Non-Core Real Estate Recommendation

Non-Core Real Estate Recommendation

Executive Summary

- RVK recommends Westport Capital Partners (Special Core Plus Fund II) and Prudential Group Investment Management (PRISA II) to manage an equal allocation of the 2019 Non-Core Real Estate commitment budget.
 - See recommendation summary slides for detail on commitment amounts
- RVK previously recommended asset allocation changes to the Retirement Plan (5% Non-Core RE) and Permanent Fund (5% Non-Core RE) which were previously approved by the Investment Committee.
 - Upon asset allocation approval RVK researched and identified the two recommended managers based on their broadly-diversified investment approach, fundraising schedule, and indicated willingness to work with Navajo contracting requirements
- WestPort and Prudential were interviewed November 2019 with Investment Committee approval contingent upon finalization of RVK due diligence review and opinion.
 - Both managers' strategies due diligence screening resulted in a position opinion for client investment and documented in RVK memos completed January 2019
- Final Investment Committee approval of WestPort and Prudential needed to proceed to next steps of contract negotiation.
 - Investment implementation targeted for 2019 but dependent upon successful contract negotiation

Real Estate Portfolio Construction

Investment Objectives

Real Estate Portfolio Structure

- Position and build out Real Estate Portfolio in a defensive manner, first focusing on Core funds and then building out the non-core portfolio
- Within the Non-Core portfolio - Focus first on diversified funds then increase exposure to niche demographically demand-driven property types

Return Drivers and Opportunities

- **Income vs. Appreciation** – Emphasize strategies that weight income returns over capital appreciation
- **Secondary Markets** – Remain attractive from both a growth and yield spread when compared to the largest Metropolitan Statistical Areas (Los Angeles, New York, San Francisco etc..)
- **Net Operating Income (NOI) Growth** – Seeing improved valuations from assets able to improve NOI over cap rate compression
- **Leverage** – Still accretive, though getting more expensive. Lowest-cost leverage is generally available to institutions with a scale advantage
- **Demographic Tailwinds** – Certain property types such as Multifamily, Senior Housing and Medical Office offer a compelling risk return profile
- **Bridge Lending** – Higher spread, floating-rate debt with less interest rate and pricing sensitivity

Proposed Commitment Budget

- A commitment allocation plan needs to be revisited on a regular basis to achieve a 15% allocation to real estate (10% core and 5% non-core).
- Key objectives: Set a reasonable 5-year target commitment allocation schedule to assist with regular investment committee planning exercises.
- A number of assumptions are made throughout this analysis and include the following:
 - Custom real estate investment cash flow/valuation patterns
 - A 7.0% annualized growth rate for the overall total composite, net of spending rate
 - Vintage commitments shown below may be made to one or more investment managers depending on individual product diversification.

EXECUTIVE SUMMARY OF THE INVESTMENT OPPORTUNITY

SUMMARY OF OPPORTUNITY AND SCOPE OF WORK

The following is a review of the potential investment opportunity offered by Westport Capital Partners LLC ("WCP", "Westport", the "Company", or the "Firm"). Westport seeks to raise capital for their Special Core Plus II Fund L.P. (the "Fund" or "SCP II"). The Firm has a long history of managing funds across distressed and opportunistic strategies with this being their second Core Plus strategy offering. The team is comprised of vastly experienced Principals that formerly worked together at Oaktree Capital Management.

RVK, Inc. ("RVK") has conducted a thorough analysis and due diligence in order to deliver an independent assessment of Westport and SCP II, including an analysis of the Firm's organization, investment team, strategy, investment track record, decision-making processes, monitoring process, and key terms and conditions for the Fund.

This review included:

- Multiple in-person and telephone meetings with representatives of Westport;
- An in-depth quantitative review of the general partners track record;
- Qualitative assessment of the general partner and their strategy;
- Evaluation of the market environment;
- Multiple reference calls with a variety of investors and operators
- On-site visit to Westport's headquarters in Wilton, Connecticut;
- On-site visit to Westport's field office in El Segundo, California.
- Asset Tour to an Office asset in SCP I.

Westport Special Core Plus Fund II is a core plus closed end fund focused on income producing assets that offer value add opportunities located in strong secondary markets that are positioned as value alternatives to gateway markets. Value creation initiatives will target near term lease roll, current and expected vacancy lease up, deferred maintenance, and repositioning an asset so that it competes with current assets within the market. SCP II does not have defined sector or geographic diversification criterion. Rather, the investment team seeks out off-market acquisitions that result in an attractive all-in-basis that represent a discount to market comparables. However, the team is cognizant of fund diversification and, similar to the predecessor fund, SCP II is expected to be broadly diversified by sector and geography with 15 to 20 total assets located in high growth secondary markets.

WCP was founded in 2005 by Russell Bernard following his departure from Oaktree Capital Management. In 2006 Mr. Bernard was joined by other senior Oaktree real estate professionals who now make up the Principals of Westport Capital Partners. The WCP team comprises of 36 investment professionals who collectively have over 100 years of real estate experience.

The current market conditions and seasoned team at WCP has resulted in what RVK believes to be an attractive investment opportunity. Further, RVK believes the core advantages of the Fund to be:

- 1) The team's deep industry experience and ability to source off market assets across product types at an attractive cost basis, and;
- 2) Downside protection based on going-in yields and durable in place cash flow.

RVK believes that for a fund solely investing in secondary markets the key risks for this strategy are:

- 1) A broad-based real estate market correction affecting asset valuations as well as liquidity in secondary markets, and;
- 2) The potential of an outsized negative impact due to one or two troubled assets.

SUMMARY OF MERITS AND ISSUES TO CONSIDER

Key points of consideration are as follows:

STRENGTHS/MERITS

- **Cost Basis:** The Special Core Plus strategy being offered by Westport offers a number of characteristics that could protect aspects of an investment's downside given a market decline. Given the late stage of the real estate cycle we believe it prudent to seek out strategies that offer increased downside protection. One of the more prominent characteristics brought to the strategy by the Westport team is the going-in cost basis at asset acquisition. This is achieved through their differentiated sourcing channels and philosophy that the majority of a project's profit is made at purchase. SCP I was able to achieve an average discount of 18% to market comparables. This discount represents a margin of safety should markets experience a correction during an investments life, it also provides some evidence that the deal sourcing channels employed by the team are effective.
- **Going-in Yield:** Westport and SCP II will be targeting investments in assets that have a significant current cash flow and are located in secondary markets. Secondary markets have seen a lower level of capital inflows, especially from cross border capital, when compared with gateway markets which has led to a significant spread in the current yield offered between the two market tiers. This spread in yields provides a greater level of downside protection for higher yielding assets than lower yielding assets in the event cap rates adjust up. The average going-in capitalization rate for SCP I was 7.5%. The significance of this will be felt should market conditions shift and become unfavorable. During unfavorable market conditions the fund will benefit from a meaningful in-place distributable cash flow until a more favorable exit environment returns. Additionally, Westport takes into consideration the lease roll, over schedule and proactively works in smoothing out any bumpy lease roll as well as increasing the weighted average lease duration. Each of these factors lend their hand to increasing an asset's downside protective characteristics.
- **Experienced Team:** The team at Westport Capital Partners brings a deep pool of knowledge and real estate expertise. The Firm was founded in 2005 by Russel Bernard who was previously a Principal and Portfolio Manager at Oaktree Capital Management, and where he served as the Global Head of Oaktree's real estate investment team for 10 years. In 2006 Mr. Bernard was joined by Jordan Socaransky, Sean F. Armstrong, Wm. Gregory Geiger, Peter Aronson and Marc Porosoff who collectively make up the investment team. The investment team all formerly worked together at Oaktree and bring over 100 years of experience in real estate investment, management, consulting and brokerage services. The team brings a wealth of knowledge from having invested over the past 22 years in distressed and opportunistic investment opportunities in real properties, mortgages, corporate debt secured by real estate and securities of real estate companies,

as well as across all product types. SCP II will look to leverage this deep pool of experience in selecting the best risk adjusted investments.

- **Conservative Underwriting:** The Westport team takes a conservative stance and approach when underwriting a potential investment in both the assumptions and the business plan set forth. The team places an emphasis on capital preservation, downside protection and current cash flow when seeking out investments. SCP II will be looking to derive a significant portion of the total return from an asset's income and not rely on value add activities creating asset appreciation to drive returns. When underwriting a potential asset for acquisition the team will employ a process that has been in place for close to 20 years and has been refined for the current market conditions. The due diligence process comprises of macroeconomic and real estate market reviews, financial analyses, legal and environmental assessments as well as conducting tenant interviews before closing on a transaction. During the underwriting of an asset Westport will routinely stress test the investment model to determine the potential downside to the investment using adjustments to rental rates, expenses, cap rates, as well as how different hold times impact the investment. We view this comprehensive review of an asset before acquisition as a positive given the length of the current real estate cycle.

ISSUES TO CONSIDER

- **Liquidity in Secondary Markets:** Secondary markets are prone to suffering thinner pools of liquidity throughout a market cycle, especially in times of a market correction when the buyer pool dries up and transaction volume falls. This could prove problematic at any stage of the fund's life should there be a market correction as the value creation strategies will result in no gain should there be no buyers. There are a number of mitigating factors that give us the confidence that Westport has given this thought and positioned the fund adequately to deal with adverse market conditions. Firstly, SCP II will be investing in assets values between \$20 million and \$80 million. Assets valued in this range are not too small for larger institutional investors and are not too large for local and high net worth investors. This creates the potential of a larger bidder pool and broader base of potential buyers at all times which helps with liquidity. Special Core Plus I had an average asset value at acquisition of less than \$40 million and Special Core Plus II has four assets already acquired at an average value of \$50 million. Secondly, Westport is targeting assets that have significant in place income, this will allow them to ride out any market corrections when an asset sale is not beneficial by continuing to collect the income stream and wait until a more opportune exit environment returns.
- **High Concentration:** Special Core Plus II is expected to hold between 15 and 20 assets. With a concentration of this level, there could be a negative impact on the fund from as little as one or two assets that experience challenges. Mitigating factors are that the team has shown the ability to acquire assets at considerable discounts to comparable assets thus creating a cushion that has the potential to soften the losses if an asset faces

challenges. Additionally, the LPA sets a limit on the size of any single holding at 20%, although this is higher than we would like to see SCP I at peak equity had its largest holding account for only 14%.

- **Unrealized Track Record:** SCP I lacks any realizations as of December 2018, additionally SCP I returns are below median when compared with a broad value add universe of peers. That said, SCP I has a vintage year of 2015, and is still in its maturation phase. In addition, quartile rankings against peers are somewhat skewed by the fact that the core plus strategy executed by SCP I is expected to be less risky than a typical value add strategy, as well as a lower expected return. If SCP I's track record is compared against an NCREIF-ODCE core plus universe, SCP I returns have consistently produced a premium over the universe returns. Many assets in SCP I are still in their infancy with the value add initiatives undertaken yet to be realized.
- **Terms and Conditions:** Certain terms and conditions described in the Limited Partnership Agreement are favorable to the General Partner, and provide less oversight of governance than is ideal. Specifically, the fund's diversification limits are very broad, as are the fund level leverage limits. Further, RVK would recommend modifications to the Key Person clause to provide Limited Partners some additional protections. These recommendations are highlighted in the terms and conditions summary section of this report. Despite these items that favor the General Partner, other terms are favorable to Limited Partner, such as the distribution waterfall and the calculation of the management fee. On balance, RVK believes the fund to be appropriately aligned with the Limited Partners.

INVESTMENT RECOMMENDATION

RVK, Inc. recommends that the Navajo Nation Permanent Fund commit \$37.5 million and the Retirement Plan commit \$12.5 million to Westport Capital Partners Special Core Plus Fund II to continue diversifying the real estate portfolio with the addition of a non-core broadly diversified strategy. RVK believes that this commitment sizing:

1. Appropriately reflects a meaningful allocation to the total real estate portfolio with the addition of a broadly diversified non-core fund that looks to take advantage of the substantial going-in yield spread in secondary markets and provide a meaningful quarterly dividend, and;
2. Adequately balances return potential with downside protection by investing in substantially leased properties that have a high in place cash flow and are acquired at an attractive basis.

RVK believes that Westport Special Core Plus II is poised to benefit from several current market dynamics that provide a level of downside protection with the possibility of upside returns. These strengths are not without their issues as outlined in this report but RVK believes the Westport Capital Partners deeply experienced team is adequately underwriting down side scenarios as part of each assets business plan.

CURRENT MARKET OVERVIEW AND EXPOSURE PROFILE

BROAD MARKET VALUATION

The U.S. Commercial Real Estate market is currently experiencing the second longest expansion in U.S. history following the Global Financial Crisis ("GFC"). Since the GFC investors have benefited from strong growth in Net Operation Income ("NOI") as well as strong asset price appreciation. With capitalization rates near and at historic lows in certain sectors there is widespread concern across much of the real estate industry as to the likelihood of a correction in U.S. commercial real estate. Despite concerns of a broad correction fundamentals remain strong with tight labor markets where unemployment is below 4%, new supply is in check with tighter lending requirements, high levels of sentiment across consumers and business', and strong occupancy rates lending their hand to strong rent growth. Pricing has remained relatively tight with capitalization rates remaining near all-time lows across all property sectors, which is illustrative of the continued confidence in the markets.

RISK PROFILE

Westport Special Core Plus II will follow the same investment guidelines as the predecessor fund focusing on investments that exhibit the following criteria:

- 1) Assets in high growth secondary markets
- 2) Attractive going-in yield
- 3) In place cash flow
- 4) Assets valued between \$20 million to \$80 million

The risk profile of assets Westport will target falls in-between Core Plus and Value Add on the risk return spectrum. Westport will have downside protection built into some of the characteristics in the investments they seek to make, however, they will also target investments that require higher levels of renovation which will open up the fund to elevated levels of risk and a greater potential for loss in the instance a market correction is experienced during the funds life. To illustrate the down market performance of value add and core funds we show the performance for the 2005-2007 vintages which are the vintages that proved to be most impacted by the GFC.

Down Market Performance

Fund Category	Vintage Year	Median IRR	Median Multiple	Maximum Loss
US Core/Core Plus	2005-2007	5.2%	1.1x	-40%
US Value Add	2005-2007	3.7%	1.2x	-100%

Source: Preqin, November 20th 2018

As can be seen in the above table the median returns for the core and value add peer groups were in line, however the maximum loss within the value add peer group was 100% compared to the 40% of the core peer group.

SECONDARY MARKETS

Secondary markets have benefited from domestic population migration patterns, corporate relocations, urbanization trends, lower levels of cross border capital driving down capitalization rates as compared to the gateway markets, historically strong occupancy levels, and lower levels of new supply. All of these factors provide secondary markets with an attractive going in yield spread to gateway markets and provide an element of downside protection should we see a broad based market correction. Westport will be looking to exclusively invest in high growth non-gateway secondary markets that benefit from these characteristics.

U.S. gateway markets have seen large capital inflows from a diverse group of investors which has helped pushed capitalization rates to all-time lows. Many view the gateway markets as priced to near perfection with little to no room for further cap rate compression and further asset appreciation. Secondary markets on the other hand offer investors a more attractive going in yield. These markets have also not seen the same downward pressure on cap rates as the gateway markets have experienced with lower levels of cross border capital flooding into secondary markets. The below chart illustrates the spread in cap rates between U.S. major markets and non-major markets. As can be seen the spread is noticeable and has been widening since 2010.

As well as taking advantage of the cap rate spread present in gateway and secondary markets Westport will look to exploit the spread between cap rates and the debt that is available to finance their investments. As treasuries have fallen cap rates in gateway and non-gateway markets have not compressed by the same magnitude and the result is that debt is still available at an attractive

basis. As can be seen in the below chart although cap rates are near all-time lows across sectors of the markets in general, and specifically non-gateway markets, those cap rates are still in line with the 15 year average spread to the 10 year U.S. Treasury.

Secondary markets in the current cycle provide a certain level of insulation from new speculative supply. The impact of elevated constructions costs due to a tight labor market and tighter lending requirements following the GFC have led to level of new supply dropping off from the peaks reached in 2018. Additionally, as shown in the below chart the net effective rents in non-gateway markets are at a considerable discount to those in gateway markets. This is effectively creating further insulation from new speculative supply as the rent levels do not support speculative development. This is important for a strategy that will be targeting purely secondary markets where any new supply can have an outsized negative effect on market vacancy rates and rent levels.

Historically, occupancy levels are stronger in gateway markets during all stages of a cycle, with the spread being more defined during a correction. This can be seen in the below chart. However, despite historical occupancy levels being stronger in gateway markets more recent occupancy levels since 2014 have been stronger in secondary markets. This is one factor that initially may cause concern for a strategy looking to invest only in secondary markets and avoid the gateway markets. However, Westport places a large emphasis on high going in occupancy levels and managing lease roll schedules which in turn should lead to better occupancy levels through a market correction should one happen during the fund's life.

Where secondary markets raise a concern as compared to gateway markets is their liquidity during unfavorable market conditions. As can be seen in the below chart, where liquidity is measured by the total transaction volume, secondary markets at all times trail gateway markets in terms of liquidity. This could be troublesome should the market environment be unfavorable and liquidity dries up. A mitigating factor is that Westport is looking to acquire assets that are valued between \$20 million and \$80 million. Assets valued in this range are not too small to garner the interest of larger institutional investors and are not too large for local and high net worth investors. This creates the potential of a larger bidder pool and broader base of potential buyers at all times which helps with liquidity. Special Core Plus I had an average asset value at acquisition of less than \$40 million and Special Core Plus II has four assets already acquired at an average value of \$50 million. An additional mitigating factor is that Westport is looking to acquire substantially leased assets that have significant in place income, this could allow them to ride out any market corrections when an asset sale is not beneficial by continuing to collect the income stream while awaiting a more opportune exit environment.

¹ Gateway markets are the 10 largest MSAs in the US.

² Secondary markets are the MSAs with populations less than 1 million.

SECTOR OUTLOOK

Over the past 22 years the investment team at Westport Capital Partners has invested in a broad range of sectors including office, medical office, retail, industrial, entertainment and leisure related properties, multifamily, single family housing, senior housing, and hotels. SCP I invested in office, industrial, multifamily, retail, and hospitality assets, and we expect the next offering will have an equally diverse set of property types. The investment team will respond to opportunities as they uncover them, rather than pursue specific sectors. With the team taking more of an opportunistic stance in sector selection they are able to invest in assets where they see the most attractive relative value.

OFFICE

In the first eight months the U.S. economy created on average 220,000 jobs per month. This is up from the 2017 average of 182,000, and the 195,000 average experienced in 2016. Additionally, office vacancy has been trending down in both gateway and non-gateway markets following the GFC. As can be seen in the below chart, historical occupancy levels in office have been stronger in gateway markets. However, this trend has reversed in recent history with non-gateway markets experiencing stronger occupancy levels since the first quarter of 2014. As is shown in the below chart U.S. office has also seen strong rent growth following the GFC with the annual asking rent growing on average close to 4% since 2014.

INDUSTRIAL

The industrial sector has been the strongest performing NCREIF property sector over the past seven years. The sector has benefited from a number of tailwinds that continue to be present today; shifting consumer preferences for faster delivery, growth of e-commerce, strong rent growth, demand outpacing supply, and strong consumer and business spending. Demand is expected to outpace supply for the foreseeable future providing further potential for asset appreciation and rent growth. The below chart shows that since 2010 demand, as measured by net absorption, has outpaced supply. This strong demand that has been a byproduct of the growth of e-commerce, urbanization, and logistic chain overhaul has resulted in sustained positive rent growth. Strong fundamentals present in the industrial sector are expected to continue driving positive rent growth as new supply is quickly absorbed with pre-leasing levels mitigating the risk of oversupply.

The industrial sector has benefited from historically low levels of vacancy. This trend has been more pronounced in recent years due to demand drivers previously discussed as well as demand outpacing supply for a number of years. As measured by Real Capital Analytics the current industrial vacancy is below 3% (2.74%) as compared to the commercial vacancy rate being at 5.75%.

MULTIFAMILY

The multifamily sector has a number of structural and demographic tailwinds that are expected to provide sustained demand within a select segment of the market that focuses on lower class product. Some of the tailwinds are: lower homeownership rate, high home prices, new household formation that is expected to increase, demographics of millennials, and increased student debt. Newer Class A product supply has been overwhelmingly focused in urban core markets where the cost of new construction can be justified by the rents new product can achieve. In addition, there has been little to no Class B product developed due to the higher construction costs inherent in today's environment that is experiencing a tight labor market and more expensive building supplies. This dynamic brings an investment opportunity for Class B and C product where there is a large rent spread to newer Class A product. By upgrading and repositioning older product to have more modern amenities and units a higher rent can be charged though still at a considerable discount to Class A product.

Looking at the fundamentals in the multifamily sector, demand and supply have been balanced in recent years and vacancy rates are near all-time lows. This can be seen in the below chart where current vacancy of 4.6% is at its lowest level since 2002.

Source: Axionometrics data as of September 2018. Supply is shown as a completion rate (i.e. completions as a percent of existing inventory). Demand is shown as an absorption rate (i.e. absorption as a percent of existing inventory).

The multifamily sector has seen many years of cap rate compression in both major metropolitan markets as well as non-major metropolitan markets. The markets that Westport will be targeting are captured in the non-major metropolitan markets, much like the broader trend of cap rates being lower in the major markets this is held true for the multifamily.

Multifamily Cap Rates Major Metro vs Non-Major Metro

MEDICAL OFFICE

The medical office sector continues to benefit from strong fundamentals, structural shifts, and demographic trends. When paired with a highly fragmented sector this has created a compelling investment opportunity with attractive downside protection characteristics. Demand for medical office services has been on the increase due to an aging population and the shift to more off-campus outpatient services. These services were previously performed in an in-patient hospital but due to technological improvements are now being performed in out-patient facilities. The medical office sector offers a greater level of insulation from broad market corrections than traditional office. This is in part due to the high level of tenant retention as tenants in medical office are stickier and less likely to vacate at lease end and in general sign longer leases.

National Average Vacancy Rates

INVESTMENT STRATEGY

The investment strategy that Special Core Plus II will follow is a continuation of the investment thesis followed in SCP I. SCP II will target assets across all property types that are located in high growth secondary markets that offer an attractive going-in yield. Targeted acquisitions in secondary markets will exhibit higher current yields and a wider spread to interest rates relative to gateway and primary markets. SCP II will look to acquire substantially occupied assets at a discount through their sourcing channels and look to create value at the asset level by being actively involved in the implementation of the business plan. Following an acquisition SCP II will look to stabilize an asset within the first three years then benefit from the income before looking at potential exits in year five to six.

Value creation tactics that Westport will employ are:

- Acquire assets at a discount through proven differentiated sourcing channels
- Prudently use leverage where the debt that is available to finance assets is accretive to returns
- Drive property level value by addressing necessary upgrades, rebranding, and deferred maintenance
- Proactively address any near-term rent roll to smooth out lease expiration
- Proactively work on moving rents that are below market to be in line with market rate
- Improve tenant credit quality whilst increasing the weighted average lease term
- Assemble a portfolio of 15 to 20 assets that are diversified by both property type and geography

As compared to SCP I, SCP II is expected to have a lower allocation to office assets and a greater allocation to industrial and flex-industrial assets.

INVESTMENT SOURCING

Westport investment professionals pride themselves in their ability to source opportunities at an attractive basis leading to better downside protection with the possibility for elevated returns. The Westport team has an extensive network of relationships with real estate owners and operators, asset managers, high net worth individuals, and leasing brokers through which deal flow is generated. The majority of assets in SCP I were sourced through these channels and resulted in acquiring assets that were not broadly marketed. Sourcing assets where the Westport team is in direct communication with the asset owner and where assets were not broadly marketed has led to the team acquiring assets at a discount, sometimes a considerable discount, to comparable asset sales in the market. WCP primary deal sourcing channels are:

- 1) Through pre-empting a sales process and talking directly to the asset owner;
- 2) Tracking assets that fail at auction and approaching the seller directly, and;
- 3) Sourcing off market assets through industry relationships.

Since the founding of Westport the majority of acquisitions have been made through these channels with only a little over 20% of transactions being acquired through marketed assets. This has led to greater deal flow where Westport enters negotiations with an upper hand leading to acquiring an asset at a more attractive basis. The discount that the team was able to acquire asset at for SCP I ranged from 4% to 32% as compared to comparable asset sales on a price per square foot basis. This statistic is highlighted in the below chart.

INVESTMENT PROCESS

The investment team has developed a rigorous property-level underwriting, due diligence and investment review process since WCP founding which has enabled the team to identify and mitigate potential risks. The due diligence process includes macroeconomic and real estate market reviews, financial analyses and legal and environmental assessments. This established methodology is expected to enable Westport to analyze, underwrite and quickly close time-sensitive transactions.

INITIAL SCREENING AND REVIEW

Screening criteria for investments plays a vital role in keeping acquisitions in line with the Special Core Plus investment thesis. The Fund will target secondary markets that exhibit a conservative supply outlook, compelling long term demand drivers, and an attractive going-in yield. To identify target markets Westport screens secondary markets based on MSA'S with a minimum population of 1 million that are experiencing positive GDP growth, corporate migration, population growth, muted supply, and that offer a diversified educated labor force. Market research and screening leads the deal teams to focus acquisitions in select secondary markets.

Once a market is identified as a target market the team is agnostic to product type and places a greater emphasis on the all-in-basis as it relates to market comparables. The team operates under the philosophy that the majority of a project's profit is made at purchase, which has led to the team seeking out deals where the all-in basis is most attractive as measured by acquisition price when compared to comparable asset sales. Additionally, the team places a large importance on a potential acquisition having in place cash flow. These asset characteristics increase the downside protection of investments the team is looking to make.

All potential acquisitions that are currently being reviewed will get discussed on the weekly conference call that happens every Monday and includes of Westport's investment professionals. On this call the team will discuss deals being reviewed as well as general market developments and a decision whether or not to proceed with further due diligence.

DUE DILIGENCE PROCESS

After a potential transaction is identified and discussed with the investment professionals on the weekly call a deal team will be assigned to the asset if it warrants further review. A typical deal team is comprised of a Westport Principal, an analyst, along with specialists such as in-house and outside counsel and third party environmental, engineering, construction and other consultants. This team is tasked with conducting a thorough underwriting of an investment and presenting the opportunity to the investment committee. The due diligence process includes reviewing financials, performing valuation analysis and industry analysis, inspecting the property, reviewing engineering and environmental reports, legal due diligence and evaluating the market opportunity.

In conjunction with the due diligence underwriting process the team works on the deal structuring process. The deal structuring process includes establishing financing requirements, terms and finalizing the financial model. Westport utilizes standard models for investments that are built from the ground up using Excel and Argus but are customized to take into account the unique characteristics of each transaction. During the underwriting of an asset Westport will routinely stress test the investment model to determine the potential downside to the investment using adjustments to rental rates, expenses, cap rates, and different hold time impacts on the investment.

During the due diligence process the deal team will keep the investment committee updated and informed on the potential deal via the weekly conference call that happens every Thursday. Following the due diligence and numerous site visits the deal team will put together an investment recommendation memorandum that will be presented to the investment committee.

INVESTMENT COMMITTEE APPROVAL

Once a potential investment has been assessed by the deal team, the team will present the investment recommendation to the investment committee. Together they review the business plan

and make sure no potential risks were overlooked or missed. The transaction may then be approved, rejected, or recommended for further review. The investment committee acts by consensus whereby unanimous approval is required for any material acquisition. If the transaction is unanimously approved by the investment committee the deal team will then issue a letter of intent. The investment committee consists of Russel Bernard, Jordan Socaransky, Sean Armstrong, Greg Geiger and Marc Porosoff, and it meets every Thursday via an inter-office conference call.

JOINT VENTURES

Westport has a broad network of relationships with operating partners who help provide local market knowledge and insights on submarket conditions. The operating partners are also an important aspect in Westport's deal sourcing efforts as they help drive off market deal flow. When going into a joint venture Westport aligns interests with the operating partner by requiring the operating partner to put up significant capital contributions. Westport also structures the deal to provide back-end incentive compensation to the operating partner which keeps interests aligned. Westport maintains control over decision making in its joint ventures with local operating partners. In SCP I over half of the investments were done in conjunction with local operation partners, and we expect this to be consistent in SCP II.

ASSET MANAGEMENT

Westport does not have a dedicated asset management team, rather they operate under the thesis that the investment professional that acquired an asset should be responsible for carrying out the business plan set forth. The investment professional that makes the acquisition will monitor and manage the investment from underwriting and due diligence during the acquisition process, to the leasing and repositioning of the asset during its holding period, and ultimately to the financing and sale of the asset when it is stabilized. Westport views this as providing a level of consistency and preservation of knowledge that has the potential of getting lost when an investment is handed off to an asset manager following an acquisition. These asset management teams work with the oversight of Russel Bernard, Jordan Socaransky, Sean Armstrong, and Greg Geiger.

The asset management team will focus on maximizing returns through proactively managing and repositioning assets, investing capital to make physical improvements, and executing leasing and operational plans to increase revenues and minimize expenses. In instances where a local operating partner is used the Westport investment team will oversee the implementation of each asset's business plan, including budgeting, capital expenditures, tenant improvements and financial performance. The team will continuously monitor every individual assets performance against established targets to ensure they are performing in line with expectations.

DISPOSITION

Westport will be acquiring assets with a value between \$20 million and \$80 million at purchase. Assets priced in this range appeal to both large local investors, high net worth buyers, and larger institutional buyers when the time comes to look at disposing of assets. Throughout the life of an investment Westport tracks an assets performance against initial underwriting with an asset's business plan being updated on an annual basis. The investment team routinely monitors potential asset sales and does not rely on predetermined exit scenarios to play out in order to dispose of an asset. The close tie between acquisition and asset management should allow Westport to sell an investment at an optimal time. Generally, the decision to sell an asset will take into account a number of factors such as holding the asset long enough to benefit from the cash flow generated by the asset, taking into account lease maturities, and taking into account the current market conditions.

When the investment team believes it is an opportune time to exit an asset they will present their case to the investment committee, at which there must be unanimous approval to proceed. If approved the investment team will begin preparing the asset for sale and marketing the asset. Westport may consider various strategies in order to maximize total returns such as individual asset sales or a portfolio of asset sales. In general Westport will look to hold an asset for three to five years, however, if market conditions change and a sale is not beneficial Westport will benefit from in-place distributable cash flow until a more opportune exit environment returns.

