PO Box 3390
Window Rock, AZ 86515

Dear Honorable Shepherd,

On behalf of the Navajo Division of Transportation (Navajo DOT), I'm respectfully and formally requesting for your assistance in sponsoring the 2016 Tribal Transportation Program (TTP) Deliverables. The TTP Deliverables consist of road inventory data, as used by Bureau of Indian Affairs (BIA) for roadway improvements, maintenance and planning purposes. Tribal governments within the United States are entitled to submit Tribal Transportation Program data to the BIA for inclusion into the National Tribal Transportation Program Inventory, which is in compliance with the federal mandate 26 CFR Part 170, subpart C & D.

Navajo DOT compiled, updated, and collaborated in the preparation and submission of the TTP Deliverables with the BIA as part of a Programmatic Agreement with the Federal Highway Administration. Attached is the 2016 TTP Deliverable packet comprised with updates, deletions and new routes for 2016 TTP Deliverables.

Your assistance in providing the necessary and continued sponsor and support of the 2016 TTP Deliverables is greatly appreciated. If you have any questions please contact LeAnne Roy, Acting GIS Supervisor at (505) 371-8380 or I may be contacted at (505) 371-8389.

Sincerely,

Karen Bedonie Benally, Department Manager
Navajo Nation Division of Transportation – Planning Department
