- 12.1 Lessee shall not amend, or in any manner whatsoever transfer this Lease or any right to or interest in this Lease or any of the improvements on the leased premises, without prior written approval of the Lessor, which consent shall not be unreasonably withheld. No such amendment or transfer shall be valid or binding without such approval, and then only upon the condition that the Transferee or other successor in interest, excepting an approved encumbrancer(s), shall agree in writing to be bound by each and all of the covenants and conditions of this Lease. Should Lessee attempt to make such amendment or transfer, except as set forth herein, such action shall be deemed a breach of this Lease, excepting that an encumbrancer may enforce his rights in the manner herein provided.
- 12.2 Should Lessee sell, assign, or transfer more than forty-nine percent (49%) of the corporate stock of any corporation named as Lessee, Lessee shall provide written notice to the Lessor.
- 12.3 For purposes of this Section, the creation of a partnership, corporation, joint venture, management agreement, or other arrangement under which any person or entity other than Lessee is entitled to share in profits derived directly or indirectly from the leased premises or activities carried out thereon, shall require the written consent of Lessor and Lessee, which consent shall not be unreasonably withheld, unless Lessee is the majority owner (i.e. majority shareholder, majority partner, etc.) of the business that is reorganized, then only written notice will be required.

13.0 ENCUMBRANCE

- 13.1 This Lease, or any right to or interest in this Lease or any of the improvements on the leased premises, may be encumbered by Lessee for the purposes of securing a line of credit to develop and improve the leased premises on or after Effective Date. Encumbrancer must agree to be bound by all terms and conditions of this Lease.
- 13.2 Any encumbrance will:
- (1) Be limited to the leasehold interest of the Lessee or subleasehold interest of the Sublessee; and
 - (2) Not jeopardize in any way Lessor's interest in the land; and
 - (3) Be subject to the written approval of the Lessor as well as the sureties. The Lessor shall not unreasonably withhold its approval to an encumbrance.
- 13.3 Lessee agrees to furnish as requested any financial statements or analysis pertinent to the encumbrance that the Lessor may deem necessary to justify the amount, purpose and terms of said encumbrance.
- 13.4 Lessor shall give each encumbrancer notice of, and the right to cure within a reasonable time, a default by Lessee or Sublessee under this Lease or sublease, whichever is applicable. Lessor shall accept performance by the encumbrancer for covenants or other obligations under the Lease or sublease, with the same force and effect as though performed by the Lessee or Sublessee.
- 13.5 In the event of default by Sublessee, an encumbrancer of any sublease may exercise any rights provided in such approved encumbrance, provided that before any sale of subleasehold, whether under power of sale or foreclosure, the encumbrancer shall give to Lessor and Lessee notice of the

same character and duration as is required to be given to the Sublessee by the encumbrancer. If notice of such sale is given and the Lessee fails to act, Lessor shall have the following rights which may be exercised at any time prior to the completion of sale proceedings:

- (1) To pay the encumbrancer the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such payment, plus foreclosure or sale costs incurred to the date of such payment; and
- (2) To execute in favor of the encumbrancer a promissory note and a new encumbrance, which new encumbrance must be approved by the Lessor, for the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such execution plus sale expenses incurred to the date of such execution, upon the same terms and conditions as originally provided by the approved encumbrance, and delivering to the encumbrancer a policy of title insurance in the face amount of such promissory note issued by a reputable title insurance company, and insuring that the new encumbrance is a first lien upon the subleasehold described in said sublease subject only to current taxes and to conditions, restrictions, and reservations of record at the time of recording the approved encumbrance.

13.6 Each encumbrancer must provide, if Lessee or Lessor exercises the foregoing rights, all of the right, title, and interest of the Sublessee in the Sublease shall automatically terminate on the same date the right is exercised and the Lessor or Lessee, shall, on the same date, acquire the subleasehold interest; provided however, that termination shall not serve to extinguish the sublease by merger with the Lease or otherwise. As between the Lessor and Lessee, Lessee shall have the first right to exercise the right to pay the amounts due as described above and to obtain the subleasehold interest. The Sublease shall require that the Sublessee will have the duty to execute any documents and take any action needed to effectuate the termination and transfer of Sublessee's subleasehold interest.

13.7 In the event Lessor or Lessee does not avail itself of the above rights and a sale occurs, whether by power of sale or foreclosure, the purchaser at such sale shall succeed to all of the rights, title, and interest of the Sublessee in the subleasehold covered by said encumbrance. It is further agreed that if the purchaser at such a sale is the encumbrancer, the encumbrancer may assign the subleasehold interest without any further approval, provided that the assignee shall agree in writing to be bound by all the terms and conditions of the sublease. If the encumbrancer is the purchaser, it shall be required to perform the sublease only so long as it retains title thereto. If a sale, of the subleasehold interest, under the approved encumbrance occurs and the purchaser is a party other than the encumbrancer, approval by Lessor will be required and said purchaser, as successor in interest to the Sublessee, shall be bound by all the terms and conditions of the sublease and will assume in writing all the obligations thereunder.

13.8 In the event of default by the Lessee under the Lease, the encumbrancer may exercise any rights provided for in such approved encumbrance, provided that before any sale of the leasehold, whether under power of sale or foreclosure, the encumbrancer shall give to Lessor notice of the same character and duration as is required to be given Lessee by such encumbrance and/or by applicable law. If notice of such sale be given, and the default upon which notice of sale is based shall then continue, Lessor shall have the following rights which may be exercised at any time prior to the completion of sale proceedings:

- (1) To pay to the encumbrancer the full unpaid principal amount of the approved encumbrance plus unpaid interest accrued to the date of such payment, plus sale costs incurred to the date of such payment; and
- (2) To execute in favor of the encumbrancer a promissory note and a new encumbrance, which new encumbrance must be approved by the Lessor, for the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such execution, plus

sale expenses incurred to the date of such execution, upon the same terms and conditions as originally provided by the approved encumbrance, and delivering to the encumbrancer a policy of title insurance in the face amount of such promissory note, issued by a reputable title insurance company, and insuring that the new encumbrance is a first lien upon the property described in this Lease subject only to current taxes and to conditions, restrictions, and reservations of record at the time of recording the new encumbrance.

