Subject: Cooperative Agreement Award

Dear President Begaye:

The Land Buy-Back Program for Tribal Nations (Buy-Back Program) is pleased to award the Navajo Nation (Nation) a cooperative agreement in the amount of \$414,936. These funds are provided in support of land consolidation activities in response to the Nation's application received in full on October 9, 2018, as detailed in the enclosed cooperative agreement award (Award). In particular, please note Sections IV & V of the Award because they outline the approved scope and objectives.

I want to express my appreciation to the Navajo Nation and the Eastern Navajo Land Commission for the in-kind contribution toward this important effort. The Buy-Back Program values greatly the partnership and collaboration with the Nation and the Commission and believes that the contribution is a key to success.

I also want to highlight the planned approach for allotments that have structures but no lease recorded in the official BIA system. During the first Buy-Back implementation, the Program made offers for interests in such allotments following several government-to-government meetings and based on a September 2015 resolution issued by the Nation. The Program made offers on the allotments with the understanding that the Nation has a process for interested individuals to apply for leases. The Program has been notified that Nation would again like the Program to make offers on these allotments and that leasing opportunities continue to exist. Accordingly, the Award outlines that we will proceed as we did during the first implementation. See Section IV(vii).

To accept this Award, please sign on page fifteen and return the signed document to the Buy-Back Program. To ensure timely finalization of the Award, please email a scanned copy of the award to the Buy-Back Program. Upon receipt, the award will be signed and a copy of the award package will be provided to the Nation's designated point of contact, Mr. Larry Rodgers.

The Buy-Back Program looks forward to continuing to work closely with the Nation to consolidate fractional interests successfully at the Navajo Reservation. Should you or your staff

have any questions, please contact Carolyn Drouin, Senior Advisor – Tribal Relations, by telephone at (202) 536-7012, or by email at carolyn_drouin@ios.doi.gov.

Subject: Addendum to Cooperative Agreement Award Transmitted on December 3, 2018

Dear President Begaye:

On December 12, 2018, the Buy-Back Program (Program) was notified by Navajo Nation's (Nation) point of contact, Mr. Larry Rodgers, that the final Cooperative Agreement Application submitted by the Nation inadvertently omitted Navajo Nation sales tax on goods and services for the requested five fleet vehicles and mileage. On December 19, 2018, the Program received an addendum to the Nation's Application budget, which includes an additional \$3,066 to cover the necessary taxes.

The Program is able to accommodate the December 19, 2018 request for additional funds. Please find attached a revised budget for the Cooperative Agreement Award (Award) transmitted to the Nation on December 3, 2018. This revised budget totaling \$418,461 shall replace the budget found on pages 6-7 of the Award. All other terms and conditions of the Award shall remain unchanged.

To accept this Award with revised budget, please sign on page fifteen and return the signed document to the Buy-Back Program. To ensure timely finalization of the Award, please email a scanned copy of the signed Award to the Buy-Back Program. Upon receipt, the Award will be signed and a copy of the award package will be provided to the Nation's designated point of contact, Mr. Larry Rodgers.

Should you have any questions, please contact Carolyn Drouin, Senior Advisor – Tribal Relations, by telephone at (202) 536-7012, or by email at carolyn_drouin@ios.doi.gov.

Exhibit "B"

COOPERATIVE AGREEMENT

THIS COOPERATIVE AGREEMENT is entered into by and between the U.S. Department of the Interior (the "Department") Land Buy-Back Program for Tribal Nations (the "Buy-Back Program") and the Navajo Nation (the "Participating Tribe") (collectively the "Parties") to describe the collaborative land consolidation implementation activities for the Navajo Reservation (the "Reservation").

