RESOLUTION OF THE  
RESOURCES AND DEVELOPMENT COMMITTEE  
Of the 23rd Navajo Nation Council---Second Year 2016

AN ACTION  
RELATING TO RESOURCES AND DEVELOPMENT; APPROVING THE AMENDMENTS  
TO THE NAVAJO NATION HOMESITE LEASE REGULATIONS

BE IT ENACTED:

**Section One. Findings**

A. The Resources and Development Committee of the Navajo Nation Council is empowered to approve procedures for issuing homesite leases pursuant to 2 N.N.C. Sections 501(B)(1) and to delegate the authority to issue homesite leases pursuant to 501 (B) (3); and

B. Pursuant to RDC-289-93 (Exhibit F), the Resources Committee of the Navajo Nation Council delegated its authority to approve, issue, amend, assign, relinquish, and execute homesite leases to the Navajo Land Department in accordance with procedures adopted by the Resources Committee; and

C. The Division of Natural Resources Navajo Land Department is proposing amendments to the Homesite Leases Policy and Procedures approved by RCD-289-93, attached as Exhibit "F." The recommended Homesite Lease Regulations are attached hereto and incorporated herein as Exhibit "A"; and

D. With the assistance of Navajo Nation Divisions, Grazing Officials, Chapter Officials, Chapter administration employees; Land Boards, Farms Boards, and BIA Real Estate Services representatives, the Homesite Section of the Navajo Land Department conducted public hearings from August 2007 to date to obtain comments and recommendations on the revisions of the Homesite Lease Regulations. Navajo Land Department conducted many education/public hearings and meetings, provided news media releases and publications. Examples of these activities are attached hereto and marked as Exhibit "B"; and

E. The proposed amended Homesite Lease Regulations will benefit qualified applicants who are seeking housing assistance and/or utility infrastructure assistance through various Navajo

Nation Divisions, Enterprises, and State and Federal programs. Individuals obtaining a homesite lease include but are not limited to Navajo citizens with tribal census numbers and home buyers seeking home loan financing; and

F. The Navajo Land Department recommends the establishment of a proprietary fund account to be administered by the Navajo Land Department Homesite Section for the purpose of defraying the costs of administering the Homesite Land Offices, recording of homesite leases in the Navajo Land Title Data Systems, providing public education outreach programs, and enforcement of the Homesite Lease Regulations. By supplementing proposed proprietary fund account monies with annual fiscal year allocations, the Navajo Nation can better provide homesite lease related services to the Navajo People; and

G. The Navajo Land Department recommends the approval of the Homesite Lease Application Fee Schedule which includes: an increase of the standard homesite application, assignment, amendment, and termination fees to \$30.00; the resurvey fee increase to \$350.00; and an annual rental fee of \$12.00 for the term of the homesite lease. The Fee Schedule is attached on page 23 in Exhibit "A"; and

H. The Navajo Land Department recommends the approval of the Homesite Lease Penalties and Fines Fee Schedule attached at page 23 of Exhibit "A." Fines and Penalties would be assessed for situations such as illegal parking of trailer or mobile home, storage sheds and corrals without a lease or permit to improve, and illegal burial; and

I. The Navajo Land Department recommends creating five (5) new Compliance Officer positions to the Navajo Land Department Fiscal Year Budget Appropriation and increased operation costs to enforce the Homesite Lease Regulations within the five agency Navajo Land Offices; and

J. It is necessary to amend the standard forms that will be used in applying for a homesite lease on the Navajo Nation Trust Land and Fee Land. The amended forms are consistent with the proposed amendments to the Homesite Lease Regulations, which will include amendments of Homesite Application FORM 1; Field Clearance Certification FORM 2; and consent FORM 3 for Navajo Trust / Fee Land. These forms are attached hereto and marked respectively as Exhibits "C," "D," and "E"; and

K. It is in the best interest of qualified applicants seeking a homesite lease on Navajo Trust or Fee Land that the Resources and Development Committee of the Navajo Nation Council approve the recommended amended Homesite Lease Regulations, attached hereto as Exhibit "A."

