MEMORANDUM

Ronald D. Duncan, Program Manager I
Navajo Office of Vital Records & Identification (NOVRI)

DATE: March 11, 2019

RE: Revised Plan of Operation - NOVRI

This memorandum is to provide information regarding the proposed revision of the Plan of Operation for NOVRI. Previous proposed revisions in the 164 process are to be disregarded.

The statutory reference for the current Plan of Operation for NOVRI is GSCMY-14-09 from 2009. The Plan of Operation refers to legislative committees no longer in existence and this proposed revision is to update the Plan of Operation to reflect our current legislative oversight committee to the Health, Education, and Human Services Committee.

There were also changes made to refer to the Scope of Work as established by the Annual Funding Agreement since NOVRI is a Public Law 93-638 program and receives Federal funding via a 638 contract. What work is to be performed by NOVRI is established through the Scope of Work as negotiated between the Navajo Nation and the Bureau of Indian Affairs.

There is also a change to reflect the current policy and procedure for the Navajo Nation Tribal Identification Card – the card is not called a passport although it will function as one once international travel requirements are met.

Should you have any questions about this proposed Plan of Operation revision, please contact me at (928) 871-6883
