The Navajo Nation established the Health, Education, and Human Services Committee (“HEHSC”) as a Navajo Nation Council standing committee, and as such gave HEHSC the authority to oversee all health and social service related activities of the Navajo Nation and its tribal organizations, enterprises, relating to the delivery of health, environmental health and social services” 2 N.N.C. §401(C)(2).
- B. The Navajo Nation established the Budget and Finance Committee (“BFC”) as a Navajo Nation Council standing committee, and as such empowered BFC to review and recommend to the Navajo Nation Council the management of all funds. 2 N.N.C. §300(A), and §301(B)(2).

- 1 C. The Navajo Nation Council established the Naabik'íyáti' Committee as a Navajo Nation
2 standing committee, and proposed legislation requiring final action by the Navajo Nation
3 Council shall be assigned to the Naabik'íyáti' Committee. 2 N.N.C. §164(A)(9) and §700(A).
- 4 D. The Navajo Nation Council is the governing body of the Navajo Nation, with the authority to
5 approve supplemental appropriations. 2 N.N.C. §102(A), 12 N.N.C. §820(L).
- 6 E. Pursuant to 12 N.N.C. §820(L), "[t]he Navajo Nation Council may adopt and approve
7 supplemental appropriations to the Annual Comprehensive Budget during the fiscal year.
8 Supplemental appropriations of General Funds within the current fiscal year are permitted, if
9 and when additional sources of revenues above and beyond the initial or current revenue
10 projections are projected and which are also in excess of the reserve amount set forth at
11 §820(J)."
- 12 F. The Title 12 Supplemental Appropriation requirements include:
- 13 1. All requests for annual operating funds and supplemental funds shall be submitted to the
14 Office of Management and Budget (OMB) for budget impact analysis. 12 N.N.C.

22 N.N.C. §820(L).
 - 23 4. The Navajo Nation Code provides, "[t]he Nation shall restrict non-recurring revenues to
24 budget non-recurring expenditures. In addition, non-recurring revenues will be budgeted
25 only after an examination by the Controller to determine whether or not the revenues are
26 subsidizing an imbalance between recurring revenues and expenditures, and expenditures
27 may be authorized only if a long-term (three-five year) forecast shows that the operating
28 deficit will not continue. Otherwise, non-recurring revenues will be added to the
29 Unreserved, Undesignated Fund balance. This provision may be amended or waived by a
30 two-thirds vote of the full Navajo Nation Council." 12 N.N.C. §820(F).

1 **SECTION TWO. FINDINGS**

2 A. This request for supplemental funding seeks the amount of \$258,512.00 out of the
3 Unreserved, Undesignated Fund Balance, to assist the Tohatchi Area of Opportunity &
4 Services, Inc. ("TAOS") in providing transportation services to its intellectually and
5 developmentally disabled clients.

6 B. TAOS, formerly known as A School for Me, Inc., was recognized as a Tribal Organization in
7 1982 by Resolution No. ACJN-69-82. TAOS provides assisted living services, adult
8 habilitation, community-based support, employment support, and other critical services to
9 adults and children with intellectual and developmental disabilities. TAOS serves many
10 Navajo Nation communities.

11 C. In a memorandum from the TAOS Executive Director dated March 15, 2021, and in TAOS'
12 Grant Application document, TAOS explains that the organization urgently needs 8 new
13 vehicles to replace nearly half of their aging, high-mileage, high-maintenance, fleet of 17
14 vehicles. Their current vehicles are old and unreliable and some have been deemed unsafe.
15 These new vehicles are needed to provide ready and reliable transportation for clients to
16 participate in community activities, attend medical appointments, job interviews, and other
17 critical appointments, so they can be empowered to function as independently as possible.

18 **Exhibit A.**

19 D. The supplemental funding proposal, budget forms and related documents, including
20 Appendix K "Supplemental Funding Proposal Summary," for TAOS are attached as **Exhibit**
21 **B and B-1.**

22 E. The Office of the Controller issued a memorandum dated June 28, 2021, to satisfy the
23 requirements in 12 N.N.C. §820(L), attached as **Exhibit C.** The Controller has identified
24 TAOS' proposed expenditures as NON-RECURRING. Therefore, this funding request fits
25 within the requirements of 12 N.N.C. §820(F).