- 13.9 Each encumbrancer must provide, if Lessor exercises the foregoing rights, all right, title and interest of Lessee in the Lease shall automatically terminate on the same date the right is exercised and the Lessor shall acquire the Lease; provided, however, that termination shall not relieve the Lessee from any obligation or liability which had accrued prior to the date of termination. Acquisition of the Lease by Lessor under these circumstances shall not serve to extinguish the Lease by merger or otherwise. The Lessee shall have the duty to execute any documents and take any action necessary to effectuate the termination and transfer of the Lessee's leasehold interest.
- 13.10 In the event Lessor does not avail itself of the above rights and a sale occurs, whether by power of sale or foreclosure, the purchaser at such sale shall succeed to all of the rights, title, and interest of the Lessee in the leasehold estate covered by said approved encumbrance. It is further agreed that if the purchaser at such sale is the encumbrancer, the encumbrancer may assign the leasehold interest without any further approval, provided that the assignee shall agree in writing to be bound by all the terms and conditions of this Lease. If the encumbrancer is the purchaser, it shall be required to perform the Lease only so long as it retains title thereto. If a sale, of the leasehold interest, under the approved encumbrance occurs and the purchaser is a party other than the encumbrancer, approval by Lessor of any assignment will be required and said purchaser, as successor in interest to the Lessee, shall be bound by all the terms and conditions of the Lease and will assume in writing all the obligations thereunder.

14.0 LIENS; TAXES; UTILITY CHARGES

- 14.1 Lessee shall not permit to be enforced against the leased premises, or any part thereof, any liens arising from any work performed, materials furnished, or obligations incurred by Lessee. Lessee shall discharge all such liens before any action is brought to enforce same
- 14.2 Lessee shall pay before becoming delinquent, all taxes, assessments, licenses, fees, and other like charges levied during the term of this Lease upon or against the leased premises and all interests therein, for which either Lessee or Lessor may become liable.
- 14.3 Upon request Lessee shall furnish Lessor written evidence duly certified that any and all taxes required to be paid by Lessee have been paid, satisfied, or otherwise discharged. Lessee shall have the right to contest any claim, asserted tax, or assessment against the leased premises, by posting bond to prevent enforcement of any lien resulting therefrom, and Lessee agrees to protect and hold harmless Lessor and the leased premises and all interest therein and improvements thereon from any and all claims, taxes, assessments, and like charges and from any lien therefor, or sale or other proceedings to enforce payment thereof, and all costs in connection therewith. 15.0 LESSOR'S PAYING CLAIMS

Lessor shall have the option to pay any lien or charge payable by Lessee under this Lease, or settle any

All costs and other expenses incurred by Lessor in so doing shall be paid to Lessor by Lessee on demand, with interest at the rate of eighteen percent (18%) per annum from the date of Lessor's payment until repayment is made. Failure to make such repayment on demand shall constitute a default of the Lease.

- 16.2 Lessee agrees to at all times maintain the entire leased premises in a safe, sanitary condition, presenting a good appearance both inside and out in all buildings operated on the leased premises. Non-compliance with this Section shall constitute a default of this Lease.
- 16.3 Lessee agrees to maintain all records required by applicable law, regarding refuse disposal, and to make such records available to appropriate officials of the Navajo Nation.

17.0 REGULATED SUBSTANCES

- 17.1 Lessee shall not cause or permit any Regulated Substance to be used, stored, generated, or disposed of, on, or in the leased premises without first obtaining written consent from the Navajo Nation Environmental Protection Agency. If the Navajo Nation Environmental Protection Agency does not respond to a request for consent within thirty (30) days such consent is deemed given.
- 17.2 If Regulated Substances are used, stored, generated or disposed of on or in the leased premises, or if the leased premises become contaminated in any manner for which Lessee or Sublessee are legally liable, Lessee shall indemnify and hold harmless the Lessor from any and all direct claims, fines, judgments, penalties, costs, liabilities or losses (including, without limitation, a decrease in value of the leased premises, damages due to loss or restriction of rentable or usable space, or any damage due to adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorneys' fees, consultant and expert fees, any and all sums paid for clean-up to the extent required by governmental authorities) arising during or after the Lease term and arising as a result of such contamination by Lessee.

Lessees will first obtain Lessor's approval for any such remedial action.

- 18.1 Lessee shall provide the Navajo Nation Environment Protection Agency and the Navajo Nation Division of Economic Development with a clear and legible copy of all notices and reports

concerning storage tank installation, testing, leakage, or remediation at the premises subject to the Lease which Lessee is required by applicable law or regulation to provide to the United States Environmental Protection Agency or which Lessee otherwise provides to the United States Environmental Protection Agency. Part 280, Subpart H regardless of whether the storage tank in question is an aboveground or underground storage tank. Lessee shall provide proof of this bond, insurance, or other qualifying financial responsibility mechanism to the Navajo Nation Division of Economic Development. The bond, insurance, or other qualifying financial responsibility mechanism shall remain in effect for the term of the base lease or sublease, and any renewals thereof, and shall not be released or terminated until such time as the Division certifies that the facility is in compliance with all applicable law and regulations, or that the tanks have been removed and the site has been remediated, or that the base lease or sublease has been transferred and the new operator has provided proof of an adequate bond, insurance, or otherwise satisfied the 40 C.F.R. Part 280, Subpart H financial responsibility requirements. It shall be the responsibility of the Lessee and the Sublessee to provide the Navajo Nation Division of Economic Development with all proof required for release of bond or termination of insurance coverage.
- 18.3 If storage tanks are located at the Lease site, the Lessee will supply the Navajo Nation Environmental Protection Agency and the Navajo Nation Division of Economic Development with a complete copy of the report and underlying data generated in preparation of a Phase Two environmental audit before Lessee places any Regulated Substances in the storage tanks or releases any Regulated Substances from the storage tanks but no later than ninety (90) days after the Lease is approved by the Lessor.
- 18.4 The Lessee shall notify the Navajo Nation Environmental Protection Agency and the Navajo Nation Division of Economic Development, or any institutional successor, of the firm chosen to perform the Phase Two Environmental audit prior to the performance of such audit. Lessor may accept or decline the choice of the environmental auditor within twenty (20) days of written notice by Lessee. If Lessor does not respond within twenty (20) days of receipt of the Lessee's written notice, the environmental auditor is deemed accepted. If, however, the most recent prior Lessee of the premises has performed a Phase Two environmental audit on the premises at or after the termination of the prior tenancy, Lessee is not required to perform a Phase Two environmental audit if Lessee agrees to be conclusively legally bound by the findings of the above referenced Phase Two environmental audit.
- 18.5 Lessee shall pay to the Navajo Nation the amount of \$15,000 which will be held by the Navajo Nation during the term of the Lease. One year after Lessee's rental obligation commences Lessee shall pay \$5,000 toward payment of the \$15,000 and shall pay \$5,000 at the end of the second and