LEVERAGE

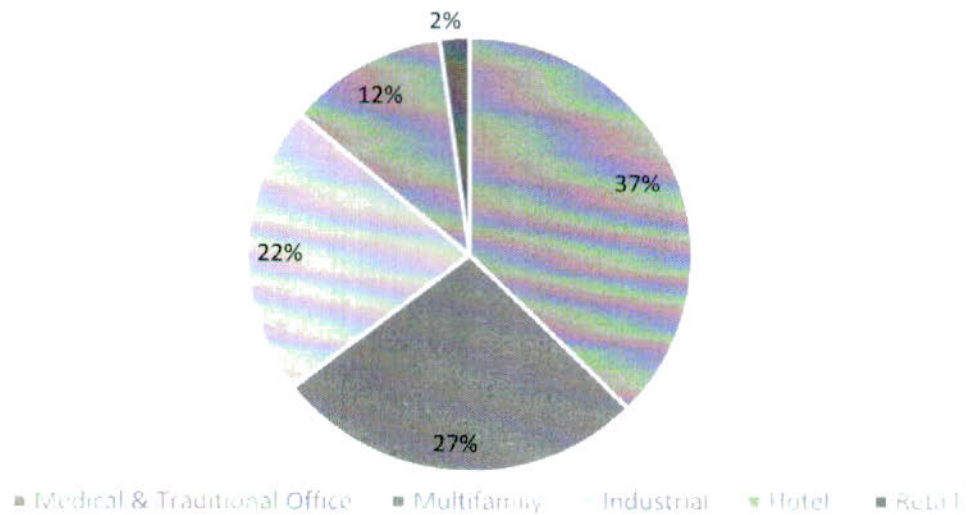

Westport expects to use leverage at a targeted range of 50% to 60% with a limit of 75% loan to value ratio at the fund level. In determining whether to use leverage and the amount thereof, Westport will take into account the investment's current cash flow profile, the cost and general availability of the leverage, and the liquidity of the underlying investment. Westport will place no leverage on assets that do not have current cash flow. In addition all floating rate debt will be hedged. SCP II will utilize a line of credit to bridge any gap in equity due between the time equity is called to acquire an investment and the time at which that equity is due. Neither the line of credit nor any other bridge financing mechanic will be utilized solely to enhance returns.

DIVERSIFICATION

Much like its predecessor fund, SCP II will seek to build a portfolio of assets that is diversified by both geography and sector. The only diversification criteria the fund has is that no single asset may be no more than 20% of the portfolio. The fund does not have specific sector or geographic limitations but the Westport team rather seeks out the best risk-adjusted investment opportunities at the most attractive all-in basis. However, the team will keep in mind the overall composition of sector and geography while building out the portfolio. The current pipeline and deals under review

can be a good gauge as to what expected diversification the fund may include. The chart below is a snapshot as of the fourth quarter of 2018 of the current deals under review.

PERFORMANCE AND TRACK RECORD ANALYSIS

Performance and Track Record Analysis

The following section reviews the performance of Westport Capital Partners platform as of June 30, 2018.

Key takeaways:

- Investments in Special Core Plus Fund I are still for the most part in their infancy with asset business plans still being executed. As such, total value to paid in capital is tightly grouped between 1.0x and 1.3x.
- Analysis on the GPs track record shows the fund offers sector and geographic diversification with office and industrial making up the lion's share of sector exposure. This is positive because it demonstrates that returns are not reliant on a single sub-strategy but rather offer a more diversified array of return drivers.
- Sensitivity analysis shows that returns are consistent. Performance for the Special Core Plus I fund has proven to be consistent with the exclusion of the best and worst investments having a limited to no impact on ending multiples and IRRs.
- The rate at which Westport deployed capital in SCP I was on average \$55 million a year across an average four assets per year. Westport is seeking to raise a \$500 million fund for SCP II, indicating they need to deploy capital at double the pace Westport did in SCP I. We feel comfortable this can be done in a prudent manner given the current pipeline, broad sector and target markets.
- Performance on an asset acquisition price basis has remained relatively consistent, with assets valued between \$30 million and \$50 million at the time of acquisition slightly outperforming. The average asset value at time of acquisition was \$35 million.
- Westport has shown the ability to acquire assets at a discount to comparable sales in their target markets, and at times a significant discount. Performance as measured by an assets discount to comparable asset sales in the markets has provided little to no variance on returns. However, we view this low basis positively as it provides an additional layer of downside protection.
- Westport only has one investment that is currently held at less than a 1.0x cost and this asset accounts for just 5% of the total fund's investments. The asset was acquired in the first quarter of 2018 and thus is in the early stages of the business plan and value creation.

Historical Fund Performance:

Westport Capital Partners Performance

Fund	Vintage Year	Commitments (\$M)	Paid In (\$M)	Distributed (\$M)	Unrealized (\$M)	Gross IRR	Net IRR	Fund Multiple
SCP I	2015	\$240	\$240	\$39	\$229	11.4%	8.0%	1.1
WCP IV	2014	\$314	\$295	\$123	\$229	13.4%	9.5%	1.2

WCP I	2006	\$262	\$259	\$233	\$10	0.9%	-1.1%	0.9

Special Core Plus I (SCP I): The fund included \$240 million in commitments. As a percentage of total value, 16% of the fund's investments have been realized. The fund was making investments from 2015 through 2018. The fund's investments have resulted in a gross internal rate of return (IRR) of 11.4%, and an equity multiple of 1.1x. As of 6/30/2018 many of the investments are still in their infancy so no projected performance is available at the fund level. SCP I is targeting a gross IRR of 12-14% and an equity multiple of 1.5-1.7x.

Westport Capital Partners Funds I through IV followed an opportunistic and distressed asset strategy which is a different risk profile than the Special Core Plus series. The opportunistic fund series has been shown to exhibit the team's entire platform performance. The following performance sections will focus solely on Special Core Plus I.

Relative Performance

Given that the risk profile of SCP falls between a core plus and a value add fund we have opted to gauge the relative performance against the NCREIF-ODCE, a pool of diversified funds with a core risk profile. This comparison is not perfect as it does not take into account, amongst other things, the different levels of leverage and the higher percentage of non-core held by Westport. The leverage range for the ODCE during the time frame ranged from 21% to 22%, whereas SCP I leverage was between 50% and 55%. Many core plus funds seek to achieve a total return spread over the ODCE of 100 bps. Given the higher leverage used by Westport as well as the illiquidity component of the fund we have set a return hurdle of 150 bps over the total return of the ODCE.

As can be seen in the below table Westport SCP I has consistently outperformed the ODCE on a trialing annual basis and outperformed the additional 150 bps hurdle in 7 out of the 10 periods shown.

Special Core Plus I Relative Performance

The best performing asset on a total value to paid in capital is the Mohawk Business Park, a flex industrial asset in Tualatin OR, which currently has an equity multiple of 1.4x. There has been one realization in fund I, Goodwin Square Hotel Loan. This loan was paid off in 8 months resulting in a gross IRR of 7.8% and an equity multiple of 1.03x. The worst performing asset on a total value to paid in capital is basis is 1660 Lincoln, an office asset in Denver Colorado.

INVESTMENT ANALYSIS

Westport's Special Core Plus fund series has not been tested through a full market cycle, though Westport does however have a long history of managing discretionary funds that have been tested during a full market cycle. We have elected not to analyze these earlier funds in this section due to the difference in risk profile and investment thesis.

Performance by Vintage Year

Year	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
2015	3	56.3	25%	0.4	0.9	1.2
2016	5	80.0	35%	0.2	1.0	1.2
2017	4	41.2	18%	0.0	1.1	1.1
2018	3	49.2	22%	0.0	1.0	1.1

Capital Deployment and Total Performance

From 2015 through 2018 Westport deployed on average \$57 million per year across a total of 15 investments. The next offering in the Special Core Plus fund series is targeting commitments of \$500 million. The pace at which Westport will need to deploy capital is in line with the deployment rate of capital in SCP I. If Westport reaches their hard cap of \$1 billion they will need to deploy an extra \$170 million per year, this equates to roughly 11 additional assets per year. It is important to note that Westport has been methodical in using the entire four year investment period to put the capital to work. However, if they were to reach their hard cap we would have hesitation in believing they could prudently put the capital to work without expanding the current team.

Performance by Region

Region	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
US Mountain	3	29.8	13%	0.1	1.1	1.2
US Northeast	4	61.5	27%	0.4	0.8	1.2
US Southeast	3	34.5	15%	0.0	1.1	1.1
US Pacific	4	88.6	39%	0.2	1.0	1.2
US East North Central	1	12.3	5%	0.1	1.1	1.2

Regional Diversification

■ US Mountain ■ US Northeast ■ US Southeast ■ US Pacific ■ US East North Central

Measuring performance by region shows there has been little deviation in returns in all regions in which Westport invests, showing that Westport has been able to implement their strategy and investment thesis in a broad spectrum of markets. Fund I had the largest portion of investments as measured by count and gross asset value located in the Pacific region. We expect the next fund offering will offer a diverse mix of geographies as Westport will continue to target larger secondary Metropolitan Statistical Areas.

Performance by Property Type

Property Type	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
Hospitality	1	2.5	1%	1.0	0.0	1.0
Office	8	118.7	52%	0.2	1.0	1.2
Flex industrial	3	46.6	21%	0.1	1.2	1.3
Healthcare	1	12.3	5%	0.1	1.1	1.2
Industrial	2	46.7	21%	0.2	0.9	1.1

Sector Diversification and Total Value

Measuring performance by sector shows there has been slight variance in returns with Flex Industrial performing the strongest followed by Office and Healthcare. Fund I had the largest portion of investments as measured by count and gross asset value invested in Office. We expect the next fund offering will offer a diverse mix of sectors but with less emphasis on office assets and an increased focus on industrial assets.

Performance by Acquisition Price

GAV (\$M)	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
0 to 15	2	16.1	7%	0.2	0.9	1.1
15 to 30	4	56.1	25%	0.3	0.8	1.2
30 to 50	6	86.1	38%	0.1	1.2	1.3
50 to 75	2	35.4	16%	0.0	1.0	1.1
75+	1	33.0	15%	0.3	0.8	1.1

Performance on an asset acquisition price basis has remained relatively consistent, with assets valued between \$30 million and \$50 million at the time of acquisition slightly outperforming. Fund I had an average asset value of \$35 million, and this is in line with what we expect fund II to be targeting. We view this positively as smaller assets have a deeper pool of potential buyers and helps with liquidity in secondary markets.

Performance by level of Capital Expenditure

Capex as % of Invested Equity	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
0-5%	4	108.5	48%	0.2	0.9	1.1
5-10%	1	33.0	15%	0.3	0.8	1.1
10-20%	5	71.6	32%	0.1	1.2	1.3
+20%	1	13.6	6%	0.0	1.1	1.1

Measuring performance by the level of capital expenditure “capex” that was historically invested into an asset shows that performance has been generally consistent with one exception. In the assets where 10-20% additional capital was used to reposition the asset performance has been strongest returning a total value of 1.3x. We expect the next fund will offer a diverse mix on capex levels. Office assets typically require more costly tenant improvements and with the fund de-emphasizing office assets we could see a general decrease in the level of capex.

Performance by Occupancy at Acquisition

Occupancy	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
0-50%	1	31.3	17%	0.6	0.6	1.2
50-75%	2	18.9	10%	0.0	1.0	1.0
75-90%	4	66.4	37%	0.1	1.2	1.3
+90%	6	65.3	36%	0.2	1.0	1.2

Occupancy at Acquisition and Total Performance

Performance on an asset occupancy at acquisition level has varied slightly, with assets having an occupancy of 75-90% at the time of acquisition slightly outperforming, whilst assets with a going in occupancy of 50-75% underperforming. Fund I had an average going in occupancy of 83%. Business plans will vary based on the going in occupancy level, and lower occupied assets will require the asset to be repositioned while higher going in occupancies will require moving in place rents to market levels. Due to this, and while performance has varied, we view the diversification of going in occupancy positively.

Performance by Ownership

Ownership	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
Joint Venture	9	134.1	59%	0.3	0.9	1.1
Wholly-Owned	6	92.6	41%	0.1	1.2	1.2

Performance by ownership has shown little variance with wholly-owned assets only slightly outperforming joint venture assets. As a percentage of total fund investments SCP Fund I invested

59% of the equity into joint venture deals. We expect to see a similar mix of wholly owned and joint venture deals in the next fund.

PERFORMANCE BY SOURCE LEAD & RELATIVE ASSET VALUE

The below table looks at the value on a cost per square foot (PSF) basis of recent comparable trades in the market and compares them to the basis of which the manager was able to acquire the fund's assets. The lower a manager's cost basis in any asset generally equates to more protection being offered if the market sees any softening or lower than expected rent growth. Exceptions to this could be an impaired assets that the manager overlooked during their underwriting, or that were under-accounted for where they look to perform a heavy value add lift.

Performance by Asset Value

Discount to Comps (PSF)	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPI	Gross TVPI
0-10%	3	51.5	24%	0.2	0.9	1.2
10-20%	6	91.5	43%	0.1	1.1	1.2
20-30%	2	29.4	14%	0.1	1.1	1.2
+30%	2	38.3	18%	0.5	0.7	1.1

Performance by Cost Basis (psf)

Westport has shown the ability to acquire assets at a discount to comparable sales in their target markets, at times a significant discount. Performance as measured by an assets discount to comparable asset sales in the markets has provided little to no variance on returns. We expect

the next fund offering will continue to take advantage of Westport's network and help them to continue acquiring assets at a discount. The deeper a discount, provided the asset is not severely impaired, can help hedge against losses in the event of a market correction.

Performance by Sourcing Lead

Lead	Number of Investments	Cost (\$M)	% of Total Cost	Gross DPI	Gross RVPi	Gross TVPI
Greg Geiger	6	85.4	38%	0.1	1.1	1.2
Jordan Socaransky	6	87.6	39%	0.3	0.9	1.2
Sean Armstrong	3	53.6	24%	0.2	0.9	1.1

Performance for Westport investment professionals leading deals for fund I shows that there has been a high level of consistency amongst sourcing leads in terms of performance as well as cost of investments made. All three of the sourcing leads from the prior fund are still at Westport and will be actively involved in sourcing new deals.

Investment Returns Sensitivity Analysis

We performed sensitivity analysis on Special Core Plus I to determine the relative robustness of portfolio investments, i.e. to what degree the best and worst performing investments changed the results of the total portfolio. The data used below includes immature assets from Fund I and, as such, headline multiples are not representative of the total expected return.

Assets were ranked on both an IRR and Equity Multiple basis. Cash flows and valuations for the top performing investments were then removed, with the resulting change to the GP's track record recorded. Further analysis was performed using the same process, with the additional step of also removing the worst performing investments on the same basis. With the results from this process shown below.

Sensitivity Analysis

Performance Excluding	Gross TVPI	Gross IRR
ALL	1.2x	13.3%
Top IRR	1.2x	12.9%
Top and Bottom IRR	1.2x	13.1%
Top 2 and Bottom 2 IRR	1.2x	14.2%

Performance for the Special Core Plus I fund has proven to be consistent, with the exclusion of the best and worst investments having a limited to no impact on ending multiples and IRRs. This is in part to be expected as many of the investments are in their infancy. We are however encouraged by these results as they indicate investments are performing in line with initial underwritings.

CAPITAL RISK OF LOSS ANALYSIS

Investing in the private markets inherently involves less control over capital flows than the public markets and, as such, any private investment should be carefully evaluated for possible barriers to the full return of capital. In the table provided below, aggregate data by fund for deals with a gross multiple below 1.0x are shown.

Westport Risk of Loss

Fund	Total Portfolio Cost of Investments (\$M)	Count	Cost of Investments Held Below Cost (\$M)	Distributions of Investments Held Below Cost (\$M)	Current Value of Investments Held Below Cost (\$M)	% of Fund Investments Held Below Cost	Multiple of Investments Held Below Cost
Fund I	227	1	12	0	11.5	5%	0.98

We are encouraged by the above results which show that Westport only has one investment that is currently held at less than a 1.0x and this asset accounts for just 5% of the fund's total investments. The asset was acquired in the first quarter of 2018 and thus is in the early stages of the business plan and value creation.

REFERENCE CALLS

References were conducted with third party asset managers and leasing brokers, below are high level findings from these references.

1. Westport's underwriting standards are very conservative. Some examples are that they underwrite far higher tenant turnover rates than are experienced, at or slightly below market rent rates, and higher TI costs. These conservative measures lead to less room for an asset to underperform as they take into account the down case scenario.
2. Westport is not reluctant to spend capital on asset improvements to get the asset to the state it needs to be in order to attract tenants and drive rents.
3. Westport is actively involved in the implementation of the business plan and has weekly check-ins with the leasing agents and property managers. They do not leave the assets performance in the hands of the market but rather take an active role in driving value.
4. Westport drives the value creation process and makes all decisions necessary for completing the business plan. The Westport team has been known to visit assets on a monthly basis.

Mr. Fife holds a B.A. from Brown University and an M.B.A. from the Leonard N. Stern School of Business at New York University.

STAFF TURNOVER

Westport has experienced extremely low turnover of professionals since its founding in 2006. Westport team members are not contractually bound to the Fund, but are rather incentivized through many forms of compensation to remain. It is worth noting, there has been no expressed interest of retirement or planned departures by Russel Bernard or any of the investment committee members.

There have been two Principals at Westport that have departed since the firms founding in 2006. Looking at the next level down there has only been on individual with a senior vice president title or higher that has departed since 2006. We are encouraged by these low turnover statistics as it allows for the intellectual property to remain at Westport.

SUMMARY OF FUND TERMS AND CERTAIN RISKS

The following is a summary of certain terms and conditions. This review is meant as a guide to highlight certain items; it is not meant to act as a comprehensive legal review of the general partner's Limited Partnership Agreement, and RVK encourages each client to seek a qualified review by dedicated, experienced private real estate legal counsel.

OVERALL: Overall RVK found these terms to be thorough and inclusive of some non-standard industry provisions that are favorable to Limited Partners. Greystar seem to represent an understanding of market terms.

PARTNERSHIP NAME: WCP Special Core Plus Fund II, L.P.

PURPOSE: "The Partnership shall have as its purpose: acquiring, holding, managing, leasing, operating, maintaining, improving, developing, constructing, redeveloping, renovating, remediating, financing, refinancing, transferring and disposing of, directly or indirectly through one or more wholly or partially owned Persons (including, without limitation, Alternative Investment Vehicles or Special Purpose Vehicles), Permitted Investments (the "Investment Objectives") and sharing the profits and losses from Permitted Investments and engaging in activities incidental thereto, in each case in accordance with and subject to the terms of this Agreement. The purpose of the Partnership may be carried out through activities conducted by the Partnership or through investments in any Person, or participation therein, organized and conducted in the United States and elsewhere. The Partnership may engage in all activities deemed necessary, advisable, convenient or incidental to any of the foregoing by the General Partner and any other lawful acts or activities not inconsistent with the foregoing for which limited partnerships may be formed under the Act."

PORTFOLIO DIVERSIFICATION: Unless waived by the LP Advisory Committee, the Fund will adhere to the following maximum allocations and diversification limits.

- 1) **Single Investment Limit** - No more than 30% of the aggregate capital commitments in any single property, but only if any amount invested in excess of 20% of the Partners' aggregate Capital Commitments consists entirely of Bridge Financings.
- 2) **Single Transaction** - No more than 30% of the aggregate capital commitments in any single transaction.
- 3) **Investment Location** - The Partnership shall not invest more than 50% of the Partners' aggregate Capital Commitments in Foreign Investments.
- 4) **Debt Investments** - shall not invest more than 20% of the Partners' aggregate Capital Commitments in mortgages, other obligations.
- 5) **Loan-to-Value Limits** - Maximum of 75% loan-to-value ratio at the portfolio level. No property level loan-to-value limits are provided.

Commentary: RVK finds these guidelines to be quite open-ended. While the partnership's investment strategy has an inherent amount of flexibility and is general in nature, RVK would prefer to see some additional guidelines in place as to the expected geography, transaction limits and transaction loan to value limits.

TARGET SIZE: "The Fund is seeking to raise approximately \$500 million of limited partner interests from institutional and certain other qualified purchasers, although the General Partner may, in its sole discretion, elect to close the Fund with a lesser or greater amount. Interests in the Fund shall not exceed an aggregate of \$1 billion."

Commentary: The target fund commitments is expected to be double the size of the predecessor fund, SCP I. While increasing the fund size substantially is often a concern, RVK believes the depth of the Westport organization and the market opportunity mitigate potential concerns of a substantial fund size increase.

USE OF SEPARATE VEHICLES: In lieu of holding Subsequent Closings of the Partnership, the General Partner may cause investors that do not become Limited Partners by a certain date (as determined in the sole discretion of the General Partner) to participate in a separate vehicle, the terms of which would be identical to the Partnership, and which would invest in parallel with the Partnership, except that it would not participate in investments made prior to such date.

Commentary: RVK views the above term as a potential conflict of interest for existing Limited Partners of the Fund, should the General Partner choose to utilize its discretion of separate vehicles. To date, the General Partner has not indicated any intention to exercise the above option. Investors should seek to include language in the above term that provides for approval by the majority of Limited Partners rather than sole discretion of the General Partner.

GENERAL PARTNER COMMITMENT: "The General Partner and its Affiliated Partners commit to contribute to the capital of the Partnership, in the aggregate, one to two percent (1-2%) of the aggregate Capital Commitments of all Partners. The General Partner and/or one or more of the Affiliated Partners may increase, but not decrease, their respective Capital Commitments on or before the Last Closing Date."

Commentary: RVK views the General Partner Commitment to be in line with industry standards.

MANAGEMENT FEE: With respect to each Limited Partner, the annual Management Fee payable to the Management Company shall be an amount equal to (a) during the Investment Period, 1.50% per annum of the Capital Commitment of such Limited Partner and (b) during the Liquidation Period, 1.50% per annum of the cost basis of the Permitted Investments held by the Partnership and attributable to such Limited Partner as of the end of the next-to-last month of the immediately preceding calendar quarter. In the sole discretion of the Management Company, and as may be set forth in a side letter or other agreement with a Partner, the Management Fee paid by the Partnership with respect to such Partner may be reduced or waived. With respect to each Limited Partner, each quarterly installment of such Management Fee shall be reduced, but not below zero, by the sum of such Limited Partner's pro rata share of:

(i) all Fee Income received in the quarterly period immediately preceding the last Payment Date; and

(ii) any Placement Fees paid or payable by the Partnership in the quarterly period immediately preceding the last Payment Date.

Commentary: The fees are within an average range for a value add fund.

CARRIED INTEREST: 20% of distributions in excess of return of capital and 8% preferred return, with a catch-up provision.

Commentary: This meets industry standards for a value add fund.

PARTNERSHIP EXPENSES AND FEES: "The Management Company (or any of its Affiliates) shall bear all costs and expenses ("Organizational Costs") actually incurred in connection with (i) the formation and organization of the Partnership, any Parallel Partnership, any Feeder Partner and any Alternative Investment Vehicle, and (ii) the sale of the Interests and interests in any Parallel Partnership, any Feeder Partner and any Alternative Investment Vehicle; provided, however, that the Management Company (and/or any of its Affiliates) shall be reimbursed by the Partnership for such Organizational Costs up to an aggregate amount equal to \$1,500,000 (such amount, the "Organizational Costs Cap"). All Organizational Costs in excess of the Organizational Costs Cap and Management Expenses shall be borne by the Management Company (and/or any of its Affiliates) without reimbursement by the Partnership. Organizational Costs shall in each case also include, without limitation and whether incurred before or after the formation of the Partnership, all related travel, accommodation, legal, accounting, consulting, filing, registration, selling, marketing and printing costs (excluding any Placement Fees) associated with the organization of the Partnership and any Parallel Partnerships, Feeder Partners and Alternative Investment Vehicles."

Commentary: RVK views this offering's expense provisions to be industry standard.

PRIORITIZATION OF DISTRIBUTIONS:

Distributable Cash shall be distributed (x) quarterly in respect of current income and (y) as soon as reasonably practicable in respect of proceeds of the partial or complete disposition of the Partnership's investments, in each case, net of expenses (including the Management Fee and increases in the Partnership's reserves) and shall be initially apportioned to all Partners pro rata according to their respective Sharing Percentages. The amount so initially apportioned to the General Partner shall be distributed to the General Partner and the amount initially apportioned to each Limited Partner shall be distributed as follows:

- 1) 100% to Limited Partners pro-rate until the cumulative distributions equals a full return of their invested capital.
- 2) 100% to Limited Partners until cumulative distributions equal the strategy's 8% preferred return (compounded annually) on invested capital.

- 3) 50% to the General Partner and 50% to Limited Partners pro rata until the General Partner's cumulative distributions equal 20% of the total amount distributed.
- 4) Thereafter, 80% to Limited Partners and 20% to the General Partner.

Commentary: RVK believes these terms conform to industry standards.

TERM: "The Partnership was formed on August 29, 2017 and shall continue in existence, unless the Partnership is sooner dissolved in accordance with Section 14.1 of the Limited Partnership Agreement, until the tenth anniversary of the Last Closing Date (such term being referred to as the "Term"); provided, however, that the General Partner in its discretion may, with the consent of a Majority in Interest of the Limited Partners, extend the Term of the Partnership for successive one year periods up to a maximum of two years. Notwithstanding the expiration of the Term, the Partnership shall continue in existence as a separate legal entity until cancellation of the Certificate in accordance with Section 14.5 of the Limited Partnership Agreement."

Commentary: RVK views the above term to be industry standard.

REPORTING: Quarterly reports will be provided within 60 days of quarter end, and audited year end reports will be provided within 90 days of each partnership year. Limited Partner tax returns will be prepared and delivered within 210 days after the end of each tax year.

Commentary: RVK considers the above term provisions to be within range of industry standards. Limited Partners should request quarterly reporting within 45 days of quarter end. In addition, Limited Partners should request that tax documents be made available earlier than 210 days from a tax year end.

KEY-MAN PROVISION: (i) The Investment Period shall be suspended for a period of up to ninety (90) days after the Limited Partners have been notified by the General Partner that at least three of Russel S. Bernard, Sean F. Armstrong, Wm. Gregory Geiger, Jordan Socaransky and Marc Porosoff have ceased to be actively involved on an ongoing basis in, or in a supervisory role on an ongoing basis with respect to, the investment decisions of the Management Company with respect to the Partnership, unless Qualified Replacements therefor have been elected as provided in this Section 4.6(a). During such suspension period, each of the General Partner and the Management Company shall be able to take any action that it would otherwise be able to take if the Investment Period were terminated, including making Follow-On Investments and Capital Calls with respect thereto. The General Partner shall promptly notify the Limited Partners in writing of the occurrence of an event described in the first sentence of this paragraph. Unless 66⅔% in Interest vote subject to clause (ii) below, to terminate the Investment Period during such ninety (90) day period, the Investment Period will automatically resume at the end of such ninety (90) day period.

(ii) If any Principal ceases to be actively involved on an ongoing basis in, or in a supervisory role on an ongoing basis with respect to, the investment decisions of the Management Company with respect to the Partnership, whether due to death, retirement or otherwise, the General Partner may, upon written notice to the Limited Partners, nominate a Qualified Replacement for such Principal. The General Partner will use commercially reasonable efforts to: (A) provide information

to the Limited Partners with respect to any such nominee and (B) set a deadline by which a Majority in Interest must approve or disapprove such nominee in writing, which deadline shall be not less than ten (10) days after the notice of nomination is given. A nominee's appointment shall be effective upon the affirmative vote of a Majority in Interest, which consent shall not be unreasonably withheld, and upon such appointment such nominee shall constitute a "Qualified Replacement."

Commentary: RVK views the current Key Person provision as not providing appropriate protection in the event of a trigger event. RVK would suggest amending the key person clause to trigger in the event either Russel S. Bernard OR two of the remaining Principals of Sean F. Armstrong, Wm. Gregory Geiger, Jordan Socaransky and Marc Porosoff cease to be actively involved on an ongoing basis.

PARALLEL FUNDS: "The General Partner, the Management Company or an Affiliate thereof may, at any time, to accommodate the legal, tax, regulatory or other considerations of certain investors, form one or more pooled investment vehicles having substantially the same terms as the Partnership (each such vehicle, a "Parallel Partnership") to co-invest with the Partnership. In addition, the General Partner may, at any time, to accommodate legal, tax, regulatory or other considerations, require one or more Limited Partners to be admitted as limited partners or other similar investors to one or more Parallel Partnerships, and in connection therewith and in consideration for the complete or partial cancellation of their Interest in the Partnership, such Limited Partners will receive in such Parallel Partnership or Parallel Partnerships an interest equivalent to their Interest in the Partnership so cancelled. In furtherance of the foregoing, each such Limited Partner will have an aggregate capital commitment, remaining capital commitment and capital account in the Parallel Partnership or Parallel Partnerships equivalent to such Limited Partner's Capital Commitment, Remaining Capital Commitment and Capital Account in the Partnership with respect to their cancelled Interest and such Limited Partners, to the extent their entire Interest is cancelled, will cease to be limited partners of the Partnership."

Commentary: RVK views the use of parallel funds in this manner consistent with industry standards.

SUCCESSOR FUNDS: "Except with respect to any Parallel Partnerships, Alternative Investment Vehicles, Special Purpose Vehicles and/or Feeder Funds, each of the General Partner and the Management Company agrees that it will not form, sponsor or manage (directly or indirectly) any new collective investment vehicle with the same or substantially similar Investment Objectives as the Partnership (a "Successor Fund") until the earlier of (i) the expiration of the Investment Period and (ii) such time as an amount equal to 75% of the aggregate Capital Commitments to the Partnership have been: (A) invested or committed to be invested in Permitted Investments pursuant to a written agreement or letter of intent, memorandum of understanding or similar document; (B) used to fund Organizational Costs and Other Costs; and/or (C) set aside as reasonable reserves for Follow-On Investments, Other Costs or other anticipated liabilities. Notwithstanding the foregoing, none of the General Partner, the Management Company or any other Person shall be restricted from organizing the WCP Funds or any collective investment vehicles intended to utilize investment strategies that are not the same or substantially similar to

the Investment Objectives of the Partnership (the WCP Funds, any collective investment vehicles intended to utilize investment strategies that are not the same or substantially similar to the Investment Objectives of the Partnership, and any Successor Funds, collectively, the "Other Funds")."

Commentary: RVK views this provision to be in line with industry standards. The ability of the members of the General Partner to form and dedicate time and resources to partnerships with investment objectives substantially different than that of the Fund is generally a market acceptable term. However, this ability does create some potential for negative impact to investors of this partnership.

INDEMNIFICATION/NO FAULT DIVORCE: If (a) any Principal or any principal or director (or equivalent thereof) of the General Partner or the Management Company has committed (x) fraud or willful malfeasance, (y) a felony relating to the conduct of the Partnership, or (z) a material violation of applicable law; (b) a court of competent jurisdiction has determined that the General Partner, the Management Company, any Principal or any principal or director (or equivalent thereof) of the General Partner or the Management Company has engaged in (x) gross negligence in the operation of the Partnership, or (y) a breach of this Agreement or a breach of its fiduciary duties to the Partnership or the Limited Partners (as such duties are set forth in this Agreement); or (c) a determination by a court of competent jurisdiction that a Principal has committed a felony; provided, that in the case of clause (b)(y), such conduct has resulted in or is reasonably likely to result in a material adverse effect on the business and properties of the Partnership, then, the General Partner may be removed as the general partner of the Partnership by the written election of 66⅔% in Interest. In addition, the General Partner may be removed as the General Partner of the Partnership at any time by the written election of 66⅔% in Interest to remove the General Partner pursuant to this Section.

Commentary: RVK views this provision to be in line with industry standards. While standards of gross negligence are market terms, RVK encourages potential investors to inquire about raising the indemnification standard to simple negligence. Inclusion of "no fault divorce" language is industry standard, and to the benefit of Limited Partners.