## **Section Two. Approvals**

A. Resources and Development Committee of the Navajo Nation Council hereby approves the Homesite Lease Regulations, attached hereto as Exhibit "A," which shall supersede Homesite Lease Policy and Procedures approved by RCD-289-93; and

B. The Resources and Development Committee of the Navajo Nation Council approves the amended standard homesite lease application forms which include Homesite Application FORM 1; Field Clearance Certification FORM 2; and Consent FORM 3 for Navajo Trust and Fee Land. These forms are attached hereto as Exhibits "C," "D," and "E"; and

C. The Resources and Development Committee of the Navajo Nation Council approves the Homesite Lease Regulations Application Fee schedule, attached at page 23 of Exhibit "A"; and

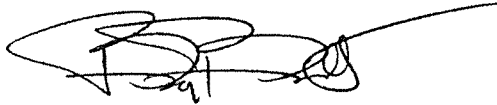

D. The Resources and Development Committee of the Navajo Nation Council approves the Homesite Lease Penalties and Fines Fee Schedule, attached at page 23 of Exhibit "A"; and

E. The Resources and Development Committee of the Navajo Nation Council recommends the establishment of the Navajo Land Department proprietary fund account to be administered by the Navajo Land Department Homesite Section, for the purpose of defraying the costs of administering the Homesite Land Offices and providing public education/awareness, upgrades of survey equipment/software, processing of homesite lease applications and maintaining homesite lease historical records; and

F. The Resources and Development Committee of the Navajo Nation Council recommends to the Navajo Nation Council the approval of budgets for five (5) new Compliance Officers positions and budgets for increased operation costs to enforce the Homesite Lease Regulations within the five agency Navajo Land Offices.

## **SECTION 1.00 AUTHORITY**

- 1.01. Pursuant to 2 N.N.C. § 501 (B) (3), the Resources and Development Committee has authority to delegate its authority to approve homesite and residential leases to the Navajo Land Department by approving rules and regulations implementing the delegation of authority. Pursuant to Resources Committee Resolution No. RCD-289-93, the Resources Committee of the Navajo Nation Council delegated its authority to the Department Manager, NLD, to review and grant homesite leases. With the approval of the Navajo Nation General Leasing Regulations of 2013 by the Secretary of Interior pursuant to the Navajo Nation Trust Land Leasing Act of 2000, 25 U.S.C. § 415(e), the Navajo Nation is authorized to unilaterally issue Leases, except mineral Leases and Rights-of-Way, without the approval of the Secretary. These amendments to the Homesite Lease Regulations shall supersede the previous procedures approved by RCD-289-93 and implement the Navajo Nation General Leasing Regulations of 2013 as they relate to Homesite Leases. The Homesite Lease Regulations may be amended by the NLD consistent with applicable laws.

## **SECTION 2.00 PURPOSE**

- 2.01 To implement the Navajo Nation General Leasing Regulations of 2013, which authorizes the Navajo Nation to issue Leases, except mineral Leases and Rights-of-way, without the approval of the Secretary.
- 2.02 To regulate the issuance of Homesite Lease amendments: assignment, termination, and modification of leases on Navajo Nation trust and fee lands.
- 2.03 To promote home ownership for qualified Navajo, Navajo with spouse, and beneficial non-Navajo applicants by providing for the encumbrance of the Lessee's interest in the leasehold to secure capital for development of a private dwelling.
- 2.04. To promote and encourage housing for public purposes by the Navajo Nation or Navajo Nation Tribally Designated Housing Entity (TDHE) and housing subdivisions by public, private, and/or non-profit entities.

## **SECTION 3.00 SCOPE**

- 3.01 The Homesite Lease Regulations shall apply to Navajo Nation trust and fee lands, which are within the boundaries of the Navajo Nation, as well as any allotments held by the Navajo Nation government.

## **SECTION 4.00 APPLICANT ELIGIBILITY REQUIREMENTS**

- 4.01 An applicant must be an enrolled member of the Navajo Nation; however, a non-member of the Navajo Nation who is legally married to an enrolled member of the Navajo Nation may be eligible through joint husband-wife application. There must be proof of such legal marriage, by issuance of a valid marriage license or Navajo Nation Court Order validating a marriage under the laws or jurisdiction of the Navajo Nation or any State. A non-member is also eligible if such individual's

presence within the Navajo Nation's territorial jurisdiction is of indefinite duration and beneficial to the Navajo Nation. Non-member eligibility can be determined in the following instance and manner:

- A. Non-member eligibility will be determined by the approval of a Housing Subdivision Master Lease which pre-approves the issuance of individual homesite leases, subleases, or assignments, to non-members that meet certain well defined requirements, documenting skills beneficial to the Navajo Nation, and whose presence is of indefinite duration.
  - B. Homesite lease applications that are not within a Housing Subdivision Master Lease or housing for public purpose lease will be determined on a case-by-case basis by the NLD.
- 4.02 An applicant must be eighteen (18) years of age or older.

