7 **SECTION TWO. FINDINGS**

8 A. The purpose of this legislation is to change the Navajo Nation Veterans Advisory Council
9 to become the Navajo Nation Veterans Board of Commissioners with the following
10 authority:

11 1. To recommend appointment of the Navajo Nation Veterans Administration
12 Executive Director to the Navajo Nation Council for confirmation after the
13 President of the Navajo Nation selects an Executive Director as a nominee. To
14 recommend termination of the Navajo Nation Veterans Administration Executive
15 Director to the Health, Education and Human Services Committee and the Navajo
16 Nation Council with notice given to the Navajo Nation President.

17 2. To recommend to the Health, Education and Human Services Committee to
18 approve the rules, policies and procedures for the Board of Commissioners and the
19 Navajo Nation Veterans Administration in accordance with the laws of the Navajo
20 Nation.

21 3. To recommend to the Health, Education and Human Services Committee and the
22 Navajo Nation Council for any modification to legislation, or address any concerns
23 relating to veterans and veterans affairs with notice provided to the Navajo Nation
24 President.

25 4. To review and make recommendations for funding and budget matters of the Board
26 of Commissioners and the Navajo Nation Veterans Administration.

27 B. Navajo Nation statutory law currently states that the "President of the Navajo Nation,
28 after consultation with Navajo Nation Veterans Advisory Council, shall retain by contract
29 for a term of six (6) years an Executive Director who shall head the Veterans
30 Administration." 2 N.N.C. § 1031 (A). This legislation amends 2 N.N.C. § 1031(A) to

1 allow the President of the Navajo Nation to recommend a qualified Navajo Nation
2 Veterans Administration Executive Director to the Navajo Nation Veterans Board of
3 Commissioners who will then recommend the appointment of an Executive Director to
4 the Health, Education and Human Services Committee and Navajo Nation Council for
5 confirmation.

6 C. Navajo Nation Council Resolution No. CJA-3-16 established the Navajo Nation Veterans
7 Administration and the Navajo Nation Veterans Advisory Council. Within the stated
8 purposes for passing Resolution No. CJA-3-16, the Navajo Nation recognized continued
9 respect and honor for our Navajo veterans through the historic time from
10 Naayéé'neizghání and Tóbájishchíní, to the Navajo Code Talkers using our language in
11 World War II, and current veterans who recently served in the U.S. Armed Forces. Along
12 with respect and high honor, Navajo veterans are in a unique situation and serve
13 understanding our language and culture and share unique experiences. The Navajo
14 Nation Veterans Administration Executive Director shall be an enrolled member of the
15 Navajo Nation.

16 D. The Navajo Nation Veterans Board of Commissioners is the appropriate governmental
17 entity to recommend an Executive Director for the Navajo Nation Veterans
18 Administration since, as veterans themselves, the Navajo Nation Veterans Board of
19 Commissioners fully understand the needs and advocates on behalf of all Navajo Nation
20 veterans, qualified surviving spouses, and Gold Star family members with quality,
21 transparent and consistent service. See Resolution No. HEHSCJY-04-16.

22 E. This legislation also amends the selection process for the Navajo Nation Veterans Board
23 of Commissioners with Commissioners to be confirmed by the Health, Education and
24 Human Services Committee of the Navajo Nation Council. On the other hand, the ex-
25 officio shall be selected either from the Blue Star or Gold Star family and be confirmed
26 by the Navajo Nation Veterans Board of Commissioners.