The amounts shall be submitted for deposit at the Navajo Nation Division of Economic Development at P.O. Box 663, Window Rock, Navajo Nation (Arizona) 86515.

This sum shall be used to pay for a Phase Two environmental audit to be performed during the last year of the Lease and any other environmental audit(s) during the term of the Lease which Lessor determines, based on probable cause, to be reasonably necessary to ascertain whether environmental contamination by Regulated Substances has occurred. The Navajo Nation Environmental Protection Agency shall determine whether an audit shall be performed.

- 18.6 If the Navajo Nation Environmental Protection Agency determines an environmental audit should be performed at the leased premises prior to the Lessee's deposit of entire \$15,000 deposit and the amount deposited is insufficient to pay for the environmental audit, and the environmental audit determines Regulated Substances are unlawfully present, Lessee shall upon written demand by Lessor, promptly deposit with Lessor an amount sufficient to pay for the environmental audit or to bring Lessee's deposit to \$15,000, whichever is less. If Lessor performs an environmental audit pursuant to this article during the term of the Lease which finds Regulated Substances unlawfully present and which is financed by all or part of the above referenced sum, Lessee shall, at the end of the year in which the audit is completed, deposit funds with the Navajo Nation sufficient to reestablish the amount deposited prior to the audit and to reimburse the Navajo Nation for any amount the Navajo Nation spent on the environmental audit in excess of the \$15,000 deposit.
- 18.7 The deposit shall be kept in an account by the Navajo Nation Office of the Controller on behalf of the Lessee to meet the expenses of the obligations stated above. At the termination of the Lease and upon completion of all environmental audits, removal and remediation to be performed on the premises, the Navajo Nation shall return any of the money deposited to the Lessee which was not spent to conduct environmental audits of the leased premises or to remediate, or remove Regulated Substances which were released on the leased premises.
- 18.8 Nothing stated herein shall be construed to limit Lessee's liability for costs associated with investigation, or remediation, of Regulated Substances located on the leased premises including Lessee's liability for litigation costs and attorney's fees.
- 18.9 The ownership and removal responsibility for any regulated substances or petroleum product manufacturing, processing, storage, or conveyance facilities placed in or on the leased premises shall be the responsibility of the Lessee. Any repairs made to such facilities or storage tanks must comply with applicable repair standards. Lessee shall provide the appropriate Navajo Nation Division of Economic Development department with complete and legible copies of all documents establishing Lessee's ownership of, lease of, or acquisition of any other use interest in any storage tanks installed on the leased premises.
- 18.10 Unless otherwise notified by the Lessor, Regulated Substances and storage tanks are the property of the Lessee who places them on the property and do not become the property of the Lessor for RCRA liability purposes unless or upon the expiration of the Lease. Lessee is owner for RCRA, 42 U.S.C. 6991(3), purposes of any storage tanks placed on the leased premises. site for potential contamination, remediate any contamination discovered, and satisfy or actively and in good faith seek resolution of any third party damages which may have occurred. Should any of the above activities extend past the termination or expiration date of the Lease, the Lease shall be extended and Lessee shall remain financially responsible for completing these activities. The bond, unless waived, or the insurance of this Lease shall not be released or terminated until these activities are completed.

Such postponement shall be as the sole discretion of the Navajo Nation Division of Economic Development and shall not be unreasonably withheld.
- 19.5 Failure on the part of the Lessee to procure or maintain required insurance shall constitute a material breach of contract upon which the Lessor may immediately terminate this Lease.
- 19.6 Lessor reserves the right to request and receive certified copies of any or all of the above policies and/or endorsements.
- 19.7 Lessee and its insurers providing the required coverages shall waive all rights of recovery against the Navajo Nation and its agents, officials, and employees.

- 19.9 The Lessee shall not do or commit to be done anything in or upon any portions of the leased premises or bring or keep anything there which would in any way conflict with the conditions of any insurance policy upon the leased premises or in any way increase the rate of insurance upon the leased premises or on property kept there.
- 19.10 Lessor will not be responsible for any omissions or inadequacies of insurance coverage and amounts in the event the insurance purchased by Lessee proves to be inadequate or otherwise insufficient for any reason whatsoever.