#### **SECTION 5.00 AMOUNT OF LAND AVAILABLE**

- 5.01 An applicant can apply for only one Homesite Lease, with the lease premises generally limited to one (1) acre or less of tribal trust or fee land, excluding withdrawals of lands for residential subdivisions and other types of withdrawals.

#### **SECTION 6.00 ANNUAL RENTAL FEE**

- 6.01 Lessee shall pay the Navajo Nation, in lawful money of the United States, a monthly rental of One Dollar (\$1.00), or \$12.00 per year. Lessee agrees that no refund or reimbursement of money paid in advance shall be made in the event of early termination or partial condemnation.
- 6.02 Rental payments are due and payable on or before the effective date of the Lease and thereafter on or before each anniversary date of the Lease. Lessee may pay the annual rent fee in advance at any time prior to the expiration of the Lease. Rental payments shall be made by money order made out to "Navajo Nation," and shall be paid at the local agency NLD Office. Failure to make rental payments when due shall constitute a default under the Lease.
- 6.03 On a housing for public purpose Master Lease or housing subdivision Master Lease, an annual rental fee shall not be assessed by NLD until an individual homesite lease is issued to an applicant.

#### **SECTION 7.00 TERM**

- 7.01 Lessee shall have and hold the leased premises for a term of seventy-five (75) years, beginning on the date of approval of the Lease by the Navajo Nation. Lessee shall give written notice of intent to renew this Lease to the Director of the NLD, or its successor at least six (6) months, but no more than twelve (12) months, prior to the expiration date of the lease. Renewal of the Lease is subject to the approval of the Navajo Nation and to the provisions of Navajo Nation law and these regulations.

#### **SECTION 8.00 APPLICATION PROCEDURES AND REQUIREMENTS**

8.01 APPLICATION PROCEDURES: Homesite Lease Applications will be made available at the NLD or its agency sub-offices. Homesite Lease Applications are also available on the NLD Website: [www.dinehbikeyah.org](http://www.dinehbikeyah.org). A complete Homesite Lease Application package consists of:

A. Homesite Lease Application - FORM 1. An applicant must fill out the Homesite lease application using black or blue ink, or must type the application. If the applicant is unable to sign the application, a thumb print is required for acknowledgement. The thumb print must be provided in the presence of an NLD staff member with one (1) witness from NLD attesting to the thumbprint.

1. Type of Tenancy: An applicant should specify how they want to receive the grant of a lease: as a Single Person, or co-tenants—joint tenants with the right of survivorship, tenants in common, or community property. Future property disposition will be determined by this status in cases of divorce, death of a Lessee, or probate of a Lessee's estate. If applicants want to file as "Joint Tenants with Right of Survivorship" or "Community Property", a copy of the marriage license or validating Court Order is required, if applicable.

The following information shall be attached to the application before submission for processing at the Navajo Land Agency offices:

2. Certificate of Navajo Indian Blood/Tribal Enrollment Identification Card: The applicant(s) must attach an original Certificate of Navajo Indian Blood. Copies of Certificates of Indian Blood can be obtained from the Agency Vital Records Office. All personal data must correspond with the Certificate of Navajo Indian Blood such as: Name(s), age(s), census number(s) and signature(s).
3. Archaeological Clearance: A receipt showing the applicant paid for an Archaeologist to conduct a survey must be attached to the application, if applicable, before the application will be processed.
4. Cultural Resources Compliance Form: Applicant shall attach the Cultural Resources Compliance Form, reviewed and signed by the Historic Preservation Department, to the homesite lease application. This form must be attached to the application before the application will be processed.
5. Non-refundable Application Fee: Applicant must submit a \$30.00 money order payable to: The Navajo Nation, P.O. Box 2249, Window Rock, Arizona, 86515. Upon review and acceptance of the home site application, the NLD will issue a receipt for the filing fee.

