SECTION TWO. FINDINGS

28 29

D. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C. §102(A). As such, the Council has the authority to approve supplemental appropriations. "The Navajo Nation Council may adopt and approve supplemental appropriations to the Annual Comprehensive Budget during the fiscal year. Supplemental appropriations of General Funds within the current fiscal year are permitted, if and when additional sources of revenues above and beyond the initial or current revenue projections are projected and which are also in excess of the reserve amount set forth at §820(J)." 12 N.N.C. §820(L).

- E. The restrictions on supplemental appropriations include:
  - 1. Supplemental appropriations from non-recurring revenues shall be approved only for non-recurring expenses. 12 N.N.C. §820(F). The Controller determines which revenues are recurring and which are non-recurring. 12 N.N.C. §820(L).
  - 2. The Navajo Nation shall budget all recurring operating expenses, including capital maintenance costs, from recurring revenues only; and long-term debt shall not be used to finance recurring operating expenses. 12 N.N.C. §820(E).
  - 3. The Navajo Nation Code further provides, ". . . non-recurring revenues will be budgeted only after an examination by the Controller to determine whether or not the revenues are subsidizing an imbalance between recurring revenues and expenditures, and expenditures may be authorized only if a long-term (three-five year) forecast shows that the operating deficit will not continue. Otherwise, non-recurring revenues will be added to the Unreserved, Undesignated Fund Balance. This provision may be amended or waived by a two-thirds vote of the full Navajo Nation Council." 12 N.N.C. §820(F).
  - 4. All requests for supplemental funding shall be submitted to the Office of Management and Budget ("OMB") for budget impact analysis. 12 N.N.C. §820(M).

A. The Division of Economic Development/Tourism Department is requesting \$900,000 in supplemental funds out of the Undesignated, Unreserved Fund Balance ("UUFB"), to mitigate the negative effects of the COVID-19 pandemic that resulted in the loss of an estimated \$115,500,000 of tourism-related revenue since the Spring of 2020, which revenue

- is normally used to fund the Department for the entire Fiscal Year. In the attached "Appendix K Supplemental Funding Proposal Summary" the Tourism Department explains that it needs the \$900,000 to cover its personnel and operating expenses for the remainder of FY2022. **EXHIBIT A**.
- B. The Tourism Department has provided its required Budget Forms, including a "Program Budget Summary" and a "Detailed Budget and Justification," which pages are attached hereto as **EXHIBIT B**.
- C. The Tourism Department has also provided a detailed "Listing of Positions and Assignments by Business Unit," attached as **EXHIBIT C**.
- D. In accordance with 12 N.N.C. §820(L), the Controller has provided a memorandum regarding this UUFB funding request. **EXHIBIT D**. In addition, in the "Executive Official Review" process, the Controller on October 27, 2021 deemed this funding request "sufficient." **EXHIBIT E**. The Controller may be requested to provide a revised memorandum or a verbal statement regarding this matter, when this legislation is considered by the Navajo Nation Council.
- E. OMB has also reviewed this funding request and deemed it "sufficient." **EXHIBIT E**. In compliance with 12 N.N.C. §820(M), OMB may be requested to provide a budget impact analysis by memorandum or a verbal statement, when this legislation is considered by the Navajo Nation Council.
- F. The Department of Justice has reviewed this UUFB funding request and deemed it "legally sufficient." **EXHIBIT E**.

### SECTION THREE. ALLOCATING \$900,000 FROM THE UUFB TO THE DIVISION OF ECONOMIC DEVELOPMENT/TOURISM DEPARTMENT

- A. The Navajo Nation hereby allocates \$900,000 from the UUFB to the Division of Economic Development/Tourism Department for the Department's personnel and operating expenses for the remainder of FY2022, as shown in **EXHIBIT A**.
- B. This \$900,000 supplemental appropriation shall be from those funds that exceed the minimum fund reserve balance in the UUFB required by 12 N.N.C. §820(J), as determined by the Controller.

PART II. REASON FOR REQUEST AND STATEMENT OF NEED: The Tourism Industry across the Navajo Nation was hit by the Covid 19 Pandemic and affected the funding source for the Hotel Occupancy Tax (HOT), which funds the NN Tourism Department. The overall impact of the pandemic has been severe and has caused the Navajo Nation to a loss and estimated total tourism revenue of \$115,500,000 due to closure of the industry for a total of more than one (1) year.

The NN Tourism Department submitted three (3) budgets during the budget season. They are as follows: #1 Allocated budget amount of \$128,576; #2 Unmet Needs Budget in the amount of \$791,548; #3 Carry Forward Budget in the amount of \$175,000. The Unmet Needs and Carry Forward Budget were not approved. Due to these two budgets not being approved put the Tourism Department in a situation where there would be no personnel and operating funds for the department for FY 2022, therefore making it impossible for the department to meet its goals and objectives.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

The attached budget is to drawdown funds from account #510004, which is a combined funding source for the Hotel Occupancy Tax (HOT) fund for NN Tourism Department and NN Parks and Recreation Department. This fund holds the identified taxes that are collected throughout the year for hotel night stays by visitors. The total amount in this funding account is \$4,217,157.

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

From: Robert Willie, Accounting Manager

Office of the Controller

Date: October 27, 2021

Subject: Tourism request to increase budget in the amount of \$900,000

The Office of the Controller has reviewed the above referenced document.

- The Tourism fund is seeking \$900,000 additional dollars from the Tourism Fund Balance due to the department having no operating budget and funds are needed to complete FY 22 goals and objectives.
- There is an unaudited balance of \$4,217,157 within the Fund Balance for Tourism(see Exhibit A) as of August 31, 2021. It is unknown how much is reserved for the Parks and Recreation department.
- This would be access to fund balance to fund FY 22 unmet budget needs within the
  Tourism Fund. There is sufficient funding available. Program would need to get
  oversight approval to increase their budget. The Business Unit this would be utilized in
  would be 510003 which is PDD-Tourism Program.