20.0 FIRE AND CASUALTY INSURANCE

- 20.6 In the event of damage to the extent of seventy-five percent (75%) or more of the total value of all improvements on the leased premises during the last one (1) year of the Term of this Lease, including the Renewal Options, Lessee may choose not to reconstruct said improvements. Lessee shall provide Lessor with a written notice of the exercise of Lessee's reconstruction decision within thirty (30) days of the event of damage, giving rise to Lessee's decision. Should Lessee exercise its option to reconstruct, Lessee shall commence reconstruction of the damaged improvements within ninety (90) days of Lessee's exercise of its reconstruction option. Should Lessee not exercise its option to reconstruct, this Lease shall terminate thirty (30) days after notice is sent to Lessor. The leased premise shall be cleared of debris at Lessee's expense prior to termination of the Lease. Lessee shall not be charged rent during the period of debris removal unless Lessee occupies the leased premises beyond the Lease termination date, after which the Lessee will be charged hold over rental as provided herein. If such amount paid to the encumbrancer is sufficient to repair the loss or damage or if Lessor or Lessee shall within three (3) months after such payment by the insurer to the encumbrancer deposit with the encumbrancer enough money to completely repair the loss or damage, when added to the amount paid by the insurer to the encumbrancer, the encumbrancer shall, upon written order of Lessor or Lessee, pay such monies for such repair, and it shall not be deemed a payment or credit on the encumbrance; but otherwise, at the expiration of such three (3) months said sum so paid by the insurer to the encumbrancer shall be applied and credited upon the approved encumbrance. It is understood and agreed that nothing herein shall relieve Lessee of its obligation to repair and/or replace the damaged improvement to a condition as good or better than before the damage.

21.0 INDEMNIFY

Except for Lessor's sole negligence, Lessee shall indemnify, protect, defend, and hold Lessor harmless from and against any claims, loss rents, damages, costs, liens, judgments, penalties, permits, attorneys or consultant's fees, expenses and/or liabilities arising out of, involving, or dealing with, the occupancy of the leased premise by Lessee, the conduct of the Lessee's business, any act, omission, neglect or misconduct of Lessee, its agents, contractors, employees, or invitees, and out of any default or breach by Lessee in the performance in a timely manner of any obligation on the Lessee's part to be performed under this Lease. - 22.1 If, at any time during the term of this Lease, the leased premises or any part thereof is taken or condemned under the laws of eminent domain, then and in every such case, the leasehold estate and interest of the Lessee in said leased premises or part thereof taken shall forthwith cease and terminate. All compensation awarded by reason of any takings of the leased premises and any taking of or injury to the buildings or improvements located thereon shall be awarded to the Lessee and the Lessor as their interests appear at the time of such taking provided that Lessee's right to such awards shall be subject to the rights of an encumbrancer to receive such awards as set out in an approved encumbrance.
- 22.2 If the condemnation is less than the entire leased premises and/or improvements, the Lease shall continue as for the remainder of the Term of the Lease, however the rent shall be reduced proportionately. Notwithstanding the foregoing if Lessee in its reasonable opinion believes a taking of less than all of the leased premises has a material adverse impact on its business operations at the leased premises then Lessee may terminate the Lease in its entirety, upon a thirty (30) day notice to Lessor.
- 22.3 If a temporary condemnation of all or a portion of the leased premises and/or improvements, Lessee will be entitled to the entire amount of an award, whether paid by way of damages, rent or otherwise; however, if such condemnation extends beyond the Term of the Lease, such amounts will be apportioned among Lessor and Lessee based upon the duration of the Term remaining following the condemnation and the duration of the condemnation following the end of the Term of the Lease.

- 23.1 Time is declared to be of the essence of this Lease.
- 23.2. Lessor may determine the Lessee is in default for the following:

 - (2) Lessee fails to perform any of its material non-monetary obligations or duties under the lease when required and such failure continues for a period of ten (10) days after notice of default is sent to Lessee that such obligation or duty has not been performed; provided that if such failure is not reasonably susceptible to cure within ten (10) days, there is no default for such longer period of time as is reasonably required to cure such failure provided that Lessee commences a cure within ten (10) days after the notice of default is mailed and Lessee diligently pursues the cure.
 - (3) Lessee abandons or surrenders the leased premises and the operations required hereunder are not operated for a period of sixty (60) consecutive days for any reason other than a closure for major repairs or renovation, acts of god, casualty, war or insurrection, strikes or labor disputes or other matters beyond the reasonable control of Lessee after written

notice thereof has been received by Lessee from Lessor.

23.3 Lessee shall, within ten (10) days, from the mailing of the notice of default either:

- (1) Notify in writing to the Lessor that the default has been cured or cure commenced and submit documentation necessary to indicate the default has indeed been cured or cure commenced; or
- (2) Submit in writing to the Lessor a statement and explanation disputing the Lessor's determination that the Lease is in default and why the Lease should not be terminated; or
- (3) Request in writing to be given additional time to cure or commence cure, unless it is found it is not reasonably to cure within ten (10) days there is no default for such longer period of time as is reasonably required to cure. Any additional time granted to cure shall be in the discretion of the Navajo Nation Division of Economic Development. If a grant of extension for time to cure is given, the Lessee shall diligently perform and complete the corrective actions within a time frame agreed, in writing, between the Lessor and Lessee.

23.4 Should a default occur beyond all applicable cure periods; the Lessor may exercise the following options upon Lessee's default:

- (1) Collect, by suit or otherwise, all monies as they become due hereunder, or enforce, by suit or otherwise, Lessee's compliance with all terms of this Lease; or
- (2) Re-enter the leased premises if the Lessee has abandoned the leased premises or has failed to conduct business for a period of sixty (60) days without notice and remove all persons and property therefrom, excluding the property belonging to authorized Sublessees, and re-let the leased premises without terminating this Lease as the agent and for the account of Lessee, but without prejudice to the right to terminate the Lease thereafter, and without invalidating any right of Lessor or any obligations of Lessee hereunder. The terms and conditions of such re-letting shall be in the sole discretion of Lessor who shall have the right to alter and repair the leased premises as it deems advisable and to re-let with or without any equipment or fixtures situated thereon. Rents from any such re-letting shall be applied first to the expense of re-letting, collection, altering, and repairing, including attorney's fees and any real estate commissions actually paid, insurance, taxes and assessments and thereafter toward payment to liquidate the total liability of Lessee. Lessee shall pay to Lessor monthly when due, any deficiency and Lessor may sue thereafter as each monthly deficiency shall arise; or
- (3) Terminate this Lease, as a matter of law; or
- (4) Pursue the execution on bonds or collection of insurance proceeds.