B. Homesite Lease Application FORM 1 – Section 2: The applicant shall ensure that the Grazing Official (GO) or Land Board Official, as applicable (LBO) (collectively GO/LBO) physically verifies and acknowledges the proposed home site location utilizing a hand-held Global Positioning System (GPS) unit by reading the Latitude/Longitude coordinates in North American Datum 1983 (NAD83), identifying the center point of the proposed home site location, and write the coordinates onto the Homesite Lease Application. If the homesite

location is changed after acknowledgement is made by the GO/LBO, it will render the Homesite Lease Application invalid.

- C. GO/LBO must complete the Field Clearance Certification Form 2.
- D. Homesite Lease Consent FORM 3: The GO/LBO shall complete the Field Clearance Certification before the applicant(s) can obtain written consent from the individual(s) who has/have been identified by the GO/LBO on the Field Clearance Certification as valid grazing permittees within the proposed homesite lease area. Thereafter, the applicant shall obtain written consent from affected permittees listed on the Field Clearance Certification, if required.
  - 1. Navajo Partitioned Lands: No Consent is required from a Grazing permittee within the Navajo Partitioned Lands until grazing permits are reissued.
  - 2. Acknowledgement: After the applicant obtains written consent from the permittees listed on the Field Clearance Certification, the GO/LBO must acknowledge the signatures on the consent form.
  - 3. Only the Valid Grazing Permittee that will be affected within a half (½) mile radius of the propose homesite lease location shall consent.
- E. Land Survey Plat: Certified land surveys must be conducted by a private land surveyor who is licensed and registered with any State within the United States. Private licensed land surveyors must register with the Navajo Nation Business Regulatory Department. Private land surveyors must obtain permission to survey from the NLD.

Certified land survey plats must contain a United States Geological Survey (USGS) Quadrangle Topographic Map of the location of the legal land survey and must have the Latitude and Longitude at the Survey Tie Points and Point of Beginning (POB) on the survey plat. The survey plat shall be drawn on a legal size (8½ in x 14 in) document. All corrections of land surveys must be completed by a registered land surveyor.

- 1. Re-Surveys: Certain circumstances may occur that require the NLD or private land surveyor to re-survey. These include, but are not limited to, shifting the homesite location and re-identifying the corners (rebars). The NLD may re-survey only if the NLD conducted the original certified land survey plat. If the survey that needs to be redone was conducted by a private land surveyor, that surveyor or another private surveyor must redo the survey.
- F. Biological Data Request Form for Biological Resource Clearance: The applicant shall complete the Biological Data Request Form and submit it with a money order or cashier's check payable to the Navajo Nation for Biological Resource Clearance with the processing fee of \$32.50.

- 8.02 Environmental Review Form: The applicant shall complete the environmental review form and submit it to the Navajo Land Department for review by the Environmental Reviewer.

8.03 Forestry Compliance letter, as applicable: If the homesite lease application is for a location in the Navajo Nation Commercial Forest or restricted Woodlands, Section 8.05(A) shall apply to the homesite lease application.

8.04 Upon verification for quality assurance by the NLD Agency Offices, the Homesite Lease Application package will be submitted to the NLD Manager or authorized designee who will give final approval on behalf of the Navajo Nation. The NLD will submit the following appropriate approved documents to the respective Bureau of Indian Affairs, Agency Real Estate Services, for recording.

- A. Navajo Nation Department of Fish & Wildlife (Biological Resources Compliance Form).

The Forestry Department may issue a letter stating requirements and conditions to proceed with the proposed home site lease application.
- B. Highway Access: If access to a highway is required for ingress and egress, the proposed homesite lease applicant must contact the appropriate Navajo or State Department of Transportation for Highway access clearance.

