1
2 **Section Two. Findings**

- 3 A. On May 30, 2014, the 22nd Navajo Nation Council adopted Resolution No. CMY-28-
4 14 accepting a settlement of the Navajo Nation's lawsuit, *Navajo Nation v. United*
5 *States*, No. 06-945L (United States Court of Federal Claims) against the United States
6 for its historical mismanagement of the tribe's trust assets and its failure to ensure that
7 the Navajo Nation received all funds due and owed under the United States' trust
8 obligations and fiduciary duties. Resolution No. CMY-28-14 was signed into law by
9 the President of the Navajo Nation on June 4, 2014.
- 10 B. The 22nd Navajo Nation Council recognized that during the many decades that the
11 United States was in breach of its trust obligations and fiduciary duties to the
12 Nation, the tribal government was without funds to develop the comprehensive
13 nation-wide infrastructures necessary to support and promote community growth
14 and sustainability through the expansion of economic development, as well as to
15 provide the educational opportunities, critical for the prosperity of current and
16 future generations of Diné. See Resolution No. CMY-28-14.
- 17 C. Between October 6, 2014 and November 8, 2014 the Office of the Speaker held
18 seven (7) Public Hearings, as directed by the Navajo Nation Council's Naabik'iyati'
19 Committee on July 10, 2014, to receive input from Navajo Nation members on how
20 the net proceeds from *Navajo Nation v. United States*' should be used. During that
21 same time period, the Office of the President & Vice-President also held five (5)
22 town hall meetings for a similar purpose.
- 23 D. On December 13, 2014, the 22nd Navajo Nation Council adopted Resolution No.
24 CD-68-14 enacting the Navajo Nation Breach of Trust Settlement Act of 2014
25 (hereinafter "2014 Act") and establishing the Navajo Nation Síhasin Fund at 12
26 N.N.C. § 2501 et seq. The President of the Navajo Nation signed Resolution No.
27 CD-68-14 into law on December 31, 2014.
- 28 E. The 2014 Act mandated that the net proceeds and earnings thereon received by the
29 Navajo Nation from the settlement of *Navajo Nation v. United States*, No. 06-945L,
30 and that, when duly designated, the net proceeds of settlements or judgement

1 awards of other litigation(s) brought against the United States concerning its failure
2 to ensure that the Navajo Nation received all funds due and owing under the United
3 States' trust obligations and fiduciary duties, be deposited into the Síhasin Fund and
4 managed and invested to provide financial support and/or financing for (1) the
5 planning and development of regional infrastructure supporting economic and
6 community development, including housing, within the Navajo Nation; and/or (2)
7 education opportunities for members of the Navajo Nation. See 12 N.N.C § 2501
8 and § 2502 (A).

9 F. The 2014 Act also established that "leveraging of the [Síhasin] Fund by way of
10 guaranteeing loans, match funding, direct funding in part and other weighted uses
11 of the Fund shall be favored over direct funding in whole". 12 N.N.C § 2502 (B).

12 G. The 2014 Act further established that with the exception of outstanding and accrued
13 litigation costs, Síhasin Fund Principal and Income shall only be expended pursuant
14 to a Fund Expenditure Plan consistent with the purposes set forth in the 2014 Act at
15 12 N.N.C. §2502 and adopted by a two-thirds (2/3) vote of all members of the
16 Navajo Nation Council. See 12 N.N.C. § 2505 (A).

17 H. The 2014 Act states that "Fund Principal" shall consist of all deposits made to the
18 Síhasin Fund and that "Fund Income" shall consist of all earnings (interest,
19 dividends, etc.) generated and realized by the Fund Principal and that Fund Income
20 shall be deposited in and added to Fund Principal until such time as a Fund
21 Expenditure Plan is duly adopted. See 12 N.N.C. §§ 2504 and 2505 (c).

22 I. The Office of the Controller reported that as of January 1, 2016, the amount of the
23 Síhasin Fund Principal is Four Hundred Eighty Seven million Nine Hundred Ninety
24 Thousand Eight Hundred Forty One Dollars and Ninety One Cents
25 (\$487,990,841.91) with interest earnings of Four Hundred Fifty Eight Thousand
26 Four Hundred Thirty One Dollars and Seventy Five Cents (\$458,431.75).