23.5 No waiver of the covenants of this Lease shall be construed to be a waiver of any succeeding breach of the same or any other covenant of this Lease.

23.6 Exercise of any of the remedies outlined in this Section shall not exclude recourse as to any other remedies, by suit or otherwise, which may be exercised by Lessor or any other rights or remedies now held or which may be held by Lessor or Lessee in the future.

23.7 If any approved encumbrancer shall give Lessor, before any default shall have occurred in this Lease, a written notice containing the name and address and the interest in the leased premises of such encumbrancer, Lessor shall thereafter give to such encumbrancer a copy of each notice of default by Lessee at the same time as such notice of default shall be given by Lessor to Lessee.

Lessor shall accept such encumbrancer's performance of any of Lessee's covenants or other obligations under this Lease, with the same force and effect as though performed by Lessee. Upon providing such written notice, the encumbrancer shall have standing to pursue any appeals permitted by applicable statutes and regulations that Lessee would be entitled to pursue. Further, Lessor shall not terminate the Lease if an encumbrancer has commenced and is diligently pursuing a foreclosure action to terminate Lessee's interest in said Lease and has cured or is taking action to cure the breach that is the cause of the termination.

24.0 EARLY TERMINATION

- 24.1 Lessee shall have the unconditional right to terminate this Lease, without liability or fault (an "Early Termination"), subject to a penalty fee of one (1) year rent which shall be in effect until the ninth anniversary of the Effective Date, by giving to Lessor a thirty (30) day notice of termination upon the seventh anniversary of the Effective Date, so long as the Lessee or any Sublessees are not in Default, beyond all applicable cure periods.
- 24.2 Upon such termination, the Parties shall have no further rights, obligations or liabilities under this Lease, except a penalty fee as set forth in Section 24.1 and except such rights, obligations or liabilities that expressly survive termination hereof

Lessee must notify the Lessor in writing of its intention to terminate no later than thirty (30) days prior to the expiration of the development period.
- 24.5 Lessor and Lessee may agree to mutually terminate this Lease without a penalty fee.

25.0 STATUS OF SUBLEASES

Termination of this Lease, by cancellation or otherwise, shall not serve to cancel approved subleases and/or subtenancies, but shall operate as a temporary assignment to Lessor, without merger of the Lease and sublease or subtenancy, of any and all such subleases and/or subtenancies, until a lease can be obtained between the Sublessee, Assignee, and the Lessor, which such parties shall diligently pursue.

26.0 DELIVERY OF LEASED PREMISES

- 26.1 At the termination or expiration of this Lease, Lessee will peaceably and without legal process deliver up the possession of the leased premises, in good condition, usual wear and tear casualty, taking or repairs conducted by Lessor excepted.
- 26.2 Lessee agrees to allow the Navajo Nation Environmental Protection Agency to conduct an environmental audit 360 days prior to the expiration or termination of such Lease. Such assessment shall be delivered to the Navajo Nation Division of Economic Development sixty (60) days prior to the expiration or termination or the delivery of the Leased Premises, whichever occurs first, in turn the Navajo Nation Division of Economic Development shall submit to the Lessee a copy of such audit within ten (10) days of receipt.

No showing of probable cause shall be required for such entry and inspection. If testing for environmental contamination reveals environmental contamination in violation of applicable law, Lessee shall pay the costs of such testing. Nothing in this paragraph shall limit Lessee's obligation under applicable law or this Lease to perform testing or remediation or otherwise limit Lessee's liability.
- 27.2 Lessor, specifically Project Development Department, shall have the right, during normal business hours, during the term of this Lease and if the Lease is terminated or expired, at any time, to enter upon the leased premises, or any part thereof, to inspect the same and all buildings and other improvements as is required under the Navajo Nation Lease Compliance Form, and the Lessor and its authorized Representatives shall notify the Lessee not less than three (3) days before conducting the inspection. Such inspection shall not unreasonably interfere with the Lessee's business operations, unless the Lease has expired or is terminated.

28.0 HOLDING OVER

Holding over by the Lessee after the termination of this Lease shall not constitute a renewal or extension thereof or give the Lessee any rights in or to the leased premises. In the event of a holding over by Lessee, the Lessee shall be subject to immediate removal and shall agree to pay as hold over rental an annual rental computed at double the rental amount charged during the twelve months immediately preceding the commencement of the holding over period. Accepting holdover rent from Lessee does not extend the Lease or constitute an election of remedies or adversely affect any of Lessor's other remedies.

29.0 LEASE REQUIREMENTS NOT EXCLUSIVE

Nothing in this Lease shall be construed to relieve Lessor, Lessee, or any Sublessee of any obligations pursuant to any federal, state, local, or Navajo Nation law, which is currently enacted or which may be enacted at a later date, for the protection of the environment or the public health, safety, or general welfare.

30.0 NO PARTNERSHIP

No term of this agreement shall be so construed as to provide that a partnership exists between Lessor and Lessee; the only relationship between the parties being that of Lessor and Lessee.

31.0 NAVAJO PREFERENCE

To the extent permitted under paragraph 47.1 and the Civil Rights Act, all employment and contracting opportunities arising out of Lessee's activities under this Lease, Lessee shall give preference in employment and contracting to qualified Navajo individuals and certified contractors in compliance with the Navajo Preference in Employment Act, 15 N.N.C. §§ 601 et seq. ("NPEA"), and the Navajo Nation Business Opportunity Act, 5 N.N.C. §§ 201 et seq. ("NBOA"). The terms and provisions of the NPEA and NBOA are specifically incorporated in, and become a part of this Lease. Violation of such laws by the Lessee shall constitute a breach of this Lease and provide grounds for suspension or termination of the Lease or any other remedy prescribed by the NPEA and NBOA.

32.0 USE OF NAVAJO PRODUCED GOODS AND SERVICES

Lessee agrees to make all purchases of materials, equipment, goods, services and transportation from Navajo-owned businesses, whenever such purchase is economically feasible.