- 13.11 In no instance will NLD terminate a homesite lease for a lessee if the request is made by a third party, regardless of the surrounding circumstances. The only exception to this rule is if a Navajo Nation Court issues an Order requiring NLD to terminate a homesite lease.
- 13.12 If the Navajo Nation acquires an Allotment upon which a resident has a valid Residential Lease issued by the BIA, the Navajo will honor the Residential Lease for the duration of its term, so long as it complies with Section 4.0 of these Regulations. RESOLUTION  
OF THE RESOURCES COMMITTEE  
OF THE NAVAJO NATION COUNCIL

Recommending and Requesting that Each Community Designate  
Trust Land for Community Cemeteries

WHEREAS:

1. Pursuant to 2 N.N.C. §§ 691 and 693, the Resources Committee is established as a standing committee of the Navajo Nation Council for the purposes of ensuring the optimum utilization of all resources of the Navajo Nation and to protect the rights, and interests and freedoms of the Navajo Nation and people to such resources; and
2. Pursuant to 2 N.N.C. § 695 (B) (14), the Resources Committee of the Navajo Nation Council serves as the legislative oversight committee for the Division of Natural Resources, District Grazing Committee, Eastern Navajo Land Board and Navajo Nation Farm Boards and overall matters affecting Navajo resources; and
3. Pursuant to 2 N.N.C. § 695 (B) (5) and (6), the Resources Committee is authorized to give final approval of all land withdrawals for residential subdivisions, rights-of-way, including all surface easements and other clearances related but not limited to powerline, waterline and sewer line extensions; and to oversee and regulate all activities within Navajo Nation lands, including actions which may involve disposition or acquisition of resources, surface disturbance, or alteration of the natural state of the resource; and
4. The District Grazing Committee has been dealing with issues involving burials. There is a prevalence of people burying their deceased loved ones out on rangelands, within farm plots and within or near their homesite leases. Land use controversies arise when other land users find a burial that interferes with their use of range or farm lands. During the funeral and burial planning process, controversies and disputes arise when a grazing permittee or land use permittee finds out that the burial is being planned on open rangelands or within or near a farm plot or homesite lease area. The District Grazing officials are being requested to handle or mediate these disputes on burials; and
5. To address these issues and to avoid any further controversies, the District Grazing Committee by resolutions, have requested that each community designate and withdraw lands in accordance with 13 N.N.C. § 1951 and 2 N.N.C. § 695 (B) (5) and (6). These resolutions of the District Grazing Committees are attached hereto and incorporated herein as Exhibit "A"; and

6. The Resources Committee is also aware that there are communities where their community cemeteries have reached their maximum use allowances and may have to withdraw more lands to handle the additional needs.

NOW THEREFORE BE IT RESOLVED THAT:

The Resources Committee of the Navajo Nation Council hereby requests that each community of the Navajo Nation designate lands for community cemeteries in accordance with Title 13, Navajo Nation Code, Chapter 11, Burials, Subchapter 1. Generally and Subchapter 3, Cemeteries, including 13 N.N.C. § 1951 and 2 N.N.C. § 695 (B) (5) and (6). Chapter resolutions recommending such land withdrawals shall be submitted to the Division of Natural Resources for consideration by the Resources Committee.

CERTIFICATION

I hereby certify that the foregoing resolution was duly considered by the Resources Committee of the Navajo Nation Council at a duly called meeting at Window Rock, Navajo Nation (Arizona), at which a quorum was present and that same was passed by a vote of 5 in favor, 0 opposed and 0 abstained, this 9th day of December, 1999.

RESOLUTION  
OF THE RESOURCES COMMITTEE  
OF THE NAVAJO NATION COUNCIL

Approving the Homesite Lease Policy and Procedures

WHEREAS:

1. The Resources Committee of the Navajo Nation Council is empowered to approve homesite leases and certificate procedures, and promulgate rules and regulations thereto, pursuant to 2 N.T.C., Section 695 (b) (4) (i); and
2. The Resources Committee of the Navajo Nation Council is authorized to delegate authority to the Department Director of the Office of Navajo Land Administration to review and grant individual homesite leases and certificates in accordance with procedures adopted by the Resources Committee (see 2 N.T.C., Section 695 (b) (4) (ii); and
3. The Division of Natural Resources, Office of Navajo Land Administration, was directed to revise and update the existing homesite lease policy and guidelines approved under RCJ-6-88. The recommended Homesite Lease Policy and Procedures is attached hereto and marked as Exhibit "A"; and
4. The Office of Navajo Land Administration, Homesite Section, discussed and recommended revisions with certain tribal programs and departments, including grazing officials, chapter representatives and BIA Real Property representatives during the period of April to September, 1992. A list of the meetings held is attached hereto and marked as Exhibit "B"; and
5. This recommended Homesite Lease Policy and Procedures will benefit qualified applicants who are seeking housing and/or utility assistance through various tribal, state and federal programs. Individuals needing a homesite lease include, but are not limited to, Navajo veterans, elderly members, handicapped persons, burnout case victims, Navajo relocatee(s), and home buyers seeking mortgage; and
6. The Office of Navajo Land Administration (ONLA) strongly recommends that a revolving account be established and administered by the ONLA, Homesite Section, for the purpose of defraying its cost in administering the Homesite Lease Policy and Procedures. The ONLA further recommends that the standard application fee be increased to \$15.00, the resurvey fee increase to \$150.00, and each lessee be required to pay an annual rental fee of \$1.00 for the term of the lease. By supplementing proposed revolving account