26 F. The Office of Management and Budget issued a memorandum dated June 25, 2021, to satisfy
27 the requirements in 12 N.N.C. §820(M), attached as **Exhibit D.**

28 G. Various organizations and ten chapters have voiced their support for this funding for TAOS
29 to obtain the needed vehicles. **Exhibit E.**

1 **SECTION THREE. APPROVING SUPPLEMENTAL FUNDING FROM THE**
2 **UNRESERVED, UNDESIGNATED FUND BALANCE**

3 A. The Navajo Nation hereby approves \$258,512.00 in supplemental funding from the
4 Unreserved, Undesignated Fund Balance for the Tohatchi Area of Opportunity & Services,
5 Inc.

6 B. This supplemental appropriation of \$258,512.00 shall be from that amount of funds that
7 exceeds the minimum fund balance of the Unreserved, Undesignated Fund Balance as
8 determined by the Office of the Controller.

9 C. The \$258,512.00 in funds allocated for TAOS shall be distributed to the Division of
10 Community Development within twenty (20) days following enactment of this legislation.

11 D. Upon receipt of the funds, the Division of Community Development shall promptly purchase
12 the 8 vehicles listed in **Exhibit B-1** and arrange for delivery of the vehicles, and transfer of all
13 vehicle titles, to TAOS.

14 E. After transfer of title to TAOS, TAOS shall be wholly responsible for the operation,
15 maintenance, and repairs of the 8 vehicles, and shall obtain appropriate liability and other
16 insurance covering use of the 8 vehicles. The Navajo Nation shall not be liable for any
17 condition or event pertaining to the 8 purchased vehicles.

18 F. The Unreserved, Undesignated Fund Balance shall be reimbursed, in the full amount allocated
19 in this legislation, from prospective funds available to the Navajo Nation from any and all
20 state and federal sources, including Congressional appropriations under the American Rescue
21 Plan Act of 2021 or other COVID-19 related relief.

22
23 **SECTION FOUR. SAVINGS CLAUSE**

24 If any provision of this Act is determined invalid by the Navajo Nation Supreme Court or the
25 District Courts of the Navajo Nation, without appeal to the Navajo Nation Supreme Court, the
26 remainder of the Act shall remain the law of the Navajo Nation.

27
28 **SECTION FIVE. EFFECTIVE DATE**

29 The provisions of this Act shall become effective in accordance with 2 N.N.C. §221.
30

1 **SECTION SEVEN. DIRECTIVE**

2 Within ninety calendar days of the effective date of this legislation, the Division of Community
3 Development shall provide a written report on the status of expenditures under this legislation, to
4 the Naabik'iyati' Committee and to the Office of the President and Vice-President.

PART I. Business Unit No.: New Program Title: Tohatchi Area of Opportunity & Services, Inc (TAOS, Inc)
 Division/Branch: NN Social Services Amount Requested: \$258,512.00 Prepared By: Genevieve Nez-Halona
 Phone No.: (505) 722-9287 Email Address: gen.holona@taos-inc.org

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

Tohatchi Area of Opportunity & Services, Inc (TOAS, Inc) provides services to 50 individuals with intellectual and developmental disabilities. Recent federal rulings mandates all provider agencies provide person-centered, person-directed services involving enhancement/expansion of rights same as everyone else. The TAOS clients must have maximum control over their lives and the day-to-day decisions. In order to promote empowerment and independence, TAOS, Inc needs safe and reliable vehicles for its clients to exercise their basic civil and human rights, ie, participate in community activities, attend medical appointments and treatments, go to school, find employment, socialize with others, have accessibilities to physical exercise and recreation, etc., which are written in each client's Service Plan or Individual Program Plan. Having reliable transportation affords the TAOS clients to be a part of their families, communities and society and, most importantly, live as independently and productively as possible. 16 adults and 11 children are funded through the Department of Family Services under the auspices of Navajo Nation Division of Social Services and 22 adults are funded through the State of New Mexico Department of Developmental Disabilities. The Permancy plan implemented with 3 children who returned to the family or origin in fiscal year 2020.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

Currently TAOS, Inc will have continue to use its old and worn fleet or utilize its essential and limited funding reserves to purchase or lease the much needed vehicles.

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

MEMORANDUM

TO: Delegate Pernell Halona
24th Navajo Nation Council

FROM: 
Dominic Beyer, Executive Director
Office of Management and Budget

DATE: June 25, 2021

SUBJECT: Supplemental Appropriation request for the Tohatchi Area Opportunity and Services, Inc. (TAOS) to purchase eight (8) vehicles for clients in the amount of \$258,512.00 from the Undesignated, Unreserved Fund Balance (UUFb).

Pursuant to 12 NNC 820 (M) OMB reviewed the subject document and provides the following information. This budget request was forwarded by the Office of Legislative Services.