33.0 MINERALS

All minerals, including sand and gravel, contained in or on the leased premises are reserved for the use of Lessor, unless placed on the leased premises by the Lessee. Any removal of minerals as set forth herein shall only be conducted by the Lessor, provided during the Term of the Lease Lessor shall not interfere with the ongoing business operation of the Lessee or Sublessee nor enter upon the premises to search or remove minerals unless agreed in writing between the Lessor and Lessee and/or Sublessee.

34.0 QUALIFICATIONS OF BUSINESS

In the event Lessee hereunder is a business entity, the person(s) executing this Lease on behalf of Lessee hereby covenant and warrant that Lessee is a duly qualified business entity and all steps have been taken prior to the date hereof to qualify the Lessee to do business in the Navajo Nation; all franchise and corporate taxes have been paid to date; and all future forms, reports, fees, and other documents necessary to comply with applicable laws will be filed when due.

35.0 AGREEMENT TO ABIDE BY ALL APPLICABLE LAWS

The Lessee and the Lessee's employees, agents, and Sublessees and their employees and agents agree to abide by all applicable laws, regulations, and ordinances of the Navajo Nation, the State of New Mexico, and the United States, now in force and effect or as may be hereafter in force and effect.

36.0 GOVERNING LAW AND RESOLUTION OF DISPUTES

The laws of the Navajo Nation shall govern the construction, performance, and enforcement of this Lease. All actions or proceedings brought by Lessee against the Navajo Nation in connection with or arising out of the terms and conditions of this Lease, shall be brought only in the courts of the Navajo Nation, and no action or proceeding shall be brought by Lessee against the Navajo Nation in any court or administrative body of any state.

37.0 CONSENT TO JURISDICTION

Lessee hereby consents to the legislative, executive, and judicial jurisdiction of the Navajo Nation in connection with all activities conducted by the Lessee within the Navajo Nation.

38.0 COVENANT NOT TO CONTEST JURISDICTION

Lessee hereby covenants and agrees never to contest or challenge the legislative, executive, or judicial jurisdiction of the Navajo Nation on the basis that such jurisdiction is inconsistent with the status of the Navajo Nation as an Indian nation, or that the Navajo Nation government is not a government of general jurisdiction, or that the Navajo Nation government does not possess full police power (i.e., the power to legislate and regulate for the general health and welfare) over all lands, persons, and activities within its territorial boundaries, or on any other basis generally applicable to similar challenges to the jurisdiction of a state government.

39.0 NO WAIVER OF SOVEREIGN IMMUNITY

Nothing in this Lease shall be interpreted as constituting a waiver of sovereign immunity of the Navajo Nation.

40.0 SUCCESSORS

The terms and conditions contained herein shall extend to and be binding upon the successors, heirs, assignees, executors, employees and agents, including all contractors and subcontractors, of Lessee. Except as the context otherwise requires, the term "Lessee," as used in this Lease, shall be deemed to include all such successors, heirs, assignees, executors, administrators, employees, and agents.

41.0 SAVINGS CLAUSE

It is agreed that if any provision of this Lease shall be determined to be void then such determination shall not affect any other provision of this Lease and all such other provisions shall remain in full force and effect; and it is the intention of the parties hereto that if any provision of this Lease is capable of two interpretations, one of which would render the provision void and the other of which would render the provisions valid, then the provision shall have the meaning which renders it valid.

42.0 NO ORAL AGREEMENTS

It is understood that there are no oral agreements between the parties hereto affecting this Lease, and this Lease supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between the parties hereto or displayed by Lessor to Lessee with respect to the subject matter hereof, and none thereof shall be used to interpret or construe this Lease.

43.0 VALIDITY

This Lease, and any modification of or amendment to this Lease, shall not be valid or binding upon either party hereto until approved by the Resource Development Committee of the Navajo Nation Council and/or any other appropriate oversight committees and the President of the Navajo Nation, pursuant to Navajo Law.

44.0 FEDERAL COMPLIANCE TERMS FOR LOT 15A BUILDINGS

Lessee, based on the contribution by Economic Development Administration for the building and improvements under EDA Award Number: 07-01-06088, hereby agrees to the following Federal compliance terms:

- 44.1 Civil Rights. The Lessee shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, religion, sex, age or physical or mental disability.
- 44.2 Audits and Inspections. At any time during normal business hours and as frequently as is deemed necessary, the Lessee shall make available to the Lessor and the Economic Development Administration (EDA) or EDA's authorized agents, for their examination, all of its records pertaining to matters covered by this Lease and only matters relating to the Lease.
- 44.3 Retention of Records. All records in the possession of the Lessee pertaining to this Agreement shall be retained for a period of three (3) years after the expiration of the Agreement or any extensions thereof. All records shall be retained beyond the three (3) year period if audit findings have not been resolved within that period or if other disputes have not been resolved.
- 44.4 Assignment and Subletting. Assignment and subletting are permitted under this Agreement without prior written approval of the Economic Development Administration or any Navajo Nation committee/body.

No such amendment or transfer shall be valid or binding without such approval, and then only upon the condition that the Transferee or other successor in interest, excepting an approved encumbrancer(s), shall agree in writing to be bound by each and all of the covenants and conditions of this Lease. Should Lessee attempt to make such amendment or transfer, except as set forth herein, such action shall be deemed a breach of this Lease, excepting that an encumbrancer may enforce his rights in the manner herein provided.
- 12.2 Should Lessee sell, assign, or transfer more than forty-nine percent (49%) of the corporate stock of any corporation named as Lessee, Lessee shall provide written notice to the Lessor.

