## 7 8 **SECTION TWO. FINDINGS**

9 A. The Navajo Nation Child Support Enforcement Act was originally adopted by the  
10 Navajo Nation Council in 1994 (CD-111-94). Since the enactment of the Navajo Nation  
11 Child Support Enforcement Act in 1994, federal law has changed. For this and other  
12 reasons, it is necessary that the Act be updated.

13 B Amendments to the Navajo Nation Child Support Enforcement Act are necessary in  
14 respect to Service of Process provisions. The current Act requires specific, individual  
15 service rather than more general service that has proven to be expensive and time  
16 consuming for the Department of Child Support Services. The complication in Service of  
17 Process results in delays prosecuting child support cases and delays collection of child  
18 support services for Navajo children.

19 C. The Navajo Nation Child Support Enforcement Act further provides for comity to  
20 other jurisdictions. *See*, 9 N.N.C. §1718. Since the adoption of the Child Support  
21 Enforcement Act, the federal government enacted the Full Faith and Credit for Child  
22 Support Act, 28 U.S.C. §1738(B). This Act requires any state or tribe taking money from  
23 the federal government under Title IV(D) of the Social Security Act must provide full  
24 faith and credit to other IV(D) programs in order to be funded. In order to properly reflect  
25 that change, the method of recognizing foreign child support orders needs to be through  
26 full faith and credit rather than comity.

27 D. As Navajo children are considered the most valuable gifts of creation, it is in the best  
28 interest of the Navajo Nation that the Navajo Nation Child Support Enforcement Act be  
29 amended.

1       **SECTION THREE. APPROVING AMENDMENTS**

2       The Navajo Nation hereby approves amendments to the Navajo Nation Child Support  
3       Enforcement Act, at 9 N.N.C. § 1701 *et seq.*, as follows:

4       \_\_\_\_\_

5                               **Title 9. Domestic Relations**  
6                               **Chapter 17. Child Support Enforcement Act**

7

8       **§1701. Short Title:** This Act shall be known as the Navajo Nation Child Support  
9       ~~Enforcement~~ Act, hereinafter as the "Act."

10

11       **§1702. Statement of Policy**

12       A.     This Act shall be liberally construed to effectuate the policy stated herein; and  
13       these remedies shall be in addition to, and not in lieu of, those in existing law. It is the  
14       public policy of the Navajo Nation to implement the values of Navajo common law  
15       regarding parentage and children. Children are the most valuable gift of creation.  
16       They must be loved and receive care. There is a parental duty to establish a child's  
17       parentage for identity in family and clan relations. Parents and relations have a duty  
18       to nourish and support children. Where there is disharmony in the family, parents  
19       will subordinate their interests in favor of their children.

20       B.     Children shall be maintained; as completely as possible; from the resources of  
21       their parents. This Act establishes an quasi-judicial/administrative process for the  
22       establishment of parentage; the establishment, modification and enforcement of child  
23       support obligations; and adds provides remedies to those already existing for child  
24       support enforcement. ~~This Act shall be liberally construed to effectuate the policy~~  
25       ~~stated herein; and these remedies shall be in addition to, and not in lieu of, those in~~  
26       ~~existing law.~~

27       C.     ~~The state of Arizona, New Mexico, and Utah which are charged with the~~  
28       ~~provision of services to individuals under Title IV (D) of the Social Security Act may~~  
29       ~~utilize the administrative and judicial review processes provided for in this Act, to the~~  
30       ~~extent that they negotiate agreements for the performance of administrative functions~~

1 by the Navajo Nation. Absent such agreements, the Navajo Nation shall have no  
2 obligation to provide services under this Act to state Title IV(D) agencies. In no  
3 manner is this Act intended, nor is it to be deemed, to relieve the States of Arizona,  
4 New Mexico and Utah from providing equal protection of the laws of their respective  
5 states and the United States to their citizens. The Navajo Nation provides child  
6 support services in accordance with Title IV (D) of the Social Security Act. Pursuant  
7 to the requirements for the provision of services conforming to Title IV (D), any  
8 judicial or administrative child support orders issued by states or tribes, exercising  
9 proper jurisdiction and providing due process, and that are providing services in a  
10 accordance with Title IV (D), must be given Full Faith and Credit in the courts and  
11 hearing tribunals of the Navajo Nation. The Navajo Nation is under no obligation to  
12 provide services under this Act to a state or tribe that is not providing child support  
13 services in accord with Title IV (D).

16 opportunity to contest the order, the ~~Office of Hearings and Appeals~~ hearing tribunal  
17 may enforce it as a Navajo Nation order.

18 D. Where a foreign order is invalid by reason of a lack of personal jurisdiction in  
19 the agency or court of the issuing jurisdiction, the ~~Office of Hearings and Appeals~~