CO-INVESTMENTS: "The General Partner may, to the extent it believes in its sole discretion that it is appropriate to do so, but will be under no obligation to, offer the opportunity to invest in any transaction in which the Partnership has made or will make a Permitted Investment to the Limited Partners, in their individual capacities, on a pro rata basis or otherwise; provided, however, that, the General Partner may, in its sole discretion, first offer the opportunity to invest in any transaction in which the Partnership has made or will make a Permitted Investment to any Person if the General Partner believes that the participation of such Person in such Permitted Investment would be beneficial to the consummation of the Permitted Investment or otherwise be beneficial to the Partnership; provided further, however, that the General Partner shall be permitted to offer all or any portion of co-investment opportunities to any Successor Fund without first offering any such opportunities to the Limited Partners or any Person described in the preceding proviso. Investment-related expenses associated with any co-investment opportunity will generally be borne by the Partnership and the participating co-investors (or the vehicles in which they invest,

to the extent such vehicles are sponsored by the General Partner or its affiliates) in proportion to their respective invested capital in the co-investment opportunity; provided, that the Partnership will be responsible for all investment related expenses and broken deal expenses attributable to co-investment transactions that are not ultimately consummated, including any share of expenses that would otherwise have been borne by co-investors had the transaction closed successfully."

Commentary: RVK views the use of co-investments in this manner generally consistent with industry standards. The term's inclusion of the General Partner's ability to, in its sole discretion, offer co-investment opportunities to any person deemed beneficial to the partnership provides greater discretion to the General Partner than is typical with industry standards. Investors might consider requesting clarification on this section of the term.

Litigation

Westport's investment activities subject it to the risk of becoming involved in litigation in the ordinary course of business, such as landlord/tenant disputes, personal injury claims, foreclosure and bankruptcy proceedings with borrowers, and contractual and partnership disputes. Neither Westport nor its principals are currently the subject of any material pending or threatened litigation. Westport maintains customary insurance to protect against personal injury claims.

Additionally, Westport has three in-house attorneys who consult with Westport's investment professionals to mitigate litigation risk.

Eleven years ago, in 2007, a judgment was entered against Russel Bernard in a dispute that arose as a result of his resignation from Oaktree Capital Management. In April 2009, Block 34 U.S., Inc., an entity owned by WCP Real Estate Strategies Fund (Cayman), L.P., filed for bankruptcy under Chapter 11 of the U.S. bankruptcy code. Ladies and Gentlemen:

This subscription agreement (together with the Investor Questionnaire and the Investor Data Sheet, collectively referred to herein as the "Subscription Agreement") is made by and among WCP Special Core Plus Fund II, L.P. a limited partnership organized under the laws of the State of Delaware (the "Partnership"), WCP Special Core Plus Fund II GP, LLC, a limited liability company organized under the laws of the State of Delaware and the general partner of the Partnership (the "General Partner"), and the undersigned individual or entity (the "Investor") who is hereby applying to become a limited partner of the Partnership (a "Limited Partner"), on the terms and conditions set forth in this Subscription Agreement and in the Amended and Restated Agreement of Limited Partnership of the Partnership (as amended from time to time, the "Partnership Agreement") in each case as supplemented and modified by the letter agreement dated the date hereof (the "Side Letter") among the Investor, the Partnership, the General Partner and the Investment Manager (as defined below), copies of which have been furnished to the Investor. Capitalized terms used but not defined in this Subscription Agreement have the meanings set forth in the Partnership Agreement.

1. Subscription.

(a) The Investor hereby irrevocably subscribes for a limited partner interest in the Partnership (an "Interest") with a capital commitment (the "Capital Commitment") as set forth on this page above and the signature page hereof (subject to reduction as provided below). The Investor acknowledges and agrees that the General Partner will notify the Investor as to the conditional acceptance, in whole or in part, or rejection of the Investor's subscription for an Interest. An Interest will not be deemed to be sold or issued to, or owned by, the Investor (and an Investor's subscription for an Interest, in whole or in part, will not be deemed finally accepted) until the Investor is admitted as a Limited Partner (notice of which shall be given promptly in writing to the Investor). The Investor acknowledges and agrees that the General Partner reserves the right, in its sole discretion, to admit the Investor as a Limited Partner on the date of any closing of the Partnership (each such date of admission, a "Closing Date") and that the General Partner reserves the right, in its sole discretion, to reject this subscription for an Interest, in whole or in part, at any time prior to any Closing Date, notwithstanding execution by or on behalf of the Investor of the signature page hereof or notice from the General Partner of its conditional

acceptance of the Investor's subscription for an Interest. If this subscription is rejected in full, or in the event the closing applicable to the Investor does not occur (in which event this subscription shall be deemed to be rejected), this Subscription Agreement shall thereafter have no force or effect.

(b) The Investor agrees to be bound by the terms of the Partnership Agreement as modified by the Side Letter.

2. Representations and Warranties of the Investor. The Investor hereby represents and warrants to, and agrees with, the General Partner and the Partnership that the following statements are true as of the date hereof and will be true as of the Closing Date applicable to the Investor and as of each date on which the Investor makes any additional capital contributions to the Partnership:

(a) The Investor's Interest is being acquired for its own account (or for the account of a commingled trust or an institutional investor previously specified in writing to the Partnership with respect to which it has full investment discretion), for investment only and not with a view to resale or distribution thereof. The Investor's Interest is illiquid and involves certain investment risks. The General Partner has not made any representation or warranty concerning the possibility or probability of profit from an investment in the Partnership or the realization of any tax benefit as a result thereof.

(b) The Investor acknowledges that (i) the offering and sale of the Interests have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or any applicable state law or the applicable laws of any other jurisdiction, and are being made in reliance upon U.S. federal and state exemptions for transactions not involving a public offering and (ii) pursuant to Section 3(c)(1) or Section 3(c)(7) of the United States Investment Company Act of 1940, as amended (the "Investment Company Act"), the Partnership will not be registered as an investment company under the Investment Company Act. In furtherance thereof, the Investor represents and warrants that: the information relating to the Investor set forth in the Investor Questionnaire attached hereto and forming a part of this Subscription Agreement is complete and accurate as of the date set forth on the signature page hereof and will be complete and accurate as of the Closing Date applicable to the Investor. If the Investor is not a U.S. Person, the Investor further represents and warrants that (1) the Investor has not subscribed for the Interest for the account of any Person who is a U.S. Person, (2) the offer and sale of the Interest to the Investor constitute an "Offshore Transaction" (as defined in Rule 902 promulgated under the Securities Act), and (3) the Investor will not resell or transfer the Interest, other than in accordance with this Subscription Agreement, the Partnership Agreement, the provisions of Regulation S (Rules 901 through 905) and Preliminary Notes (as defined in Regulation S), pursuant to registration under the Securities Act or pursuant to any other available exemption from registration.

(c) The Investor is not structured or operated for the purpose or as a means of circumventing the provisions of the Investment Company Act. If the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor was not formed for the specific purpose of acquiring the Interest and (ii) the Investor's Capital Commitment does not constitute, and after the Closing Date applicable to the Investor will continue not to constitute, more than 40% of the combined amount of the Investor's total assets and committed capital. If the Partnership relies on the exemption provided in Section 3(c)(1) of the Investment Company Act and the regulations issued thereunder (the "Section 3(c)(1) Exemption") in order to not be required to register as an investment

company, and if the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor does not control, is not under common control with, or controlled by, any other investor in the Partnership and no Persons other than the Investor will have a beneficial interest in the Interest (other than as a shareholder, partner or other beneficial owner of an equity interest in the Investor) and (ii) except as expressly set forth in the "Supplemental Questions for Entities" section of the Investor Questionnaire, the Investor constitutes one beneficial owner for purposes of Section 3(c)(1) of the Investment Company Act. If the Partnership relies on the Section 3(c)(1) Exemption, then without the prior written consent of the General Partner, the Investor shall not take any action which shall increase the number of beneficial owners of the Investor's Interest in the Partnership to more than one Person (or such other number as is expressly set forth in the "Supplemental Questions for Entities" of the Investor Questionnaire) for purposes of Section 3(c)(1) of the Investment Company Act.

(d) The Investor has been furnished with, and has carefully read, the Confidential Private Placement Memorandum of the Partnership (together with any supplements or amendments thereto issued through the date hereof, the "Memorandum") and Part 2 of the current Form ADV (the "Form ADV Part 2") of Westport Capital Partners LLC (the "Investment Manager") and has been given the opportunity to (i) ask questions of, and receive answers from, the General Partner or any of its Affiliates concerning the terms and conditions of the offering of Interests and other matters pertaining to an investment in the Partnership and (ii) obtain any additional information necessary to evaluate the merits and risks of an investment in the Partnership that the General Partner can acquire without unreasonable effort or expense. In considering a subscription for an Interest, the Investor has evaluated for itself the risks and merits of such investment including the risks set forth under the caption "Certain Investment Considerations and Potential Conflicts of Interest" in the Memorandum, and is able to bear the economic risk of such investment, including a complete loss of capital, and in addition has not relied upon any representations made by, or other information (whether oral or written) furnished by or on behalf of, the Partnership, the General Partner, the Investment Manager or any director, officer, employee, agent or Affiliate of such Persons, other than as set forth in the Memorandum, the Form ADV Part 2, the Partnership Agreement, the Side Letter and this Subscription Agreement (together, the "Fund Documents"). The Investor has carefully considered and has, to the extent it believes necessary, discussed with its own legal, tax, accounting and financial advisers the suitability of an investment in the Partnership in light of its particular tax and financial situation, and has determined that the Interest being subscribed for hereunder is a suitable investment for the Investor.

(e) The Investor, if it is a corporation, limited liability company, trust, partnership or other entity, is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and all other jurisdictions where it is authorized to conduct business, and the execution, delivery and performance by the Investor of this Subscription Agreement and the Partnership Agreement, in each case as modified by the Side Letter, are within the Investor's corporate or other powers, as applicable, have been duly authorized by all necessary corporate or other action on its behalf, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the General Partner), and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any charter, by-laws, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the Investor is a party or by which the Investor or any of its properties is bound. This Subscription Agreement and the Partnership Agreement, in each case as modified by

the Side Letter, have been duly executed and delivered by the Investor and constitute valid and binding agreements of the Investor, enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(f) If the Investor is a natural person, the execution, delivery and performance by the Investor of this Subscription Agreement and the Partnership Agreement are within the Investor's legal right, power and capacity, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the General Partner), and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of applicable law or regulation or of any judgment, order, writ, injunction or decree or any agreement or other instrument to which the Investor is a party or by which the Investor or any of the Investor's properties is bound. This Subscription Agreement and the Partnership Agreement have been duly executed and delivered by the Investor and constitute valid and binding agreements of the Investor, enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(g) The Investor is not a defined contribution plan (such as a 401(k) plan) or a partnership or other investment vehicle (i) in which its partners or participants have or will have any discretion to determine whether or how much of the Investor's assets are invested in any investment made or to be made by the Investor or (ii) that is otherwise an entity managed to facilitate the individual decisions of its beneficial owners to invest in the Partnership.

(h) If the Investor is a "plan" as defined in Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended ("ERISA") that is subject to the provisions of Title I of ERISA, and/or a "plan" that is subject to the prohibited transaction provisions of Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), or an entity whose assets are treated as "plan assets" under Section 3(42) of ERISA and any regulations promulgated thereunder (a "Plan"), the person executing this Subscription Agreement on behalf of the Plan (the "Fiduciary") represents and warrants that:

1. such person is a "fiduciary" of such Plan and trust and/or custodial account within the meaning of Section 3(21) of ERISA, and/or Section 4975(e)(3) of the Code and such person is authorized to execute this Subscription Agreement;

2. unless otherwise indicated in writing to the Partnership, the Plan is not a participant-directed defined contribution plan;

3. the Fiduciary has considered a number of factors with respect to the Plan's investment in the Interest and has determined that, in view of such considerations, the purchase of an Interest is consistent with the Fiduciary's responsibilities under ERISA. Such factors include, but are not limited to:

(i) the role such investment or investment course of action plays in that portion of the Plan's portfolio that the Fiduciary manages;

(ii) whether the investment or investment course of action is reasonably designed as part of that portion of the portfolio managed by the Fiduciary to further the purposes of the Plan, taking into account both the risk of loss and the opportunity for gain that could result therefrom;

(iii) the composition of that portion of the portfolio that the Fiduciary manages with regard to diversification;

(iv) the liquidity and current rate of return of that portion of the portfolio managed by the Fiduciary relative to the anticipated cash flow requirements of the Plan;

(v) the projected return of that portion of the portfolio managed by the Fiduciary relative to the funding objectives of the Plan; and

(vi) the risks associated with an investment in the Partnership and the fact that the transferability of the Interests is substantially restricted, both by the Partnership Agreement and applicable law.

4. the investment in the Partnership and the appointment of the Investment Manager as an "investment manager" within the meaning of Section 3(38) of ERISA have been duly authorized under, and conforms in all respects to, the documents governing the Plan and the Fiduciary;

5. the Fiduciary is: (a) responsible for the decision to invest in the Partnership; (b) independent of the Investment Manager and the Partnership; and (c) qualified to make such investment decision;

6. if the investing Plan is an ERISA Plan, then, in the event that, and during any period when, the assets of the Partnership are treated as "plan assets" of such investing ERISA Plan, the investment in the Partnership constitutes the appointment by the Fiduciary, in accordance with the written instruments governing the investing ERISA Plan, of the Investment Manager as an "investment manager" as defined in Section 3(38) of ERISA, with respect to the assets of such ERISA Plan that are invested in the Partnership;

7. (a) none of the General Partner, Investment Manager, or any of their employees or affiliates: (i) manages any part of the Investor's investment portfolio on a discretionary basis; (ii) regularly gives investment advice with respect to the assets of the Investor; (iii) has an agreement or understanding, written or unwritten, with the Investor under which the latter receives information, recommendations or advice concerning investments that are used as a primary basis for the Investor's investment decisions; or (iv) has an agreement or understanding, written or unwritten, with the Investor under which the latter receives individualized investment advice concerning the Investor's assets;

OR

(b): (i) the Fiduciary, who is independent of the Investment Manager, has studied the Memorandum and has made an independent decision to subscribe for an Interest solely on the basis of such Memorandum and without reliance on any other information or

statements as to the appropriateness of this investment for the Investor; and (ii) the Investor represents and warrants that neither the Investment Manager nor any of its employees or affiliates: (A) has exercised any investment discretion or control with respect to the Investor's purchase of Interests; (B) has authority, responsibility to give, or has given individualized investment advice with respect to the Investor's subscription for an Interest; or (C) is the employer maintaining or contributing to such Plan.

8. no Plan investment guidelines, restrictions or proxy voting policies otherwise applicable to the assets of the Investor shall apply to the assets invested in the Partnership.

(i) The Fiduciary agrees, at the request of the Partnership, to furnish the Partnership with a true and complete list of all fiduciaries with authority to select and retain the Interests as an investment for the Investor and such fiduciaries' "affiliates". For purposes of this item, an "affiliate" of a person includes (i) any person directly or indirectly, through one or more intermediaries, controlling, controlled by, or under common control with the person; (ii) any corporation, partnership, trust or unincorporated enterprise of which such person is an officer, director, 10% or more partner, or highly compensated employee as defined in Section 4975(e)(2)(H) of the Code (but only if the employer of such employee is the plan sponsor); and (iii) any director of the person, any highly compensated employee (as defined in Section 4975(e)(2)(H) of the Code) of the person, or any employee of the person who has direct or indirect authority, responsibility, or control regarding the custody, management or disposition of the plan assets involved in the transaction.

(j) The Fiduciary agrees, at the request of the Partnership, to furnish the Partnership with such information as the Partnership may reasonably require to establish that the purchase of the Interests by an ERISA Plan and the transactions to be entered into by the Partnership do not violate any provision of ERISA or the Code, including, without limitation, those provisions relating to "prohibited transactions" by "parties in interest" or "disqualified persons" as defined therein.

(k) The Fiduciary agrees to notify the General Partner promptly in writing should the Fiduciary become aware of any change in the information set forth in or required to be provided by this Section 2.

(l) The Fiduciary acknowledges that ERISA restricts the trading of employer securities as defined in Section 407 of ERISA ("Employer Securities"). These restrictions require monitoring that the Investment Manager and, as applicable, its affiliates do not provide. The Fiduciary acknowledges that it must rely upon its ability to restrict the acquisition and holding of Employer Securities in other investment portfolios in order to ensure that any limitations applicable under Section 407 of ERISA are satisfied. The Fiduciary agrees to indemnify each Partnership Indemnitee (as defined below) against any and all loss, liability, claim, damage and expense whatsoever arising out of or based upon any violations of Section 407 of ERISA and acknowledges and agrees that any such loss, liability, claim, damage or expense arising out of or based upon transactions in Employer Securities by the Partnership shall be borne solely by the Fiduciary. The Fiduciary may request, at reasonable intervals, information on behalf of the investing ERISA Plan to determine if and to what extent the Partnership invests in securities issued by the employer of the employees covered by such ERISA Plan or by an affiliate of such employer.

(m) If applicable, the Investor has identified its status as a Benefit Plan Investor (as defined below) to the Partnership in its response to Question 1 under the ERISA Questions section in Part 2 of this Subscription Booklet. If the Investor has identified to the Partnership in its response to Question 1 under the ERISA Questions section in Part 2 of this Subscription Booklet that it is not currently a Benefit Plan Investor, but becomes a Benefit Plan Investor, the Investor shall forthwith disclose to the General Partner promptly in writing such fact and also the percentage of the Investor's equity interests held by Benefit Plan Investors. For these purposes, a "Benefit Plan Investor", as defined under Section 3(42) of ERISA and any regulations promulgated thereunder, includes (a) an "employee benefit plan" that is subject to the provisions of Title I of ERISA; (b) a "plan" that is not subject to the provisions of Title I of ERISA, but that is subject to the prohibited transaction provisions of Section 4975 of the Code, such as individual retirement accounts and certain retirement plans for self-employed individuals; and (c) a pooled investment fund whose assets are treated as "plan assets" under Section 3(42) of ERISA and any regulations promulgated thereunder because "employee benefit plans" or "plans" hold 25% or more of any class of equity interest in such pooled investment fund. The Investor agrees to notify the General Partner promptly in writing if there is any change in the percentage of the Investor's assets that are treated as "plan assets" for the purpose of Section 3(42) of ERISA and any regulations promulgated thereunder as set forth in the ERISA Questions section in Part 2 of this Subscription Booklet.

(n) If the Investor is an insurance company and is investing the assets of its general account (or the assets of a wholly owned subsidiary of its general account) in the Partnership, it has identified in its response to Question 3 under the ERISA Questions section in Part 2 of this Subscription Booklet whether the assets underlying the general account constitute "plan assets" within the meaning of Section 401(c) of ERISA. The Investor agrees to promptly notify the General Partner in writing if there is a change in the percentage of the general account's assets that constitute "plan assets" within the meaning of Section 401(c) of ERISA and shall disclose such new percentage ownership.

(o) If the Investor constitutes a partnership, grantor trust or S-corporation for U.S. federal income tax purposes, either (i) less than substantially all of the value of the interest of each beneficial owner (direct or indirect) in the Investor is attributable to the Investor's Interest in the Partnership within the meaning of Treasury Regulation Section 1.7704-1(h)(3) or (ii) permitting the Partnership to satisfy the 100-partner limitation under Treasury Regulation Section 1.7704-1(h)(1)(ii) is not a principal purpose of the Investor's beneficial owners' investing in the Partnership through the Investor.

(p) The Investor was offered the Interest in the state or locality identified in response to Question 1 of the Investor Data Sheet under the heading "Principal Place of Business of Investor," and the Investor intends that the securities laws of that state or locality shall govern the Investor's subscription of the Interest.

(q) The Investor is not subscribing for the Interest as a result of or subsequent to (i) any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over radio, television or the Internet or (ii) any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(r) Any capital contributions made by the Investor to the Partnership shall not directly or indirectly be derived from activities that may contravene any applicable laws and regulations, including anti-money laundering laws and regulations.

(s) The Investor represents and warrants that, to the best of its knowledge, none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) bears a name that appears on the List of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control ("OFAC")¹ from time to time; (B) is a foreign shell bank;² or (C) resides in or whose subscription funds are or will be transferred from or through an account in a non-cooperative jurisdiction.³ The Investor agrees to notify promptly the General Partner or the person appointed by the General Partner to administer the Partnership's anti-money laundering program, if applicable, of any change in information affecting this representation and covenant.

(t) The Investor has conducted due diligence and based on such due diligence reasonably believes that none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) is a senior foreign political figure,⁴ any member of a senior foreign political figure's immediate

¹ The rules and regulations administered by the OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <<http://www.treas.gov/offices/enforcement/ofac/>>. In addition, the programs administered by OFAC ("OFAC Programs") prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

² A "foreign shell bank" means a foreign bank without a physical presence in any country, but does not include a regulated affiliate. "Foreign bank" means an organization that (i) is organized under the laws of a foreign country, (ii) engages in the business of banking, (iii) is recognized as a bank by the bank supervisory or monetary authority of the country of its organization or principal banking operations, (iv) receives deposits to a substantial extent in the regular course of its business, and (v) has the power to accept demand deposits, but does not include the U.S. branches or agencies of a foreign bank. The term "physical presence" means a place of business that is maintained by a foreign bank and is located at a fixed address, other than solely a post office box or an electronic address, in a country in which the foreign bank is authorized to conduct banking activities, at which location the foreign bank (i) employs one or more individuals on a full-time basis, (ii) maintains operating records related to its banking activities, (iii) is subject to inspection by the banking authority that licensed the foreign bank to conduct banking activities, and (iv) does not provide banking services to any other foreign bank that does not have a physical presence in any country and that is not a regulated affiliate.

See <http://www1.oecd.org/fatf/NCCT_en.htm> for FATF's list of non-cooperative countries and territories.

⁴ A "senior foreign political figure" means a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-

(u) If the Investor is purchasing the Interest as agent, representative, intermediary/nominee or in any similar capacity for any other person, or is otherwise requested to do so by the General Partner, it shall provide, upon request, a copy of its anti-money laundering policies, procedures and controls (together, the "AML Policies") to the General Partner. The Investor represents that its AML Policies comply with all applicable anti-money laundering laws and regulations, that it is in compliance with its AML Policies and that its AML Policies have been approved by counsel or internal compliance personnel reasonably informed of anti-money laundering policies and their implementation and has not received a deficiency letter, negative report or any similar determination regarding its AML Policies from independent accountants, internal auditors or some other person responsible for reviewing compliance with its AML Policies.

(v) Subject to the terms of the Side Letter, this Subscription Agreement is not transferable or assignable by the Investor without the prior written consent of the General Partner.

(w) The Investor agrees that the foregoing representations and warranties will be deemed to be reaffirmed by the Investor at any time the Investor purchases or otherwise acquires additional Interests of the Partnership and such purchase or acquisition will be evidence of such reaffirmation, and if any of the foregoing representations or warranties cease to be true or accurate, or if they become misleading, the Investor will promptly notify the Partnership of the facts pertaining to such changed circumstances.

3. Representations and Warranties of the Partnership and the General Partner. The Partnership and the General Partner hereby represent and warrant to the Investor that:

(a) The Partnership is duly organized and validly existing as a limited partnership under the laws of the State of Delaware and has all requisite partnership power and authority to carry on its business as now conducted and as proposed to be conducted as described in the Memorandum. The General Partner is duly organized and validly existing as a limited liability company under the laws of the State of Delaware and has all requisite limited liability

company power and authority to act as general partner of the Partnership and to carry out the terms of this Subscription Agreement and the Partnership Agreement.

(b) The execution and delivery of this Subscription Agreement have been duly authorized by all necessary partnership action on behalf of the Partnership, and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any partnership agreement, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the Partnership is a party or by which the Partnership or any of its properties is bound. Assuming the valid execution of this Subscription Agreement by the Investor, this Subscription Agreement constitutes a valid and binding agreement of the Partnership, enforceable against the Partnership in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law). The execution and delivery by the General Partner of the Partnership Agreement and this Subscription Agreement have been authorized by all necessary limited liability company action on behalf of the General Partner, and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any charter, by-laws, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the General Partner is a party or by which the General Partner or any of its properties is bound. Assuming the valid execution of this Subscription Agreement by the Investor, and the valid execution of the Partnership Agreement by the Limited Partners, this Subscription Agreement and the Partnership Agreement constitute valid and binding agreements of the General Partner, enforceable against the General Partner in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(c) Neither the Partnership nor anyone acting on its behalf has taken or will take any action that would subject the issuance and sale of the Interests to the registration requirements of the Securities Act or any state securities laws.

(d) Assuming the accuracy of the representations and warranties of the Limited Partners, the Partnership is not required to register as an "investment company" under the Investment Company Act.

(e) The Partnership will not make an election pursuant to Treasury Regulations Section 301.7701-3 to be treated as an association taxable as a corporation for federal income tax purposes.

4. Understandings. The Investor hereby understands, acknowledges and agrees with the Partnership and the General Partner as follows:

(a) The information contained in the Memorandum is confidential and non-public, and, subject to the terms of the Side Letter, all such information shall be kept in confidence and not disclosed to any third person (other than the Investor's advisers or representatives) for any reason, except to the extent required by applicable law or administrative or judicial process; provided, however, that this obligation shall not apply to any such information that (i) is part of the public knowledge or literature and readily accessible at the date hereof, (ii)

becomes part of the public knowledge or literature and readily accessible by publication (except as a result of a breach of this provision) or (iii) is received from third parties (except third parties who disclose such information in violation of any confidentiality agreements or obligations entered into with the Investment Manager, the General Partner or the Partnership). The Investor understands and agrees that, although the Partnership, the General Partner and the Investment Manager will use their reasonable efforts to keep the information provided in the answers to this Subscription Agreement strictly confidential, subject to the terms of the Side Letter, any of the Partnership, the General Partner and the Investment Manager may present this Subscription Agreement and the information provided in answers to it to such parties (e.g., affiliates, attorneys, auditors, administrators, brokers, regulators and counterparties) as it deems necessary or advisable to facilitate the acceptance of the Investor's subscription for Interests and management of the Partnership, including, but not limited to, in connection with anti-money laundering and similar laws, if called upon to establish the availability under any applicable law of an exemption from registration of the Interests, the compliance with applicable law and any relevant exemptions thereto by the Partnership, the General Partner, the Investment Manager or any of their affiliates, or if the contents thereof are relevant to any issue in any action, suit or proceeding to which the Partnership, the General Partner, the Investment Manager or their affiliates are a party or by which they are or may be bound or if the information is required to facilitate the Partnership's investments. The Partnership, the General Partner or the Investment Manager may also release information about the Investor if directed in writing to do so by the Investor, if compelled to do so by law or in connection with any government or self-regulatory organization request or investigation, or if the Partnership, the General Partner and/or the Investment Manager, in its reasonable discretion, deems it necessary or advisable to reduce or eliminate withholding or other taxes on the Partnership, its partners or the Investment Manager. Notwithstanding anything to the contrary herein, the Investor (and each employee, representative or other agent of the Investor) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of: (i) the Partnership; and (ii) any of the Partnership's transactions, and all materials of any kind (including, without limitation, opinions or other tax analyses) that are provided to the Investor relating to such tax treatment and tax structure, it being understood that "tax treatment" and "tax structure" do not include the name or the identifying information of (i) the Partnership or (ii) the parties to a transaction.

(b) The Investor agrees to provide promptly such information and execute and deliver such documents as may be necessary to comply with any and all laws and regulations to which the Partnership may be subject and ensure the accuracy of the Investor's representations and warranties herein.

(c) The Interests have not been approved or disapproved by the United States Securities and Exchange Commission (the "SEC") or by any other federal, state or foreign securities commission or regulatory authority, and none of the foregoing authorities has confirmed the accuracy or determined the adequacy of the Memorandum, the Partnership Agreement or this Subscription Agreement. Any representation to the contrary is a criminal offense.

(d) The Interests are speculative investments and involve a high degree of risk. There is no public market for the Interests, and no such public or other market is expected to develop. The transferability of the Interests is substantially restricted both by the terms of the Partnership Agreement as modified by the Side Letter and applicable law. In order to ensure the Partnership's compliance with the Section 3(c)(1) Exemption or the Section 3(c)(7) Exemption, as applicable, no initial and subsequent sales, assignments, or transfers of Interests shall be made if the Partnership has utilized the Section 3(c)(1) Exemption, if such sale, assignment or transfer

would violate the “one hundred beneficial owner” limitation under the Section 3(c)(1) Exemption. Investors in the Partnership have no rights to require that the Partnership register the offer or sale of the Interests on behalf of the Investors or to assist the Investors in complying with any exemption from registration under the Securities Act, any state law or the laws of any non-U.S. jurisdiction. The Investor will not be able to receive the benefit of the provisions of Rule 144 or 144A adopted by the SEC under the Securities Act with respect to the resale of the Interests in the Partnership. Accordingly, it may not be possible for the Investor to liquidate the Investor’s investment in the Partnership and the Investor has no need for liquidity in this investment, can afford a complete loss of the investment in the Interest and can afford to hold the investment for an indefinite period of time.

(e) The Investor understands and agrees that in order to ensure compliance under applicable anti-money laundering laws, regulations and guidance the General Partner may require a detailed verification of the identity of a person applying for an Interest. Depending on the circumstances, a detailed verification might not be required where: (i) the Investor makes its capital contributions from an account held in the Investor’s name at a recognized financial institution; or (ii) the subscription is made through a recognized intermediary. Subject to the terms of the Side Letter, the General Partner reserves the right to request such information as is necessary to verify the identity of an Investor. In the event of delay or failure by the Investor to produce any information required for verification purposes, the General Partner may refuse to accept the Investor’s subscription until proper information has been provided (without limiting the General Partner’s right to refuse a subscription for any other reason, including the content of any information delivered as requested).

(f) Subject to the terms of the Side Letter, the Investor covenants and agrees that it shall provide the General Partner, at any time during the term of the Partnership, with such information as the General Partner determines to be necessary or appropriate to (i) verify compliance with the anti-money laundering laws, regulations and/or guidance of any applicable jurisdiction or (ii) respond to requests for information concerning the identity of the Investor from any governmental or inter-governmental authority, self-regulatory organization or financial institution in connection with the Partnership’s anti-money laundering compliance procedures.

(g) The Investor understands and agrees that if any of the representations and warranties set forth in Section 2(r), (s), (t) or (u) ceases to be true or if the Partnership no longer reasonably believes that it has satisfactory evidence as to their truth, notwithstanding any other agreement to the contrary, the Partnership may be obligated to freeze the Investor’s investment, either by prohibiting additional investments and/or segregating the assets constituting the investment in accordance with applicable laws, regulations and/or guidance, or the Investor’s investment may immediately be involuntarily withdrawn by the Partnership, and the Partnership may also be required to report such action and to disclose the Investor’s identity to OFAC or any other authority. If the Partnership is required to take any of the foregoing actions, the Investor understands and agrees that, absent Disabling Conduct, it shall have no claim against the Partnership, the General Partner or any of their respective Affiliates, members, managers, partners, shareholders, officers, directors, employees or agents for any form of damages as a result of any of the aforementioned actions.