13.0 ENCUMBRANCE

- 13.1 This Lease, or any right to or interest in this Lease or any of the improvements on the leased premises, may be encumbered by Lessee for the purposes of securing a line of credit to develop and improve the leased premises on or after Effective Date. Encumbrancer must agree to be bound by all terms and conditions of this Lease.
- 13.2 Any encumbrance will:
- (1) Be limited to the leasehold interest of the Lessee or subleasehold interest of the Sublessee; and
 - (2) Not jeopardize in any way Lessor's interest in the land; and
 - (3) Be subject to the written approval of the Lessor as well as the sureties. The Lessor shall not unreasonably withhold its approval to an encumbrance.
- 13.3 Lessee agrees to furnish as requested any financial statements or analysis pertinent to the encumbrance that the Lessor may deem necessary to justify the amount, purpose and terms of said encumbrance.
- 13.4 Lessor shall give each encumbrancer notice of, and the right to cure within a reasonable time, a default by Lessee or Sublessee under this Lease or sublease, whichever is applicable. Lessor shall accept performance by the encumbrancer for covenants or other obligations under the Lease or sublease, with the same force and effect as though performed by the Lessee or Sublessee.
- 13.5 In the event of default by Sublessee, an encumbrancer of any sublease may exercise any rights provided in such approved encumbrance, provided that before any sale of subleasehold, whether under power of sale or foreclosure, the encumbrancer shall give to Lessor and Lessee notice of the

same character and duration as is required to be given to the Sublessee by the encumbrancer. If notice of such sale is given and the Lessee fails to act, Lessor shall have the following rights which may be exercised at any time prior to the completion of sale proceedings:

- (1) To pay the encumbrancer the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such payment, plus foreclosure or sale costs incurred to the date of such payment; and
- (2) To execute in favor of the encumbrancer a promissory note and a new encumbrance, which new encumbrance must be approved by the Lessor, for the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such execution plus sale expenses incurred to the date of such execution, upon the same terms and conditions as originally provided by the approved encumbrance, and delivering to the encumbrancer a policy of title insurance in the face amount of such promissory note issued by a reputable title insurance company, and insuring that the new encumbrance is a first lien upon the subleasehold described in said sublease subject only to current taxes and to conditions, restrictions, and reservations of record at the time of recording the approved encumbrance.

13.6 Each encumbrancer must provide, if Lessee or Lessor exercises the foregoing rights, all of the right, title, and interest of the Sublessee in the Sublease shall automatically terminate on the same date the right is exercised and the Lessor or Lessee, shall, on the same date, acquire the subleasehold interest; provided however, that termination shall not serve to extinguish the sublease by merger with the Lease or otherwise. As between the Lessor and Lessee, Lessee shall have the first right to exercise the right to pay the amounts due as described above and to obtain the subleasehold interest. The Sublease shall require that the Sublessee will have the duty to execute any documents and take any action needed to effectuate the termination and transfer of Sublessee's subleasehold interest.

13.7 In the event Lessor or Lessee does not avail itself of the above rights and a sale occurs, whether by power of sale or foreclosure, the purchaser at such sale shall succeed to all of the rights, title, and interest of the Sublessee in the subleasehold covered by said encumbrance. It is further agreed that if the purchaser at such a sale is the encumbrancer, the encumbrancer may assign the subleasehold interest without any further approval, provided that the assignee shall agree in writing to be bound by all the terms and conditions of the sublease. If the encumbrancer is the purchaser, it shall be required to perform the sublease only so long as it retains title thereto. If a sale, of the subleasehold interest, under the approved encumbrance occurs and the purchaser is a party other than the encumbrancer, approval by Lessor will be required and said purchaser, as successor in interest to the Sublessee, shall be bound by all the terms and conditions of the sublease and will assume in writing all the obligations thereunder.

13.8 In the event of default by the Lessee under the Lease, the encumbrancer may exercise any rights provided for in such approved encumbrance, provided that before any sale of the leasehold, whether under power of sale or foreclosure, the encumbrancer shall give to Lessor notice of the same character and duration as is required to be given Lessee by such encumbrance and/or by applicable law. If notice of such sale be given, and the default upon which notice of sale is based shall then continue, Lessor shall have the following rights which may be exercised at any time prior to the completion of sale proceedings:

- (1) To pay to the encumbrancer the full unpaid principal amount of the approved encumbrance plus unpaid interest accrued to the date of such payment, plus sale costs incurred to the date of such payment; and
- (2) To execute in favor of the encumbrancer a promissory note and a new encumbrance, which new encumbrance must be approved by the Lessor, for the full unpaid principal amount of the approved encumbrance, plus unpaid interest accrued to the date of such execution, plus

sale expenses incurred to the date of such execution, upon the same terms and conditions as originally provided by the approved encumbrance, and delivering to the encumbrancer a policy of title insurance in the face amount of such promissory note, issued by a reputable title insurance company, and insuring that the new encumbrance is a first lien upon the property described in this Lease subject only to current taxes and to conditions, restrictions, and reservations of record at the time of recording the new encumbrance.

- 13.9 Each encumbrancer must provide, if Lessor exercises the foregoing rights, all right, title and interest of Lessee in the Lease shall automatically terminate on the same date the right is exercised and the Lessor shall acquire the Lease; provided, however, that termination shall not relieve the Lessee from any obligation or liability which had accrued prior to the date of termination. Acquisition of the Lease by Lessor under these circumstances shall not serve to extinguish the Lease by merger or otherwise. The Lessee shall have the duty to execute any documents and take any action necessary to effectuate the termination and transfer of the Lessee's leasehold interest.
- 13.10 In the event Lessor does not avail itself of the above rights and a sale occurs, whether by power of sale or foreclosure, the purchaser at such sale shall succeed to all of the rights, title, and interest of the Lessee in the leasehold estate covered by said approved encumbrance. It is further agreed that if the purchaser at such sale is the encumbrancer, the encumbrancer may assign the leasehold interest without any further approval, provided that the assignee shall agree in writing to be bound by all the terms and conditions of this Lease. If the encumbrancer is the purchaser, it shall be required to perform the Lease only so long as it retains title thereto. If a sale, of the leasehold interest, under the approved encumbrance occurs and the purchaser is a party other than the encumbrancer, approval by Lessor of any assignment will be required and said purchaser, as successor in interest to the Lessee, shall be bound by all the terms and conditions of the Lease and will assume in writing all the obligations thereunder.