27 F. This legislation further amends the Navajo Nation Veterans Board of Commissioners to
28 hold bi-monthly meetings which will allow the veterans to meet frequently and address
29 matters promptly.
30

- 1 G. This legislation also incorporates a two-year term limit for a Veteran Board of
2 Commissioner and the ex-officio to serve on the Commission. Selection to the Veteran
3 Board of Commissioners is also amended to allow other veterans from their respective
4 Agency Veteran Organization to serve as a Veteran Board of Commissioner.
- 5 H. Lastly, the duty and responsibility of the Executive Director to the Navajo Nation
6 Veterans Board of Commissioner is amended and clarified at 2 N.N.C. § 1032(A)(7).
- 7 G. It is in the best interest of Navajo Nation veterans to amend 2 N.N.C. § 1031(A) to select
8 2 N.N.C. §§ 1031, 1032, 1033, 1034, 1035, 1036 relating to the Navajo Nation Veterans

Yá'át'ééh, to all concerned, hereby the TeecNosPos King/Clark CVO stands with the proposed legislation. We need a director who works all parties and not just answer to one. The veterans want input on the selection of a director so any changes in policies and procedures that happen they had apart of the process.

We endorse the change of the Veterans Advisory council to Board of Commissioners in that the veterans will not be pushed aside comments as "You are just an advisory council we can listen to you but don't have to use it". Áhé'héé

1. These proposed legislations in regards to the Navajo Nation Veterans Administration (NNVA) are derived from Kee Allen Begay Jr.'s personal animus towards the NNVA Executive Director. He collaborated with some members of the Navajo Nation Veterans Advisory Council (NNVAC) members to produce such vindictive legislation
 - a. In August 2021, at Shonto Chapter Veterans Organization monthly meeting, delegate Herman Daniels, Jr. said that he is working with Kee Allen Begay, Jr. to remove the NNVA Executive Director. Mr. Daniels is on the Resources and Development Committee, along with Mr. Begay.
 - b. When consulting with the NNVAC members at Chinle (Dec 14, 2021), Mr. Begay and several members of the NNVAC discussed the possibility of removing the NNVA Executive Director when this legislation is approved. They wanted the NNVA Executive Director's removal as soon as the legislation is signed, or as stating "effective immediate." Legal counsel on-the-line dissuaded them.
 - c. Several members of the NNVAC have been serving on and off the NNVAC since the inception of the NNVAC. They have been obstructive and challenged the last two administrations and have intensified with the hiring of James Zweilein, the current Executive Director.
 - i. Mr. Zweirlien is not Navajo. This legislation is designed to prevent the hiring of non-Navajos.
 - ii. The NNVAC (Northern, Central, Ft. Defiance) members have dogged the Executive Director into revealing his contract with the Navajo Nation.
 - iii. They also want legal representation to not counsel them on legislations, policies, etc., but for litigious representation towards the administration.
 - iv. They have circumvented the administration and colluded with the Navajo Nation Council membership to oppose and not cooperate with the NNVA to develop and implement policies to benefit the veterans.
 - d. Commissioners: I agree with the language that the HEHS Committee affirm the Commissioners. I do not recommend the sitting members of the NNVAC be the members of the proposed "Commissioners." Some have been members of the NN Veterans Advisory Committee since the inception of the NNVAC. They have not performed their stated duties and have not been productive at anything. Changing their titles to "Commissioners" will not help at all.
1. In 2017, the Veterans Housing Program (VHP) was halted. The NNC stipulated that the VHP audit findings. They were not adequately addressed, nor resolved until Mr. Zweirlien was hired.
 - a. Each agency had a Housing Specialist, Carpenters, and Trade Specialists (electricians, plumbers) to construct homes. ALL positions were eliminated. Only one Housing program position was preserved. The position is located at the Central. Only ONE position was funded.
 - b. Mr. Zweirlien and his staff at central addressed the audit findings and the VHP resumed in late 2021. The budget for housing specialists was approved for fiscal year 2022.
 - c. For several years, the VHP was run by the Executive Director because he and Mr. Dickerson were the only people heading the housing program. Kee Allen Begay, Jr. objected to this because the Director's name was associated with the VHP.
 - d. With the newly hired Housing Program personnel, the position that Mr. Begay (Charles-Newton) is now legislating is already in effect.
2. Western Agency Veterans Trust Fund (VTF) budget is created and is using a singular (ONE) account for all 18 Chapters.
 - a. NO CARRY-OVER is the objective. Last Year (FY'21), over One million dollars went unused and reverted as carry-over. This year (FY'22), all allocated monies for assistance has been used.
 - b. EQUITY is a must. Any and all applicants for assistance are given equal consideration. Whether, the veteran is living on or off the Navajo Nation, they have the same right and access to VTF monies.
 - c. The Executive Director has leeway on how to administer the budget. He has given the Chapter Veteran Organizations (CVO) options on how to receive their VTF funds. Because the agency CVOs opted for a singular account, doesn't prohibit the CVO from asking for their own business unit. Mr. Begay's language may sound that he is speaking for ALL Chapters. He is not and we object to this impression.