27 J. On April 9, 2015, the Naabik'íyáti' Committee adopted NABIAP-20-15
28 establishing the Naabik'íyáti' Síhasin Fund Subcommittee to "review and evaluate
29 the Public Hearing comments and recommendations from the Navajo People" and
30 "recommend to the Naabik'íyáti' Committee and Navajo Nation Council financial

1 support and/or financing plan(s) for the purposes designated in CD-68-14 [Navajo
2 Nation Breach of Trust Settlement Act of 2014, establishing the Síhasin Fund]”.

3 K. Between April 2015 and December 2016, the Síhasin Fund Subcommittee, assisted
4 by the Office of Legislative Services, Office of the Speaker, and Office of
5 Legislative Counsel, met on at least twenty-five (25) occasions in either work
6 sessions or official meetings to review and evaluate the Public Hearing comments
7 and recommendations from the Navajo People; hear proposals from Navajo Nation
8 entities, chapters, programs and officials; and develop an expenditure plan(s) for the
9 Síhasin Fund Principal and Income consistent with the purposes set forth in the
10 2014 Act.

11 L. The Síhasin Fund Subcommittee determined that for an expenditure plan to fully
12 meet the leveraging criteria of the 2014 Act, the expenditure plan shall not rely on
13 Síhasin Funds for full direct project funding, unless such funds are to be repaid
14 under a loan agreement, and instead must utilize the Síhasin Funds for (1) match
15 funding, joint funding, contribution funding, cost-share funding or similar weighted
16 uses of the funds; (2) reimbursement funding; and/or (3) loan or bond financing or
17 guarantee.

18 M. The Síhasin Fund Subcommittee also determined that the 2014 Act allowed for the
19 adoption of multiple expenditure plans and that it would be prudent for the Navajo
20 Nation to adopt integrated, yet distinct, expenditure plans for regional-level
21 infrastructure planning and development in four broad infrastructure areas or
22 categories consistent with the purposes of the 2014 Act: Water and Natural
23 Resource Infrastructure Development; Economic Development; Community
24 Development; and Housing Development.

25 N. After reviewing the comments submitted during the Public Hearings and town hall
26 meetings, as well as the reports and comments made during the Síhasin Fund
27 Subcommittee meetings, the Subcommittee determined that the Navajo people were
28 supportive of community development allocations for human services, including
29 but not limited to support for individuals with disabilities.
30

- 1 O. In addition, the Toadlena/Two Grey Hills and Pine Dale Chapters adopted
2 resolutions, attached as Exhibit A, supporting the allocation of Síhasin Funds for
3 services for individuals with disabilities.
- 4 P. In 1986, the Navajo Nation established the Navajo Nation Trust Fund for
5 Handicapped Services, 12 N.N.C. §§ 1101-1108, wherein “95% of the Fund income
6 shall be used as Navajo Nation grants to supplement Navajo Nation government
7 and non-Navajo Nation government programs and projects that provide services to
8 Navajo handicapped citizens.” 12 N.N.C. § 1105(A).
- 9 Q. The Síhasin Fund Subcommittee has determined that Síhasin Funds could lawfully
10 be added to the Navajo Nation Trust Fund for Handicapped Services if the interest
11 earnings (Fund income) derived from the added Síhasin Funds were segregated and
12 only expended for (a) projects that meet the requirements of the Síhasin Fund
13 purposes, i.e., (1) the planning and development of regional infrastructure
14 supporting economic and community development, including housing, within the
15 Navajo Nation; and/or (2) education opportunities for members of the Navajo
16 Nation; and (b) projects that leverage Síhasin Funds with other funds, such as
17 federal and state funding for individuals with disabilities, Medicaid and Medicare,
18 private insurance, Navajo Nation Trust Fund for Handicapped Services non-Síhasin
19 Fund-derived income, etc.
- 20 R. The Síhasin Fund Subcommittee determined that the Navajo Nation Office of
21 Special Education and Rehabilitation Services, within the Navajo Nation
22 Department of Díne Education, and the Navajo Nation Council on the
23 Handicapped, 13 N.N.C. §§ 4801-4809, have the expertise to recommend and
24 administer the expenditure of Síhasin Funds for the benefit of individuals with
25 disabilities consistent with the purposes and leveraging requirements set forth in 12
26 N.N.C. § 2502 pursuant to an annual plan adopted by the Health Education and
27 Human Services Committee.
- 28 S. The Síhasin Fund Subcommittee has also determined that allocating and adding ten
29 million dollars (\$10,000,000.00) of Síhasin Funds to the Navajo Nation Trust Fund
30 for Handicapped Services for the purposes of the planning and development of

1 regional infrastructure *specifically for individuals with disabilities* supporting
2 economic and community development, including housing, within the Navajo
3 Nation; and/or (2) education opportunities for members of the Navajo Nation *with*
4 *disabilities* is within the purposes of the 2014 Act.

