AN ACTION

RELATING TO HEALTH, EDUCATION AND HUMAN SERVICES; AMENDING
RESOLUTION HEHSCAP-05-20, ENTITLED "AN ACTION RELATING TO HEALTH,
EDUCATION AND HUMAN SERVICES; APPROVING 2020 - 2024 NAVAJO NATION
SCHOOL BOARD APPORTIONMENT PLAN;" T'IISYAAKIN RESIDENTIAL HALL,
INC.

BE IT ENACTED:

SECTION ONE. AUTHORITY

The Health, Education and Human Services Committee is a standing committee of the Navajo Nation Council. 2 N.N.C. § 400(A). Among various responsibilities, it approves apportionment plans for school boards for use in elections every four years. 11 N.N.C. § 11.

SECTION TWO. FINDINGS

A. On April 15, 2020, Health, Education and Human Services approved HEHSCAP-05-20, resolution entitled "AN ACTION RELATING TO HEALTH, EDUCATION AND

1 HUMAN SERVICES; APPROVING 2020 - 2024 NAVAJO NATION SCHOOL BOARD
2 APPORTIONMENT PLAN.” Resolution HEHSCAP-05-20, attached hereto as **Exhibit**
3 **A**.

4 B. Under the 2020 – 2024 Navajo Nation School Board Apportionment Plan, generally,
5 schools are consolidated for purposes of being represented by one school board. The
6 Tiisyaakin Residential Hall is included in the new Apportionment Plan and it is combined
7 with schools for purposes of operating under one governing board.

8 C. Tiisyaakin Residential Hall “provides residential services for Holbrook High School
9 students, grades 9th to 12th at large from the Navajo Nation and surrounding areas.” See,
10 *Tiisyaakin.org*. It is located in Holbrook, Arizona. *Id.* “Student residing in the residential
11 hall attend Holbrook High School and they stay Sunday through Friday and then are bused
12 home weekly.” The residential hall is “federally funded under P.L. 100-297, through the
13 Bureau of Indian Education.” *Id.*

14 D. The governing board, supported by the Principal of the Holbrook High School, is
15 requesting the apportionment plan be amended to allow the residential hall to have its own
16 governing board (not to be a part of other consolidated schools). **Exhibit B**, May 8, 2020
17 resolution and letter of HHS Principal. In its resolution requesting amendment, the current
18 governing board states – “[Tiisyaakin Residential Hall] board is comprised of members
19 from the surrounding communities familiar with the students and local culture which the
20 home living program serves;” It states that a plan to include such a residential hall would
21 be detrimental to its “mission of delivering a high-quality experience to its students and
22 staff through continued excellence....” In support, the Principal of Holbrook High School
23 reports above average graduation rates of Native students at the high school and advises
24 against any disruption in the current T’iisyaakin Residential Hall system.

25 E. Due to unique circumstances presented, and in the interests of fairness, it is in the best
26 interest of the Navajo Nation to amend the 2020 – 2024 Navajo Nation School Board
27 Apportionment Plan.

BE IT ENACTED:

SECTION 1. FINDINGS AND PURPOSE

1. The Health, Education and Human Services Committee is a standing committee of the Navajo Nation Council. Among various responsibilities, it approves apportionment plans for school boards for use in elections every four years. 11 N.N.C. § 11. The Election Code provides:

"On or before the first Monday of November 2003 and every four years thereafter, the Health, Education and Human Services Committee of the Navajo Nation Council shall set the size of each Local Community School Board and shall apportion the number of school board seats among the Chapter or Chapters represented in each Local Community School Board. This apportionment shall establish election precincts for each Local Community School Board containing approximately equal numbers of students attending the Local Community School at the time of the apportionment. The Health, Education and Human Services Committee, for purposes of public comment or collecting data, may extend the time for approval of an apportionment plan. Should an extension be ordered, the Navajo Board of Election Supervisors shall adjust, if necessary, the opening filing period for elective school board positions." 11 N.N.C. § 11(B).

2. For purposes of public hearings, the Health, Education and Human Services Committee on February 16, 2020 approved possible apportionment plans as options. Thereafter, with the assistance of Navajo Department of Diné Education, public notices were provided, and hearings were conducted in the five agencies of the Navajo Nation as follows: To'Nanees'Dizi Chapter on February 24, 2020; Chinle Chapter on February 25, 2020; Shiprock Chapter on February 26, 2020; Crownpoint

1. The Health, Education and Human Services Committee of the Navajo Nation Council hereby approves the 2020-2024 Navajo Nation School Board Apportionment Plan, attached as **Exhibit "A."**
2. The Navajo Election Administration and the Navajo Board of Election Supervisors shall use the apportionment plan adopted herein for use in the 2020 Navajo Nation Chapter Elections.

SECTION 3. SAVINGS CLAUSE

Should any portion of this action of the vision of the Health, Education and Human Services Committee or any portion of the apportionment plan adopted herein be determined invalid by the Navajo Nation Supreme Court, or the District Courts of the Navajo Nation without appeal to the Navajo Nation Supreme Court, those portions the action or apportionment plan which are not determined invalid shall remain the law of the Nation.