monies with annual fiscal year allocations, the Navajo Nation can better serve the demand for homesite leases and requests for surveys at the local level reservation wide; and

7. It is necessary to amend the standard forms that will be used in applying for a homesite lease on Navajo tribal trust or fee lands. The amended forms are consistent with the recommended Homesite Lease Policy and Procedures. The amended homesite lease application, field clearance certification form, consent form, and general notice form to lease fee land and tribal lands within the Eastern Navajo Agency are attached hereto and marked respectively as Exhibits "C", "D", "E", and "F"; and

8. It is to the best of those qualifying applicants seeking a homesite lease on Navajo tribal trust or fee land that the Resources Committee of the Navajo Nation Council approve the recommended Homesite Lease Policy and Procedures as provided in Exhibit "A".

NOW THEREFORE BE IT RESOLVED THAT:

1. The Resources Committee of the Navajo Nation Council approves the Homesite Lease Policy and Procedures as provided in Exhibit "A"; which shall supersede those guidelines approved by RCJ-6-88, pursuant to 2 N.T.C., Section 695 (b) (4) (i).

2. The Resources Committee of the Navajo Nation Council delegates its authority to approve, issue, amend, assign, relinquish, and execute homesite leases to the Department Director of ONLA. The Office of the President or Vice-President will no longer be responsible for executing homesite leases. The delegated authority shall be limited to withdrawal of one (1) acre or less of tribal trust or fee land for residential purposes, excluding authority to withdraw lands for residential subdivision and other types of withdrawals, pursuant to 2 N.T.C., Section 695 (b) (4) (ii).

3. The Resources Committee of the Navajo Nation Council further approves the amended standard forms that will be used in applying for a homesite lease on Navajo trust land or fee land. The standard forms include: The amended homesite lease application, field clearance certification form, consent form, and general notice form to lease fee land or tribal lands within the Eastern Navajo Agency. These amended forms are attached and marked respectively as Exhibits "C", "D", "E", and "F".

4. The Resources Committee of the Navajo Nation Council also approves the recommended rates for filing fee at \$15.00 and a resurvey fee at \$150.00.

5. The Resources Committee of the Navajo Nation Council further supports the establishment of a revolving account that will be administered by the ONLA, Homesite Section, specifically for

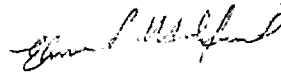

surveying proposed homesites and processing of homesite lease applications and maintaining files for existing homesite leases.

6. All duly certified chapters of the Navajo Nation, respective grazing officials, potential homesite lease applicants, lessee(s), grazing permittee(s), Navajo tribal programs and departments, including the Bureau of Indian Affairs, are advised and directed to adhere to and comply with the Homesite Lease Policy and Procedures as provided in Exhibit "A", effective following the date of approval.

## Regarding Legislation 0001-22

I would like to voice my concern and opposition in regards to the above mentioned legislation. My main concern is that this legislation is a contradiction to what it seems to be proposing. Section 2 of the Internet Public Review Publication for Legislation No: \_0001-22\_ Sponsored by Eugene Tso states that

"A home is an important foundation for Navajos and Navajo families. A home provides comfort, safety and security for Navajo, Navajo families, and Navajo communities throughout the Navajo Nation. A home is an integral part of Navajo Fundamental Law, culture, community development and economic development."

If this is true according to Eugene Tso and other supporting delegates, this legislation seems to be a direct contradiction to the above mentioned statement, as this legislation will directly impact my family, my home and my community. 0001-22 -if passed, would not require a homesite lease applicant to attain my family's consent prior to attaining a possible homesite lease near our family. How does this protect and provide comfort, safety and security within our foundation? If passed, our home would be compromised by allowing an unknown individual to move on to land that my family has preserved and maintained for generations.