(h) The Investor certifies under penalties of perjury that (i) (A) the Investor’s name, taxpayer identification or social security number (if applicable) and address provided in the Investor Data Sheet are correct and (B) the Investor has completed and returned with this Subscription Agreement the appropriate IRS Form(s) (W-9, W-8BEN, W-8BEN-E, W-8IMY, W-8ECI or W-8EXP), and (ii) (A) if the Investor is a “United States person” (as defined in the

Code), the Investor is not a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code), (B) if the Investor is not a "United States person" (as defined in the Code), the Investor is a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code) and (C) the Investor will notify the Partnership within 60 days of any change in such status. Subject to the terms of the Side Letter, the Investor agrees to complete properly and provide to the Partnership in a timely manner any tax documentation that may be reasonably required by the General Partner in connection with the Partnership.

(i) Subject to the terms of the Side Letter, the Investor agrees to promptly take such action, including providing and periodically updating information (which may include, among other things, the identities of the direct and indirect beneficial owners of the interests being subscribed for hereunder and the "controlling person(s)" of the Investor), that the Partnership or the General Partner, in its sole discretion, reasonably determines is necessary for the Partnership to comply with any legal obligation or to reduce or eliminate withholding taxes under Sections 1471-1474 of the Code or other similar laws. The Investor acknowledges that if it fails to timely take such action, the Investor may be subject to fines or other penalties, including a 30% U.S. withholding tax with respect to its share of any payment attributable to actual and deemed U.S. investments in the Partnership, and that the General Partner may take any action in relation to the Investor's interest or withdrawal proceeds to ensure that such penalties and withholding are economically borne by the Investor. If the investment in the Partnership is made through a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code, the Investor agrees that such foreign financial institution (including the Investor, if applicable) (i) shall meet the requirements of Section 1471(b)(1) or 1471(b)(2) of the Code and (ii) shall not delegate any withholding responsibility pursuant to Section 1471(b)(3) of the Code to the Partnership

(j) Subject to the terms of the Side Letter, in connection with any borrowings by the Partnership, the Investor hereby agrees to deliver promptly to the General Partner such financial information as is reasonably requested by the General Partner or the lender providing such financing, including in the case of an Investor that is (directly or indirectly) investing the assets of a Plan that is subject to Title I of ERISA, such Plan's Form 5500, such evidence of authority for the execution, delivery and performance of its obligations under this Subscription Agreement or the Partnership Agreement as is reasonably requested by the General Partner or such lender and such confirmations and acknowledgments as may be reasonably required by such lender which shall be in form and substance reasonably satisfactory to the General Partner.

(k) If the Investor is a "charitable remainder trust" within the meaning of Section 664 of the Code, the Investor has advised the General Partner in writing of such fact and the Investor acknowledges that it understands the risks, including specifically the tax risks, if any, associated with its investment in the Partnership.

(l) If the Investor is acting as agent or nominee for a subscriber (a "Beneficial Owner"), the Investor understands and acknowledges that the representations, warranties and covenants made herein are made by the Investor: (i) with respect to the Investor; and (ii) with respect to the Beneficial Owner. The Investor represents and warrants that it has all requisite power and authority from said Beneficial Owner to execute and perform the obligations under this Subscription Agreement.

(m) The Investor understands that Schulte Roth & Zabel LLP ("SRZ") has been engaged by the General Partner and Investment Manager to represent them and the Partnership in connection with the organization of the Partnership and this offering of Interests in the Partnership. The Investor also understands that no separate counsel has been engaged to independently represent the Limited Partners, including the Investor, in connection with the formation of the Partnership, or the offering of the Interests.

Subject to the terms of the Side Letter, the Investor understands that SRZ will represent the Partnership on matters for which it is retained to do so by the General Partner and Investment Manager. The Investor also understands that other counsel may also be retained where the General Partner and Investment Manager determines that to be appropriate.

The Investor understands that, in advising the General Partner and Investment Manager with respect to the preparation of the Memorandum, SRZ has relied upon information that has been furnished to it by the General Partner and Investment Manager and their affiliates, and has not independently investigated or verified the accuracy or completeness of the information set forth in the Memorandum. In addition, the Investor understands that SRZ does not monitor the compliance of the General Partner and Investment Manager or the Partnership with the investment guidelines set forth in the Memorandum, the Partnership's terms or applicable laws.

The Investor acknowledges that there may be situations in which there is a "conflict" between the interests of the General Partner and Investment Manager and those of the Partnership. The Investor understands that, in these situations, the General Partner and Investment Manager will determine the appropriate resolution thereof, and may seek advice from SRZ in connection with such determinations. The General Partner, Investment Manager and the Partnership have consented to SRZ's concurrent representation of such parties in such circumstances. The Partnership understands that, in general, independent counsel will not be retained to represent the interests of the Partnership or the Limited Partners.

5. Grant of Power of Attorney.

(a) Subject to the terms of the Side Letter, the Investor hereby constitutes and appoints the General Partner irrevocably as its true and lawful agent and attorney-in-fact (the "Attorney"), in its name, place and stead (i) to execute and deliver the Partnership Agreement on the Investor's behalf on the Closing Date applicable to the Investor, (ii) to execute and deliver documents relating to Alternative Investment Vehicles, Parallel Partnerships, Feeder Partners and/or Special Purpose Vehicles and (iii) to make, execute, sign and file any amendment or termination of the Partnership's Certificate of Limited Partnership as required by law, and all such other instruments, documents and certificates as may from time to time be required by the laws of the United States of America, the State of Delaware, the State of Connecticut, the State of California, the State of New York or any other state or other relevant jurisdiction in which the Partnership shall determine to conduct activities or to do business, or any political subdivision or agency thereof, to effectuate, implement, continue or terminate the valid existence of the Partnership.

(b) The foregoing grant of authority is a special power of attorney coupled with an interest in favor of the General Partner and as such shall (i) survive the dissolution, termination or bankruptcy of the Limited Partner granting the same or the transfer of all or any portion of such Limited Partner's interest in the Partnership and (ii) extend to such Limited Partner's successors, assigns and legal representatives.

6. Indemnification.

(a) Subject to the terms of the Side Letter, the Investor shall indemnify and hold harmless the Partnership, the General Partner, the Investment Manager, the Fund Administrator and each officer, director, limited partner, member, manager, employee, Affiliate, agent or control person of the Partnership, the General Partner or the Investment Manager ("Partnership Indemnitees") from and against any and all expenses, losses, claims, damages, liabilities and actions, suits or proceedings (whether civil, criminal, administrative or investigative and whether such action, suit or proceeding is brought or initiated by the Partnership or a third party) that are incurred by or threatened, pending or completed against the Partnership Indemnitees or any of them (including, without limitation, legal fees and expenses, judgments, fines and amounts paid in settlement) based upon, resulting from or otherwise in respect of (i) any actual material misrepresentation or misstatement of facts, or material omission to represent or state facts, by or on behalf of the Investor concerning the Investor, the Investor's suitability or authority to invest or the Investor's financial position in connection with the offering of the Interests, including, without limitation, any such material misrepresentation, misstatement or omission contained in or accompanying the Investor Questionnaire or the Investor Data Sheet submitted by or on behalf of the Investor and forming a part of this Subscription Agreement, or (ii) the material breach of any of the Investor's representations, warranties, covenants or agreements set forth in this Subscription Agreement. If any notice, consent, request or other instrument (each, an "Instruction") is provided by the Investor to any Partnership Indemnitee by email or facsimile, the Investor undertakes to send the original Instruction by courier delivery service to the General Partner and agrees to keep the Partnership Indemnitees indemnified against any loss of any nature arising to any of them as a result of any Partnership Indemnitee acting upon an email or a facsimile copy of an Instruction. The Partnership Indemnitees may rely conclusively upon, and shall incur no liability in respect of any action taken upon, any Instruction believed in good faith to be genuine or to be signed by properly authorized persons. If information is provided to the Investor by any Partnership Indemnitee by facsimile or electronically (including any Account Communication (as defined on page 2 of the Investor Data Sheet)) (a "Communication"), the Investor agrees and acknowledges that no Partnership Indemnitee shall incur any liability for any misdirected or intercepted Communication.

(b) Subject to the terms of the Side Letter, the reimbursement and indemnity obligations of the Investor under this Section 6 shall survive the Closing Date applicable to the Investor and shall be in addition to any liability that the Investor may otherwise have (including, without limitation, liabilities under the Partnership Agreement) and shall be binding upon and inure to the benefit of any successors, assigns, heirs or legal representatives of any Partnership Indemnitees and the Partnership.

7. Miscellaneous.

(a) Subject to the terms of the Side Letter, this Subscription Agreement shall be enforced, governed and construed in all respects in accordance with the internal laws of the State of New York applicable to agreements made and to be wholly performed in such state.

(b) Failure of the Partnership or the Investor to exercise any right or remedy under this Subscription Agreement or any other agreement between the Partnership and the Investor, or otherwise, or delay by the Partnership or the Investor in exercising such right or remedy, will not operate as a waiver thereof.

(c) This Subscription Agreement, the Investor Questionnaire, the Side Letter, the Partnership Agreement and other agreements or documents referred to herein or in the Partnership Agreement contain the entire agreement of the parties with respect to the subject

matter hereof. There are no representations, warranties, covenants or other agreements except as stated or referred to herein and in such other agreements or documents.

(d) This Subscription Agreement may be executed in counterparts with the same effect as if the parties executing the counterparts had all executed one counterpart. Each party acknowledges and agrees that any portable document format (PDF) file, facsimile or other reproduction of its signature on any counterpart shall be equal to and enforceable as its original signature and that any such reproduction shall be a counterpart hereof that is fully enforceable in any court or arbitral panel of competent jurisdiction.

(e) This Subscription Agreement may be signed by any party under hand or by way of an electronic signature and may be reproduced as an electronic record and delivered by facsimile, by electronic mail or by delivery through a web or other electronic portal. The Partnership may take such steps as it deems appropriate to determine the reliability of any electronic signature.

(f) Neither this Subscription Agreement nor any provisions hereof shall be waived, modified, discharged or terminated except by an instrument in writing signed by the party against whom any waiver, modification, discharge or termination is sought.

(g) Except as otherwise provided herein, this Subscription Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. If the Investor is more than one Person, the obligations of the Investor shall be joint and several, and the representations, warranties, covenants, agreements and acknowledgments herein contained shall be deemed to be made by and be binding upon each such Person and its successors and permitted assigns.

(h) [Reserved.]

(i) If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith. Any provision hereof which may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.

(j) If any answer provided by the Investor or background documentation provided by the Investor under this Subscription Agreement is found to be materially false, forged or materially misleading, the Investor understands that the Partnership may compulsorily withdraw the Interests held by the Investor.

(k) The Investor acknowledges and agrees that any notations, alterations, strike-outs, addenda, inserts or verbiage purporting to amend the terms of this Subscription Agreement shall not be effective unless explicitly agreed to by the Partnership or its agents by the execution of this Subscription Agreement.

8. Funds-of-Funds. If the Investor is a private fund-of-funds (or other similar private collective investment vehicle), the Investor agrees that the Investor, its general partner and/or investment manager (or their equivalents) and their respective Affiliates may not reference the Investment Manager, the Partnership, the General Partner or any of their Affiliates in any offering document, marketing material or similar disclosure prepared by or at the direction of, or with the cooperation of, the Investor, its general partner and/or investment manager (or their equivalents) or any of their respective Affiliates without the prior written consent of the General

Partner, which may be given or withheld in the General Partner's sole discretion.

9. Acceptance of Potential Remedies. The Investor has read, is familiar with and understands the nature and scope of the rights and remedies provided to the General Partner and the Partnership in the Partnership Agreement in the event of failure to pay any part of the Investor's Capital Commitment or other payment obligations under the Partnership Agreement when due or in the event of a purported Transfer of its Interest other than in accordance with the Partnership Agreement, and is prepared to accept the exercise against the Investor of such rights and remedies in the event of such failure on the Investor's part.

10. Signature. By executing the signature page to this Subscription Agreement, the Investor agrees to be bound by the foregoing and the Partnership Agreement.

11. Distributions. Distributions to the Investor in respect of its Interest shall be made as specified in the Investor Data Sheet or as otherwise specified in writing by the Investor to the General Partner.

INVESTOR QUESTIONNAIRE

Purpose of this Questionnaire

The information set forth herein is necessary to enable the Partnership and the General Partner to comply with certain laws and regulations. The Partnership must determine that an Investor meets certain suitability requirements before selling (or, in some jurisdictions, offering) Interests to such Investors. This Investor Questionnaire does not constitute an offer to sell or a solicitation of an offer to buy the Interests or any other security.

Answers will be kept strictly confidential at all times. "Financial contracts" means any arrangement that (i) takes the form of an individually negotiated contract, agreement, or option to buy, sell, lend, swap, or repurchase, or other similar individually negotiated transaction commonly entered into by participants in the financial markets; (ii) is in respect of securities, commodities, currencies, interest or other rates, other measures of value, or any other financial or economic interest similar in purpose or function to any of the foregoing; and (iii) is entered into in response to a request from a counterparty for a quotation, or is otherwise entered into and structured to accommodate the objectives of the counterparty to such arrangement;
5. In the case of an Investor that is a commodity pool operator or an investment company excepted from registration by Section 3(c)(1) or 3(c)(7) of the Investment Company Act, any amounts payable to such Investor pursuant to a firm agreement or similar binding

commitment pursuant to which a person has agreed to acquire an interest in, or make capital contributions to, the Investor upon the demand of the Investor; and

6. Cash and cash equivalents (including foreign currencies) held for investment purposes. "Cash and cash equivalents" include bank deposits, certificates of deposits, bankers acceptances and similar bank instruments held for investment purposes and the net cash surrender value of an insurance policy.

"Investments" do not include other assets which do not reflect experience in the financial markets, such as jewelry, art work, antiques and other collectibles.

For purposes of determining the amount of "Investments" owned by a company, "Investments" of a parent company and its majority-owned subsidiaries may be aggregated to meet the minimum "investment" amount requirements, regardless of which company is the prospective qualified purchaser.

For purposes of determining the amount of "Investments" owned by a natural person, there may be included any "investment" held jointly or as community property with such person's spouse. In determining whether spouses who are making a joint investment in the Partnership are qualified purchasers, there may be included in the amount of each spouse's "Investments" any "Investments" owned by the other spouse (whether or not such "investments" are held jointly).

In determining whether a natural person is a qualified purchaser, there may be included in the amount of such person's "Investments" any "Investments" held in an individual retirement account or similar account the investments of which are directed by and held for the benefit of such person.

VALUATION OF INVESTMENTS

In determining the value of "Investments" in order to ascertain qualified purchaser status, the aggregate amount of "Investments" owned and invested on a discretionary basis by such person shall be their fair market value on the most recent practicable date or their cost provided that the same method must be used for all "Investments." However,

1. In the case of "Commodity Interests," the amount of "Investments" is the value of the initial margin or option premium deposited in connection with such "Commodity Interests," and
2. In each case, there shall be deducted from the amount of such "Investments" the following amounts:
 - (a) The amount of any outstanding indebtedness incurred by the prospective qualified purchaser to acquire such "Investments," and
 - (b) In the case of a Family Company (as defined in the Investor Questionnaire), in addition to the amounts specified in paragraph (2)(a) above, any outstanding indebtedness incurred by an owner of the Family Company to acquire the Family Company's "Investments."

SIDE LETTER AGREEMENT

Effective this ____ day of _____, 2019 (the "Effective Date"), and in connection with the proposed investment by the Navajo Nation (the "Investor") in WCP Special Core Plus Fund II, L.P. (the "Partnership"), and as an inducement for the investment by the Investor in the Partnership, the Partnership, WCP Special Core Plus Fund II GP, LLC (the "General Partner") and Westport Capital Partners LLC (the "Management Company") have agreed to enter into this letter agreement (this "Agreement"), which supplements the terms and provisions of the Amended and Restated Agreement of Limited Partnership of the Partnership, dated as of November 14, 2017 (as it may be amended, modified, supplemented, or restated, the "Partnership Agreement") and the terms and provisions of the Subscription Agreement of the Investor relating to the Partnership, dated as of the date hereof (as it may be amended, supplemented, or restated, the "Subscription Agreement"). To the extent the terms and provisions of this Agreement, the Subscription Agreement, the Partnership Agreement, any confidentiality or non-disclosure agreement or the Management Agreement, dated as of November 14, 2017, between the Partnership and the Management Company (the "Management Agreement"), are inconsistent, the terms and provisions of this Agreement shall prevail. Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Partnership Agreement.

1. **Most Favored Nations.** Following the Last Closing Date, the Partnership shall disclose to the Investor any and all side letters or other written agreements with other Limited Partners in the Partnership (each, a "Side Letter"), or the provisions thereof, which may be redacted to remove identifying or other confidential information, and the Investor may elect to receive the benefit of any provision or provisions set forth in a Side Letter (subject to the terms of the second sentence of this Section 1), upon written notice to the General Partner within thirty (30) days of receipt of a copy of such Side Letter or provisions thereof. Notwithstanding the foregoing, the Partnership shall not be required to disclose to the Investor, and the Investor shall not be entitled to elect or receive, any right or benefit in any Side Letter to the extent (i) the aggregate amount of the Investor's Capital Commitment plus the Capital Commitment of the Retirement Plan for Employees of the Navajo Nation and Participating Affiliates does not equal or exceed the Capital Commitment of the Limited Partner that is a party to such Side Letter, (ii) such right or benefit relates to any Management Fee and carried interest terms applicable to the General Partner, the Management Company, an Affiliate of the General Partner or the Management Company or a partner, member, officer or employee of any of the foregoing or the immediate family members or the tax or estate planning vehicles of any such persons, (iii) such right or benefit relates to any Management Fee and carried interest terms for which some Limited Partners admitted as of the third Closing date (or earlier) may be eligible and the Investor is admitted at a later Subsequent Closing,¹ (iv) such right or benefit relates to designating a representative on an advisory board or committee of the Partnership, (v) the Investor does not agree to be bound by all terms, restrictions and obligations contingent upon or related to such right or benefit, or (vi) such right or benefit is related to a legal, tax, regulatory or other similar basis (including by way of any written internal policy of governmental and/or sovereign investors) (unless the Investor is subject to the same or similar regulations or requirements) or is otherwise not applicable to the Investor, as determined by the General Partner in its reasonable discretion.

2. **Opinions of Counsel.** The General Partner acknowledges and agrees that, for all purposes of the delivery of any opinion of counsel by the Investor pursuant to the Partnership Agreement or this Agreement, an opinion of either the internal counsel of the Investor or its outside counsel, including Kutak Rock LLP, will be acceptable to the General Partner.

¹ Note: Please let us know what fee breaks were given to earlier investors.

3. **Representations.** The General Partner and the Management Company represent and warrant to the Investor as follows:

(a) *No Material Misrepresentations.* The General Partner hereby represents and warrants to the Investor that the Partnership's Confidential Private Placement Memorandum, dated July 2017, together with any supplement thereto (the "Memorandum"), when read in conjunction with the Partnership Agreement and taking into account the intended recipients thereof, taken as a whole, does not, as of the date hereof, contain any untrue statements of material fact or omit a statement of material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading; provided, that the discussion in the Memorandum under the heading "Tax Considerations" and under the heading "Tax Status" in the Summary of Terms reflect tax laws and regulations in effect as of the date of the Memorandum.

(b) *Authority and Enforceability.* Each of the General Partner, the Management Company and the Partnership has the requisite corporate, trust, partnership, or other power and authority to enter into this Agreement and to consummate the transactions contemplated hereby; and the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by each of the General Partner, the Management Company and the Partnership, and no other corporate, trust, partnership, or other proceedings on the part of any of the General Partner, the Management Company or the Partnership are necessary to authorize the consummation of the transactions contemplated hereby. This Agreement has been duly executed by each of the General Partner, the Management Company and the Partnership and constitutes a valid and binding obligation of the General Partner, the Management Company and the Partnership, enforceable against each of the General Partner, the Management Company and the Partnership in accordance with its terms, except as such enforceability may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium, and other laws relating to or affecting creditors' rights generally and by general equitable principles.

(c) *Partnership Interest.* Assuming (i) the due authorization, execution, and delivery to the General Partner of the Subscription Agreement by the Investor, and (ii) payment by the Investor to the General Partner or Partnership of the full consideration of the limited partnership interest subscribed for by the Investor, the limited partnership interest subscribed for by the Investor pursuant to the Subscription Agreement represents a validly issued limited partnership interest in the Partnership under the Act, the Investor is a Limited Partner under the Partnership Agreement, and, with respect to such limited partnership interest, the Investor will have no liability in excess of its obligation to make capital contributions to the Partnership as provided in the Partnership Agreement and its share of the Partnership's assets and undistributed profits (subject to the obligation of a limited partner to repay any funds wrongfully distributed to it as and to the extent provided in the Act and the obligation to return certain distributions to the Partnership under Section 9.4 of the Partnership Agreement).

(d) *No Default.* The execution and delivery of (x) this Agreement, the Management Agreement, the Subscription Agreement and the Partnership Agreement by the General Partner and the Partnership and (y) this Agreement and the Management Agreement by the Management Company, do not, and the consummation of the transactions contemplated hereby and thereby will not, (i) violate in any material respect, or result in a material default (with or without notice or lapse of time, or both) under, any material agreement, instrument, permit, right, or license to which the General Partner, any of its Principals, the Management Company, or the Partnership is a party or by which any of them is bound; (ii) conflict with or result in any violation of any

provision of the partnership agreement, certificate of limited partnership, or other equivalent organizational documents of the General Partner, the Management Company, or the Partnership; or (iii) conflict with or violate any law, statute, regulation, order, writ, injunction, judgment, or decree to which any of the General Partner, any of its Principals, the Partnership or the Management Company is subject.

(e) *Compliance with Laws.* None of the General Partner, any of its Principals, the Partnership, or the Management Company has violated, or is in violation of, any statute, regulation, law, order, writ, injunction, judgment, or decree to which it is subject that would adversely affect its respective business or financial condition or impair its ability to carry out its respective obligations under this Agreement, the Management Agreement or the Partnership Agreement.

(f) *No Pending Legal Actions.* As of the date hereof, there is no legal action, suit, arbitration or other legal, administrative or other governmental investigation, inquiry or proceeding (whether federal, state, local or foreign) pending or, to the best of the knowledge of the General Partner and the Management Company, threatened against (a) the Partnership, (b) the General Partner or the Management Company, or (c) any of the persons named in Section 4.6(a)(i) of the Partnership Agreement or any Qualified Replacement for any such persons (each, a "Key Person," and collectively, the "Key Persons"), except, in each case, as would not have a material adverse effect on the Partnership, the General Partner, any Key Person or the Management Company.

(g) *No Past Legal Actions.* During the five (5) years preceding the date of this Agreement, there have been no actions, suits, arbitrations, or other legal, administrative, or governmental investigations, proceedings, or inquiries (or settlements in lieu thereof) against the General Partner, any of its Principals, the Management Company, or the Partnership relating to a violation of any federal, state, or local securities, tax, or criminal law, rule, or regulation or a violation of duties (fiduciary or otherwise) owed to investors.

(i) *No PTST.* The Partnership has not knowingly participated in a prohibited tax shelter transaction ("PTST") within the meaning of Section 4965 of the Internal Revenue Code of 1986, as amended, and the General Partner will use commercially reasonable efforts to avoid making an investment that would qualify as a PTST. In the event the Partnership does make an investment that would qualify as a PTST, the General Partner shall so notify the Investor. Notwithstanding the foregoing, the Partnership may enter into any activity, investment or transaction that involves one or more "notional principal contracts" and any other transaction which the Management Company reasonably believes is not a "listed transaction" (within the meaning of Treasury Regulations Section 1.6011-4(b)(2)) and may cause the Partnership to file, upon the advice of its accountants or other outside advisors, a "protective" IRS Form 8886 with respect thereto.

(j) *No Reportable Transactions.* The General Partner and Management Company shall not knowingly cause the Partnership to engage in a transaction that, as of the date the Partnership enters into a binding contract to engage in such transaction, is a "reportable transaction" as defined in Treas. Reg. § 1.6011-4. If the General Partner reasonably determines that the Partnership has engaged in a transaction that is a reportable transaction, it shall notify the

Investor of such determination and recommend any measure it believes appropriate to protect the Investor's interests with respect to such transaction.

(ix) *Material Loans.* Upon the written request of the Investor, in the event that the Partnership has entered into a material loan agreement, a written description of the key terms of such loan agreement.

5. **Tax Matters.**

(a) The Investor represents that it is a tax exempt entity and has provided to the General Partner a properly executed Internal Revenue Service Form W-9 claiming a complete exemption from U.S. withholding tax. Before withholding and paying over to the Internal Revenue Service any amount of U.S. withholding tax on dividends or interest with respect to the Investor, the General Partner will use commercially reasonable efforts to provide the Investor with notice of such withholding and an explanation of why such dividend or interest is not exempt from U.S. withholding tax.

(b) In connection with any investment, the General Partner agrees to provide the Investor with such non-confidential information as it may reasonably request to make any filings, applications or elections necessary or desirable to minimize the amount of any tax withheld or obtain refunds of any taxes withheld or paid.

(c) If the General Partner has actual knowledge or receives any written notification that, solely because of the activities of the Partnership or solely as a result of the Investor being a Limited Partner in the Partnership (or a participant in an Alternative Investment Vehicle), the Investor (or any holder of a beneficial interest in the Investor) is required to file any tax return with, or is eligible to claim reduced taxation, tax treaty benefits or tax refunds from, any relevant governmental, regulatory or tax authority, the General Partner will use its commercially reasonable efforts to provide the Investor with written notice of such requirement or eligibility, as applicable; provided that (a) the requirement to use such efforts shall not create an obligation of the General Partner to seek such knowledge or to inquire as the particular tax status of the Investor (or of any holder of a beneficial interest in the Investor) and (b) any failure by the General Partner to provide the foregoing notice will not affect the obligations of the Investor under the Partnership Agreement or create any liability for the General Partner, the Partnership or any of their affiliates.

8. **Delivery of Documents.** On or prior to the date of this Agreement, the Partnership shall provide to the Investor and the Investor's counsel a copy (either in electronic form or hard copy) of this Agreement, the Partnership Agreement, and the Subscription Agreement, duly countersigned on behalf of the parties hereto and thereto. Notwithstanding anything to the contrary contained in this Agreement, the Partnership Agreement, the Subscription Agreement, or any other document evidencing the Investor's obligation to make an initial Capital Contribution for the benefit of the Partnership, the Investor's receipt of the countersigned Agreement, Partnership Agreement, and Subscription Agreement is a condition precedent to any obligation the Investor may have to make any initial Capital Contribution to the Partnership. On or prior to the closing date on which the Investor subscribes to Interests, the Partnership shall also provide the Investor with a fully executed copy of the Management Agreement, all guarantees and all legal opinions delivered in connection with any closing. The Partnership shall promptly provide the Investor with any amendments to the foregoing documents made subsequent to the date hereof.

9. **Transfer to Investor Affiliate.** Notwithstanding anything to the contrary in the Partnership Agreement, the General Partner hereby agrees that it shall consent to (i) any transfer by the Investor to any Affiliate of the Investor, subject only to satisfaction of the requirements set forth in Section 13.2(a) (other than 13.2(a)(iv) and (a)(v)) of the Partnership Agreement and (ii) the admission of such transferee as a substituted Limited Partner of the Partnership, subject only to satisfaction of the requirements set forth in Section 13.6(a) of the Partnership Agreement. For the avoidance of doubt, the benefits of this Agreement will transfer to any such successor. Notwithstanding the foregoing, the General Partner shall not be required to consent to any transfer if the General Partner determines, in its reasonable discretion, that such transfer may cause the Partnership to be treated as a publicly traded partnership taxed as a corporation for U.S. federal tax purposes. For the avoidance of doubt, any limited liability company, partnership, limited partnership, corporation, trust, or other entity of any kind formed or owned by Investor shall be deemed to be an "Affiliate" of the Investor for the purposes of the Partnership Agreement. In addition, in connection with any Transfer of an Interest by the Investor to an Affiliate thereof, upon request of the Investor, the General Partner agrees not to withhold its consent to release the Investor from its Remaining Capital Commitment and all other obligations that relate to the Transferred Interest if the General Partner reasonably concludes that the transferee Affiliate has the financial ability to hold the Interest to be Transferred and to perform in a timely manner all of its obligations as a Limited Partner under the Partnership Agreement. The General Partner confirms that any transferring Limited Partner's obligation to pay the Partnership's expenses in connection with a transfer will be limited to reasonable expenses of transfer, including reasonable attorneys' fees, incurred by the Partnership in connection with a transfer.

10. **Council Change No Transfer.** Membership on the Navajo Nation Council changes after elections conducted every four years, and the General Partner acknowledges and agrees that any such change in the composition of the Navajo Nation Council will not be considered a Transfer of the Investor's interest in the Partnership under the Partnership Agreement and that the Investor need not notify the General Partner or Partnership of any such change in members of the Navajo Nation Council.

11. **Special Investment Limitations.** The General Partner acknowledges that the Investor is subject to various statutory investment restrictions and agrees that, in the event the Investor determines, by written notice delivered to the General Partner, that any investment to be made by the Partnership or action to be taken by the General Partner might violate the Investor's investment restrictions and that it would be improper for the Investor to continue as a Limited Partner, the General Partner shall permit the Investor, without penalty of any kind, and without characterization of the Investor as a Defaulting Partner, to transfer its interest in the Partnership to a third party, and the General Partner shall reasonably cooperate with the Investor's efforts to transfer the Investor's Interest to a third party, in a manner that conforms to the requirements of the Partnership Agreement, it being understood that this provision is not intended to subject the General Partner or the Partnership to material expense or burden.

12. **Disclaimer of Business Opportunity Doctrine.** The General Partner confirms that the intent of the Partnership Agreement is to specifically disclaim the business opportunity doctrine such that no Limited Partner, including the Investor, owes a duty to offer its fellow Partners the right to participate in the Limited Partner's business opportunities, and no Partner is entitled to participate in any investments or business opportunities involving any other Limited Partner.

13. **Placement Fee.** The General Partner hereby acknowledges that the Investor shall not be obligated to pay any portion of any placement fee or expense paid in connection with investments made by other investors in the Partnership.

14. **Financial Reports.** In addition to any reports required to be delivered pursuant to Section 11.2 of the Partnership Agreement, on a quarterly basis, the General Partner will provide the Investor a report, in the form of Exhibit A, identifying the amount of Management Fees paid to the General Partner or the Management Company (or their Affiliates) during such period, any applicable Fee Income pursuant to Section 10.2 of the Partnership Agreement, performance fees, Carried Interest Distributions, development fees, acquisition fees, listing fees, brokerage fees and other fees paid to the General Partner and/or Management Company or their Affiliates during such period.