5 T. The Síhasin Fund Subcommittee additionally determined that it was in the best
6 long-term interest of the Navajo Nation and the Navajo people to provide financial
7 support to individuals with disabilities and recommends to the Navajo Nation
8 Standing Committees and the Navajo Nation Council that ten million dollars
9 (\$10,000,000.00) of Síhasin Funds be allocated for and added to the Navajo Nation
10 Trust Fund for Handicapped Services as the Síhasin Fund Individuals With
11 Disabilities Expenditure Plan, as set forth in sections Three and Four below, under
12 section 2505 of the 2014 Act.

13 U. After considering the recommendations of the Síhasin Fund Subcommittee, the
14 Navajo Nation Council hereby determines that the Síhasin Fund Individuals With
15 Disabilities Expenditure Plan fits within the priorities established under the July 20,
16 2015 One Nation, One Voice Navajo Nation Three Branch Agreement and that it is
17 in the best interests of Navajo individuals and their families, as well as in the best
18 interests of economic and community development, including housing, within the
19 Navajo Nation, as well as education opportunities for Navajo members, to fund the
20 Síhasin Fund Individuals With Disabilities Expenditure Plan, as set forth in sections
21 Three and Four below.

22 23 **Section Three. Approval and Adoption of Expenditure Plan**

24 A. The Navajo Nation hereby approves and adopts the Síhasin Fund Individuals With
25 Disabilities Expenditure Plan wherein ten million dollars (\$10,000,000.00) of
26 Síhasin Funds will be transferred to and deposited in the Navajo Nation Trust Fund
27 for Handicapped Services during Navajo Nation Fiscal Year 2017.

28 B. The Navajo Nation hereby approves and adopts that each year 95% of the Fund
29 income attributable to the Síhasin Funds deposited in the Nation Trust Fund for
30 Handicapped Services shall be used as Navajo Nation grants to supplement Navajo

1 Nation government and non-Navajo Nation government projects that provide
2 services to Navajo individuals with disabilities specifically for the purposes of (1)
3 the planning and development of regional infrastructure supporting economic and
4 community development, including housing, within the Navajo Nation; and/or (2)
5 education opportunities for Navajo members with disabilities.

6 C. The Navajo Nation hereby approves and adopts that interest earnings or income
7 attributable to the Síhasin Funds deposited in the Nation Trust Fund for
8 Handicapped Services shall be leveraged by way of match funding, direct funding
9 in part and/or other weighted or supplemental uses and shall be not used as direct
10 funding in whole for any project.

11 D. The Síhasin Funds allocated for the Síhasin Fund Individuals With Disabilities
12 Expenditure Plan may be further leveraged by bond or loan financing pursuant to
13 the Navajo Nation Bond Financing Act, 12 N.N.C. § 1300 et seq., as amended,
14 using other Síhasin Fund Earnings for repayment and financing costs upon the
15 recommendation of the Budget & Finance Committee and approval by a two-thirds
16 (2/3) vote of all members of the Navajo Nation Council.

17
18 **Section Four. Approval and Adoption of Expenditure Plan Administration**

19 A. The Navajo Nation hereby approves administration of the Síhasin Fund Individuals
20 With Disabilities Expenditure Plan as follows:

- 21 1. The Navajo Nation Controller shall determine whether the source of the
22 allocated ten million dollars (\$10,000,000.00) will be Síhasin Fund Principal or
23 Income or a combination of both;
- 24 2. The Síhasin Fund transferred to the Navajo Nation Trust Fund for Handicapped
25 Services shall be invested and managed consistent with the Navajo Nation Trust
26 Fund for Handicapped Services statute, 12 N.N.C. §§ 1101-1108, but the
27 interest earnings or income from such Síhasin Funds shall be segregated and
28 may only be expended for projects that meet *all* the requirements of 12 N.N.C.
29 § 2502.
30

1 3. The interest earnings or income from Síhasin Funds in the Navajo Nation Trust