This legislation forgets about the Navajo homes and Navajo families that are ALREADY residing on these sites and does not take into account the struggles that are already present due to COVID-19. By the mere mention of this legislation, Eugene Tso introduces additional burden and stress to our families already residing and taking care of the land on these sites. The amount of compensation *not listed* will not be enough to mitigate the undue burden this legislation will cause our families during this State of Emergency!

If the council cares about ALL Navajo families, they will not approve this unfair and one-sided piece of legislation.

Kind regards,  
Racheal James

Subject: Homesite Lease Consent Waiver

Ya'at'eeh

This memo is to serve notice that the District 8 Grazing Committee members hereby opposes the Legislation 0001-22 Homesite Lease consent waiver. The District 8 Grazing Committee members are not in favor and does not want the legislation to be passed by the Navajo Nation Council.

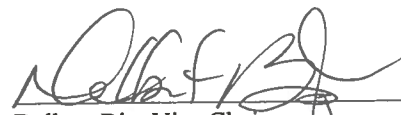

The District 8 Grazing Committee is sworn to protect the interest of the Navajo Grazing lands and grazing permit holders from encroachment of unduly aggressive and anti-social individuals who may or may not be Grazing Land users or Grazing Permit holders of the Navajo Nation grazing rangeland. This means that the Grazing Regulations were developed to protect the range resource and the many law abiding livestock operators from those who disregard the rights of Grazing permittees and who attempt to use more range than they are entitled to use. This legislation will cause unduly aggressive without enforcement from the Navajo Nation Council or the person(s) requesting to pass this legislation.

The Navajo Nation's greatest assets is to secure increasing responsibility and participation of the Navajo People, including tribal participation in all basic policy decisions, in the sound management, its grazing lands and to foster better relationship between the Navajo People, the Navajo Nation Council and the Federal Government in carrying out the grazing regulations.

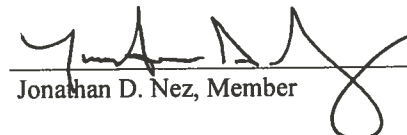

In closing the District 8 Grazing Committee hereby disapproves the legislation.

Thank you for your time in this matter.

STATEMENT OPPOSING Legislation 0001-22

### Waiving Grazing Permittee Consent for Homesite Leases

Land is sacred. Land is life. It is our duty to care for the land. We, the Navajo People, are the current stewards of this land. We cannot and should not open the doors to haphazard placements of homesite leases by approving this legislation as written. There are no boundaries, no regard to the grazing permittees, and no consideration for land stewardship.

Eastern Navajo Agency grazing permittees are required to prepare and implement conservation plans. This proposed legislation overlooks and oversteps the conservation practices being implemented in the face of climate change, overgrazing and severe drought conditions, to name a few. Living and working the land day-in and day-out within the regulations of grazing/landuse/farming permits and sound conservation practices is not easy. Adding unplanned homesites will exacerbate the challenges facing grazing permittees. Respect our land, do not pass this legislation.

The proposed legislation states "The current Navajo Nation homesite lease approval and leasing process is very cumbersome and time consuming." True statement, there are 13 checkboxes (shown below) for a complete homesite lease application.

Consent forms is one of 13 checkboxes. Waiving only the consent portion of the process will not resolve the issues with the entire process. It is wrong to target only the grazing permittee consent portion of this process. Do not pass this legislation.

According to a Special Audit Review (Audit Report No. 19-02) conducted in 2018 by the Office of the Auditor General, the bottleneck is within the Navajo Nation Land Department. The Audit Report revealed deficiencies within the Navajo Land Department not with the Consent of Grazing Permittees. Deficiencies within the Land Department included:

- Unsafe working conditions
- No timelines to complete the homesite lease process
- Nonenforcement of homesite lease regulations
- Improper handling of complaints
- Unreliable land database
- Inadequate office equipment
- Lack of effective metrics

With today's advanced technology and the advanced education of many of our Navajo People many or all the checkboxes could be streamlined and expedited. Fix the system, do not target grazing permittee consents. Approval of this legislation would be detrimental to the foundation of our Navajo values, principles, and our deeply rooted connection to land. Do not pass this legislation.
