**Subject:** Removal of Carl Smith, Community Development Director

Good morning Mr. Platero and legislative staff;

I just like to comment re: Removal of Carl Smith,

I sincerely believe that this removal of Mr. Smith of Community Development Program will be an devastating decision and action. As a Navajo Nation, we are lenient and do not respect our own Navajo Nation Fundamental Law. To be just and fair to our entire Dine, those off and on the reservation, we must think, plan and follow-through on any action according to the best interest of our people. We can not waste and throw money away and materials goods. We must remember that we are five fingers individuals/families. We must honor all of the Dine' people, not cater to the those the few who run our Navajo Nation Government by relatives and favoritism. If there is a known corruption, a leadership must report these to the appropriate such the Office of Rules and Ethnic and Auditor General, etc. We must tighten our Navajo Tribal Code such as White Collar Crime, etc. Further, we must hire the vacancies such the judges, probation and prosecutor. It is too long, the grass people are on the blight of social ills, domestic violence, drug/substance and suicide. I believe Carl Smith is accountable, responsible and transparent to be the shaker for an firm, positive and transparent/accountable Community Development Program. Further, the Community Service Coordinator have an performance base quarterly assessment. This individual must be firm, strict and abide by the Community Development Program Policy and Procedure. Please keep Mr. Carl Smith as Community Service Director, I am sure that he and his T professional/Delegates team to update the policy and procedure to best interest and welfare of our Navajo Nation. Thank you, Charlotte Jane Begaye, Government Development Commissioner
