RE: Diné College Student Representative to the Commission on Navajo Government Development

Yá'at'ééh Mr. Dee,

I would like to express my interest as a Diné College student representative to the Commission on Navajo Government Development. I am a senior in the Bachelor of Arts Program studying Psychology and a sophomore in the Associates of Arts program for Diné Studies-language track. I would love the opportunity to share my perspective as well as expand my skills and knowledge in the area of Navajo Nation Government.

My internships and volunteer work with Diné College has provided me with the foundation to be an ideal candidate to serve on the Commission on Navajo Government Development. I have interned at Diné College under the Center for Diné Language Immersion, Office of the President, Diné Bizaád Immersion Institute, Retention and Advising, and the Department of Career Advancement.

As a student representative commission member, it will give me an opportunity to be able to hold myself accountable in my role while contributing to my community, peers, and the Navajo people. I will be open-minded, welcome challenging work, be willing to learn and listen, take responsibility and initiative when needed. Thank you for your consideration.