I. RECITALS

- a. The Settlement Agreement in Cobell v. Salazar, as confirmed by the Claims Resolution Act of 2010, Public Law No. 111-291 (the "Settlement"), establishes a \$1.9 billion Trust Land Consolidation Fund (the "Fund") to purchase fractional interests ("Fractional Interests") in trust or restricted land.
- b. Under the Settlement, the Secretary of the Interior (the "Secretary") retains the authority to acquire, at the discretion of the Secretary, any Fractional Interests in trust or restricted land.
- c. The Secretary established the Buy-Back Program on December 17, 2012, to manage the Fund and implement the land consolidation program called for by the Settlement.
- d. Under the Settlement, after ten years, commencing on November 24, 2012, any monies remaining in the Fund shall be returned to the U.S. Department of Treasury; thus, the success of the Buy-Back Program, and the full expenditure of the Fund, depends upon the identification and consent of willing sellers to sell their Fractional Interests within a limited time period.
- e. The Buy-Back Program published a Status Report dated November 1, 2016 and amended November 7, 2016 (the "Status Report"), which summarizes the key parameters of the Settlement and the corresponding implementation approach and processes of the Buy-Back Program. A July 28, 2017 letter from Associate Deputy Secretary James E. Cason (the "July 2017 Letter") describes the results of the 2017 strategy review of the Land Buy-Back Program, including a revised implementation strategy.
- f. The Settlement limits the amount of the Fund that can be used for the administrative costs to implement the Buy-Back Program to fifteen percent of the \$1.9 billion, and the Parties recognize the value and need for efficient and well-coordinated outreach and other implementation activities.
- g. The Participating Tribe represents that it has staff possessing the expertise, experience and knowledge about allotted trust land ownership on its Reservation, which will facilitate the implementation of the Settlement and Buy-Back Program in a manner that reflects the priorities and enhances the sovereignty of the Participating Tribe.

- h. Under the 2000 Indian Land Consolidation Act ("ILCA") Amendments, 25 U.S.C. § 2212 (b)(3)(C), the Secretary, to the extent practicable, may enter into agreements with the tribal government that exercises jurisdiction over the land involved or a subordinate entity of the tribal government to carry out some or all of the Secretary's land acquisition program, which agreements are not subject to the provisions of the Indian Self-Determination and Assistance Act ("ISDEAA"), 25 U.S.C. § 450 *et seq.*
- i. As described in the Status Report, within the Reservation there are approximately 4,278 fractionated tracts of land (the "Fractionated Tracts"), comprising 660,025 acres with 196,267 purchasable Fractional Interests and 31,025 associated unique landowners, some of which may be members of different tribal nations (the "Owners").
- j. The Buy-Back Program will purchase Fractional Interests from Owners who voluntarily decide to sell (i) following an offer to purchase and (ii) within a specified time.
- k. The Participating Tribe's participation in the Buy-Back Program has been authorized through the adoption of Resolution ENLCMA-06-18, dated March 13, 2018.
- l. Pursuant to 25 U.S.C. § 2216(e), the Participating Tribe has requested a list of names and mailing addresses of the Owners and information on the location of the tracts and the percentage of undivided interest(s) held by each Owner.
- m. The Participating Tribe represents that it has the administrative and substantive capability to perform any and all requirements set forth in this Cooperative Agreement.

BASED ON THE ABOVE RECITALS, the Parties enter into the following Cooperative Agreement.

II. AUTHORITY

This Cooperative Agreement is entered into under the Settlement and ILCA. It is not subject to the provisions of the ISDEAA.

III. PURPOSE

This Cooperative Agreement is designed to facilitate a collaborative, government-to-government implementation of the Buy-Back Program. It also provides a common understanding between the Buy-Back Program and the Participating Tribe regarding important goals, objectives, activities, products, services, and associated timetables necessary to acquire as many of the Fractional Interests as possible through collaborative implementation efforts.

Substantial involvement by the Buy-Back Program is anticipated during the performance of activities funded under this Cooperative Agreement. The Buy-Back Program will:

- a. Participate and collaborate jointly with the Participating Tribe in carrying out the scope and objectives described herein.

- b. Review and approve modifications or sub-grants, prior to award.
- c. Have close operational involvement during performance of this Cooperative Agreement and of all phases of the Buy-Back Program.

IV. SCOPE

- a. The Participating Tribe's October 9, 2018 Cooperative Agreement Application, amended budget and supplemental responses submitted on November 2, 2018 by the Tribal Contact, incorporated herein, describes the requirements, anticipated deliverables and other specific details of activities to be undertaken with the funds provided through this Cooperative Agreement. The Buy-Back Program approves the Participating Tribe's Cooperative Agreement Application, in accordance with the terms and conditions stated herein, with the following exceptions, additions, and clarifications:
 - i. The Participating Tribe agrees to perform outreach during implementation of the Buy-Back Program to foster informed decision making. The outreach activities performed by the Participating Tribe must include:
 - 1. Identifying addresses and updating Owner contact information;
 - 2. Notifying Owners, including Whereabouts Unknown Owners, of the opportunity to sell;
 - 3. Identifying interested sellers;
 - 4. Conducting pre-offer outreach to Owners;
 - 5. Conducting post-offer outreach to Owners; and
 - 6. Providing notary services to Owners.
 - ii. The funded Administrative Assistant will maintain a notary certification and perform outreach activities in addition to administrative work.
 - iii. In order to facilitate informed decision-making by landowners, the Participating Tribe will disseminate brochures and materials created by the Bureau of Indian Affairs and the Office of the Special Trustee for American Indians regarding the American Indian Probate Reform Act of 2004 ("AIPRA").
 - iv. The funding provided by this Cooperative Agreement may not be utilized for actual will-writing, estate-planning, providing legal advice or other similar activities. Outreach may include the dissemination of Department of the Interior-provided information, available on the Buy-Back Program's website at: www.doi.gov/buybackprogram, to Owners regarding the following key background topics related to land consolidation; fractionation, AIPRA, life estates, gift deeds, implications of passing away without a written will, and probate. This will facilitate informed decision making by Owners in relation to offers from the Buy-Back Program.

