In 2015-2016, I completed *(over 140 as of Feb. 2016)* conservation plans while working under contract with New Mexico State University and Dine College. I am very familiar with sheep/goat management, and some skill in horse and livestock management, including vaccination and land description. I am a farrier and lived caring for sheep and goats since childhood. I possess computer skill and able to design PowerPoint presentation, provide community education and interpret regulation. I worked with Navajo Nation, State and McKinley County government. I served as a School Board Member for under Baca/Glo'yazhi Community School last administration and now serving the Borrego Pass Community School.

EXPERIENCE:**2015 - Retired from the Navajo Nation Employment**

07/20/15 to 03/2016 (24 hrs/wk @ \$15/hr - \$360/wk)

Conservation Planning Assistant under contract with New Mexico State University and Dine College

Office: Crownpoint Dine College, Crownpoint, NM 87313

Dr. Michael Patrick, Supervisor (575) , email: jmpat@nmsu.edu

I assisted the Navajo Farmers, Producers, and Ranchers by contacting them and creating in summary their conservation plan. The conservation plan has a long form and a short form version. The job required occasional travel to designated locations (chapter houses) in the Eastern Navajo Agency to meet with Navajo farmers and ranchers. I reviewed the conservation plans as they were submitted and reedited and formatted them according to the template provided by BIA Natural Resources Office. In many cases, the allowable range unit is researched and acreages identified which included the type of land description which the grazing unit is located on. The information on the soil study is also pertinent in designing the conservation plan. In order to determine the stocking rate it does require extensive reviews, analyze information and compile data to reach allowable animal unit. I attended numerous Land Board meeting in various districts and learned about the discussion and issues from the farmers and ranchers perspective. I experienced various ways of placing maps on the conservation plans although my position offered limited resources. I attended numerous training offered by NMSU, County Extension Offices of Cibola County about range management. This position was created by NMSU and Dine College to assist the BIA Natural Resources, ENA, in assisting the ranchers and farmers of the agency.

RE: Legislation 0123-21- Confirming the Appointment of Anslem Morgan to the Commission on Navajo Government Development...

Béesh baah dah sí'ani / Distinguished Members of the 24th Navajo Nation Council:

We write to urge the Council's immediate and overdue action on Mr. Anselm Morgan as the Eastern Agency Representative to the Commission on Navajo Government Development. Legislation 0123-21 confirming his appointment has been eligible for action since July 27, 2021, by the *Naa'bik'iyati'* Committee, followed by final confirmation by the Navajo Nation Council,

Mr. Morgan has extensive knowledge and experience as an elected official and administrator of local Chapter operations and governance. His advocacy for and holding in high regard the significance and inherent foundation of local governance in our rural tribal communities along with his commitment and leadership in enhancing the quality of life for our 'grassroots' Navajo people, is of distinction. Hence, serving as the Eastern Agency representative on the Commission is not only warranted but a clear choice.

We recognize that floor time for such action is challenging in the current environment. But it has been more than 106 days since Mr. Morgan's appointment was reaffirmed by the Eastern Navajo Agency Council via Resolution *ENAC 06-2021-022 (ATTACHED)*. He enjoys support and there is no known opposition to his confirmation/appointment. Voting on this confirmation should be priority for the Council.

Thank you for your consideration of our urgency. *Ahéhee*.

Respectfully,

Johnny Johnson, President