LEGISLATION NO: _0021-22__ SPONSOR: Kee Allen Begay, Jr.

TITLE: An Act Relating to Health, Education and Human Services, Law and Order, and Naabik'iyáti' Committees and the Navajo Nation Council; Amending the Selection Process for the Navajo Nation Veterans Administration Executive Director; and Amending 2 N.N.C. § 1031, 1032, 1033, 1034, 1035, 1036 Relating to the Navajo Nation Veterans Advisory Council.

A. Selection of Navajo Nation Veterans Administration Executive Director.

I support the Navajo Nation Veterans Administration Executive Director position needed amended to make it "at will position" of the Navajo Nation. The selection process is acceptable, just need to be complied with criterions. See attachment RFP (3 pages).

1. Back in 1990s or early 2000, the NNC proposed to make Division Director a contract position, but DOJ issued Legal Opinion that Division Director position cannot contracted out due to liability matters.
2. Navajo Veterans Administration (NVA) Executive Director has far less responsibility than the Division Director. Division Director has multiply and complex contracted program funds, supervises multiply mid-managers staff and responsible for some highly valuable equipment. NVA Executive Director only has one program, assisting veteran with application for VA Veterans' benefits and service, and managed a single source of funding (NN general and trust funds). NVA Central Office has Deputy Director, Administrative Management Specialist and Office Specialist at NVA Central Office, and 5 Agency Offices are staff with Veterans Service Officer, Administrative Management Specialist and Office Specialist. The total NVA staff is less than 30 people.

B. Navajo Nation Veterans Advisory Council.

There is none prevents the Navajo Nation Veterans Advisory Council to advise the President and the Navajo Nation Council improve and/or implement Navajo Veterans Services.

1. The Navajo Veterans Advisory Council (NVAC) is an Ad-Hoc Citizen Committee with no set criteria to advise the President of Navajo Nation on situations with veterans in communities, individual veteran's needs, identified needed veterans' services, etc. NVAC is grassroot Veterans to advise the President to formulate action plan on veterans matters for legislation action and Navajo Veterans Administration (NVA) implementation veterans' services. This process is absent in the current Navajo Veterans Administration.

The criteria for appointment of the Veterans Advisory Council:

- a) Veteran served in Armed Forces of the United States (VA Form DD214 Discharge Certificate).
- b) Registered voter of respective chapter.
- c) Member of Chapter Veterans' Organization within the respective Agency.
- d) Agency Veterans Organization selects two (male and female) veterans and referral the names to the President to appoint veteran to NVAC membership.

2. Complication of Navajo Veterans Advisory Council.

Navajo Veterans Advisory Council (NVAC) is two (2) headed serpent, five (5) male and five (5) female. There is a distinct division line of gender in the representation. In the original drafted Navajo Nation Veterans Act (Act), only has seven (7) Veterans Advisory Council members. Requirement: the appointee be a veteran with honorable discharged veteran (without gender distinction). The membership was increased to ten (10) members without clarification in the final passage of the Act. Veterans Advisory Council is quasi-public advocate group to advise NN President on veterans concerns and makes recommendations (no legislative authority) for President's veteran legislation and/or actions. In that, they should not be subject to plan of operation or by-law which inhibit a member to express freely. NVAC should only adhere to standard ethical conduct laws of NN and general parliamentary procedures for meeting records and attendance.