- v. The Buy-Back Program currently estimates sending purchase offers to Owners in the summer of 2019. The Participating Tribe's proposed timeline, as detailed in the Application Narrative, may need to be adjusted to align with this offer schedule. Should the Buy-Back Program's valuation and acquisition schedules require adjustment, the Buy-Back Program will work cooperatively with the Participating Tribe to adjust the overall schedule as necessary.
- vi. The Participating Tribe has recommended offers be made for interests in tracts with unleased improvements through the passage of ENLCAU-3-15, dated September 11, 2015. The resolution states, "[t]he Eastern Navajo Land Commission hereby requests the Federal Land Buy-Back Program to include allotments with structures for valuation consideration as part of the Navajo Land Buy-Back Program administered through the Eastern Navajo Land Commission." The Participating Tribe acknowledges that all Program acquisitions are made subject to the terms of existing leases and encumbrances on the land. The Participating Tribes would like the Program to continue to make offers on allotments/tracts at the Reservation with improvements, but without a lease recorded by the BIA, and the Participating Tribe confirms that leasing application opportunities are available to individuals living on tracts with improvements but without a recorded lease.
- vii. To support collaborative outreach and information sharing, the Participating Tribe should share copies of developed outreach materials and advertisements funded by this Cooperative Agreement, with the Buy-Back Program. This may include, but is not limited to, newspaper advertisements, radio advertisements, television advertisements, flyers, brochures, postcards and letters to Owners. Outreach materials and advertisements shared by the Participating Tribe will be provided to the Trust Beneficiary Call Center to ensure that Owners receive the most current and accurate information on implementation of the Buy-Back Program on the Reservation.

V. OBJECTIVES

The objectives of this Cooperative Agreement are for the Participating Tribe to:

- a. Conduct pre-offer and post-offer outreach, in part to help ensure informed decision-making by Owners;
- b. Identify interested sellers;
- c. Notify Owners, including Whereabouts Unknown Owners, of the opportunity to sell; and
- d. Identify addresses and updated Owner contact information.

The Participating Tribe will direct Owners to the Trust Beneficiary Call Center, the Office of the Special Trustee of American Indians, and/or utilize the appropriate Buy-Back Program-provided forms, to identify willing sellers and update Owner contact information.

VI. PERIOD OF PERFORMANCE

- a. This Cooperative Agreement becomes effective on the date of signature by the Buy-Back Program Director and will remain in effect, subject to the terms and conditions of this Cooperative Agreement and the funding made available herein ("Cooperative Agreement Award"), until August 30, 2019 or until thirty calendar days after the Buy-Back Program has provided written notice to the Participating Tribe that available resources have been exhausted, whichever is less.
- b. The Parties may extend this period of performance by mutual agreement. The Participating Tribe shall submit any requests to extend the period of performance of this Cooperative Agreement no later than sixty days before the period of performance end date listed above. Requests shall include a justification for the extension and detail any proposed changes to the scope or budget of the Cooperative Agreement Award.
- c. The Participating Tribe may only incur costs pursuant to this Cooperative Agreement during the period of performance unless pre-award costs have been approved, in writing, by the Buy-Back Program.

VII. TRIBAL PRIORITIES AND ACQUISITION OF FRACTIONAL INTERESTS

The Participating Tribe has identified those Fractional Interests within the Reservation that are priorities for potential purchase by providing the Buy-Back Program with a Priority Tract Ranking Worksheet with the October 9, 2018 Cooperative Agreement Application (Tribal Priority Fractional Interests).

