The Office of the Controller has reviewed the above referenced document.

1. The unaudited balance of the UUFB as of February 24, 2023 is \$18,809,586.
2. Request is for the amount of \$405,737.00 from the UUFB. Supplemental funding needed for Financial Services Contract in preparation of the annual audit. Budget forms indicate to cover incoming Controllers' salary for remainder of the 2023 fiscal year, and to continue security services at the Office of the Controller.
3. Recommendation would be that this should be inclusive in the budgeting process, so funding won't be an issue from the beginning of the fiscal year. As this request would be considered **RECURRING**.

If you should have any questions, please contact me at tribal extension X6496.

PART II. REASON FOR REQUEST AND STATEMENT OF NEED: The Office of Navajo Government Development & Commission on Navajo Government Developments budget for FY 22-23 was insufficient. THE NAVAJO NATION SUPPLEMENTAL FUNDING PROPOSAL SUMMARY

PART I. Business Unit No.: <u>101017</u> Program Title: <u>Office of Legislative Counsel</u>			
Division/Branch: <u>Legislative Branch</u>		Amount Requested: <u>\$100,000</u>	Prepared By: <u>Cecelia G. Thomas</u>
Phone No.: <u>(928) 871-7166</u>		Email Address: <u>cecelia.thomas@navajo-nsn.gov</u>	
PART II. REASON FOR REQUEST AND STATEMENT OF NEED: The Office of Legislative Counsel (OLC) serves as the legal counsel to the Navajo Nation Council, its Standing Committees, Boards, Commissions, and the Legislative Branch. The OLC performs a myriad of work of unusual difficulty that includes the following: 1) coordinate legal advice and opinions with the Department of Justice and other attorneys that provide legal services to the Nation; 2) provide advice and counsel, including interpretation of tribal, state and federal laws and regulations; 3) perform complex legal research and analysis of laws, legal precedents and policies; 4) provide legislative branch representation in mediation and administrative hearings; 5) provide training and orientation in specific laws and their application; 6) draft, reviews and prepare proposed legislation, reports, legal documents and correspondence for the Navajo Nation Council and entities of the Legislative Branch; and 7) codifies the Navajo Nation laws, rules and regulations. Therefore, our office has determined that our need for supplemental funds in the amount of \$100,000.00 is necessary to contract with outside counsel who serve to supplement the charge of the OLC. Outside counsel are extremely vital to the governmental functions of the Navajo Nation as they possess extremely unique knowledge and legal experience with the Navajo Nation government and its laws that drive the legal work. Specifically, outside counsel are often engaged to complete legal work on complex matters related to the Navajo Nation's legal interests on very important matters, which are at constant issue (and often challenged) at all levels of government (tribal, state, federal) for the Navajo Nation. Based on these foregoing grounds, the OLC hopes to secure supplemental funding in the amount of \$100,000.00.			
PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED: At this time, the Office of Legislative Counsel is not seeking other funding sources.			
PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

SUPPLEMENTAL FUNDING PROPOSAL SUMMARY**

PART I. Business Unit No.:	101024	Program Title:	Office of the Auditor General	
Division/Branch:	Legislative Branch	Amount Requested:	\$ 269,400.00	Prepared By:
Phone No.:	928.871.6303	Email Address:	helenbrown@navajo-nsn.gov	
PART II. REASON FOR REQUEST AND STATEMENT OF NEED: The Office of the Auditor General is requesting for supplemental funding for the following reasons: 1. Travel - Now that the Navajo Nation government has reopened and COVID restrictions have been lifted, the auditors are resuming travel activities to conduct on-site visits with audit clients for meetings and conducting audit fieldwork. With travel back to full-time, we need a sufficient budget to support these activities and complete our audits. 2. Computer equipment - In November 2021, there was a break-in and vandalism to our office building. As a result, several laptops, tablets, televisions and other office equipment were stolen/damaged. Unfortunately, our office did not submit the insurance paperwork in a timely manner and as a result, none of the stolen equipment were covered by insurance. The new equipment will replace the ones that were stolen as well as those that are obsolete; the equipment is necessary to perform our audits. 3. Cooling system - Our office maintains a server to store our audit work and crucial financial data submitted by the NN Chapters. This room needs adequate cooling to prevent any issues with the server and avoid disruption in operations. 4. HVAC upgrade/Carpet replacement/Roof replacement - Since we purchased the modular building in 2015, the HVAC system has not been upgraded and other improvements such as carpet/building roof replacement. These improvements will facilitate a more conducive working environment for the staff, especially with COVID-19 still present and posing a risk for public safety. 5. Computer software - As we conduct audits in an information-technology environment that continually advances, we need robust tools that will help ensure we are performing work as efficiently and effectively as possible, especially in the areas of data security. 6. Consulting - Currently, we have five (5) vacancies including the Auditor General and as a result of the staffing shortages, we are unable to complete as many audits as we had expected. To compensate for this shortcoming, we rely on our consulting budget to outsource audits and rely on external firms to assist our office in meeting our objective for providing assurance services.				
PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED: The Office of the Auditor General does not have any alternative funding sources identified. The office can resubmit its request for building improvements under ARPA but as the internal audit department, it is uncertain if our program will qualify for these funds considering the strict requirements.				
PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