15. **Business Opportunity and Employment Preference Acts.** To the extent that the General Partner or the Management Company physically performs any activities within the exterior boundaries of the Navajo Nation, the General Partner and the Management Company agree to comply with the Navajo Business Opportunity Act, 5 N.N.C. §§ 201 *et seq.* for all activities performed by them within the exterior boundaries of the Navajo Nation. The Investor acknowledges and agrees that the performance by the General Partner and the Management Company of their respective obligations and duties as described and contemplated by the Partnership Agreement, the Management Agreement and this Agreement do not constitute services performed within the exterior boundaries of the Navajo Nation and would therefore not be subject to the provisions of the Navajo Business Opportunity Act. The General Partner and the Management Company further agree to comply with all applicable portions of the Navajo Preference in Employment Act, 15 N.N.C. §§ 601 *et seq.*, which only applies when the General Partner or the Management Company is hiring personnel within the territorial jurisdiction of the Navajo Nation solely for the purpose of servicing the Investor's account.

16. **Accredited Status.** The General Partner acknowledges and agrees that as a sovereign federally recognized Indian Tribe, Investor is not recognized as an "accredited investor" within the meaning of that term as defined in Regulation D of the Securities Act of 1933, nor is Investor a "qualified client" as defined by Rule 205-3(d)(1) of the Advisers Act or a "qualified purchaser" under § 2(a)(51) of the Investment Company Act of 1940, as amended. However, the Investor is a sophisticated institutional investor with assets under management in excess of \$2.5 billion and as such, is qualified to invest in the Partnership.

17. **Dispute Resolution.** The General Partner acknowledges that as a sovereign federally-recognized Indian Tribe, the Investor is immune from suit and other legal proceedings ("Legal Proceedings") without Investor's express written consent given in accordance with the laws of the Navajo Nation. The provisions of this Section 17 are intended to set forth the limited conditions pursuant to which the Partnership Agreement, the Subscription Agreement and this Agreement can be enforced by the Parties (as defined below) through Legal Proceedings.

(a) **Negotiation.** The Investor, the Partnership, the General Partner and the Management Company (each a "Party" and, collectively, the "Parties") agree that the Parties shall use their commercially reasonable efforts to negotiate a just and equitable resolution and settlement of any dispute, claim or disagreement between them which dispute, claim or

disagreement relates to or arises under the Partnership Agreement, the Subscription Agreement, this Agreement or any other related agreement or with respect to the Partnership, in each case between the Partnership and the General Partner and/or the Management Company, on the one hand, and the Investor, on the other hand (individually, each such dispute, claim or disagreement, a "Claim" and, collectively, "Claims").

(b) *Mediation.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, if the Parties cannot reach a negotiated settlement of a Claim within a period of sixty (60) days of the date when the Claim is first raised, then, upon written notice by one Party to the other Party ("Notice"), the Parties shall attempt in good faith to settle their dispute by mediation before a mediator experienced in federal Indian law. The mediation shall take place in [Window Rock, Arizona] (unless the Parties agree otherwise in writing), within a reasonable period of time, but not to exceed thirty (30) days following the stated date of the Notice.

(c) *Arbitration.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, if the Parties do not resolve a Claim by mediation, the sole dispute mechanism to finally resolve such Claim is by arbitration as contemplated by the Navajo Nation Sovereign Immunity Act, 1 N.N.C. §§ 554(J) and (K), and the Navajo Nation Arbitration Act, 7 N.N.C. §§ 1101 *et seq.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, the arbitration shall be conducted in accordance with the American Arbitration Association Commercial Arbitration Rules except to the extent such rules are modified by the following:

(i) *Venue.* Unless otherwise agreed by the Parties in writing, the arbitration shall be held in Window Rock, Arizona;

(ii) *Number of Arbitrators.* The arbitration panel shall consist of a single arbitrator unless one of the Party's claims exceeds \$1,000,000.00, exclusive of interest, costs and fees, then the arbitration panel shall consist of three (3) arbitrators (the Investor shall choose one arbitrator, the Partnership, the General Partner or the Management Company, as applicable, shall choose one arbitrator and those two chosen arbitrators shall agree upon the third arbitrator);

(iii) *Eligibility of Arbitrators.* No person shall be eligible to serve as an arbitrator if the person is related to, affiliated with or has represented in a legal capacity any Party. Each arbitrator shall be an attorney-at-law admitted to practice and in good standing before the highest court of the Navajo Nation or one or more of the Arizona, Utah, Colorado or New Mexico Bar Associations and who has a minimum of five years of professional experience within the securities industry or practiced corporate, securities or federal Indian law for at least such a period.

(iv) *Notice.* Notice of intent to invoke arbitration against the Investor shall be filed in compliance with the notice requirements of the Navajo Sovereign Immunity Act, 1 N.N.C. § 555;

(v) *Award Limitations.* An award against the Investor shall be in conformance with the provisions of the Navajo Nation Sovereign Immunity Act, 1 N.N.C. § 554(K);

(vi) *Review and Modification.* An arbitration award shall not be subject to

review or modification, or vacated, by a court for any reason other than in the circumstances described in the Navajo Nation Arbitration Act. The judgment confirming an award shall have the same force and effect in all respects as, and be subject to all the provisions of law relating to, a judgment in a civil action, and it may be enforced as if it has been rendered in a civil action in a court of competent jurisdiction. When the award requires the performance of any other act than the payment of money, the court shall direct the enforcement thereof in the manner provided by the Navajo Nation Arbitration Act; and

(vii) *Exclusive Jurisdiction.* The Navajo Nation courts shall have exclusive jurisdiction to compel arbitration and to enforce, modify and vacate (under the circumstances described in the Navajo Nation Arbitration Act) an arbitration award.

Notwithstanding this Section 17, any dispute, Claim or disagreement under the Partnership Agreement or any related agreement or with respect to the Partnership involving Persons other than the Investor shall be resolved under and in accordance with provisions of the Partnership Agreement and the rights granted thereunder, but in no circumstance shall any Claim directed against or involving the Investor be addressed in any manner other than as set forth in this Section 17.

18. **Immunities and Defenses.** Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, the General Partner and the Management Company understand that the Investor reserves all immunities, defenses, rights or actions arising out of its status as a sovereign nation and its status as a federally-recognized Indian Tribe, including but not limited to, all immunities, defenses, rights or actions arising under the laws of the Navajo Nation and the laws of the United States. No provision of this Agreement, the Partnership Agreement or the Subscription Agreement shall be construed as a waiver or limitation of the immunities, defenses, rights or actions referenced in the previous sentence. Among the Investor's sovereign rights are its right to limit its liability for damages other than compensatory damages, damages in excess of contract amounts and damages to third party beneficiaries, as well as to limit the periods in which to bring legal action, and to limit or preclude the ability to recover attorneys' fees from the Investor, to subject the Investor to indemnity obligations, to require the Investor to waive its venue or arbitration procedures, and to require the Investor to become subject to dispute resolution and confidentiality requirements not otherwise authorized by the laws of the Navajo Nation (collectively, together with all such other rights, the "Limitations"). Terms and provisions in the Partnership Agreement and Subscription Agreement relating to any of the Limitations will not be binding upon the Investor, except to the extent authorized by the laws of the Navajo Nation. The General Partner and the Management Company acknowledge and agree that any provision in the Partnership Agreement or the Subscription Agreement purporting to (i) subject the Investor to Legal Proceedings in New York (or some other jurisdiction other than the Navajo Nation), (ii) cause the Investor to waive its right to certain statutes of limitations or venue, (iii) subject the Investor to indemnity obligations that would require a resolution of the Navajo Nation Council in accordance with 2 N.N.C. § 223(C), or (iv) require the Investor to pay any amount in violation of 1 N.N.C. § 554(K), are not applicable to or enforceable against the Investor.

19. **Governing Law, Venue and Jurisdiction.** Notwithstanding anything to the contrary in the Partnership Agreement, the Subscription Agreement, or this Agreement, the rights and obligations of Investor shall be governed by and construed in accordance with the laws of the Navajo Nation and applicable federal law, without giving effect to conflicts of law provisions. The Investor represents and warrants that there is no substantive law of the Navajo Nation that is inconsistent with the Investor's fulfillment of its obligations under the Partnership Agreement (as modified by this Agreement) and

hereby covenants not to assert the existence of inconsistent substantive Navajo law in connection with any Claim that may arise in connection with the Partnership Agreement or the Subscription Agreement, in each case as modified by this Agreement. The General Partner and the Management Company acknowledge and agree that any legal proceeding involving any Claim asserted against the Investor arising out of the Partnership Agreement, the Subscription Agreement, or this Agreement may be brought as specified in Section 17 above.

20. **Liability of Nation.** In accordance with 2 N.N.C. § 223(A) and § 354, the Investor's subscription and obligations under the Partnership Agreement and the Subscription Agreement are contingent upon the availability of appropriations by the Navajo Nation Council to carry out the same. In accordance with 2 N.N.C. § 223(B), the Investor represents, warrants and agrees that the Investor's obligations under the Partnership Agreement and the Subscription Agreement have been approved and appropriations by the Navajo Nation Council have been made available to satisfy the Investor's initial obligations under the Partnership Agreement and the Subscription Agreement. To the extent permitted by law, the Investor agrees to continue to budget and use its best efforts to secure appropriations of funds sufficient to satisfy the Investor's continuing obligations under the Partnership Agreement and the Subscription Agreement as required by 2 N.N.C. § 223(B).

21. **Indemnification by the Investor.** The General Partner, the Partnership and the Management Company hereby waive any right of indemnification against the Investor set forth in the Partnership Agreement, the Subscription Agreement or any related agreement to the extent that indemnification (i) would require a resolution of the Navajo Nation Council under 2 N.N.C. § 223(C), (ii) would subject the Investor to Legal Proceedings not contemplated under Section 17 hereof, (iii) would require the Investor to pay any amount in violation of 1 N.N.C. § 554(K) or (iv) would violate 2 N.N.C. § 223(A) or any other provision of Navajo law. Notwithstanding the foregoing, the Investor hereby acknowledges that the General Partner may (i) use the assets of the Partnership, including, without limitation, the Investor's share of such assets and/or (ii) call capital pursuant to Section 4.3 of the Partnership Agreement, in each case in order to satisfy the Partnership's indemnification obligations and subject to the terms of the Partnership Agreement. Further, to the extent the Investor has any indemnification obligations, under no circumstances shall the Investor be obligated to indemnify the Partnership, the General Partner, the Management Company or any of their Affiliates for losses incurred by any such Persons if any such losses were caused by the breach by any such Persons of any of their respective obligations under any of the Partnership Agreement, the Management Agreement, the Subscription Agreement or this Agreement.

22. **Power of Attorney.** The power of attorney granted to the General Partner by the Investor pursuant to the Partnership Agreement and the Subscription Agreement shall be limited to ministerial matters which do not affect the material rights or obligations of the Investor, and such power of attorney shall automatically be revoked if the General Partner files a petition in bankruptcy, is dissolved, or is no longer the general partner of the Partnership, in each case upon the occurrence of any such event. In addition, the General Partner shall not exercise any power of attorney granted to it by the Investor in any manner that could materially and adversely affect the Interests of the Investor in the Partnership or otherwise. The General Partner shall promptly provide the Investor with a copy of any agreement, instrument, or other document that is signed by the General Partner as attorney-in-fact for the Investor pursuant to the power of attorney set forth in the Partnership Agreement or the Subscription Agreement. Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement concerning the "power of attorney" provided therein, the Parties agree that no exercise of such power by the General Partner which contravenes any law of the Navajo Nation is authorized by the Investor and no such exercise shall be deemed valid.

23. **Books and Records and Audit.** The General Partner shall maintain accurate books and records relating to the Investor's interest in the Partnership, including accounting records. In accordance with 12 N.N.C. § 352(B), during the term of the Partnership and for at least five (5) years after expiration or termination of the Partnership, on reasonable notice, the General Partner shall make its books and records available to the Investor for review and audit electronically. The General Partner and the Management Company acknowledge and agree that each may be subject to examination and audit by the Investor's external auditors, as well as the Auditor General of the Navajo Nation, during the term of the Partnership and for five years (5) years thereafter. Any examination or audit of the General Partner performed by the Investor, its external auditors, or the Navajo Auditor General shall be confined to those matters relating to the Investor's investment in the Partnership. The General Partner and the Management Company shall reasonably cooperate with the Investor's examiners, auditors, and their respective representatives in connection with any examination or audit of the General Partner's duties (or that of the Management Company) with respect to the Partnership.

24. **Audit Requirements.** The General Partner agrees that the audit to be performed at the end of each Partnership Year shall be performed in accordance with U.S. generally accepted accounting principles consistently applied over the period presented (or such other accounting standard as may be adopted by the accounting industry and approved by Majority in Interest) and shall include test work on the balance sheet or statement of net assets, statement of operations, statement of investments, statement of cash flows, and statement of changes in Partners' capital accounts. Individual Partner capital accounts will be reconciled by the General Partner to the annual audited financial statements described in this paragraph. The audit shall also include a review of the capital accounts with specific attention to Management Fees, other Partnership expenses and Carried Interest Distributions calculations to provide independent verification of distributions to the General Partner and the Investor.

25. **Credit Facility and Borrowings.**

(a) The General Partner agrees that it shall not enter into any arrangements or obligations in connection with Sections 2.1(ix), 2.3 or 2.4 of the Partnership Agreement which purport to bind the Investor in its individual capacity.

(b) Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, solely in consideration of the Investor's status as a sovereign nation and the internal policies of the Investor with respect to credit facilities entered into by the Partnership in which the Investor holds an Interest, except as provided in this paragraph, the Investor shall not be obligated to provide or deliver the information, documentation, opinion, or certification called for in connection with any credit facility. The Investor agrees that it will provide a lender or lender's agent under a credit facility (i) an accurate "investor letter" consistent with "investor letters" that the Investor generally provides other credit facility providers and (ii) from time to time upon the request of the Partnership a certificate setting forth the remaining amount of the Investor's Remaining Capital Commitment.

(c) In consideration of the Investor's status as a sovereign nation, for purposes of the Partnership Agreement, the Subscription Agreement and other applicable agreements, to the extent the Investor is required to provide financial information to the General Partner, the Partnership or a lender or lender's agent under a credit facility, the information to be delivered shall be limited to publicly available financial information. The Investor shall not be required to deliver any financial information other than that which is publicly available from its auditors. The General Partner acknowledges that those portions of the audited annual financial report for Investor for the most recent fiscal year ending September 30 which are not confidential will be provided to a lender upon its written request.

26. **Alternative Investment Vehicles; Parallel Partnerships.** If the General Partner establishes any Parallel Partnership pursuant to Section 3.1 of the Partnership Agreement or Alternative Investment Vehicle pursuant to Section 3.2 of the Partnership Agreement in which the Investor shall have an interest, the General Partner agrees to provide to the Investor notice of such occurrence together with copies of all the governing documents of such Parallel Partnership or Alternative Investment Vehicle, as applicable. For the avoidance of doubt, the Investor shall not be required to participate in any Parallel Partnership or Alternative Investment Vehicle without the Investor's prior written consent.

27. **Co-Investment Opportunities.** Notwithstanding Section 3.5 of the Partnership Agreement to the contrary, during the Investment Period, if the General Partner or the Partnership offers the opportunity to co-invest in any Investment to the Investor, such offer shall be for a pro rata portion (based on Capital Commitments) of such co-investment opportunity. The General Partner agrees that, except as the Parties otherwise agree, in writing, no management fees or carried interest shall be payable by the Investor to the General Partner or any of its Affiliates in connection with the Investor's participating in any co-investment opportunity. All co-investments shall be reported on at least a quarterly basis and in the format commensurate with the reporting of other investments of the Partnership.

28. **[Reserved.]**

29. **Subscription Agreement "Knowledge" Qualifier.** The General Partner confirms that with respect to the Investor's representations and warranties provided in the Subscription Agreement, such representations and warranties are made to the best of the Investor's knowledge. As used herein, to the "best of the Investor's knowledge" means the actual knowledge of those persons within the Investor's organization who have directly participated in the review of the Fund Documents (as defined in the Subscription Agreement) in connection with the purchase of the Interests, after such persons conducted reasonable diligence on such matters. The General Partner acknowledges that those persons have not undertaken any special or independent investigation to determine the existence or absence of such facts, and any limited inquiry undertaken by them during the review and execution of the Subscription Agreement shall not be regarded as such an investigation. This paragraph shall specifically apply to the representations and warranties made in Section 2 of the Subscription Agreement.

30. **Forced Withdrawal.** If the General Partner has the right to require the Investor to withdraw from the Partnership, any related costs and expenses incurred by any of the Parties shall *not* be borne by the Investor.

31. **General Partner Withdrawal.** The General Partner agrees that it will not withdraw as General Partner of the Partnership, without the prior approval of a Majority in Interest. Further, no substitute general partner shall be appointed for the General Partner without the approval by a Majority in Interest.

32. **Term of Partnership.** Any extension of the Partnership for additional one-year periods beyond that authorized by the Partnership Agreement shall be subject to the approval of a Majority in Interest.

33. **Removal of General Partner for Cause.** To clarify those provisions of the Partnership Agreement authorizing the General Partner and/or the Management Company to be removed pursuant to Section 8.7 of the Partnership Agreement, clauses (a), (b) and (c) of Section 8.7 of the Partnership shall also include a determination by a court of competent jurisdiction that the General Partner or the Management Company has been convicted of, or has pleaded no contest to, a criminal violation of any securities law or other criminal felony offense. If the General Partner is removed pursuant to Section 8.7(a), (b) or (c), its Carried Interest Distributions shall be reduced by fifty percent (50%).

Notwithstanding anything to the contrary in the Partnership Agreement, such reduction shall not constitute a release of liability for the General Partner, the Management Company or any of their Affiliates.

34. **Limited Partner Identity.** Without the Investor's prior written consent, none of the Partnership, the General Partner, the Management Company or any of their affiliates shall (a) use the Investor's name or derivations thereof in advertising, publicity, marketing materials, private placement memorandum or other offering materials or any other similar publication or document or otherwise and/or (b) imply that the Partnership has been endorsed by the Investor. Notwithstanding clause (a) above, on a need to know and confidential basis, the General Partner and its affiliates may inform other Limited Partners in the Partnership of the fact and amount of the Investor's subscription to the Partnership; on a need to know and confidential basis, make any disclosure that is required to be made to any lender or potential lender of funds to the Partnership or its affiliates; on a need to know and confidential basis, disclose the Investor's name and subscription amount if the General Partner first determines in good faith that such disclosure is in the best interests of the Partnership; and make any other disclosure regarding the Investor's investment in the Partnership required by law, legal process, stock exchange rule or that is required to reduce or eliminate withholding or other taxes, in each case, without obtaining the prior written consent of the Investor.

35. **ERISA.** The General Partner shall provide the Investor with the same information and notices it is required to provide to Limited Partners subject to ERISA pursuant to the Partnership Agreement, and all provisions of the Partnership Agreement pertaining to ERISA Partners shall apply to the Investor even though the Investor is not an ERISA Partner.

36. **General Partner and Management Company as Fiduciaries.** Each of the General Partner and the Management Company is and shall remain a fiduciary of the Investor and the other Partners with respect to its performance of duties under the Partnership Agreement and the Management Agreement. As a fiduciary of the Partners, the General Partner and the Management Company owe the Partners a duty of loyalty, due care, and skill and shall refrain from self-dealing or other acts prejudicial to or harmful to the interests of the Partners. In accordance with § 3.1 of the Investor's Master Investment Policy, the General Partner and the Management Company shall make investments for the Partners with the judgment and care, under circumstances then prevailing, which Persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived, and solely for purposes of benefiting the Partners (the "Investment Standard"). In furtherance of the Investment Standard, each of the General Partner and the Management Company acknowledges that it is primarily involved in making large investments and that in making such investments on behalf of the Partners, the General Partner and the Management Company will endeavor to produce maximum growth in income and/or appreciation of capital with a high degree of safety in protecting the Partnership's funds and the probable income anticipated therefrom, consistent with the nature of the investments being made and considering such investments as a whole, in accordance with 12 N.N.C. § 902(A). Each of the General Partner and the Management Company confirms that its duties at law or in equity (including fiduciary duties) under the Act or the Advisers Act, as applicable, to the Partnership or the Limited Partners have not in any way been restricted or eliminated. For the avoidance of doubt, when the Partnership Agreement or the Subscription Agreement grants the General Partner or the Management Company authority to make a determination or to act in its "discretion," "sole discretion," or "sole and absolute discretion," or words to that effect, such discretion shall be exercised in accordance with, rather than in place of, the General Partner's and the Management Company's fiduciary duties to the Partners.

37. **Enforceability as to Subsequent Subscriptions.** This Agreement shall apply in all material respects with respect to the Investor to any (i) future increase in Capital Commitment by the

Investor and (ii) agreement governing any Alternative Investment Vehicles, Parallel Partnerships or Feeder Partners, as described in the Partnership Agreement.

38. **No Further Use.** To the fullest extent permitted by law, the Partnership, the General Partner and the Management Company shall keep this Agreement and its terms strictly confidential and shall not disclose the terms and provisions of this Agreement to any other person or entity, including without limitation, any other manager of an investment fund, and shall not authorize their respective attorneys to use or refer to this Agreement for any purpose other than its direct representation of the Partnership, the General Partner or the Management Company. Notwithstanding the foregoing, the Partnership and the General Partner may disclose the terms of this Agreement to (i) the Partnership's consultants, custodians, brokers, engineers, architects, contractors, escrow agents, attorneys, fund administrators, placement agents, accountants, auditors and other agents and employees during the ordinary course of their provision of services to the Partnership, but only on a need to know and confidential basis; or (ii) other investors in the Partnership to comply with any "most favored nation" agreement they may have with such investors; provided, that any and all information that may identify the Investor is fully redacted.

39. **Secondary Interests.** To the extent there exists an opportunity for the purchase of another Limited Partner's Interest in the Partnership (a "Secondary Interest"), the General Partner shall notify the Investor of such opportunity (the "Secondary Notice") to acquire such Secondary Interest within a commercially reasonable period of time of it becoming aware of such Secondary Interest opportunity. The General Partner shall use commercially reasonable efforts to facilitate an introduction of the Investor to the Limited Partner offering such Secondary Interest.

40. **List of Investments Following Termination of Investment Period.** Promptly following the termination of the Investment Period, the General Partner shall send to the Investor a list of the Permitted Investments with respect to which the General Partner contemplates using Distributable Cash or making Capital Calls as described in Section 2.6(a) of the Partnership Agreement.

41. **Notice of Use of Distributable Cash to Fund Drawdowns.** If, pursuant to Section 4.3(f) of the Partnership Agreement, the General Partner uses Distributable Cash to apply to all or any amounts that would otherwise be drawn down from the Investor, the General Partner shall issue a notice to the Investor containing information substantially similar to that which would be contained in a Drawdown Notice, detailing the use of such Distributable Cash.

42. **Application of Drawdown Amounts.** The General Partner agrees that it shall notify the Investor if a Capital Contribution paid by the Investor is used for any purpose other than the purpose specified in the Drawdown Notice for such Capital Contribution.

43. **Funding of Defaulted Amount.** In the event of a Default by a Limited Partner, the Investor shall not be responsible for any portion of the Management Fee with respect to such Defaulting Partner (for the avoidance of doubt, if the Investor purchases a Defaulting Partner's Interest or the General Partner issues additional calls for Capital Contributions as a result of such Default, the Investor shall be subject to the Management Fee with regard thereto).

44. **Defaults.** The Investor may be deemed a Defaulting Partner by the General Partner pursuant to Section 4.5 of the Partnership Agreement only to the extent the Investor fails to make all or any portion of any Capital Contribution when and as due, and such failure continues unremedied for a period of ten (10) days after written notice of such failure is delivered to the Investor by the General Partner.

45. **Successor Fund Subscriptions.** To the extent the General Partner launches a successor fund to the Partnership, the General Partner shall extend an invitation to Investor to invest in such successor fund, at a minimum, up to the amount of the Investor's *pro rata* Interest in the Partnership.

46. **AML Documentation Compliance; Additional Information.**³ Notwithstanding anything to the contrary in the Partnership Agreement, the Subscription Agreement or any related document, except for their names, the Investor shall not be obligated to provide the General Partner, the Partnership or any administrator of the Partnership with personal identification information about the Navajo Nation Council or the Investor's executive officers or counsel. Among other things, the Investor shall not be obligated to provide the General Partner, the Partnership or any administrator of the Partnership with the social security numbers, driver license numbers, and residence address information of the members of the Navajo Nation Council, the Investor's executive officers or counsel. Notwithstanding anything to the contrary contained in this Agreement, the Subscription Agreement or the Partnership Agreement, the Investor shall not be required to deliver financial or other information, documents, forms, statements, representations, opinions or certifications or execute any document, certificate or instrument or take any other action if doing so would be an unreasonable burden or expense to the Investor or would cause the Investor to violate any law applicable to it.

47. **Legal Counsel.** The General Partner acknowledges and agrees that the Investor has not waived, and shall not be deemed to have waived, any future conflicts of interest with respect to legal counsel advising the Partnership, the General Partner or the Management Company in connection with Investor's investment in the Partnership.

48. **Bipartisan Budget Act.** The Investor hereby represents and warrants to the General Partner and the Partnership that the Investor (a) is a tax-exempt entity under U.S. federal laws, (b) is not subject to any tax liability or withholding requirements of U.S. federal law, and (c) will provide the General Partner with an IRS Form W-9 certifying to the foregoing status. Based solely on the foregoing representation, if the Internal Revenue Service, in connection with an audit governed by the Partnership Tax Audit Rules, proposes an adjustment in the amount of any item of income, gain, loss, deduction or credit of the Partnership, or any Partner's distributive share thereof, and such adjustment results in an "imputed underpayment" as described in Code Section 6225(b), the General Partner will consider in good faith whether the election to apply the alternative method described in Code Section 6226 (the "Alternative Method"), and/or any modifications under Code Section 6225(c)(3), (4) and (5), are available, reasonably practicable, and in the best interests of the Partnership under the circumstances (taking into account the amount of the adjustment, the administrative burden and cost associated with the Alternative Method or any such modifications, whether the partnership representative authorized to act on behalf of the Partnership in respect of Partnership audits (the General Partner and/or such other person, the "Partnership Representative") has received any needed information on a timely basis from the Partners, and other relevant factors), provided that the ultimate decision concerning whether or not to elect the Alternative Method or make any such modifications will be in the reasonable discretion of the General Partner. The General Partner confirms that it interprets Section [6.7(d)][11.4] of the Partnership Agreement to permit the General Partner to make appropriate adjustments so that the benefit of any such modification specifically attributable to the Investor's tax status will be allocated solely to the Investor. All references in this paragraph to Code Sections 6225 and 6226 are to those sections of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or any applicable successor provisions.

49. **Good Faith.** In accordance with the Navajo Nation Procurement Act at 12 N.N.C. § 302 and without limitation of the fiduciary obligations of the General Partner or the Management Company,

³ [NTD: To discuss and revise per Administrator's comments.]

the Parties shall act in good faith in connection with their negotiation, performance and administration of this Agreement, the Partnership Agreement and Subscription Agreement.

50. **Force Majeure.** All provisions of the Partnership Agreement, if any, applying *force majeure* shall apply to the Parties mutually, and not just in favor of the General Partner.

51. **Attorneys' Fees.** All provisions in the Partnership Agreement or the Subscription Agreement mandating an award of attorneys' fees and costs of litigation shall apply to the Parties mutually, and not just in favor of the General Partner, such that in the event any Party is the successful Party in connection with any Claim, that Party shall be awarded its reasonable attorneys' fees and costs of litigation against the non-successful Party, with such a determination to be made by the arbitrator or arbitration panel and not a jury.

52. **Waiver.** For purposes of clarity, no unilateral modification by the General Partner to the Partnership Agreement or the Subscription Agreement which purports to modify (or has the effect of modifying) the terms of this Agreement shall be construed as having been approved by the Investor, or to qualify as a waiver by the Investor of the relevant terms of this Agreement, unless the Investor first consents to such modification by separate writing, regardless of whether the Investor does not respond to any proposed modification within the period specified by the General Partner.

53. **General Partner Transfers.** The General Partner hereby agrees with the Investor that, as a condition to any voluntary transfer, assignment or other voluntary disposition of all of its direct general partner interest in the Partnership to any Person, and prior to such Person's admission as a general partner of the Partnership, the General Partner shall cause such Person to enter into a letter agreement with the Investor in form and substance substantially identical to this Agreement.

54. **Amendment to the Partnership Agreement.** The General Partner hereby agrees that, no later than 30 days after the Last Closing Date, the General Partner shall present the amendments to the Partnership Agreement as set forth in Exhibit B attached hereto to the Limited Partners for approval and that, on and after the date hereof, the General Partner, the Management Company and the Partnership shall act in accordance with such amendments.

55. **Reports to the Investor.** The General Partner shall deliver to the Investor a quarterly report no later than forty-five (45) days following the end of each quarter and such report shall include a summary of the Investor's capital account activity, including beginning capital balance, contributions, distributions, income/loss allocated to the Investor (including detail of Management Fee and Carried Interest Distributions) and ending capital balance.

56. **Tax Returns.** The General Partner will use commercially reasonable efforts to cause the Partnership to provide to the Investor, within one hundred eighty (180) days after the end of each Tax Year (subject to reasonable delays in the event of late receipt by the Partnership of any necessary financial statements from any Portfolio Company), information regarding the Partnership that is required to timely complete and file the Investor's tax filings or to enable it to withhold tax or obtain refunds pursuant to applicable law, subject to the right of the General Partner to withhold any such information that it or the Partnership is prohibited from disclosing under applicable law or contractual confidentiality restrictions.

57. **Captions.** Captions used in this Agreement are for convenience only and shall not be construed as having any meaning and shall not be taken into account for purposes of construing any provision of this Agreement.

58. **Successors and Assigns.** This Agreement is solely for the benefit of the parties hereto, and, subject to Section 9 above, will not be assignable by any party without the prior written consent of the other parties. This Agreement will be binding upon, and inure to the benefit of, the respective successors and permitted assigns, as permitted by the terms of this Agreement or the Partnership Agreement, of the parties hereto.

59. **Amendments and Waivers.** This Agreement may not be modified or amended or the rights of any Party hereunder waived unless such modification, amendment or waiver is effected by a written instrument expressly modifying, amending or waiving this Agreement or the rights of a Party hereunder, which instrument is executed by all Parties.

60. **Conflicts and Survival.** This Agreement is binding on and enforceable against the Partnership, the Management Company and the General Partner notwithstanding any contrary provisions of the Partnership Agreement, the Management Agreement or the Subscription Agreement, and in the event of a conflict between the provisions of this Agreement and the Partnership Agreement, the Management Agreement or the Subscription Agreement, the provisions of this Agreement shall control. This Agreement, the Partnership Agreement and the Subscription Agreement, in each case as modified by this Agreement, represent the entire understanding of the Parties in respect of the subject matter contained herein and supersede all prior agreements and understandings between the Parties with respect to the subject matter of such instruments. This Agreement shall survive delivery of fully executed originals of the Partnership Agreement and Subscription Agreement, and the Investor's admission to the Partnership as a Limited Partner.

61. **Counterparts.** This Agreement may be executed in counterparts (whether original or facsimile counterparts), each of which shall be deemed an original and which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

62. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the Navajo Nation, without regard to conflict of law principles. This Agreement may be amended only by a written agreement among all of the Parties.

[Rest of Page Left Intentionally Blank]

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date first written above.