- a. The Buy-Back Program will select tracts and interests to receive offers consistent with the Buy-Back Program's priorities and informed by the Tribal Priority Fractional Interests. The Participating Tribe recognizes that the Owners' decision to sell is voluntary and that the Buy-Back Program cannot guarantee that the Tribal Priority Fractional Interests or other interests will be acquired, in part because some Fractional Interests or Fractionated Tracts may be ineligible for acquisition by the Buy-Back Program (e.g., some tracts are currently unmappable or require resolution of one or more mapping process codes) as described in the Status Report.
- b. The Participating Tribe recognizes and agrees that the Buy-Back Program may acquire any other Fractional Interests on the Reservation. If there are any particular Fractional Interests that the Participating Tribe would like to exclude from the Buy-Back Program, it must specifically identify such interests by providing a written notice to the Buy-Back Program, within 30 days after the effective date of this Cooperative Agreement, to the Buy-Back Program for its consideration.

VIII. KEY OFFICIALS

- a. **TRIBAL CONTACT.** The Participating Tribe hereby designates Mr. Larry Rodgers, Executive Director, Eastern Navajo Land Commission, (PO Box 1950, Crownpoint, NM

87313, (505)786-2430, lasar98@yahoo.com) as its Point of Contact for all matters related to this Cooperative Agreement. The Participating Tribe shall notify the Department's Point of Contact (as identified below) in writing of any change in its Point of Contact.

The Buy-Back Program shall notify the Tribe's Point of Contact in writing of any change in its Point of Contact.
- c. **BUY-BACK PROGRAM DIRECTOR.** The Director of the Buy-Back Program is the only official with legal delegated authority to make decisions regarding the Buy-Back Program. The Director's responsibilities include, but are not limited to, the following:

 - iv. Approve, in writing, changes in any of the expressed terms, conditions, or specifications of this Cooperative Agreement; and

RESOLUTION OF THE
EASTERN NAVAJO LAND COMMISSION

**Recommending to the Naabik'iyati' Committee of the Navajo Nation Council
to Approve and Accept the Cooperative Agreement between the Navajo Nation and
the United States Department of the Interior for the Navajo Land Buy-Back Program**

WHEREAS:

- 1) Pursuant to 2 NNC § 861 (B) (3), and as amended by CAP-11-08, the Eastern Navajo Land Commission ("the Commission") is established for the purpose of coordinating efforts of resolving land-related issues with Federal, State, County, and other local authorities and private interests throughout the Eastern Navajo Agency; and
- 2) The Commission through the Office of the Navajo Nation President submitted a proposal for the Navajo Nation ("Nation") to participate in the federal Land Buy-Back Program (LBBP) during spring 2018. A final version of the proposal became the basis for the Cooperative Agreement Award offer to the Nation dated December 03, 2018 and amended on December 21, 2018. The Award Letter (Exhibit "A"), and Cooperative Agreement (Exhibit "B"), and a detailed Navajo Nation budget (Exhibit "C") reflecting the offer grant amount are herewith attached; and
- 3) The intent of the award and operation of the Navajo LBBP is to conduct educational outreach to inform Navajo Allotment landowners about their options as potential sellers. The US DOI has a Program ceiling of 15% for the Indirect Cost (IDC) rate, the Nation's rate is 15.65%; and
- 4) The Commission finds the Cooperative Agreement beneficial to the Nation's allotment owners and the Nation with its long-term land consolidation efforts.

NOW, THEREFORE BE IT RESOLVED THAT:

The Eastern Navajo Land Commission of the Navajo Nation Council hereby recommends to the Naabik'iyati' Committee of the Navajo Nation Council to approve and accept the Cooperative Agreement between the Navajo Nation and the United States Department of the Interior for the Navajo Land Buy-Back Program, and further recommends the Committee to accept the Cooperative Agreement IDC cap rate of 15%.

CERTIFICATION

I hereby certify that the forgoing resolution was duly considered by the Eastern Navajo Land Commission at a duly called meeting in Window Rock, Navajo Nation (AZ), at which a quorum was present, and the same was passed by a vote of 5 in favor and 0 opposed, this 7th day of January 2019.

The Cooperative Agreement (CA) is between the US Dept of the Interior (DOI) and the Navajo Nation to operate a program to conduct Outreach activities on the Navajo Nation. A Program Office will be established with a grant award of \$418,461 to employ seven (7) staff and operate for seven (7) months.

MEMORANDUM

TO: Larry Rodgers, Executive Director

FROM:

Veronica Blackhat, Assistant Attorney General
Natural Resources Unit, NNDOJ

DATE: February 7, 2019

SUBJECT: **Doc 5197: Eastern Navajo Land Commission - Land Buy-Back Program
Cooperative Agreement.**

The Navajo Nation Department of Justice (NNDOJ) has reviewed the above-mentioned document and finds it legally sufficient. However, please be aware that since the funding agency has limited the indirect cost (IDC) rate to 15%, a waiver from the Naabik'íyáti' Committee will be required since it is below the Navajo Nation approved (IDC) rate of 15.65%. Pursuant to 2 N.N.C. §701(A)(10)(a), the Naabik'íyáti' Committee may waive indirect cost when the division, department or program requesting the waiver demonstrates a statutory and/or regulatory requirement that limits indirect cost for a particular grant. As such, the Eastern Navajo Land Commission will need to provide this information when the IDC waiver is sought.