- a) There are evidences of no collaboration existed within the Advisory Council, everyone is for themselves and/or collusion against one another.
- b) NVA Executive Director, contracted position, is non-voting member to Veterans Advisory Council. Executive Director uses the Advisory Council to approve change and develop policy and procedures (Advisory Council has no legislative authority), causes negative impacts of bias and favoritism toward the administration over veterans' beneficiaries needs and concerns.
- c) The spouse of NVA Executive Director (non-voter of NVAC) is appointed to serve on NVAC which is unacceptable practice of NN Ethic Laws of the Board and Commission, and the Navajo Culture and Tradition.
- d) None existed OP/VP and NNC collaboration. NVAC is supposedly be the voice of the grassroot Navajo veterans' concerns to the President, and OP/VP to collaborate with legislature to enact applicable Navajo Veterans' legislations, programs and services, and representation to develop advocacy strategic in behalf of the Navajo Veterans to full use of federal veterans' benefits and services which the Navajo veterans are entitled. President appointed NVA Executive Director, non-Navajo Tribe, to National Native American and Alaska Native Veterans Advisory Committee of U.S. Veterans Administration, without consultation with NNC. Executive Director does not speak Navajo language, have absolutely lack of knowledge on Navajo cultures and traditions as use by the Navajo Veterans for their maintain quality of life.
- e) Advisory Council members are addressed as Agency Commander or Co-Commander. Navajo Nation Veterans Act only recognizes Chapter Veterans

Organizations (CVO), does not mention Agency Veterans Organizations. Agency Veterans Organizations were established as ad-hoc committee before enactment of Navajo Veterans Act to assist Agency Veterans Administration to disseminate information to the veterans at the chapter level through the Agency meeting.

NAVAJO VETERANS ADVISORY COUNCIL TO REMAINED ADVISORY COUNCIL.

Navajo Veterans Advisory Council need to maintain neutral roll as an advocacy and advisor to the President and Legislature of Navajo Nation. The President in collaboration with the Navajo Nation Council amend, create and delete NN Veterans' Program policies and procedures, and initiates the intergovernmental contacts with the state and federal government entities, including state legislatures and congress, for veterans' benefits and services.

Enclosing, the whole Navajo Veterans Administration Program Service is in your hands. Do the right things to enhance the service to the Navajo veterans and surviving beneficiaries. Should you have question, you may contact me at (505) 486-5377, email: pjgeorge@citlink.net. Thank you, stay safe and healthy.

Honorable Council Delegates

Regarding James Zewerlin V.A. director needs to be removed,

Due to over 1yr. ago he told us at Nenahnezad Northren V.A. Agency meeting he told us he was not working for us Veterans but working with President Nez and not us Veterans. And to this day he has not made report^{to} Northren V.A. veterans. Also, to Council Delegates, when they asked him for report he said I have none Now, he's taunting the delegates saying he has a six yr. contract with President Nez and I thought he was appointed. When Eugenia Newton asked him for copy of contract none or what contract says.

He showed up at Tec-Nos-Pons North Agency Meeting last fall, he was way in the back & then later he just left - no report when called.

Then his wife is on the Veteran Advisory Council from Eastern Agency - is that and I thought was conflict of interest? Shiprock had a CVO meeting

February 4, 2022 and was on Agenda for report - so show he told Lloyd Begay on phone he was on trip to DC for what?

Then on Budget he told us CVO we don't know how to make budget. And we do or use to make our own CVO budget in past. But, now he threw 1 big lump of money at Northern Agency and we ran out, we like only got one assistance per Veteran.

Then on our Northern V.A. Agency what happen to our Carry over for FY-2018, 19, 20 and 2021 - ?

On housing not 1 Veteran house built yet?

He's the reason Wallace Charley left or fired him? Now Shiprock V.S.O officer left in December alone with the Secretary at Shiprock V.A. Agency?

James Zewerlin should be saying or asking us May I help you Veterans or what's your needs or complaint. There's no harming or joy from him. Thank You Council Delegates - I got my hardship check.

Thank You from Tesalnaozt'i Veteran Organization Commander Leo Billey