1. Because of the limited availability of funds, OMB advises the Branch Chiefs to prioritize all supplemental funding proposals pursuant to the FY 2021 Budget Instructions Manual (Section XII, D), and the Appropriations Act. This activity should be completed by the branches to determine priorities.
2. Currently, if funded, a new business unit would be setup for the program to receive funds through a tribal grant agreement under the Division of Social Services.

Contact OMB at (928) 871-6570 if there are any questions and/or concerns regarding this memorandum.

Attn: Executive Director

Window Rock, AZ 86515

Dear Office of Legislative Services Executive Director and Representatives,

TAOS, In. has been in existence since 1975. The community of Tohatchi and surrounding areas have been privileged and grateful to get to know the special people for whom these services are being requested for, specifically transportation.

TAOS agency at one time had the individuals residing in a Residential Home with two wings, men and women on either side as like a Boarding School. In early, 1990, the De-institutionalization phase became enforced by BIA and the Navajo Nation Division of Social Services that all Providers begin de-institutionalizing by sending individuals home or into smaller community program settings.

As individuals began to move into three/four bedroom homes within the community, there was fear and unsurety from families, Guardians, the individuals themselves and with staff. The ratio turned into two staff to 3/4 individuals into 3/4 bedroom homes; for apartment settings, one to two individuals became the ratio. Along with the plan, there became the need for vehicles to be assigned to all TAOS Homes as the setting remains today. More than three individuals now reside on their own with the responsibility the care of their home, but still have a need for transportation as safety is still a factor.

At this point and time for Agencies whom work with people with disabilities, the national trend and emphasis is the CMS Rule, now called the "Final Rule" empowered by Centers for Medicare & Medicaid across the nation. Now that people with disabilities across the nation reside within communities across the nation, the implementation is self advocacy, natural support and independency which is the core teachings to the TAOS Direct Support Staff and to the individuals to advocate for themselves as TAOS staff guide the individuals to continue so they may become contributing members in the community. All the more reason, transportation is very needed; for individuals decide their goals at Annual ISP (Individual Service Plan) meetings and may have chosen as their goal to seek employment, get hired and become employed. Others may have interest in local club membership, community or Chapter memberships, such as Lion's Club, Blue Star membership, Bible Studies, Local Fair employees or as greeters and so much more. It is the individuals who decide these endeavors and interests.

The Department of Health includes a reporting system called the New Mexico Incident Management Bureau to foresee to Safety and Health as well as the Navajo Nation Department of Health and ensure

people with disabilities are being cared for as should and if Agencies are not foreseeing to safety, or not following through on the implementation of the Individual Service Plan which the individuals had decided as their goals and objectives, then TAOS and any Provider to people with disabilities could be reported, due to lack of services, health and safety.

This is the foundation of TAOS request for dependable vehicles to continue to help the individuals we serve to meet their goals and to become independent in hopes that many can attain employment and reside on their own in the future. Although, many of the individuals are not able to walk, and if they are ambulatory, they still need physical assistance to take their time walking or receive assistance. There are others who use assistive device such as walkers, canes and sometimes a wheelchair and tie downs. Several of the individuals have visual limitations and have difficulty to climb up steps like climbing onto a Bus. All of this to explain the need for transportation across the board for the special people served by TAOS that is convenient for each individual with transport to the places the individuals wish to go.

Finally, there are medical appointments which are required by the State and Navajo Nation Department of Health in order to foresee to individual's health and safety and may at times need to see Specialty Doctors in Albuquerque or Farmington, NM for their medical needs. The transport from Tohatchi to Gallup, NM round trip is 50 miles. Although homes are local in the Gallup area, there are supplies the Care Coordinators run from the Health Department to check on medication and ensure there are medical supplies at all homes. The Individual Service Coordinators run supplies such as Attends, Covid prevention supplies, cleaning supplies to all the homes of the individuals and most use their own vehicle showing their dedication that the individuals do not go without supplies.

There is a Maintenance Department whom continuously foresee to the individuals health and safety at the home to repair, to monitor and implement safety walk throughs. The Maintenance Department continue to work with Office of Environmental Health whom check the homes as well as external Case Managers from the state whom visit the individuals monthly and also come into the homes to meet with the individuals they oversee on their case management caseload.

I am hoping this explanation enlightens to you; honorable Legislative service Representatives and Leaders to agree and reaffirm the need set before you through this application and request for Funding toward TAOS, Inc. transportation needs.