Ladies and Gentlemen:

This subscription agreement (together with the Investor Questionnaire and the Investor Data Sheet, collectively referred to herein as the "Subscription Agreement") is made by and among WCP Special Core Plus Fund II, L.P. a limited partnership organized under the laws of the State of Delaware (the "Partnership"), WCP Special Core Plus Fund II GP, LLC, a limited liability company organized under the laws of the State of Delaware and the general partner of the Partnership (the "General Partner"), and the undersigned individual or entity (the "Investor") who is hereby applying to become a limited partner of the Partnership (a "Limited Partner"), on the terms and conditions set forth in this Subscription Agreement and in the Amended and Restated Agreement of Limited Partnership of the Partnership (as amended from time to time, the "Partnership Agreement") in each case as supplemented and modified by the letter agreement dated the date hereof (the "Side Letter") among the Investor, the Partnership, the General Partner and the Investment Manager (as defined below), copies of which have been furnished to the Investor. Capitalized terms used but not defined in this Subscription Agreement have the meanings set forth in the Partnership Agreement.

1. Subscription.

(a) The Investor hereby irrevocably subscribes for a limited partner interest in the Partnership (an "Interest") with a capital commitment (the "Capital Commitment") as set forth on this page above and the signature page hereof (subject to reduction as provided below). The Investor acknowledges and agrees that the General Partner will notify the Investor as to the conditional acceptance, in whole or in part, or rejection of the Investor's subscription for an Interest. An Interest will not be deemed to be sold or issued to, or owned by, the Investor (and an Investor's subscription for an Interest, in whole or in part, will not be deemed finally accepted) until the Investor is admitted as a Limited Partner (notice of which shall be given promptly in writing to the Investor). The Investor acknowledges and agrees that the General Partner reserves the right, in its sole discretion, to admit the Investor as a Limited Partner on the date of any closing of the Partnership (each such date of admission, a "Closing Date") and that the General Partner reserves the right, in its sole discretion, to reject this subscription for an Interest, in whole or in part, at any time prior to any Closing Date, notwithstanding execution by or on behalf of the Investor of the signature page hereof or notice from the General Partner of its conditional

acceptance of the Investor's subscription for an Interest. If this subscription is rejected in full, or in the event the closing applicable to the Investor does not occur (in which event this subscription shall be deemed to be rejected), this Subscription Agreement shall thereafter have no force or effect.

(b) The Investor agrees to be bound by the terms of the Partnership Agreement as modified by the Side Letter.

2. Representations and Warranties of the Investor. The Investor hereby represents and warrants to, and agrees with, the General Partner and the Partnership that the following statements are true as of the date hereof and will be true as of the Closing Date applicable to the Investor and as of each date on which the Investor makes any additional capital contributions to the Partnership:

(a) The Investor's Interest is being acquired for its own account (or for the account of a commingled trust or an institutional investor previously specified in writing to the Partnership with respect to which it has full investment discretion), for investment only and not with a view to resale or distribution thereof. The Investor's Interest is illiquid and involves certain investment risks. The General Partner has not made any representation or warranty concerning the possibility or probability of profit from an investment in the Partnership or the realization of any tax benefit as a result thereof.

(b) The Investor acknowledges that (i) the offering and sale of the Interests have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or any applicable state law or the applicable laws of any other jurisdiction, and are being made in reliance upon U.S. federal and state exemptions for transactions not involving a public offering and (ii) pursuant to Section 3(c)(1) or Section 3(c)(7) of the United States Investment Company Act of 1940, as amended (the "Investment Company Act"), the Partnership will not be registered as an investment company under the Investment Company Act. In furtherance thereof, the Investor represents and warrants that: the information relating to the Investor set forth in the Investor Questionnaire attached hereto and forming a part of this Subscription Agreement is complete and accurate as of the date set forth on the signature page hereof and will be complete and accurate as of the Closing Date applicable to the Investor. If the Investor is not a U.S. Person, the Investor further represents and warrants that (1) the Investor has not subscribed for the Interest for the account of any Person who is a U.S. Person, (2) the offer and sale of the Interest to the Investor constitute an "Offshore Transaction" (as defined in Rule 902 promulgated under the Securities Act), and (3) the Investor will not resell or transfer the Interest, other than in accordance with this Subscription Agreement, the Partnership Agreement, the provisions of Regulation S (Rules 901 through 905) and Preliminary Notes (as defined in Regulation S), pursuant to registration under the Securities Act or pursuant to any other available exemption from registration.

(c) The Investor is not structured or operated for the purpose or as a means of circumventing the provisions of the Investment Company Act. If the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor was not formed for the specific purpose of acquiring the Interest and (ii) the Investor's Capital Commitment does not constitute, and after the Closing Date applicable to the Investor will continue not to constitute, more than 40% of the combined amount of the Investor's total assets and committed capital. If the Partnership relies on the exemption provided in Section 3(c)(1) of the Investment Company Act and the regulations issued thereunder (the "Section 3(c)(1) Exemption") in order to not be required to register as an investment

company, and if the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor does not control, is not under common control with, or controlled by, any other investor in the Partnership and no Persons other than the Investor will have a beneficial interest in the Interest (other than as a shareholder, partner or other beneficial owner of an equity interest in the Investor) and (ii) except as expressly set forth in the "Supplemental Questions for Entities" section of the Investor Questionnaire, the Investor constitutes one beneficial owner for purposes of Section 3(c)(1) of the Investment Company Act. If the Partnership relies on the Section 3(c)(1) Exemption, then without the prior written consent of the General Partner, the Investor shall not take any action which shall increase the number of beneficial owners of the Investor's Interest in the Partnership to more than one Person (or such other number as is expressly set forth in the "Supplemental Questions for Entities" of the Investor Questionnaire) for purposes of Section 3(c)(1) of the Investment Company Act.

(d) The Investor has been furnished with, and has carefully read, the Confidential Private Placement Memorandum of the Partnership (together with any supplements or amendments thereto issued through the date hereof, the "Memorandum") and Part 2 of the current Form ADV (the "Form ADV Part 2") of Westport Capital Partners LLC (the "Investment Manager") and has been given the opportunity to (i) ask questions of, and receive answers from, the General Partner or any of its Affiliates concerning the terms and conditions of the offering of Interests and other matters pertaining to an investment in the Partnership and (ii) obtain any additional information necessary to evaluate the merits and risks of an investment in the Partnership that the General Partner can acquire without unreasonable effort or expense. In considering a subscription for an Interest, the Investor has evaluated for itself the risks and merits of such investment including the risks set forth under the caption "Certain Investment Considerations and Potential Conflicts of Interest" in the Memorandum, and is able to bear the economic risk of such investment, including a complete loss of capital, and in addition has not relied upon any representations made by, or other information (whether oral or written) furnished by or on behalf of, the Partnership, the General Partner, the Investment Manager or any director, officer, employee, agent or Affiliate of such Persons, other than as set forth in the Memorandum, the Form ADV Part 2, the Partnership Agreement, the Side Letter and this Subscription Agreement (together, the "Fund Documents"). The Investor has carefully considered and has, to the extent it believes necessary, discussed with its own legal, tax, accounting and financial advisers the suitability of an investment in the Partnership in light of its particular tax and financial situation, and has determined that the Interest being subscribed for hereunder is a suitable investment for the Investor.

(e) The Investor, if it is a corporation, limited liability company, trust, partnership or other entity, is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and all other jurisdictions where it is authorized to conduct business, and the execution, delivery and performance by the Investor of this Subscription Agreement and the Partnership Agreement, in each case as modified by the Side Letter, are within the Investor's corporate or other powers, as applicable, have been duly authorized by all necessary corporate or other action on its behalf, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the General Partner), and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any charter, by-laws, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the Investor is a party or by which the Investor or any of its properties is bound. This Subscription Agreement and the Partnership Agreement, in each case as modified by

the Side Letter, have been duly executed and delivered by the Investor and constitute valid and binding agreements of the Investor, enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(f) If the Investor is a natural person, the execution, delivery and performance by the Investor of this Subscription Agreement and the Partnership Agreement are within the Investor's legal right, power and capacity, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the General Partner), and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of applicable law or regulation or of any judgment, order, writ, injunction or decree or any agreement or other instrument to which the Investor is a party or by which the Investor or any of the Investor's properties is bound. This Subscription Agreement and the Partnership Agreement have been duly executed and delivered by the Investor and constitute valid and binding agreements of the Investor, enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(g) The Investor is not a defined contribution plan (such as a 401(k) plan) or a partnership or other investment vehicle (i) in which its partners or participants have or will have any discretion to determine whether or how much of the Investor's assets are invested in any investment made or to be made by the Investor or (ii) that is otherwise an entity managed to facilitate the individual decisions of its beneficial owners to invest in the Partnership.

(h) If the Investor is a "plan" as defined in Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended ("ERISA") that is subject to the provisions of Title I of ERISA, and/or a "plan" that is subject to the prohibited transaction provisions of Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), or an entity whose assets are treated as "plan assets" under Section 3(42) of ERISA and any regulations promulgated thereunder (a "Plan"), the person executing this Subscription Agreement on behalf of the Plan (the "Fiduciary") represents and warrants that:

1. such person is a "fiduciary" of such Plan and trust and/or custodial account within the meaning of Section 3(21) of ERISA, and/or Section 4975(e)(3) of the Code and such person is authorized to execute this Subscription Agreement;

2. unless otherwise indicated in writing to the Partnership, the Plan is not a participant-directed defined contribution plan;

3. the Fiduciary has considered a number of factors with respect to the Plan's investment in the Interest and has determined that, in view of such considerations, the purchase of an Interest is consistent with the Fiduciary's responsibilities under ERISA. Such factors include, but are not limited to:

- (i) the role such investment or investment course of action plays in that portion of the Plan's portfolio that the Fiduciary manages;

(ii) whether the investment or investment course of action is reasonably designed as part of that portion of the portfolio managed by the Fiduciary to further the purposes of the Plan, taking into account both the risk of loss and the opportunity for gain that could result therefrom;

(iii) the composition of that portion of the portfolio that the Fiduciary manages with regard to diversification;

(iv) the liquidity and current rate of return of that portion of the portfolio managed by the Fiduciary relative to the anticipated cash flow requirements of the Plan;

(v) the projected return of that portion of the portfolio managed by the Fiduciary relative to the funding objectives of the Plan; and

(vi) the risks associated with an investment in the Partnership and the fact that the transferability of the Interests is substantially restricted, both by the Partnership Agreement and applicable law.

4. the investment in the Partnership and the appointment of the Investment Manager as an "investment manager" within the meaning of Section 3(38) of ERISA have been duly authorized under, and conforms in all respects to, the documents governing the Plan and the Fiduciary;

5. the Fiduciary is: (a) responsible for the decision to invest in the Partnership; (b) independent of the Investment Manager and the Partnership; and (c) qualified to make such investment decision;

6. if the investing Plan is an ERISA Plan, then, in the event that, and during any period when, the assets of the Partnership are treated as "plan assets" of such investing ERISA Plan, the investment in the Partnership constitutes the appointment by the Fiduciary, in accordance with the written instruments governing the investing ERISA Plan, of the Investment Manager as an "investment manager" as defined in Section 3(38) of ERISA, with respect to the assets of such ERISA Plan that are invested in the Partnership;

7. (a) none of the General Partner, Investment Manager, or any of their employees or affiliates: (i) manages any part of the Investor's investment portfolio on a discretionary basis; (ii) regularly gives investment advice with respect to the assets of the Investor; (iii) has an agreement or understanding, written or unwritten, with the Investor under which the latter receives information, recommendations or advice concerning investments that are used as a primary basis for the Investor's investment decisions; or (iv) has an agreement or understanding, written or unwritten, with the Investor under which the latter receives individualized investment advice concerning the Investor's assets;

OR

(b): (i) the Fiduciary, who is independent of the Investment Manager, has studied the Memorandum and has made an independent decision to subscribe for an Interest solely on the basis of such Memorandum and without reliance on any other information or

statements as to the appropriateness of this investment for the Investor; and (ii) the Investor represents and warrants that neither the Investment Manager nor any of its employees or affiliates: (A) has exercised any investment discretion or control with respect to the Investor's purchase of Interests; (B) has authority, responsibility to give, or has given individualized investment advice with respect to the Investor's subscription for an Interest; or (C) is the employer maintaining or contributing to such Plan.

8. no Plan investment guidelines, restrictions or proxy voting policies otherwise applicable to the assets of the Investor shall apply to the assets invested in the Partnership.

(i) The Fiduciary agrees, at the request of the Partnership, to furnish the Partnership with a true and complete list of all fiduciaries with authority to select and retain the Interests as an investment for the Investor and such fiduciaries' "affiliates". For purposes of this item, an "affiliate" of a person includes (i) any person directly or indirectly, through one or more intermediaries, controlling, controlled by, or under common control with the person; (ii) any corporation, partnership, trust or unincorporated enterprise of which such person is an officer, director, 10% or more partner, or highly compensated employee as defined in Section 4975(e)(2)(H) of the Code (but only if the employer of such employee is the plan sponsor); and (iii) any director of the person, any highly compensated employee (as defined in Section 4975(e)(2)(H) of the Code) of the person, or any employee of the person who has direct or indirect authority, responsibility, or control regarding the custody, management or disposition of the plan assets involved in the transaction.

(j) The Fiduciary agrees, at the request of the Partnership, to furnish the Partnership with such information as the Partnership may reasonably require to establish that the purchase of the Interests by an ERISA Plan and the transactions to be entered into by the Partnership do not violate any provision of ERISA or the Code, including, without limitation, those provisions relating to "prohibited transactions" by "parties in interest" or "disqualified persons" as defined therein.

(k) The Fiduciary agrees to notify the General Partner promptly in writing should the Fiduciary become aware of any change in the information set forth in or required to be provided by this Section 2.

(l) The Fiduciary acknowledges that ERISA restricts the trading of employer securities as defined in Section 407 of ERISA ("Employer Securities"). These restrictions require monitoring that the Investment Manager and, as applicable, its affiliates do not provide. The Fiduciary acknowledges that it must rely upon its ability to restrict the acquisition and holding of Employer Securities in other investment portfolios in order to ensure that any limitations applicable under Section 407 of ERISA are satisfied. The Fiduciary agrees to indemnify each Partnership Indemnitee (as defined below) against any and all loss, liability, claim, damage and expense whatsoever arising out of or based upon any violations of Section 407 of ERISA and acknowledges and agrees that any such loss, liability, claim, damage or expense arising out of or based upon transactions in Employer Securities by the Partnership shall be borne solely by the Fiduciary. The Fiduciary may request, at reasonable intervals, information on behalf of the investing ERISA Plan to determine if and to what extent the Partnership invests in securities issued by the employer of the employees covered by such ERISA Plan or by an affiliate of such employer.

(m) If applicable, the Investor has identified its status as a Benefit Plan Investor (as defined below) to the Partnership in its response to Question 1 under the ERISA Questions section in Part 2 of this Subscription Booklet. If the Investor has identified to the Partnership in its response to Question 1 under the ERISA Questions section in Part 2 of this Subscription Booklet that it is not currently a Benefit Plan Investor, but becomes a Benefit Plan Investor, the Investor shall forthwith disclose to the General Partner promptly in writing such fact and also the percentage of the Investor's equity interests held by Benefit Plan Investors. For these purposes, a "Benefit Plan Investor", as defined under Section 3(42) of ERISA and any regulations promulgated thereunder, includes (a) an "employee benefit plan" that is subject to the provisions of Title I of ERISA; (b) a "plan" that is not subject to the provisions of Title I of ERISA, but that is subject to the prohibited transaction provisions of Section 4975 of the Code, such as individual retirement accounts and certain retirement plans for self-employed individuals; and (c) a pooled investment fund whose assets are treated as "plan assets" under Section 3(42) of ERISA and any regulations promulgated thereunder because "employee benefit plans" or "plans" hold 25% or more of any class of equity interest in such pooled investment fund. The Investor agrees to notify the General Partner promptly in writing if there is any change in the percentage of the Investor's assets that are treated as "plan assets" for the purpose of Section 3(42) of ERISA and any regulations promulgated thereunder as set forth in the ERISA Questions section in Part 2 of this Subscription Booklet.

(n) If the Investor is an insurance company and is investing the assets of its general account (or the assets of a wholly owned subsidiary of its general account) in the Partnership, it has identified in its response to Question 3 under the ERISA Questions section in Part 2 of this Subscription Booklet whether the assets underlying the general account constitute "plan assets" within the meaning of Section 401(c) of ERISA. The Investor agrees to promptly notify the General Partner in writing if there is a change in the percentage of the general account's assets that constitute "plan assets" within the meaning of Section 401(c) of ERISA and shall disclose such new percentage ownership.

(o) If the Investor constitutes a partnership, grantor trust or S-corporation for U.S. federal income tax purposes, either (i) less than substantially all of the value of the interest of each beneficial owner (direct or indirect) in the Investor is attributable to the Investor's Interest in the Partnership within the meaning of Treasury Regulation Section 1.7704-1(h)(3) or (ii) permitting the Partnership to satisfy the 100-partner limitation under Treasury Regulation Section 1.7704-1(h)(1)(ii) is not a principal purpose of the Investor's beneficial owners' investing in the Partnership through the Investor.

(p) The Investor was offered the Interest in the state or locality identified in response to Question 1 of the Investor Data Sheet under the heading "Principal Place of Business of Investor," and the Investor intends that the securities laws of that state or locality shall govern the Investor's subscription of the Interest.

(q) The Investor is not subscribing for the Interest as a result of or subsequent to (i) any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over radio, television or the Internet or (ii) any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

(r) Any capital contributions made by the Investor to the Partnership shall not directly or indirectly be derived from activities that may contravene any applicable laws and regulations, including anti-money laundering laws and regulations.

(s) The Investor represents and warrants that, to the best of its knowledge, none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) bears a name that appears on the List of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control (“OFAC”)¹ from time to time; (B) is a foreign shell bank;² or (C) resides in or whose subscription funds are or will be transferred from or through an account in a non-cooperative jurisdiction.³ The Investor agrees to notify promptly the General Partner or the person appointed by the General Partner to administer the Partnership’s anti-money laundering program, if applicable, of any change in information affecting this representation and covenant.

(t) The Investor has conducted due diligence and based on such due diligence reasonably believes that none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) is a senior foreign political figure,⁴ any member of a senior foreign political figure’s immediate

¹ The rules and regulations administered by the OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <<http://www.treas.gov/offices/enforcement/ofac/>>. In addition, the programs administered by OFAC (“OFAC Programs”) prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

² A “foreign shell bank” means a foreign bank without a physical presence in any country, but does not include a regulated affiliate. “Foreign bank” means an organization that (i) is organized under the laws of a foreign country, (ii) engages in the business of banking, (iii) is recognized as a bank by the bank supervisory or monetary authority of the country of its organization or principal banking operations, (iv) receives deposits to a substantial extent in the regular course of its business, and (v) has the power to accept demand deposits, but does not include the U.S. branches or agencies of a foreign bank. The term “physical presence” means a place of business that is maintained by a foreign bank and is located at a fixed address, other than solely a post office box or an electronic address, in a country in which the foreign bank is authorized to conduct banking activities, at which location the foreign bank (i) employs one or more individuals on a full-time basis, (ii) maintains operating records related to its banking activities, (iii) is subject to inspection by the banking authority that licensed the foreign bank to conduct banking activities, and (iv) does not provide banking services to any other foreign bank that does not have a physical presence in any country and that is not a regulated affiliate.

³ A “non-cooperative jurisdiction” means any foreign country or territory that has been designated as non-cooperative with international anti-money laundering principles or procedures by an intergovernmental group or organization, such as the Financial Action Task Force on Money Laundering (“FATF”), of which the United States is a member and with which designation the United States representative to the group or organization continues to concur. See <http://www1.oecd.org/fatf/NCCT_en.htm> for FATF’s list of non-cooperative countries and territories.

⁴ A “senior foreign political figure” means a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-

family⁵ or any close associate⁶ of a senior political figure; (B) resides in, or is organized or chartered under the laws of, a jurisdiction that has been designated by the U.S. Secretary of the Treasury under Section 311 or 312 of the USA PATRIOT Act as warranting special measures due to money laundering concerns;⁷ or (C) will contribute subscription funds that originate from, or will be or have been routed through, an account maintained by a foreign shell bank, an "off-shore bank," or a bank organized or chartered under the laws of a non-cooperative jurisdiction.

(u) If the Investor is purchasing the Interest as agent, representative, intermediary/nominee or in any similar capacity for any other person, or is otherwise requested to do so by the General Partner, it shall provide, upon request, a copy of its anti-money laundering policies, procedures and controls (together, the "AML Policies") to the General Partner. The Investor represents that its AML Policies comply with all applicable anti-money laundering laws and regulations, that it is in compliance with its AML Policies and that its AML Policies have been approved by counsel or internal compliance personnel reasonably informed of anti-money laundering policies and their implementation and has not received a deficiency letter, negative report or any similar determination regarding its AML Policies from independent accountants, internal auditors or some other person responsible for reviewing compliance with its AML Policies.

(v) Subject to the terms of the Side Letter, this Subscription Agreement is not transferable or assignable by the Investor without the prior written consent of the General Partner.

(w) The Investor agrees that the foregoing representations and warranties will be deemed to be reaffirmed by the Investor at any time the Investor purchases or otherwise acquires additional Interests of the Partnership and such purchase or acquisition will be evidence of such reaffirmation, and if any of the foregoing representations or warranties cease to be true or accurate, or if they become misleading, the Investor will promptly notify the Partnership of the facts pertaining to such changed circumstances.

3. Representations and Warranties of the Partnership and the General Partner. The Partnership and the General Partner hereby represent and warrant to the Investor that:

(a) The Partnership is duly organized and validly existing as a limited partnership under the laws of the State of Delaware and has all requisite partnership power and authority to carry on its business as now conducted and as proposed to be conducted as described in the Memorandum. The General Partner is duly organized and validly existing as a limited liability company under the laws of the State of Delaware and has all requisite limited liability

company power and authority to act as general partner of the Partnership and to carry out the terms of this Subscription Agreement and the Partnership Agreement.

(b) The execution and delivery of this Subscription Agreement have been duly authorized by all necessary partnership action on behalf of the Partnership, and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any partnership agreement, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the Partnership is a party or by which the Partnership or any of its properties is bound. Assuming the valid execution of this Subscription Agreement by the Investor, this Subscription Agreement constitutes a valid and binding agreement of the Partnership, enforceable against the Partnership in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law). The execution and delivery by the General Partner of the Partnership Agreement and this Subscription Agreement have been authorized by all necessary limited liability company action on behalf of the General Partner, and do not and will not result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any provision of any charter, by-laws, trust agreement, indenture, mortgage, deed of trust, credit, note or evidence of indebtedness, or any lease or other agreement, or any license, permit, franchise or certificate, regulation, law, judgment, order, writ, injunction or decree to which the General Partner is a party or by which the General Partner or any of its properties is bound. Assuming the valid execution of this Subscription Agreement by the Investor, and the valid execution of the Partnership Agreement by the Limited Partners, this Subscription Agreement and the Partnership Agreement constitute valid and binding agreements of the General Partner, enforceable against the General Partner in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(c) Neither the Partnership nor anyone acting on its behalf has taken or will take any action that would subject the issuance and sale of the Interests to the registration requirements of the Securities Act or any state securities laws.

(d) Assuming the accuracy of the representations and warranties of the Limited Partners, the Partnership is not required to register as an "investment company" under the Investment Company Act.

(e) The Partnership will not make an election pursuant to Treasury Regulations Section 301.7701-3 to be treated as an association taxable as a corporation for federal income tax purposes.

4. Understandings. The Investor hereby understands, acknowledges and agrees with the Partnership and the General Partner as follows:

(a) The information contained in the Memorandum is confidential and non-public, and, subject to the terms of the Side Letter, all such information shall be kept in confidence and not disclosed to any third person (other than the Investor's advisers or representatives) for any reason, except to the extent required by applicable law or administrative or judicial process; provided, however, that this obligation shall not apply to any such information that (i) is part of the public knowledge or literature and readily accessible at the date hereof, (ii)

becomes part of the public knowledge or literature and readily accessible by publication (except as a result of a breach of this provision) or (iii) is received from third parties (except third parties who disclose such information in violation of any confidentiality agreements or obligations entered into with the Investment Manager, the General Partner or the Partnership). The Investor understands and agrees that, although the Partnership, the General Partner and the Investment Manager will use their reasonable efforts to keep the information provided in the answers to this Subscription Agreement strictly confidential, subject to the terms of the Side Letter, any of the Partnership, the General Partner and the Investment Manager may present this Subscription Agreement and the information provided in answers to it to such parties (e.g., affiliates, attorneys, auditors, administrators, brokers, regulators and counterparties) as it deems necessary or advisable to facilitate the acceptance of the Investor's subscription for Interests and management of the Partnership, including, but not limited to, in connection with anti-money laundering and similar laws, if called upon to establish the availability under any applicable law of an exemption from registration of the Interests, the compliance with applicable law and any relevant exemptions thereto by the Partnership, the General Partner, the Investment Manager or any of their affiliates, or if the contents thereof are relevant to any issue in any action, suit or proceeding to which the Partnership, the General Partner, the Investment Manager or their affiliates are a party or by which they are or may be bound or if the information is required to facilitate the Partnership's investments. The Partnership, the General Partner or the Investment Manager may also release information about the Investor if directed in writing to do so by the Investor, if compelled to do so by law or in connection with any government or self-regulatory organization request or investigation, or if the Partnership, the General Partner and/or the Investment Manager, in its reasonable discretion, deems it necessary or advisable to reduce or eliminate withholding or other taxes on the Partnership, its partners or the Investment Manager. Notwithstanding anything to the contrary herein, the Investor (and each employee, representative or other agent of the Investor) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of: (i) the Partnership; and (ii) any of the Partnership's transactions, and all materials of any kind (including, without limitation, opinions or other tax analyses) that are provided to the Investor relating to such tax treatment and tax structure, it being understood that "tax treatment" and "tax structure" do not include the name or the identifying information of (i) the Partnership or (ii) the parties to a transaction.

(b) The Investor agrees to provide promptly such information and execute and deliver such documents as may be necessary to comply with any and all laws and regulations to which the Partnership may be subject and ensure the accuracy of the Investor's representations and warranties herein.

(c) The Interests have not been approved or disapproved by the United States Securities and Exchange Commission (the "SEC") or by any other federal, state or foreign securities commission or regulatory authority, and none of the foregoing authorities has confirmed the accuracy or determined the adequacy of the Memorandum, the Partnership Agreement or this Subscription Agreement. Any representation to the contrary is a criminal offense.

(d) The Interests are speculative investments and involve a high degree of risk. There is no public market for the Interests, and no such public or other market is expected to develop. The transferability of the Interests is substantially restricted both by the terms of the Partnership Agreement as modified by the Side Letter and applicable law. In order to ensure the Partnership's compliance with the Section 3(c)(1) Exemption or the Section 3(c)(7) Exemption, as applicable, no initial and subsequent sales, assignments, or transfers of Interests shall be made if the Partnership has utilized the Section 3(c)(1) Exemption, if such sale, assignment or transfer

would violate the "one hundred beneficial owner" limitation under the Section 3(c)(1) Exemption. Investors in the Partnership have no rights to require that the Partnership register the offer or sale of the Interests on behalf of the Investors or to assist the Investors in complying with any exemption from registration under the Securities Act, any state law or the laws of any non-U.S. jurisdiction. The Investor will not be able to receive the benefit of the provisions of Rule 144 or 144A adopted by the SEC under the Securities Act with respect to the resale of the Interests in the Partnership. Accordingly, it may not be possible for the Investor to liquidate the Investor's investment in the Partnership and the Investor has no need for liquidity in this investment, can afford a complete loss of the investment in the Interest and can afford to hold the investment for an indefinite period of time.

(e) The Investor understands and agrees that in order to ensure compliance under applicable anti-money laundering laws, regulations and guidance the General Partner may require a detailed verification of the identity of a person applying for an Interest. Depending on the circumstances, a detailed verification might not be required where: (i) the Investor makes its capital contributions from an account held in the Investor's name at a recognized financial institution; or (ii) the subscription is made through a recognized intermediary. Subject to the terms of the Side Letter, the General Partner reserves the right to request such information as is necessary to verify the identity of an Investor. In the event of delay or failure by the Investor to produce any information required for verification purposes, the General Partner may refuse to accept the Investor's subscription until proper information has been provided (without limiting the General Partner's right to refuse a subscription for any other reason, including the content of any information delivered as requested).

(f) Subject to the terms of the Side Letter, the Investor covenants and agrees that it shall provide the General Partner, at any time during the term of the Partnership, with such information as the General Partner determines to be necessary or appropriate to (i) verify compliance with the anti-money laundering laws, regulations and/or guidance of any applicable jurisdiction or (ii) respond to requests for information concerning the identity of the Investor from any governmental or inter-governmental authority, self-regulatory organization or financial institution in connection with the Partnership's anti-money laundering compliance procedures.

(g) The Investor understands and agrees that if any of the representations and warranties set forth in Section 2(r), (s), (t) or (u) ceases to be true or if the Partnership no longer reasonably believes that it has satisfactory evidence as to their truth, notwithstanding any other agreement to the contrary, the Partnership may be obligated to freeze the Investor's investment, either by prohibiting additional investments and/or segregating the assets constituting the investment in accordance with applicable laws, regulations and/or guidance, or the Investor's investment may immediately be involuntarily withdrawn by the Partnership, and the Partnership may also be required to report such action and to disclose the Investor's identity to OFAC or any other authority. If the Partnership is required to take any of the foregoing actions, the Investor understands and agrees that, absent Disabling Conduct, it shall have no claim against the Partnership, the General Partner or any of their respective Affiliates, members, managers, partners, shareholders, officers, directors, employees or agents for any form of damages as a result of any of the aforementioned actions.

(h) The Investor certifies under penalties of perjury that (i) (A) the Investor's name, taxpayer identification or social security number (if applicable) and address provided in the Investor Data Sheet are correct and (B) the Investor has completed and returned with this Subscription Agreement the appropriate IRS Form(s) (W-9, W-8BEN, W-8BEN-E, W-8IMY, W-8ECI or W-8EXP), and (ii) (A) if the Investor is a "United States person" (as defined in the

Code), the Investor is not a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code), (B) if the Investor is not a "United States person" (as defined in the Code), the Investor is a non-resident alien individual, foreign corporation, foreign partnership, foreign trust or foreign estate (as defined in the Code) and (C) the Investor will notify the Partnership within 60 days of any change in such status. Subject to the terms of the Side Letter, the Investor agrees to complete properly and provide to the Partnership in a timely manner any tax documentation that may be reasonably required by the General Partner in connection with the Partnership.