THE NAVAJO NATION SUPPLEMENTAL FUNDING PROPOSAL SUMMARY

PART I. Business Unit No.:	101028	Program Title:	Eastern Navajo Land Commission
Division/Branch:	Legislative Branch	Amount Requested:	\$ 85,000.00
Prepared By:	Jeremy DeGroat		
Phone No.:	505-786-2431	Email Address:	jeremyrdegroat@navajo-nsn.gov
PART II. REASON FOR REQUEST AND STATEMENT OF NEED: The Office of Eastern Navajo Land Commission respectfully requests funding to purchase necessary and needed equipment to continue operation of daily tasks and projects. Our office has operated on a minuscule budget for the past five (5) years. In such time, advancements in software and hardware have improved and our office is in need of these upgrades. The hardware includes computers that both the Executive Director, and the Administrative Assistant need for daily use, and for overall meeting purposes. Currently, the GIS Technician is without a Plotter/Printer/Scanner that is used exclusively to generate maps on a large scale for the office as well maintaining/archiving maps from other entities throughout the Navajo Nation. The software needed includes up-to-date mapping software, and graphics design. The Administrative Assistant is also in need of a recording device and software to aide in keeping records of meetings. At the time of this request, all computers are becoming obsolete as there is updates that may be unavailable in the near future. Other reasons for request for supplemental funding is for upcoming travel, airfare, and potential reservations/registrations of trainings for staff and for commission members, and to various meetings, locally and nationally for projects currently being worked on. The contractual services funds in our budget may experience a shortfall. This request will allow for the ENLC to complete its contractual obligations with our legal teams for the fiscal year.			
PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED: Currently, there is no alternative funding sources that can be sought out for ENLC operating costs. As stated above, the office of Eastern Navajo Land Commission is operating on a minuscule budget, and has been doing so for five (5) years. Because of this fact, our office has not been able to make upgrades to our office equipment, and we have not been able to attend the necessary trainings for staff. If we do not obtain funding this time around, the ENLC will have to try to obtain the necessary funding during the upcoming budget for FY 2024. In doing so, this will delay and/or hinder our advancement of projects for the Commission, and office of the Commission.

PART II. REASON FOR REQUEST AND STATEMENT OF NEED: <p>The Navajo Nation Human Rights Commission Office is requesting funding to purchase non-recurring office equipment because the current equipment are worn out because they have been in use since the inception of the commission in 2008. The computers are obsolete and require constant IT troubleshooting. The phones constantly drop calls. The office Xerox machine requires constant rebooting. The conference phone cords have had to be replaced. The staff has had to manually fold thousands of brochures for public education. Office files require external hard drive as back-ups. We are also requesting new Office furniture due to much of our furniture being damaged. We have trouble securing confidential documents in our aged fireproof cabinet. Our office assistant is currently utilizing a damaged desk and many of the office chairs are greatly damaged; which is a safety risk as well. In order for our office to fulfill our program performance measures, we must have adequate, operable equipment/furniture to ensure we can properly perform all statutory and administrative tasks.</p>

PART I. Business Unit No.:	101030	Program Title:	Health, Education and Human Services Committee		
Division/Branch:	Legislative Branch	Amount Requested:	\$ 184,410.00	Prepared By:	Angelita Benally
Phone No.:	928-871-7254	Email Address:	angelitabenally@navajo-nsn.gov		

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

The FY23 Budget was initiated by the 24th NNC Health, Education and Human Services Committee (HEHSC). The FY23 budget was expended to address the issues prior to the end of the 24th NNC HEHSC term. The 25th NNC HEHSC initiated introductory and orientation meetings with the NN Departments and Divisions the Committee serves as oversight according to the Navajo Nation Codes, Title II Section 401 - 403 (CAP-10-11). The NN Departments and Divisons include the following: Division of Human Resources; Department of Dine' Education; Navajo Department of Health; Division of Social Services; Division of General Services; and Office of Veterans Services (OPVP). As of April 2023, the FY23 HEHSC budget was 74% expended. The remaining budget is not sufficient for the 25th NNC HEHSC to carry out their offical functions according to NNC Title II Sections 401 - 403 (CAP-10-11). Therefore, the requested FY23 Supplemental Funding Proposal for the 25th NNC HEHSC from the UUFB balance is necessary for the remainder of the 2023 fiscal year.