Holbrook High School
Once a Roadrunner, Always a Roadrunner
Helping students Help themselves Succeed

May 6, 2020

To Navajo Nation Council:

It has come to my attention that the Navajo Nation Council is considering an organizational change with Tiisyaakin Residential Hall, which is an agency that I have worked closely with for the past fourteen years as principal of Holbrook High School.

During this time, specifically under the leadership of Executive Director Rene White-Alcott, I have found the dormitory to operate in an exceptional manner. Rene and her staff are always available to address HHS-dorm student concerns and are extremely proactive in monitoring their students' academic, behavioral, and emotional well-being.

HHS's 4-year and 5-year Native American graduation rates are regularly 17-20% above state averages and the dorm's efficiency plays an integral role in this happening. HHS takes pride in providing Northern Arizona Native American students a meaningful educational opportunity and a functioning dorm is an intricate entity in this endeavor. As a result, the Holbrook School District would be greatly disheartened to witness any change in this operation.

In closing, as I communicate to concerned dorm parents during registration interviews, I would feel comfortable placing my own children in the dorm today under their current leadership; I wouldn't have said that twenty years ago. As a result, I request you strongly reflect on creating any disruption to current Tiisyaakin Residential Hall systems as their present state of affairs has a proven productive impact on Navajo Nation students. Please feel free to call me on my cell phone if I could be of further assistance (928-853-9795).

Respectfully,

Lance William Phatuross

RESOLUTION OF TIISYAAKIN RESIDENTIAL HALL, INC.

**REQUESTING OF SUPPORT AND APPROVAL TO AN AMENDMENT OF THE
HEALTH, EDUCATION AND HUMAN SERVICES COMMITTEE RESOLUTION
(HEHSCAP-05-20), ENTITLED "AN ACTION RELATING TO HEALTH, EDUCATION
AND HUMAN SERVICES: APPROVING 2020-2024 NAVAJO NATION SCHOOL BOARD
APPORTIONMENT PLAN" AS THE AMENDMENT WOULD ALLOW TIISYAAKIN
RESIDENTIAL HALL, INC. TO BE A STANDALONE ENTITY REPRESENTED BY ITS
OWN LOCALLY CONTROLLED COMMUNITY SCHOOL BOARD**

WHEREAS:

1. Pursuant to the Navajo Nation Code at 10 N.N.C. § 200; and P.L. 93-638, Indian Self-Determination and Education Assistance Act of 1975; P.L. 100-297, Tribally Controlled Schools Act of 1988, all as amended; and the Tiisyaakin Residential Hall, Inc. Policies and Procedures, the Tiisyaakin Residential Hall, Inc. Board (Board) has been delegated the duty and responsibility and has full legal authority to act for and on behalf of Tiisyaakin Residential Hall (TRH); and
2. Navajo and federal law both emphasize that TRH and similarly situated community schools and homeliving programs should be governed locally and establish that Local Community School Boards have been delegated the responsibility and authority to govern community schools and homeliving programs, in order to carry out this mandate. See 10 N.N.C. §§ 1(A), 3(S) and 200(A); P.L. 93-638; P.L. 100-297 and P.L. 114-95; and
3. The Board has been informed that the Health, Education and Human Services Committee approved a resolution entitled "An Action Relating to Health, Education and Human Services; Approving 2020-2024 Navajo Nation School Board Apportionment Plan." HEHSCAP-05-20. The resolution approves Apportionment Plan 6, which creates 16 regional, consolidated boards to represent the P.L. 100-297 grant schools on the Navajo Nation and the border town dormitories; and
4. The Board acknowledges that many of the proposed apportionment plans consolidate the current Local Community School Boards into regionalized boards that represent many different schools; and

5. TRH is currently governed by an autonomous Local Community School Board, which provides for the care and education of students through the homeliving program; and
6. The TRH Board is comprised of members from the surrounding communities familiar with the students and local culture which the homeliving program serves; and
7. TRH has a highly successful staff and student retention rate, which greatly exceed that of other P.L. 100-297 schools and homeliving programs. On average, 95% of students return to TRH after their first year. Last contract year 96% of employment contracts were renewed and 100% of employees returned to work for another year; and
8. TRH's students are thriving academically and socially as evidenced by reaching maximum student counts on an annual basis and as measured by student success rates, where graduation rates are regularly 17-20% above state averages. TRH emphasizes and fosters a special relationship with Holbrook High School where academics are the top priority; and
9. TRH staff have built a strong rapport with the community, families, and students through their efforts, and through emphasizing cultural values; TRH staff have a responsibility to perform a unique duty to teach students as surrogate parents emphasizing cultural values, practices and language preservation, while they attend the Holbrook Public Schools, off the Navajo Nation lands; and
10. TRH has always received clean audits; and
11. TRH has consistently received the maximum allowable number of years following reauthorization proceedings; and
12. As a result of the foregoing, TRH has demonstrated the ability to create a thriving academic environment conducive to student achievement without the need for strong external oversight; and
13. The TRH Board has shown fiscal, curricular, and programmatic responsibility through above-average student and employment retention rates; and
14. The TRH Board is committed to its mission of delivering a high-quality experience for its students and staff through continued excellence and believes transferring control of its School to a regionalized, consolidated board with oversight responsibilities over seven other vastly different schools with differing needs and challenges could be highly detrimental to this mission.