(i) Subject to the terms of the Side Letter, the Investor agrees to promptly take such action, including providing and periodically updating information (which may include, among other things, the identities of the direct and indirect beneficial owners of the interests being subscribed for hereunder and the "controlling person(s)" of the Investor), that the Partnership or the General Partner, in its sole discretion, reasonably determines is necessary for the Partnership to comply with any legal obligation or to reduce or eliminate withholding taxes under Sections 1471-1474 of the Code or other similar laws. The Investor acknowledges that if it fails to timely take such action, the Investor may be subject to fines or other penalties, including a 30% U.S. withholding tax with respect to its share of any payment attributable to actual and deemed U.S. investments in the Partnership, and that the General Partner may take any action in relation to the Investor's interest or withdrawal proceeds to ensure that such penalties and withholding are economically borne by the Investor. If the investment in the Partnership is made through a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code, the Investor agrees that such foreign financial institution (including the Investor, if applicable) (i) shall meet the requirements of Section 1471(b)(1) or 1471(b)(2) of the Code and (ii) shall not delegate any withholding responsibility pursuant to Section 1471(b)(3) of the Code to the Partnership.

(j) Subject to the terms of the Side Letter, in connection with any borrowings by the Partnership, the Investor hereby agrees to deliver promptly to the General Partner such financial information as is reasonably requested by the General Partner or the lender providing such financing, including in the case of an Investor that is (directly or indirectly) investing the assets of a Plan that is subject to Title I of ERISA, such Plan's Form 5500, such evidence of authority for the execution, delivery and performance of its obligations under this Subscription Agreement or the Partnership Agreement as is reasonably requested by the General Partner or such lender and such confirmations and acknowledgments as may be reasonably required by such lender which shall be in form and substance reasonably satisfactory to the General Partner.

(k) If the Investor is a "charitable remainder trust" within the meaning of Section 664 of the Code, the Investor has advised the General Partner in writing of such fact and the Investor acknowledges that it understands the risks, including specifically the tax risks, if any, associated with its investment in the Partnership.

(l) If the Investor is acting as agent or nominee for a subscriber (a "Beneficial Owner"), the Investor understands and acknowledges that the representations, warranties and covenants made herein are made by the Investor: (i) with respect to the Investor; and (ii) with respect to the Beneficial Owner. The Investor represents and warrants that it has all requisite power and authority from said Beneficial Owner to execute and perform the obligations under this Subscription Agreement.

(m) The Investor understands that Schulte Roth & Zabel LLP ("SRZ") has been engaged by the General Partner and Investment Manager to represent them and the Partnership in connection with the organization of the Partnership and this offering of Interests in the Partnership. The Investor also understands that no separate counsel has been engaged to independently represent the Limited Partners, including the Investor, in connection with the formation of the Partnership, or the offering of the Interests.

Subject to the terms of the Side Letter, the Investor understands that SRZ will represent the Partnership on matters for which it is retained to do so by the General Partner and Investment Manager. The Investor also understands that other counsel may also be retained where the General Partner and Investment Manager determines that to be appropriate.

The Investor understands that, in advising the General Partner and Investment Manager with respect to the preparation of the Memorandum, SRZ has relied upon information that has been furnished to it by the General Partner and Investment Manager and their affiliates, and has not independently investigated or verified the accuracy or completeness of the information set forth in the Memorandum. In addition, the Investor understands that SRZ does not monitor the compliance of the General Partner and Investment Manager or the Partnership with the investment guidelines set forth in the Memorandum, the Partnership's terms or applicable laws.

The Investor acknowledges that there may be situations in which there is a "conflict" between the interests of the General Partner and Investment Manager and those of the Partnership. The Investor understands that, in these situations, the General Partner and Investment Manager will determine the appropriate resolution thereof, and may seek advice from SRZ in connection with such determinations. The General Partner, Investment Manager and the Partnership have consented to SRZ's concurrent representation of such parties in such circumstances. The Partnership understands that, in general, independent counsel will not be retained to represent the interests of the Partnership or the Limited Partners.

5. Grant of Power of Attorney.

(a) Subject to the terms of the Side Letter, the Investor hereby constitutes and appoints the General Partner irrevocably as its true and lawful agent and attorney-in-fact (the "Attorney"), in its name, place and stead (i) to execute and deliver the Partnership Agreement on the Investor's behalf on the Closing Date applicable to the Investor, (ii) to execute and deliver documents relating to Alternative Investment Vehicles, Parallel Partnerships, Feeder Partners and/or Special Purpose Vehicles and (iii) to make, execute, sign and file any amendment or termination of the Partnership's Certificate of Limited Partnership as required by law, and all such other instruments, documents and certificates as may from time to time be required by the laws of the United States of America, the State of Delaware, the State of Connecticut, the State of California, the State of New York or any other state or other relevant jurisdiction in which the Partnership shall determine to conduct activities or to do business, or any political subdivision or agency thereof, to effectuate, implement, continue or terminate the valid existence of the Partnership.

(b) The foregoing grant of authority is a special power of attorney coupled with an interest in favor of the General Partner and as such shall (i) survive the dissolution, termination or bankruptcy of the Limited Partner granting the same or the transfer of all or any portion of such Limited Partner's interest in the Partnership and (ii) extend to such Limited Partner's successors, assigns and legal representatives.

6. Indemnification.

(a) Subject to the terms of the Side Letter, the Investor shall indemnify and hold harmless the Partnership, the General Partner, the Investment Manager, the Fund Administrator and each officer, director, limited partner, member, manager, employee, Affiliate, agent or control person of the Partnership, the General Partner or the Investment Manager ("Partnership Indemnitees") from and against any and all expenses, losses, claims, damages, liabilities and actions, suits or proceedings (whether civil, criminal, administrative or investigative and whether such action, suit or proceeding is brought or initiated by the Partnership or a third party) that are incurred by or threatened, pending or completed against the Partnership Indemnitees or any of them (including, without limitation, legal fees and expenses, judgments, fines and amounts paid in settlement) based upon, resulting from or otherwise in respect of (i) any actual material misrepresentation or misstatement of facts, or material omission to represent or state facts, by or on behalf of the Investor concerning the Investor, the Investor's suitability or authority to invest or the Investor's financial position in connection with the offering of the Interests, including, without limitation, any such material misrepresentation, misstatement or omission contained in or accompanying the Investor Questionnaire or the Investor Data Sheet submitted by or on behalf of the Investor and forming a part of this Subscription Agreement, or (ii) the material breach of any of the Investor's representations, warranties, covenants or agreements set forth in this Subscription Agreement. If any notice, consent, request or other instrument (each, an "Instruction") is provided by the Investor to any Partnership Indemnitee by email or facsimile, the Investor undertakes to send the original Instruction by courier delivery service to the General Partner and agrees to keep the Partnership Indemnitees indemnified against any loss of any nature arising to any of them as a result of any Partnership Indemnitee acting upon an email or a facsimile copy of an Instruction. The Partnership Indemnitees may rely conclusively upon, and shall incur no liability in respect of any action taken upon, any Instruction believed in good faith to be genuine or to be signed by properly authorized persons. If information is provided to the Investor by any Partnership Indemnitee by facsimile or electronically (including any Account Communication (as defined on page 2 of the Investor Data Sheet)) (a "Communication"), the Investor agrees and acknowledges that no Partnership Indemnitee shall incur any liability for any misdirected or intercepted Communication.

(b) Subject to the terms of the Side Letter, the reimbursement and indemnity obligations of the Investor under this Section 6 shall survive the Closing Date applicable to the Investor and shall be in addition to any liability that the Investor may otherwise have (including, without limitation, liabilities under the Partnership Agreement) and shall be binding upon and inure to the benefit of any successors, assigns, heirs or legal representatives of any Partnership Indemnitees and the Partnership.

7. Miscellaneous.

(a) Subject to the terms of the Side Letter, this Subscription Agreement shall be enforced, governed and construed in all respects in accordance with the internal laws of the State of New York applicable to agreements made and to be wholly performed in such state.

(b) Failure of the Partnership or the Investor to exercise any right or remedy under this Subscription Agreement or any other agreement between the Partnership and the Investor, or otherwise, or delay by the Partnership or the Investor in exercising such right or remedy, will not operate as a waiver thereof.

(c) This Subscription Agreement, the Investor Questionnaire, the Side Letter, the Partnership Agreement and other agreements or documents referred to herein or in the Partnership Agreement contain the entire agreement of the parties with respect to the subject

matter hereof. There are no representations, warranties, covenants or other agreements except as stated or referred to herein and in such other agreements or documents.

(d) This Subscription Agreement may be executed in counterparts with the same effect as if the parties executing the counterparts had all executed one counterpart. Each party acknowledges and agrees that any portable document format (PDF) file, facsimile or other reproduction of its signature on any counterpart shall be equal to and enforceable as its original signature and that any such reproduction shall be a counterpart hereof that is fully enforceable in any court or arbitral panel of competent jurisdiction.

(e) This Subscription Agreement may be signed by any party under hand or by way of an electronic signature and may be reproduced as an electronic record and delivered by facsimile, by electronic mail or by delivery through a web or other electronic portal. The Partnership may take such steps as it deems appropriate to determine the reliability of any electronic signature.

(f) Neither this Subscription Agreement nor any provisions hereof shall be waived, modified, discharged or terminated except by an instrument in writing signed by the party against whom any waiver, modification, discharge or termination is sought.

(g) Except as otherwise provided herein, this Subscription Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. If the Investor is more than one Person, the obligations of the Investor shall be joint and several, and the representations, warranties, covenants, agreements and acknowledgments herein contained shall be deemed to be made by and be binding upon each such Person and its successors and permitted assigns.

(h) [Reserved.]

(i) If any provision of this Subscription Agreement is invalid or unenforceable under any applicable law, then such provision shall be deemed inoperative to the extent that it may conflict therewith. Any provision hereof which may be held invalid or unenforceable under any applicable law shall not affect the validity or enforceability of any other provisions hereof, and to this extent the provisions hereof shall be severable.

(j) If any answer provided by the Investor or background documentation provided by the Investor under this Subscription Agreement is found to be materially false, forged or materially misleading, the Investor understands that the Partnership may compulsorily withdraw the Interests held by the Investor.

(k) The Investor acknowledges and agrees that any notations, alterations, strike-outs, addenda, inserts or verbiage purporting to amend the terms of this Subscription Agreement shall not be effective unless explicitly agreed to by the Partnership or its agents by the execution of this Subscription Agreement.

8. Funds-of-Funds. If the Investor is a private fund-of-funds (or other similar private collective investment vehicle), the Investor agrees that the Investor, its general partner and/or investment manager (or their equivalents) and their respective Affiliates may not reference the Investment Manager, the Partnership, the General Partner or any of their Affiliates in any offering document, marketing material or similar disclosure prepared by or at the direction of, or with the cooperation of, the Investor, its general partner and/or investment manager (or their equivalents) or any of their respective Affiliates without the prior written consent of the General

Partner, which may be given or withheld in the General Partner's sole discretion.

9. Acceptance of Potential Remedies. The Investor has read, is familiar with and understands the nature and scope of the rights and remedies provided to the General Partner and the Partnership in the Partnership Agreement in the event of failure to pay any part of the Investor's Capital Commitment or other payment obligations under the Partnership Agreement when due or in the event of a purported Transfer of its Interest other than in accordance with the Partnership Agreement, and is prepared to accept the exercise against the Investor of such rights and remedies in the event of such failure on the Investor's part.

10. Signature. By executing the signature page to this Subscription Agreement, the Investor agrees to be bound by the foregoing and the Partnership Agreement.

11. Distributions. Distributions to the Investor in respect of its Interest shall be made as specified in the Investor Data Sheet or as otherwise specified in writing by the Investor to the General Partner.

INVESTOR QUESTIONNAIRE

Purpose of this Questionnaire

The information set forth herein is necessary to enable the Partnership and the General Partner to comply with certain laws and regulations. The Partnership must determine that an Investor meets certain suitability requirements before selling (or, in some jurisdictions, offering) Interests to such Investors. This Investor Questionnaire does not constitute an offer to sell or a solicitation of an offer to buy the Interests or any other security.

Answers will be kept strictly confidential at all times. "Financial contracts" means any arrangement that (i) takes the form of an individually negotiated contract, agreement, or option to buy, sell, lend, swap, or repurchase, or other similar individually negotiated transaction commonly entered into by participants in the financial markets; (ii) is in respect of securities, commodities, currencies, interest or other rates, other measures of value, or any other financial or economic interest similar in purpose or function to any of the foregoing; and (iii) is entered into in response to a request from a counterparty for a quotation, or is otherwise entered into and structured to accommodate the objectives of the counterparty to such arrangement;
5. In the case of an Investor that is a commodity pool operator or an investment company excepted from registration by Section 3(c)(1) or 3(c)(7) of the Investment Company Act, any amounts payable to such Investor pursuant to a firm agreement or similar binding

commitment pursuant to which a person has agreed to acquire an interest in, or make capital contributions to, the Investor upon the demand of the Investor; and

6. Cash and cash equivalents (including foreign currencies) held for investment purposes. "Cash and cash equivalents" include bank deposits, certificates of deposits, bankers acceptances and similar bank instruments held for investment purposes and the net cash surrender value of an insurance policy.

"Investments" do not include other assets which do not reflect experience in the financial markets, such as jewelry, art work, antiques and other collectibles.

For purposes of determining the amount of "Investments" owned by a company, "Investments" of a parent company and its majority-owned subsidiaries may be aggregated to meet the minimum "investment" amount requirements, regardless of which company is the prospective qualified purchaser.

For purposes of determining the amount of "Investments" owned by a natural person, there may be included any "investment" held jointly or as community property with such person's spouse. In determining whether spouses who are making a joint investment in the Partnership are qualified purchasers, there may be included in the amount of each spouse's "Investments" any "Investments" owned by the other spouse (whether or not such "investments" are held jointly).

In determining whether a natural person is a qualified purchaser, there may be included in the amount of such person's "Investments" any "Investments" held in an individual retirement account or similar account the investments of which are directed by and held for the benefit of such person.

VALUATION OF INVESTMENTS

In determining the value of "Investments" in order to ascertain qualified purchaser status, the aggregate amount of "Investments" owned and invested on a discretionary basis by such person shall be their fair market value on the most recent practicable date or their cost provided that the same method must be used for all "Investments." However,

1. In the case of "Commodity Interests," the amount of "Investments" is the value of the initial margin or option premium deposited in connection with such "Commodity Interests," and
2. In each case, there shall be deducted from the amount of such "Investments" the following amounts:
 - (a) The amount of any outstanding indebtedness incurred by the prospective qualified purchaser to acquire such "Investments," and
 - (b) In the case of a Family Company (as defined in the Investor Questionnaire), in addition to the amounts specified in paragraph (2)(a) above, any outstanding indebtedness incurred by an owner of the Family Company to acquire the Family Company's "Investments."

Effective this ____ day of _____, 2019 (the "Effective Date"), and in connection with the proposed investment by the Retirement Plan for Employees of the Navajo Nation and Participating Affiliates (the "Investor") in WCP Special Core Plus Fund II, L.P. (the "Partnership"), and as an inducement for the investment by the Investor in the Partnership, the Partnership, WCP Special Core Plus Fund II GP, LLC (the "General Partner") and Westport Capital Partners LLC (the "Management Company") have agreed to enter into this letter agreement (this "Agreement"), which supplements the terms and provisions of the Amended and Restated Agreement of Limited Partnership of the Partnership, dated as of November 14, 2017 (as it may be amended, modified, supplemented, or restated, the "Partnership Agreement") and the terms and provisions of the Subscription Agreement of the Investor relating to the Partnership, dated as of the date hereof (as it may be amended, supplemented, or restated, the "Subscription Agreement"). To the extent the terms and provisions of this Agreement, the Subscription Agreement, the Partnership Agreement, any confidentiality or non-disclosure agreement or the Management Agreement, dated as of November 14, 2017, between the Partnership and the Management Company (the "Management Agreement"), are inconsistent, the terms and provisions of this Agreement shall prevail. Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Partnership Agreement.

1. **Most Favored Nations.** Following the Last Closing Date, the Partnership shall disclose to the Investor any and all side letters or other written agreements with other Limited Partners in the Partnership (each, a "Side Letter"), or the provisions thereof, which may be redacted to remove identifying or other confidential information, and the Investor may elect to receive the benefit of any provision or provisions set forth in a Side Letter (subject to the terms of the second sentence of this Section 1), upon written notice to the General Partner within thirty (30) days of receipt of a copy of such Side Letter or provisions thereof. Notwithstanding the foregoing, the Partnership shall not be required to disclose to the Investor, and the Investor shall not be entitled to elect or receive, any right or benefit in any Side Letter to the extent (i) the aggregate amount of the Investor's Capital Commitment plus the Capital Commitment of the Navajo Nation does not equal or exceed the Capital Commitment of the Limited Partner that is a party to such Side Letter, (ii) such right or benefit relates to any Management Fee and carried interest terms applicable to the General Partner, the Management Company, an Affiliate of the General Partner or the Management Company or a partner, member, officer or employee of any of the foregoing or the immediate family members or the tax or estate planning vehicles of any such persons, (iii) such right or benefit relates to any Management Fee and carried interest terms for which some Limited Partners admitted as of the third Closing date (or earlier) may be eligible and the Investor is admitted at a later Subsequent Closing,¹ (iv) such right or benefit relates to designating a representative on an advisory board or committee of the Partnership, (v) the Investor does not agree to be bound by all terms, restrictions and obligations contingent upon or related to such right or benefit, or (vi) such right or benefit is related to a legal, tax, regulatory or other similar basis (including by way of any written internal policy of governmental and/or sovereign investors) (unless the Investor is subject to the same or similar regulations or requirements) or is otherwise not applicable to the Investor, as determined by the General Partner in its reasonable discretion.

2. **Opinions of Counsel.** The General Partner acknowledges and agrees that, for all purposes of the delivery of any opinion of counsel by the Investor pursuant to the Partnership Agreement or this Agreement, an opinion of either the internal counsel of the Investor or its outside counsel, including Kutak Rock LLP, will be acceptable to the General Partner.

¹ Note: Please let us know what fee breaks were given to earlier investors.

3. **Representations.** The General Partner and the Management Company represent and warrant to the Investor as follows:

(a) *No Material Misrepresentations.* The General Partner hereby represents and warrants to the Investor that the Partnership's Confidential Private Placement Memorandum, dated July 2017, together with any supplement thereto (the "Memorandum"), when read in conjunction with the Partnership Agreement and taking into account the intended recipients thereof, taken as a whole, does not, as of the date hereof, contain any untrue statements of material fact or omit a statement of material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading; provided, that the discussion in the Memorandum under the heading "Tax Considerations" and under the heading "Tax Status" in the Summary of Terms reflect tax laws and regulations in effect as of the date of the Memorandum.

(b) *Authority and Enforceability.* Each of the General Partner, the Management Company and the Partnership has the requisite corporate, trust, partnership, or other power and authority to enter into this Agreement and to consummate the transactions contemplated hereby; and the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by each of the General Partner, the Management Company and the Partnership, and no other corporate, trust, partnership, or other proceedings on the part of any of the General Partner, the Management Company or the Partnership are necessary to authorize the consummation of the transactions contemplated hereby. This Agreement has been duly executed by each of the General Partner, the Management Company and the Partnership and constitutes a valid and binding obligation of the General Partner, the Management Company and the Partnership, enforceable against each of the General Partner, the Management Company and the Partnership in accordance with its terms, except as such enforceability may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium, and other laws relating to or affecting creditors' rights generally and by general equitable principles.

(c) *Partnership Interest.* Assuming (i) the due authorization, execution, and delivery to the General Partner of the Subscription Agreement by the Investor, and (ii) payment by the Investor to the General Partner or Partnership of the full consideration of the limited partnership interest subscribed for by the Investor, the limited partnership interest subscribed for by the Investor pursuant to the Subscription Agreement represents a validly issued limited partnership interest in the Partnership under the Act, the Investor is a Limited Partner under the Partnership Agreement, and, with respect to such limited partnership interest, the Investor will have no liability in excess of its obligation to make capital contributions to the Partnership as provided in the Partnership Agreement and its share of the Partnership's assets and undistributed profits (subject to the obligation of a limited partner to repay any funds wrongfully distributed to it as and to the extent provided in the Act and the obligation to return certain distributions to the Partnership under Section 9.4 of the Partnership Agreement).

(d) *No Default.* The execution and delivery of (x) this Agreement, the Management Agreement, the Subscription Agreement and the Partnership Agreement by the General Partner and the Partnership and (y) this Agreement and the Management Agreement by the Management Company, do not, and the consummation of the transactions contemplated hereby and thereby will not, (i) violate in any material respect, or result in a material default (with or without notice or lapse of time, or both) under, any material agreement, instrument, permit, right, or license to which the General Partner, any of its Principals, the Management Company, or the Partnership is a party or by which any of them is bound; (ii) conflict with or result in any violation of any

provision of the partnership agreement, certificate of limited partnership, or other equivalent organizational documents of the General Partner, the Management Company, or the Partnership; or (iii) conflict with or violate any law, statute, regulation, order, writ, injunction, judgment, or decree to which any of the General Partner, any of its Principals, the Partnership or the Management Company is subject.

(e) *Compliance with Laws.* None of the General Partner, any of its Principals, the Partnership, or the Management Company has violated, or is in violation of, any statute, regulation, law, order, writ, injunction, judgment, or decree to which it is subject that would adversely affect its respective business or financial condition or impair its ability to carry out its respective obligations under this Agreement, the Management Agreement or the Partnership Agreement.

(f) *No Pending Legal Actions.* As of the date hereof, there is no legal action, suit, arbitration or other legal, administrative or other governmental investigation, inquiry or proceeding (whether federal, state, local or foreign) pending or, to the best of the knowledge of the General Partner and the Management Company, threatened against (a) the Partnership, (b) the General Partner or the Management Company, or (c) any of the persons named in Section 4.6(a)(i) of the Partnership Agreement or any Qualified Replacement for any such persons (each, a "Key Person," and collectively, the "Key Persons"), except, in each case, as would not have a material adverse effect on the Partnership, the General Partner, any Key Person or the Management Company.

(g) *No Past Legal Actions.* During the five (5) years preceding the date of this Agreement, there have been no actions, suits, arbitrations, or other legal, administrative, or governmental investigations, proceedings, or inquiries (or settlements in lieu thereof) against the General Partner, any of its Principals, the Management Company, or the Partnership relating to a violation of any federal, state, or local securities, tax, or criminal law, rule, or regulation or a violation of duties (fiduciary or otherwise) owed to investors.

(h) *No Regulatory Approvals.* No governmental approvals are required to enable the Partnership, the General Partner or the Management Company to operate in accordance with the Partnership Agreement's terms.

(i) *No PTST.* The Partnership has not knowingly participated in a prohibited tax shelter transaction ("PTST") within the meaning of Section 4965 of the Internal Revenue Code of 1986, as amended, and the General Partner will use commercially reasonable efforts to avoid making an investment that would qualify as a PTST. In the event the Partnership does make an investment that would qualify as a PTST, the General Partner shall so notify the Investor. Notwithstanding the foregoing, the Partnership may enter into any activity, investment or transaction that involves one or more "notional principal contracts" and any other transaction which the Management Company reasonably believes is not a "listed transaction" (within the meaning of Treasury Regulations Section 1.6011-4(b)(2)) and may cause the Partnership to file, upon the advice of its accountants or other outside advisors, a "protective" IRS Form 8886 with respect thereto.

(j) *No Reportable Transactions.* The General Partner and Management Company shall not knowingly cause the Partnership to engage in a transaction that, as of the date the Partnership enters into a binding contract to engage in such transaction, is a "reportable transaction" as defined in Treas. Reg. § 1.6011-4. If the General Partner reasonably determines that the Partnership has engaged in a transaction that is a reportable transaction, it shall notify the

Investor of such determination and recommend any measure it believes appropriate to protect the Investor's interests with respect to such transaction.

(k) *Registration of Interests.* The Partnership is not registered as, and does not presently intend to register as, a closed-end investment company under the Investment Company Act of 1940, as amended ("Investment Company"), and the Partnership is not operated so as to be deemed to be a public utility holding company under the Public Utility Holding Company Act of 2005, as amended ("Public Utility Holding Company"). The General Partner shall rely on the Investor's representations regarding such limitations, and the General Partner shall not require an opinion of counsel to be issued in connection with any refusal by the Investor to accept distributions-in-kind from the Partnership based upon the five percent limitation.

(a) The Investor represents that it is a tax exempt entity and has provided to the General Partner a properly executed Internal Revenue Service Form W-9 claiming a complete exemption from U.S. withholding tax. Before withholding and paying over to the Internal Revenue Service any amount of U.S. withholding tax on dividends or interest with respect to the Investor, the General Partner will use commercially reasonable efforts to provide the Investor with notice of such withholding and an explanation of why such dividend or interest is not exempt from U.S. withholding tax.

(b) In connection with any investment, the General Partner agrees to provide the Investor with such non-confidential information as it may reasonably request to make any filings, applications or elections necessary or desirable to minimize the amount of any tax withheld or obtain refunds of any taxes withheld or paid.

(c) If the General Partner has actual knowledge or receives any written notification that, solely because of the activities of the Partnership or solely as a result of the Investor being a Limited Partner in the Partnership (or a participant in an Alternative Investment Vehicle), the Investor (or any holder of a beneficial interest in the Investor) is required to file any tax return with, or is eligible to claim reduced taxation, tax treaty benefits or tax refunds from, any relevant governmental, regulatory or tax authority, the General Partner will use its commercially reasonable efforts to provide the Investor with written notice of such requirement or eligibility, as applicable; provided that (a) the requirement to use such efforts shall not create an obligation of the General Partner to seek such knowledge or to inquire as the particular tax status of the Investor (or of any holder of a beneficial interest in the Investor) and (b) any failure by the General Partner to provide the foregoing notice will not affect the obligations of the Investor under the Partnership Agreement or create any liability for the General Partner, the Partnership or any of their affiliates.

8. **Delivery of Documents.** On or prior to the date of this Agreement, the Partnership shall provide to the Investor and the Investor's counsel a copy (either in electronic form or hard copy) of this Agreement, the Partnership Agreement, and the Subscription Agreement, duly countersigned on behalf of the parties hereto and thereto. Notwithstanding anything to the contrary contained in this Agreement, the Partnership Agreement, the Subscription Agreement, or any other document evidencing the Investor's obligation to make an initial Capital Contribution for the benefit of the Partnership, the Investor's receipt of the countersigned Agreement, Partnership Agreement, and Subscription Agreement is a condition precedent to any obligation the Investor may have to make any initial Capital Contribution to the Partnership. On or prior to the closing date on which the Investor subscribes to Interests, the Partnership shall also provide the Investor with a fully executed copy of the Management Agreement, all guarantees and all legal opinions delivered in connection with any closing. The Partnership shall promptly provide the Investor with any amendments to the foregoing documents made subsequent to the date hereof.

9. **Transfer to Investor Affiliate.** Notwithstanding anything to the contrary in the Partnership Agreement, the General Partner hereby agrees that it shall consent to (i) any transfer by the Investor to any Affiliate of the Investor, subject only to satisfaction of the requirements set forth in Section 13.2(a) (other than 13.2(a)(iv) and (a)(v)) of the Partnership Agreement and (ii) the admission of such transferee as a substituted Limited Partner of the Partnership, subject only to satisfaction of the requirements set forth in Section 13.6(a) of the Partnership Agreement. For the avoidance of doubt, the benefits of this Agreement will transfer to any such successor. Notwithstanding the foregoing, the General Partner shall not be required to consent to any transfer if the General Partner determines, in its reasonable discretion, that such transfer may cause the Partnership to be treated as a publicly traded partnership taxed as a corporation for U.S. federal tax purposes. For the avoidance of doubt, any limited liability company, partnership, limited partnership, corporation, trust, or other entity of any kind formed or owned by Investor shall be deemed to be an "Affiliate" of the Investor for the purposes of the Partnership Agreement. In addition, in connection with any Transfer of an Interest by the Investor to an Affiliate thereof, upon request of the Investor, the General Partner agrees not to withhold its consent to release the Investor from its Remaining Capital Commitment and all other obligations that relate to the Transferred Interest if the General Partner reasonably concludes that the transferee Affiliate has the financial ability to hold the Interest to be Transferred and to perform in a timely manner all of its obligations as a Limited Partner under the Partnership Agreement. The General Partner confirms that any transferring Limited Partner's obligation to pay the Partnership's expenses in connection with a transfer will be limited to reasonable expenses of transfer, including reasonable attorneys' fees, incurred by the Partnership in connection with a transfer.

10. **Council Change No Transfer.** Membership on the Navajo Nation Council changes after elections conducted every four years, and the General Partner acknowledges and agrees that any such change in the composition of the Navajo Nation Council will not be considered a Transfer of the Investor's interest in the Partnership under the Partnership Agreement and that the Investor need not notify the General Partner or Partnership of any such change in members of the Navajo Nation Council.

11. **Special Investment Limitations.** The General Partner acknowledges that the Investor is subject to various statutory investment restrictions and agrees that, in the event the Investor determines, by written notice delivered to the General Partner, that any investment to be made by the Partnership or action to be taken by the General Partner might violate the Investor's investment restrictions and that it would be improper for the Investor to continue as a Limited Partner, the General Partner shall permit the Investor, without penalty of any kind, and without characterization of the Investor as a Defaulting Partner, to transfer its interest in the Partnership to a third party, and the General Partner shall reasonably cooperate with the Investor's efforts to transfer the Investor's Interest to a third party, in a manner that conforms to the requirements of the Partnership Agreement, it being understood that this provision is not intended to subject the General Partner or the Partnership to material expense or burden.

12. **Disclaimer of Business Opportunity Doctrine.** The General Partner confirms that the intent of the Partnership Agreement is to specifically disclaim the business opportunity doctrine such that no Limited Partner, including the Investor, owes a duty to offer its fellow Partners the right to participate in the Limited Partner's business opportunities, and no Partner is entitled to participate in any investments or business opportunities involving any other Limited Partner.

13. **Placement Fee.** The General Partner hereby acknowledges that the Investor shall not be obligated to pay any portion of any placement fee or expense paid in connection with investments made by other investors in the Partnership.

14. **Financial Reports.** In addition to any reports required to be delivered pursuant to Section 11.2 of the Partnership Agreement, on a quarterly basis, the General Partner will provide the Investor a report, in the form of Exhibit A, identifying the amount of Management Fees paid to the General Partner or the Management Company (or their Affiliates) during such period, any applicable Fee Income pursuant to Section 10.2 of the Partnership Agreement, performance fees, Carried Interest Distributions, development fees, acquisition fees, listing fees, brokerage fees and other fees paid to the General Partner and/or Management Company or their Affiliates during such period.

15. **Business Opportunity and Employment Preference Acts.** To the extent that the General Partner or the Management Company physically performs any activities within the exterior boundaries of the Navajo Nation, the General Partner and the Management Company agree to comply with the Navajo Business Opportunity Act, 5 N.N.C. §§ 201 *et seq.* for all activities performed by them within the exterior boundaries of the Navajo Nation. The Investor acknowledges and agrees that the performance by the General Partner and the Management Company of their respective obligations and duties as described and contemplated by the Partnership Agreement, the Management Agreement and this Agreement do not constitute services performed within the exterior boundaries of the Navajo Nation and would therefore not be subject to the provisions of the Navajo Business Opportunity Act. The General Partner and the Management Company further agree to comply with all applicable portions of the Navajo Preference in Employment Act, 15 N.N.C. §§ 601 *et seq.*, which only applies when the General Partner or the Management Company is hiring personnel within the territorial jurisdiction of the Navajo Nation solely for the purpose of servicing the Investor's account.