PART III. LIST ALTERNATIVE FUNDING SOURCES BEING PURSUED AND CONTINGENCY PLAN IF REQUEST IS NOT FUNDED:

1.) Appropriation from Navajo Nation UUFB Balance as of April 2023. 2) Reallocation from other Committee or Council budgets to be able to carry out HEHSC functions. 3.) If no appropriation into the HEHSC FY 23 budget is approved, HEHSC will not be able to perform their legislative duties as required by NNC Title II sections 401 - 403 (CAP-10-11).

PART IV. AFFIRMATION IS PROVIDED THAT THE BUDGET AND PROPOSAL INFORMATION IS COMPLETE AND ACCURATE AND THE APPROPRIATE BRANCH CHIEF RECOMMENDS APPROVAL AS A PRIORITY.

PART II. REASON FOR REQUEST AND STATEMENT OF NEED: <p>The Law and Order Committee is hereby requesting for additional funding for travel expense, supplies, lease and rental, catering radio advertising and training and professional dues. The LOC has new members and some of the members needs training. Last year the LOC did not receive much funding it's been like using the same amount year after year. The conference room are expensive when utilizing the conference rooms and their equipment such as projectors, mics., etc. The LOC will be doing a radio advertisement with KTNN, KGAK and KNDN on public safety matters. The LOC has a task of following retirement for DPS, Housing for DPS and Judicial, benefits, salary, communications systems, renegotiate 638 contract. A lot of these meetings would take place, therefore funding for travel on or off reservation will be needed. The LOC in May travels to Washington, D.C., to attend the National Police Week. Other training are as follows: Navajo Fundamental Law, Criminal Process, Title 17 Criminal Code, Major Crimes Act and Supreme Court Cases on Criminal matters, Violence Against Women Act (VAWA), and Tribal Law and Order Act. The LOC would like to also visit the Navajo Nation Chapters, District Courts, Judicial Courts, Division of Public Safety Buildings across the Navajo Nation. Many Chapters are requesting for Substations due to high volume of drug dealers, bootleggers and domestic violence and others. The supplies will be used for committee members most of them don't have supplies at the chapter houses, so they work from home and they need printer and scanners to do their work. The catering part is for lunch for committee members and the staff that assist with the meeting, the committee work through lunch and sometimes the meeting starts at 8:00 or 9:00 and that's what the refreshment is for.</p>

To:comments <comments@navajo-nsn.gov>;

Good morning Honorable Council Delegates and Dr. Nygren,

This letter is to request supplemental funds for the Navajo Nation Chapters, I am requesting to include Operational and Maintenance costs associated with assisting the community. Due to the increase in resources and materials, we are faced with higher costs to keep the Chapter open. With the increase in electricity, water, propane, and diesel fuel we are unable to run the chapter moving forward. We have expended 95% of our Land Claims Trust Fund, with a majority of that fund being used for propane and electricity. With the annual allocation, we get to use the Land Claims trust fund we use for direct services such as keeping the chapter open and maintaining roads that no other entities cannot maintain such as the Navajo Division of Transportation and McKinley County. We also provide services such as burial digging and projects related to traditional ceremonies and religious events. We also do not charge any fees to rent the chapter facility for funeral gatherings, and public meetings and events that benefit the community. I believe it is our civil duty to provide these services free of charge to the people. I do have more information on our funding usage related to the expenses and would be more than happy to present them. As of May 1, 2023, we are not using what is left of the Gaming Fund for propane, electricity, and water. We also allocated additional funds with the Navajo Nation Sales Tax fund, but that will be gone well into FY 2023.

I am pleading with the Navajo Nation Council, and Office of President and Vice-President to assist us as well, every little allocation would be greatly appreciated. We want to continue to provide these vital services to our people and community. Thank you for addressing my email.
Ahe'hee

FROM:

JUDICIAL BRANCH OF THE NAVAJO NATION

DATE: April 19, 2023

SUBJECT: Supplemental Funding

The Judicial Branch expresses our sincere appreciation to you for giving us the opportunity to submit a supplemental budget for Fiscal Year 2023. However, upon analysis of our current budget and after consulting with administrative, court and program staff, the Branch does not have a need for supplemental funding at this time. The Branch does have unmet needs but we do not believe that we would have enough time to expend supplemental funds in the last quarter of FY 2023 to address those unmet needs.

Again, we thank you for considering the needs of the Judicial Branch and we appreciate your continued support. If you have any questions, please contact me at karenfrancis@navajo-nsn.gov.