If you have any questions, please call me at 928-871-6347. Thank you.

MEMORANDUM

To: Larry Rodgers, Program Manager
Eastern Navajo Land Commission (ENLC)

From: 
Cordell Shortey, Contracting Officer
Contracts & Grants Section – OMB

Subject: 164 Document No. 5197 Eastern Navajo Land Commission – NN Land Buy-Back
Program Cooperative Agreement.

The attached document was reviewed pursuant to FY 2019 NN BIM Appendix L. Sec. V. A. which in part states "All grant application must obtain prior approval by OMB CGS as required by 2 NNC § 1203(B)(1)(g)". Further in light of Sec. V. D., the review is to advise the Speaker if the grant application is sufficient for his signature for submission, acceptance or approval.

The document was further reviewed based on the attached CGS Document Review checklist which outlines documents that must be included in the application as found on Appendix L. Sec. IV. of the said BIM. The document is insufficient as explained below:

- ☒ *to NNC* 1. Proposed IDC is capped at 15% by the funding agency which is different from NN approved FY 2018 IDC rate of 15.65%. Therefore ENLC will have to comply with 2 NNC § 701 (A) (10) on use of 15% IDC rate.
- ☒ *Attached* 2. The signature by the Speaker on Form Request for NN General Fund Appropriation for Cash Match on Contract/Grant (In-kind Match) is lacking. Apparently the signature is currently pending selection of the new Speaker. Other than that, the Form has all the necessary information needed to determine the In-kind contribution by the Nation.
- ☒ *Per used attached* 3. The NN Budget Forms also lacks the Speaker's signature as well as acceptance of the Agreement and the Awarding official of the funding agency for full execution of this Cooperative Agreement.
- N/A* 4. The Grant Application was electronically submitted 3/30/18 to the funding agency. A hard copy of the application was delivered to OMB/CGS on January 15, 2019 for review.
- ☐ *To be provided after signing* 5. The CFDA #15.152 is listed on the grant application, but not shown on the Cooperative Agreement.

CGS advises the ENLC to resolve the issue above before authorization by Speaker. If you have question, please call our office at (928) 871-6033.

FROM: Mariana Kahn
Mariana Kahn, Attorney

DATE: March 7, 2019

SUBJECT: PROPOSED STANDING COMMITTEE RESOLUTION; AN ACTION
RELATING TO NAABIK'ÍYÁTI' COMMITTEE; ACCEPTING A UNITED
STATES DEPARTMENT OF INTERIOR, LAND BUY-BACK PROGRAM
FOR TRIBAL NATIONS COOPERATIVE AGREEMENT AWARD TO THE
NAVAJO NATION TO BE ADMINISTERED BY THE EASTERN NAVAJO
LAND COMMISSION IN THE AMOUNT OF \$414,461 TO OPERATE A
PROGRAM TO CONDUCT OUTREACH FOR LAND CONSOLIDATION
ACTIVITIES; AND TO APPROVE A WAIVER OF THE IDC RATE FROM
15.65% TO 15.0%

I have prepared the above-referenced proposed resolution and associated legislative summary sheet pursuant to your request for legislative drafting.

The legislation is written to be presented to the standing committee with final authority to waive the Indirect Cost Rate. The Naabik'iyati' Committee is empowered to approve indirect cost rates that are less than the Navajo Nation indirect cost rate. The Navajo Nation's approval of the Land Buy-Back Program for Tribal Nations Cooperative Agreement is of a time-sensitive nature. For that reason the legislation is written to be presented to the Naabik'iyati' Committee.

Please ensure that his particular resolution request is precisely what you want. You are encouraged to review the proposed resolution to ensure that it is drafted to your satisfaction.

Based on existing law and review of documents submitted, the resolution as drafted is legally sufficient. As with any action of government however, it can be subject to review by the courts

in the event of proper challenge. The Office of Legislative Counsel confirms the appropriate standing committee(s) based on the standing committees powers outlined in 2 N.N.C. §§301, 401, 501, 601 and 701. Nevertheless, "the Speaker of the Navajo Nation Council shall introduce [the proposed resolution] into the legislative process by assigning it to the respective oversight committee(s) of the Navajo Nation Council having authority over the matters for proper consideration." 2 N.N.C. §164(A)(5).