16. **Accredited Status.** The General Partner acknowledges and agrees that as a sovereign federally recognized Indian Tribe, Investor is not recognized as an "accredited investor" within the meaning of that term as defined in Regulation D of the Securities Act of 1933, nor is Investor a "qualified client" as defined by Rule 205-3(d)(1) of the Advisers Act or a "qualified purchaser" under § 2(a)(51) of the Investment Company Act of 1940, as amended. However, the Investor is a sophisticated institutional investor with assets under management in excess of \$2.5 billion and as such, is qualified to invest in the Partnership.

17. **Dispute Resolution.** The General Partner acknowledges that as a sovereign federally-recognized Indian Tribe, the Investor is immune from suit and other legal proceedings ("Legal Proceedings") without Investor's express written consent given in accordance with the laws of the Navajo Nation. The provisions of this Section 17 are intended to set forth the limited conditions pursuant to which the Partnership Agreement, the Subscription Agreement and this Agreement can be enforced by the Parties (as defined below) through Legal Proceedings.

(a) **Negotiation.** The Investor, the Partnership, the General Partner and the Management Company (each a "Party" and, collectively, the "Parties") agree that the Parties shall use their commercially reasonable efforts to negotiate a just and equitable resolution and settlement of any dispute, claim or disagreement between them which dispute, claim or

disagreement relates to or arises under the Partnership Agreement, the Subscription Agreement, this Agreement or any other related agreement or with respect to the Partnership, in each case between the Partnership and the General Partner and/or the Management Company, on the one hand, and the Investor, on the other hand (individually, each such dispute, claim or disagreement, a "Claim" and, collectively, "Claims").

(b) *Mediation.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, if the Parties cannot reach a negotiated settlement of a Claim within a period of sixty (60) days of the date when the Claim is first raised, then, upon written notice by one Party to the other Party ("Notice"), the Parties shall attempt in good faith to settle their dispute by mediation before a mediator experienced in federal Indian law. The mediation shall take place in [Window Rock, Arizona] (unless the Parties agree otherwise in writing), within a reasonable period of time, but not to exceed thirty (30) days following the stated date of the Notice.

(c) *Arbitration.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, if the Parties do not resolve a Claim by mediation, the sole dispute mechanism to finally resolve such Claim is by arbitration as contemplated by the Navajo Nation Sovereign Immunity Act, 1 N.N.C. §§ 554(J) and (K), and the Navajo Nation Arbitration Act, 7 N.N.C. §§ 1101 *et seq.* Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, the arbitration shall be conducted in accordance with the American Arbitration Association Commercial Arbitration Rules except to the extent such rules are modified by the following:

(i) *Venue.* Unless otherwise agreed by the Parties in writing, the arbitration shall be held in Window Rock, Arizona;

(ii) *Number of Arbitrators.* The arbitration panel shall consist of a single arbitrator unless one of the Party's claims exceeds \$1,000,000.00, exclusive of interest, costs and fees, then the arbitration panel shall consist of three (3) arbitrators (the Investor shall choose one arbitrator, the Partnership, the General Partner or the Management Company, as applicable, shall choose one arbitrator and those two chosen arbitrators shall agree upon the third arbitrator);

(iii) *Eligibility of Arbitrators.* No person shall be eligible to serve as an arbitrator if the person is related to, affiliated with or has represented in a legal capacity any Party. Each arbitrator shall be an attorney-at-law admitted to practice and in good standing before the highest court of the Navajo Nation or one or more of the Arizona, Utah, Colorado or New Mexico Bar Associations and who has a minimum of five years of professional experience within the securities industry or practiced corporate, securities or federal Indian law for at least such a period.

(iv) *Notice.* Notice of intent to invoke arbitration against the Investor shall be filed in compliance with the notice requirements of the Navajo Sovereign Immunity Act, 1 N.N.C. § 555;

(v) *Award Limitations.* An award against the Investor shall be in conformance with the provisions of the Navajo Nation Sovereign Immunity Act, 1 N.N.C. § 554(K);

(vi) *Review and Modification.* An arbitration award shall not be subject to

review or modification, or vacated, by a court for any reason other than in the circumstances described in the Navajo Nation Arbitration Act. The judgment confirming an award shall have the same force and effect in all respects as, and be subject to all the provisions of law relating to, a judgment in a civil action, and it may be enforced as if it has been rendered in a civil action in a court of competent jurisdiction. When the award requires the performance of any other act than the payment of money, the court shall direct the enforcement thereof in the manner provided by the Navajo Nation Arbitration Act; and

(vii) *Exclusive Jurisdiction.* The Navajo Nation courts shall have exclusive jurisdiction to compel arbitration and to enforce, modify and vacate (under the circumstances described in the Navajo Nation Arbitration Act) an arbitration award.

Notwithstanding this Section 17, any dispute, Claim or disagreement under the Partnership Agreement or any related agreement or with respect to the Partnership involving Persons other than the Investor shall be resolved under and in accordance with provisions of the Partnership Agreement and the rights granted thereunder, but in no circumstance shall any Claim directed against or involving the Investor be addressed in any manner other than as set forth in this Section 17.

18. **Immunities and Defenses.** Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, the General Partner and the Management Company understand that the Investor reserves all immunities, defenses, rights or actions arising out of its status as a sovereign nation and its status as a federally-recognized Indian Tribe, including but not limited to, all immunities, defenses, rights or actions arising under the laws of the Navajo Nation and the laws of the United States. No provision of this Agreement, the Partnership Agreement or the Subscription Agreement shall be construed as a waiver or limitation of the immunities, defenses, rights or actions referenced in the previous sentence. Among the Investor's sovereign rights are its right to limit its liability for damages other than compensatory damages, damages in excess of contract amounts and damages to third party beneficiaries, as well as to limit the periods in which to bring legal action, and to limit or preclude the ability to recover attorneys' fees from the Investor, to subject the Investor to indemnity obligations, to require the Investor to waive its venue or arbitration procedures, and to require the Investor to become subject to dispute resolution and confidentiality requirements not otherwise authorized by the laws of the Navajo Nation (collectively, together with all such other rights, the "Limitations"). Terms and provisions in the Partnership Agreement and Subscription Agreement relating to any of the Limitations will not be binding upon the Investor, except to the extent authorized by the laws of the Navajo Nation. The General Partner and the Management Company acknowledge and agree that any provision in the Partnership Agreement or the Subscription Agreement purporting to (i) subject the Investor to Legal Proceedings in New York (or some other jurisdiction other than the Navajo Nation), (ii) cause the Investor to waive its right to certain statutes of limitations or venue, (iii) subject the Investor to indemnity obligations that would require a resolution of the Navajo Nation Council in accordance with 2 N.N.C. § 223(C), or (iv) require the Investor to pay any amount in violation of 1 N.N.C. § 554(K), are not applicable to or enforceable against the Investor.

19. **Governing Law, Venue and Jurisdiction.** Notwithstanding anything to the contrary in the Partnership Agreement, the Subscription Agreement, or this Agreement, the rights and obligations of Investor shall be governed by and construed in accordance with the laws of the Navajo Nation and applicable federal law, without giving effect to conflicts of law provisions. The Investor represents and warrants that there is no substantive law of the Navajo Nation that is inconsistent with the Investor's fulfillment of its obligations under the Partnership Agreement (as modified by this Agreement) and

hereby covenants not to assert the existence of inconsistent substantive Navajo law in connection with any Claim that may arise in connection with the Partnership Agreement or the Subscription Agreement, in each case as modified by this Agreement. The General Partner and the Management Company acknowledge and agree that any legal proceeding involving any Claim asserted against the Investor arising out of the Partnership Agreement, the Subscription Agreement, or this Agreement may be brought as specified in Section 17 above.

20. **Liability of Nation.** In accordance with 2 N.N.C. § 223(A) and § 354, the Investor's subscription and obligations under the Partnership Agreement and the Subscription Agreement are contingent upon the availability of appropriations by the Navajo Nation Council to carry out the same. In accordance with 2 N.N.C. § 223(B), the Investor represents, warrants and agrees that the Investor's obligations under the Partnership Agreement and the Subscription Agreement have been approved and appropriations by the Navajo Nation Council have been made available to satisfy the Investor's initial obligations under the Partnership Agreement and the Subscription Agreement. To the extent permitted by law, the Investor agrees to continue to budget and use its best efforts to secure appropriations of funds sufficient to satisfy the Investor's continuing obligations under the Partnership Agreement and the Subscription Agreement as required by 2 N.N.C. § 223(B).

21. **Indemnification by the Investor.** The General Partner, the Partnership and the Management Company hereby waive any right of indemnification against the Investor set forth in the Partnership Agreement, the Subscription Agreement or any related agreement to the extent that indemnification (i) would require a resolution of the Navajo Nation Council under 2 N.N.C. § 223(C), (ii) would subject the Investor to Legal Proceedings not contemplated under Section 17 hereof, (iii) would require the Investor to pay any amount in violation of 1 N.N.C. § 554(K) or (iv) would violate 2 N.N.C. § 223(A) or any other provision of Navajo law. Notwithstanding the foregoing, the Investor hereby acknowledges that the General Partner may (i) use the assets of the Partnership, including, without limitation, the Investor's share of such assets and/or (ii) call capital pursuant to Section 4.3 of the Partnership Agreement, in each case in order to satisfy the Partnership's indemnification obligations and subject to the terms of the Partnership Agreement. Further, to the extent the Investor has any indemnification obligations, under no circumstances shall the Investor be obligated to indemnify the Partnership, the General Partner, the Management Company or any of their Affiliates for losses incurred by any such Persons if any such losses were caused by the breach by any such Persons of any of their respective obligations under any of the Partnership Agreement, the Management Agreement, the Subscription Agreement or this Agreement.

22. **Power of Attorney.** The power of attorney granted to the General Partner by the Investor pursuant to the Partnership Agreement and the Subscription Agreement shall be limited to ministerial matters which do not affect the material rights or obligations of the Investor, and such power of attorney shall automatically be revoked if the General Partner files a petition in bankruptcy, is dissolved, or is no longer the general partner of the Partnership, in each case upon the occurrence of any such event. In addition, the General Partner shall not exercise any power of attorney granted to it by the Investor in any manner that could materially and adversely affect the Interests of the Investor in the Partnership or otherwise. The General Partner shall promptly provide the Investor with a copy of any agreement, instrument, or other document that is signed by the General Partner as attorney-in-fact for the Investor pursuant to the power of attorney set forth in the Partnership Agreement or the Subscription Agreement. Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement concerning the "power of attorney" provided therein, the Parties agree that no exercise of such power by the General Partner which contravenes any law of the Navajo Nation is authorized by the Investor and no such exercise shall be deemed valid.

23. **Books and Records and Audit.** The General Partner shall maintain accurate books and records relating to the Investor's interest in the Partnership, including accounting records. In accordance with 12 N.N.C. § 352(B), during the term of the Partnership and for at least five (5) years after expiration or termination of the Partnership, on reasonable notice, the General Partner shall make its books and records available to the Investor for review and audit electronically. The General Partner and the Management Company acknowledge and agree that each may be subject to examination and audit by the Investor's external auditors, as well as the Auditor General of the Navajo Nation, during the term of the Partnership and for five years (5) years thereafter. Any examination or audit of the General Partner performed by the Investor, its external auditors, or the Navajo Auditor General shall be confined to those matters relating to the Investor's investment in the Partnership. The General Partner and the Management Company shall reasonably cooperate with the Investor's examiners, auditors, and their respective representatives in connection with any examination or audit of the General Partner's duties (or that of the Management Company) with respect to the Partnership.

24. **Audit Requirements.** The General Partner agrees that the audit to be performed at the end of each Partnership Year shall be performed in accordance with U.S. generally accepted accounting principles consistently applied over the period presented (or such other accounting standard as may be adopted by the accounting industry and approved by Majority in Interest) and shall include test work on the balance sheet or statement of net assets, statement of operations, statement of investments, statement of cash flows, and statement of changes in Partners' capital accounts. Individual Partner capital accounts will be reconciled by the General Partner to the annual audited financial statements described in this paragraph. The audit shall also include a review of the capital accounts with specific attention to Management Fees, other Partnership expenses and Carried Interest Distributions calculations to provide independent verification of distributions to the General Partner and the Investor.

25. **Credit Facility and Borrowings.**

(a) The General Partner agrees that it shall not enter into any arrangements or obligations in connection with Sections 2.1(ix), 2.3 or 2.4 of the Partnership Agreement which purport to bind the Investor in its individual capacity.

(b) Notwithstanding anything to the contrary in the Partnership Agreement or the Subscription Agreement, solely in consideration of the Investor's status as a sovereign nation and the internal policies of the Investor with respect to credit facilities entered into by the Partnership in which the Investor holds an Interest, except as provided in this paragraph, the Investor shall not be obligated to provide or deliver the information, documentation, opinion, or certification called for in connection with any credit facility. The Investor agrees that it will provide a lender or lender's agent under a credit facility (i) an accurate "investor letter" consistent with "investor letters" that the Investor generally provides other credit facility providers and (ii) from time to time upon the request of the Partnership a certificate setting forth the remaining amount of the Investor's Remaining Capital Commitment.

(c) In consideration of the Investor's status as a sovereign nation, for purposes of the Partnership Agreement, the Subscription Agreement and other applicable agreements, to the extent the Investor is required to provide financial information to the General Partner, the Partnership or a lender or lender's agent under a credit facility, the information to be delivered shall be limited to publicly available financial information. The Investor shall not be required to deliver any financial information other than that which is publicly available from its auditors. The General Partner acknowledges that those portions of the audited annual financial report for Investor for the most recent fiscal year ending September 30 which are not confidential will be provided to a lender upon its written request.

26. **Alternative Investment Vehicles; Parallel Partnerships.** If the General Partner establishes any Parallel Partnership pursuant to Section 3.1 of the Partnership Agreement or Alternative Investment Vehicle pursuant to Section 3.2 of the Partnership Agreement in which the Investor shall have an interest, the General Partner agrees to provide to the Investor notice of such occurrence together with copies of all the governing documents of such Parallel Partnership or Alternative Investment Vehicle, as applicable. For the avoidance of doubt, the Investor shall not be required to participate in any Parallel Partnership or Alternative Investment Vehicle without the Investor's prior written consent.

27. **Co-Investment Opportunities.** Notwithstanding Section 3.5 of the Partnership Agreement to the contrary, during the Investment Period, if the General Partner or the Partnership offers the opportunity to co-invest in any Investment to the Investor, such offer shall be for a pro rata portion (based on Capital Commitments) of such co-investment opportunity. The General Partner agrees that, except as the Parties otherwise agree, in writing, no management fees or carried interest shall be payable by the Investor to the General Partner or any of its Affiliates in connection with the Investor's participating in any co-investment opportunity. All co-investments shall be reported on at least a quarterly basis and in the format commensurate with the reporting of other investments of the Partnership.

28. **Beneficial Ownership in the Subscription Agreement.** The General Partner acknowledges that the Investor is a retirement plan and, as such, it is not in a position to know or conduct due diligence on all possible direct or indirect beneficial owners, including without limitation any contributing employers, participants or beneficiaries (to the extent such persons may be deemed "beneficial owners"). The General Partner agrees that for the purposes of the Subscription Agreement any acknowledgements, representations, certifications, warranties or covenants shall be deemed to apply only to the Investor itself and not its contributing employers, participants or beneficiaries and neither the General Partner nor the Partnership shall require the Investor to make any representation, warranty or covenant on behalf of any Person other than the Investor.

29. **Subscription Agreement "Knowledge" Qualifier.** The General Partner confirms that with respect to the Investor's representations and warranties provided in the Subscription Agreement, such representations and warranties are made to the best of the Investor's knowledge. As used herein, to the "best of the Investor's knowledge" means the actual knowledge of those persons within the Investor's organization who have directly participated in the review of the Fund Documents (as defined in the Subscription Agreement) in connection with the purchase of the Interests, after such persons conducted reasonable diligence on such matters. The General Partner acknowledges that those persons have not undertaken any special or independent investigation to determine the existence or absence of such facts, and any limited inquiry undertaken by them during the review and execution of the Subscription Agreement shall not be regarded as such an investigation. This paragraph shall specifically apply to the representations and warranties made in Section 2 of the Subscription Agreement.

30. **Forced Withdrawal.** If the General Partner has the right to require the Investor to withdraw from the Partnership, any related costs and expenses incurred by any of the Parties shall *not* be borne by the Investor.

31. **General Partner Withdrawal.** The General Partner agrees that it will not withdraw as General Partner of the Partnership, without the prior approval of a Majority in Interest. Further, no substitute general partner shall be appointed for the General Partner without the approval by a Majority in Interest.

32. **Term of Partnership.** Any extension of the Partnership for additional one-year periods beyond that authorized by the Partnership Agreement shall be subject to the approval of a Majority in Interest.

33. **Removal of General Partner for Cause.** To clarify those provisions of the Partnership Agreement authorizing the General Partner and/or the Management Company to be removed pursuant to Section 8.7 of the Partnership Agreement, clauses (a), (b) and (c) of Section 8.7 of the Partnership shall also include a determination by a court of competent jurisdiction that the General Partner or the Management Company has been convicted of, or has pleaded no contest to, a criminal violation of any securities law or other criminal felony offense. If the General Partner is removed pursuant to Section 8.7(a), (b) or (c), its Carried Interest Distributions shall be reduced by fifty percent (50%). Notwithstanding anything to the contrary in the Partnership Agreement, such reduction shall not constitute a release of liability for the General Partner, the Management Company or any of their Affiliates.

34. **Limited Partner Identity.** Without the Investor's prior written consent, none of the Partnership, the General Partner, the Management Company or any of their affiliates shall (a) use the Investor's name or derivations thereof in advertising, publicity, marketing materials, private placement memorandum or other offering materials or any other similar publication or document or otherwise and/or (b) imply that the Partnership has been endorsed by the Investor. Notwithstanding clause (a) above, on a need to know and confidential basis, the General Partner and its affiliates may inform other Limited Partners in the Partnership of the fact and amount of the Investor's subscription to the Partnership; on a need to know and confidential basis, make any disclosure that is required to be made to any lender or potential lender of funds to the Partnership or its affiliates; on a need to know and confidential basis, disclose the Investor's name and subscription amount if the General Partner first determines in good faith that such disclosure is in the best interests of the Partnership; and make any other disclosure regarding the Investor's investment in the Partnership required by law, legal process, stock exchange rule or that is required to reduce or eliminate withholding or other taxes, in each case, without obtaining the prior written consent of the Investor.

35. **ERISA.** The General Partner shall provide the Investor with the same information and notices it is required to provide to Limited Partners subject to ERISA pursuant to the Partnership Agreement, and all provisions of the Partnership Agreement pertaining to ERISA Partners shall apply to the Investor even though the Investor is not an ERISA Partner.

36. **General Partner and Management Company as Fiduciaries.** Each of the General Partner and the Management Company is and shall remain a fiduciary of the Investor and the other Partners with respect to its performance of duties under the Partnership Agreement and the Management Agreement. As a fiduciary of the Partners, the General Partner and the Management Company owe the Partners a duty of loyalty, due care, and skill and shall refrain from self-dealing or other acts prejudicial to or harmful to the interests of the Partners. In accordance with § 3.1 of the Investor's Master Investment Policy, the General Partner and the Management Company shall make investments for the Partners with the judgment and care, under circumstances then prevailing, which Persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived, and solely for purposes of benefiting the Partners (the "Investment Standard"). In furtherance of the Investment Standard, each of the General Partner and the Management Company acknowledges that it is primarily involved in making large investments and that in making such investments on behalf of the Partners, the General Partner and the Management Company will endeavor to produce maximum growth in income and/or appreciation of capital with a high degree of safety in protecting the Partnership's funds and the probable income anticipated therefrom, consistent with the nature of the investments being made and considering such investments as a whole, in accordance with 12 N.N.C. § 902(A). Each of the General Partner and the Management Company confirms that its duties at law or in equity (including fiduciary duties) under the Act or the Advisers Act, as applicable, to the Partnership or the Limited Partners have not in any way been restricted or eliminated. For the avoidance of doubt, when the Partnership

Agreement or the Subscription Agreement grants the General Partner or the Management Company authority to make a determination or to act in its "discretion," "sole discretion," or "sole and absolute discretion," or words to that effect, such discretion shall be exercised in accordance with, rather than in place of, the General Partner's and the Management Company's fiduciary duties to the Partners.

37. **Enforceability as to Subsequent Subscriptions.** This Agreement shall apply in all material respects with respect to the Investor to any (i) future increase in Capital Commitment by the Investor and (ii) agreement governing any Alternative Investment Vehicles, Parallel Partnerships or Feeder Partners, as described in the Partnership Agreement.

38. **No Further Use.** To the fullest extent permitted by law, the Partnership, the General Partner and the Management Company shall keep this Agreement and its terms strictly confidential and shall not disclose the terms and provisions of this Agreement to any other person or entity, including without limitation, any other manager of an investment fund, and shall not authorize their respective attorneys to use or refer to this Agreement for any purpose other than its direct representation of the Partnership, the General Partner or the Management Company. Notwithstanding the foregoing, the Partnership and the General Partner may disclose the terms of this Agreement to (i) the Partnership's consultants, custodians, brokers, engineers, architects, contractors, escrow agents, attorneys, fund administrators, placement agents, accountants, auditors and other agents and employees during the ordinary course of their provision of services to the Partnership, but only on a need to know and confidential basis; or (ii) other investors in the Partnership to comply with any "most favored nation" agreement they may have with such investors; provided, that any and all information that may identify the Investor is fully redacted.

39. **Secondary Interests.** To the extent there exists an opportunity for the purchase of another Limited Partner's Interest in the Partnership (a "Secondary Interest"), the General Partner shall notify the Investor of such opportunity (the "Secondary Notice") to acquire such Secondary Interest within a commercially reasonable period of time of it becoming aware of such Secondary Interest opportunity. The General Partner shall use commercially reasonable efforts to facilitate an introduction of the Investor to the Limited Partner offering such Secondary Interest.

40. **List of Investments Following Termination of Investment Period.** Promptly following the termination of the Investment Period, the General Partner shall send to the Investor a list of the Permitted Investments with respect to which the General Partner contemplates using Distributable Cash or making Capital Calls as described in Section 2.6(a) of the Partnership Agreement.

41. **Notice of Use of Distributable Cash to Fund Drawdowns.** If, pursuant to Section 4.3(f) of the Partnership Agreement, the General Partner uses Distributable Cash to apply to all or any amounts that would otherwise be drawn down from the Investor, the General Partner shall issue a notice to the Investor containing information substantially similar to that which would be contained in a Drawdown Notice, detailing the use of such Distributable Cash.

42. **Application of Drawdown Amounts.** The General Partner agrees that it shall notify the Investor if a Capital Contribution paid by the Investor is used for any purpose other than the purpose specified in the Drawdown Notice for such Capital Contribution.

43. **Funding of Defaulted Amount.** In the event of a Default by a Limited Partner, the Investor shall not be responsible for any portion of the Management Fee with respect to such Defaulting Partner (for the avoidance of doubt, if the Investor purchases a Defaulting Partner's Interest or the General Partner issues additional calls for Capital Contributions as a result of such Default, the Investor shall be subject to the Management Fee with regard thereto).

44. **Defaults.** The Investor may be deemed a Defaulting Partner by the General Partner pursuant to Section 4.5 of the Partnership Agreement only to the extent the Investor fails to make all or any portion of any Capital Contribution when and as due, and such failure continues unremedied for a period of ten (10) days after written notice of such failure is delivered to the Investor by the General Partner.

45. **Successor Fund Subscriptions.** To the extent the General Partner launches a successor fund to the Partnership, the General Partner shall extend an invitation to Investor to invest in such successor fund, at a minimum, up to the amount of the Investor's *pro rata* Interest in the Partnership.

46. **AML Documentation Compliance; Additional Information.**³ Notwithstanding anything to the contrary in the Partnership Agreement, the Subscription Agreement or any related document, except for their names, the Investor shall not be obligated to provide the General Partner, the Partnership or any administrator of the Partnership with personal identification information about the Navajo Nation Council or the Investor's executive officers or counsel. Among other things, the Investor shall not be obligated to provide the General Partner, the Partnership or any administrator of the Partnership with the social security numbers, driver license numbers, and residence address information of the members of the Navajo Nation Council, the Investor's executive officers or counsel. Notwithstanding anything to the contrary contained in this Agreement, the Subscription Agreement or the Partnership Agreement, the Investor shall not be required to deliver financial or other information, documents, forms, statements, representations, opinions or certifications or execute any document, certificate or instrument or take any other action if doing so would be an unreasonable burden or expense to the Investor or would cause the Investor to violate any law applicable to it.

47. **Legal Counsel.** The General Partner acknowledges and agrees that the Investor has not waived, and shall not be deemed to have waived, any future conflicts of interest with respect to legal counsel advising the Partnership, the General Partner or the Management Company in connection with Investor's investment in the Partnership.

48. **Bipartisan Budget Act.** The Investor hereby represents and warrants to the General Partner and the Partnership that the Investor (a) is a tax-exempt entity under U.S. federal laws, (b) is not subject to any tax liability or withholding requirements of U.S. federal law, and (c) will provide the General Partner with an IRS Form W-9 certifying to the foregoing status. Based solely on the foregoing representation, if the Internal Revenue Service, in connection with an audit governed by the Partnership Tax Audit Rules, proposes an adjustment in the amount of any item of income, gain, loss, deduction or credit of the Partnership, or any Partner's distributive share thereof, and such adjustment results in an "imputed underpayment" as described in Code Section 6225(b), the General Partner will consider in good faith whether the election to apply the alternative method described in Code Section 6226 (the "Alternative Method"), and/or any modifications under Code Section 6225(c)(3), (4) and (5), are available, reasonably practicable, and in the best interests of the Partnership under the circumstances (taking into account the amount of the adjustment, the administrative burden and cost associated with the Alternative Method or any such modifications, whether the partnership representative authorized to act on behalf of the Partnership in respect of Partnership audits (the General Partner and/or such other person, the "Partnership Representative") has received any needed information on a timely basis from the Partners, and other relevant factors), provided that the ultimate decision concerning whether or not to elect the Alternative Method or make any such modifications will be in the reasonable discretion of the General Partner. The General Partner confirms that it interprets Section [6.7(d)][11.4] of the Partnership Agreement to permit the General Partner to make appropriate adjustments so that the benefit of any such modification specifically attributable to the Investor's tax status will be allocated solely to the Investor.

All references in this paragraph to Code Sections 6225 and 6226 are to those sections of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or any applicable successor provisions.

49. **Good Faith.** In accordance with the Navajo Nation Procurement Act at 12 N.N.C. § 302 and without limitation of the fiduciary obligations of the General Partner or the Management Company, the Parties shall act in good faith in connection with their negotiation, performance and administration of this Agreement, the Partnership Agreement and Subscription Agreement.

50. **Force Majeure.** All provisions of the Partnership Agreement, if any, applying *force majeure* shall apply to the Parties mutually, and not just in favor of the General Partner.

51. **Attorneys' Fees.** All provisions in the Partnership Agreement or the Subscription Agreement mandating an award of attorneys' fees and costs of litigation shall apply to the Parties mutually, and not just in favor of the General Partner, such that in the event any Party is the successful Party in connection with any Claim, that Party shall be awarded its reasonable attorneys' fees and costs of litigation against the non-successful Party, with such a determination to be made by the arbitrator or arbitration panel and not a jury.

52. **Waiver.** For purposes of clarity, no unilateral modification by the General Partner to the Partnership Agreement or the Subscription Agreement which purports to modify (or has the effect of modifying) the terms of this Agreement shall be construed as having been approved by the Investor, or to qualify as a waiver by the Investor of the relevant terms of this Agreement, unless the Investor first consents to such modification by separate writing, regardless of whether the Investor does not respond to any proposed modification within the period specified by the General Partner.

53. **General Partner Transfers.** The General Partner hereby agrees with the Investor that, as a condition to any voluntary transfer, assignment or other voluntary disposition of all of its direct general partner interest in the Partnership to any Person, and prior to such Person's admission as a general partner of the Partnership, the General Partner shall cause such Person to enter into a letter agreement with the Investor in form and substance substantially identical to this Agreement.

54. **Amendment to the Partnership Agreement.** The General Partner hereby agrees that, no later than 30 days after the Last Closing Date, the General Partner shall present the amendments to the Partnership Agreement as set forth in Exhibit B attached hereto to the Limited Partners for approval and that, on and after the date hereof, the General Partner, the Management Company and the Partnership shall act in accordance with such amendments.

55. **Reports to the Investor.** The General Partner shall deliver to the Investor a quarterly report no later than forty-five (45) days following the end of each quarter and such report shall include a summary of the Investor's capital account activity, including beginning capital balance, contributions, distributions, income/loss allocated to the Investor (including detail of Management Fee and Carried Interest Distributions) and ending capital balance.

56. **Tax Returns.** The General Partner will use commercially reasonable efforts to cause the Partnership to provide to the Investor, within one hundred eighty (180) days after the end of each Tax Year (subject to reasonable delays in the event of late receipt by the Partnership of any necessary financial statements from any Portfolio Company), information regarding the Partnership that is required to timely complete and file the Investor's tax filings or to enable it to withhold tax or obtain refunds pursuant to applicable law, subject to the right of the General Partner to withhold any such information

that it or the Partnership is prohibited from disclosing under applicable law or contractual confidentiality restrictions.

57. **Captions.** Captions used in this Agreement are for convenience only and shall not be construed as having any meaning and shall not be taken into account for purposes of construing any provision of this Agreement.

58. **Successors and Assigns.** This Agreement is solely for the benefit of the parties hereto, and, subject to Section 9 above, will not be assignable by any party without the prior written consent of the other parties. This Agreement will be binding upon, and inure to the benefit of, the respective successors and permitted assigns, as permitted by the terms of this Agreement or the Partnership Agreement, of the parties hereto.

59. **Amendments and Waivers.** This Agreement may not be modified or amended or the rights of any Party hereunder waived unless such modification, amendment or waiver is effected by a written instrument expressly modifying, amending or waiving this Agreement or the rights of a Party hereunder, which instrument is executed by all Parties.

60. **Conflicts and Survival.** This Agreement is binding on and enforceable against the Partnership, the Management Company and the General Partner notwithstanding any contrary provisions of the Partnership Agreement, the Management Agreement or the Subscription Agreement, and in the event of a conflict between the provisions of this Agreement and the Partnership Agreement, the Management Agreement or the Subscription Agreement, the provisions of this Agreement shall control. This Agreement, the Partnership Agreement and the Subscription Agreement, in each case as modified by this Agreement, represent the entire understanding of the Parties in respect of the subject matter contained herein and supersede all prior agreements and understandings between the Parties with respect to the subject matter of such instruments. This Agreement shall survive delivery of fully executed originals of the Partnership Agreement and Subscription Agreement, and the Investor's admission to the Partnership as a Limited Partner.

61. **Counterparts.** This Agreement may be executed in counterparts (whether original or facsimile counterparts), each of which shall be deemed an original and which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

62. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the Navajo Nation, without regard to conflict of law principles. This Agreement may be amended only by a written agreement among all of the Parties.