NOW, THEREFORE, BE IT RESOLVED THAT:

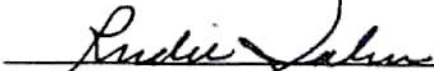

1. Tiisyaakin Residential Hall, Inc.'s Local Governing Board requests support and approval of an Amendment to the Health, Education and Human Services Committee Resolution (HEHSCAP-05-20), entitled "An Action Relating to Health, Education and Human Services: Approving 2020-2024 Navajo Nation School Board Apportionment Plan". The Amendment would allow Tiisyaakin Residential Hall, Inc. to be a standalone entity represented by its own locally controlled community school board; and
2. Tiisyaakin Residential Hall, Inc.'s Local Governing Board encourages the Honorable Health, Education and Human Services Committee to affirm, reinstate, and respect the primacy of the Tiisyaakin Residential Hall, Inc. Governing Board by amending and approving the apportionment plan that allows Tiisyaakin Residential Hall, Inc. to preserve its standalone entity represented by its own Locally Controlled Community School Board. They are strongly supported and quoted by the Holbrook High School, "Tiisyaakin Residential Hall systems as their present state of affairs has a proven productive impact on Navajo Students". Attached as (Exhibit A).

CERTIFICATION

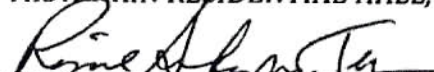

We hereby certify that the foregoing resolution was duly considered by the Tiisyaakin Residential Hall, Inc. Board at a duly called meeting at which a quorum was present and that the same was adopted by a vote of 2 in favor, 0 opposed and 1 abstained on this 8th day of May, 2020.

Members of HEHSC,

Only to accommodate one (1) school is unjustifiable! Remain with how you all have design the School Board 2020-2024 Reapportionment.

If your going to change for only one school, you would have to conduct another public hearing for everyone's awareness.

**RESOLUTION OF THE
DINÉ BI OLTA SCHOOL BOARD ASSOCIATION, INC.**

ADAMANTLY OPPOSING LEGISLATION NO. 0151-20 "AN ACTION RELATING TO HEALTH, EDUCATION AND HUMAN SERVICES: AMENDING RESOLUTION HEHSCAP-05-20, ENTITLED "AN ACTION RELATING TO HEALTH, EDUCATION AND HUMAN SERVICES; APPROVING 2020-2024 NAVAJO NATION SCHOOL BOARD APPORTIONMENT PLAN" T'IISYAAKIN RESIDENTIAL HALL, INC.

WHEREAS:

1. The Diné Bi Olta School Board Association (DBOSBA) was established thru the Navajo Sovereignty in Education Act of 2005, Amendment to Title 10-Navajo Nation Education Code, approved by the Navajo Nation Council July 19, 2005; and created Establishment of Executive Board of the Diné Bi Olta School Board Association as "the only school board association recognized by the Navajo Nation to represent local community school boards"; and
2. The Diné Bi Olta School Board Association, Inc., pursuant to the Navajo Sovereignty in Education Act of 2005 amendment, provides school board services and training to local school boards serving BIA/BIE-funded schools under the provisions of Public Law 93-638 Contract with the Bureau of Indian Affairs education services early childhood through 12th grades and adult education, including dormitory, facility, student transportation and food services; and
3. DBOSBA and the HEHS Committee members are aware that all the schools being consolidated under Plan 6 are comprised of school board members registered from different surrounding communities who would also be familiar with the students and local culture which the schools serve; and
4. DBOSBA acknowledges under the School Board Reapportionment that Plan 6 will have a critical negative impact to the "mission of delivering high-quality experience to all Diné students" attending school organizations that will be consolidated; and
5. DBOSBA believes all the schools consolidated under the conditions of Plan 6 will have a major adverse disruption to the education services provided to our Diné students and cause confusion for parents and employees; and
6. DBOSBA understands per Plan 6, other residential programs are included to be consolidated with schools and it is unclear why Tiisyaakin Residential Hall is being considered differently and that all other bureau funded schools are also unique; and

7. DBOSBA believes it is in the best interest and fairness for all Bureau funded schools to be included to remain as a stand-alone board by amending the 2020-2024 Navajo Nation School Board Apportionment Plan instead of taking this action for one residential organization.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. The Diné Bi Olta School Board Association respectfully opposes Legislation No. 0151-20 "An action relating to Health, Education and Human Services: amending Resolution HEHSCAP-05-20, entitled "An action relating to Health, Education and Human Services; approving 2020-2024 Navajo Nation School Board Apportionment Plan" T'iisyaakin Residential Hall, Inc.
2. DBOSBA believes it is in the best interest and fairness that all Bureau funded schools to be included to remain as a stand-alone board by amending the 2020-2024 Navajo Nation School Board Apportionment Plan instead of taking this action for one residential organization.