14.0 LIENS; TAXES; UTILITY CHARGES

- 14.1 Lessee shall not permit to be enforced against the leased premises, or any part thereof, any liens arising from any work performed, materials furnished, or obligations incurred by Lessee. Lessee shall discharge all such liens before any action is brought to enforce same

- 14.3 Upon request Lessee shall furnish Lessor written evidence duly certified that any and all taxes required to be paid by Lessee have been paid, satisfied, or otherwise discharged. Lessee shall have the right to contest any claim, asserted tax, or assessment against the leased premises, by posting bond to prevent enforcement of any lien resulting therefrom, and Lessee agrees to protect and hold harmless Lessor and the leased premises and all interest therein and improvements thereon from any and all claims, taxes, assessments, and like charges and from any lien therefor, or sale or other proceedings to enforce payment thereof, and all costs in connection therewith. Lessor shall execute and file any appropriate documents with reference to real estate tax exemption of the land when requested by Lessee.
- 14.4 In addition to the rent, taxes, and other charges herein described, Lessee shall pay charges for water, sewage, gas, electricity, telephone, trash, and other utility services as required for operation and maintenance of the leased premises.

action therefor, if the Lessee, not less than thirty (30) days after written notice from the Lessor, fails to pay or to post bond against enforcement. All costs and other expenses incurred by Lessor in so doing shall be paid to Lessor by Lessee on demand, with interest at the rate of eighteen percent (18%) per annum from the date of Lessor's payment until repayment is made. Failure to make such repayment on demand shall constitute a default of the Lease.

- 17.1 Lessee shall not cause or permit any Regulated Substance to be used, stored, generated, or disposed of, on, or in the leased premises without first obtaining written consent from the Navajo Nation Environmental Protection Agency. - 17.2 If Regulated Substances are used, stored, generated or disposed of on or in the leased premises, or if the leased premises become contaminated in any manner for which Lessee or Sublessee are legally liable, Lessee shall indemnify and hold harmless the Lessor from any and all direct claims, fines, judgments, penalties, costs, liabilities or losses (including, without limitation, a decrease in value of the leased premises, damages due to loss or restriction of rentable or usable space, or any damage due to adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorneys' fees, consultant and expert fees, any and all sums paid for clean-up to the extent required by governmental authorities) arising during or after the Lease term and arising as a result of such contamination by Lessee.

Part 280, Subpart H regardless of whether the storage tank in question is an aboveground or underground storage tank. Lessee shall provide proof of this bond, insurance, or other qualifying financial responsibility mechanism to the Navajo Nation Division of Economic Development. The bond, insurance, or other qualifying financial responsibility mechanism shall remain in effect for the term of the base lease or sublease, and any renewals thereof, and shall not be released or terminated until such time as the Division certifies that the facility is in compliance with all applicable law and regulations, or that the tanks have been removed and the site has been remediated, or that the base lease or sublease has been transferred and the new operator has provided proof of an adequate bond, insurance, or otherwise satisfied the 40 C.F.R. Part 280, Subpart H financial responsibility requirements. It shall be the responsibility of the Lessee and the Sublessee to provide the Navajo Nation Division of Economic Development with all proof required for release of bond or termination of insurance coverage.
- 18.3 If storage tanks are located at the Lease site, the Lessee will supply the Navajo Nation Environmental Protection Agency and the Navajo Nation Division of Economic Development with a complete copy of the report and underlying data generated in preparation of a Phase Two environmental audit before Lessee places any Regulated Substances in the storage tanks or releases any Regulated Substances from the storage tanks but no later than ninety (90) days after the Lease is approved by the Lessor.
- 18.4 The Lessee shall notify the Navajo Nation Environmental Protection Agency and the Navajo Nation Division of Economic Development, or any institutional successor, of the firm chosen to perform the Phase Two Environmental audit prior to the performance of such audit. Lessor may accept or decline the choice of the environmental auditor within twenty (20) days of written notice by Lessee. If Lessor does not respond within twenty (20) days of receipt of the Lessee's written notice, the environmental auditor is deemed accepted. If, however, the most recent prior Lessee of the premises has performed a Phase Two environmental audit on the premises at or after the termination of the prior tenancy, Lessee is not required to perform a Phase Two environmental audit if Lessee agrees to be conclusively legally bound by the findings of the above referenced Phase Two environmental audit.
- 18.5 Lessee shall pay to the Navajo Nation the amount of \$15,000 which will be held by the Navajo Nation during the term of the Lease. One year after Lessee's rental obligation commences Lessee shall pay \$5,000 toward payment of the \$15,000 and shall pay \$5,000 at the end of the second and

third years of Lessee's rent payment obligation.

The amounts shall be submitted for deposit at the Navajo Nation Division of Economic Development at P.O. Box 663, Window Rock, Navajo Nation (Arizona) 86515.

The sum is in addition to any other rental obligations of Lessee. This sum shall be used to pay for a Phase Two environmental audit to be performed during the last year of the Lease and any other environmental audit(s) during the term of the Lease which Lessor determines, based on probable cause, to be reasonably necessary to ascertain whether environmental contamination by Regulated Substances has occurred. The Navajo Nation Environmental Protection Agency shall determine whether an audit shall be performed.

- 18.6 If the Navajo Nation Environmental Protection Agency determines an environmental audit should be performed at the leased premises prior to the Lessee's deposit of entire \$15,000 deposit and the amount deposited is insufficient to pay for the environmental audit, and the environmental audit determines Regulated Substances are unlawfully present, Lessee shall upon written demand by Lessor, promptly deposit with Lessor an amount sufficient to pay for the environmental audit or to bring Lessee's deposit to \$15,000, whichever is less. If Lessor performs an environmental audit pursuant to this article during the term of the Lease which finds Regulated Substances unlawfully present and which is financed by all or part of the above referenced sum, Lessee shall, at the end of the year in which the audit is completed, deposit funds with the Navajo Nation sufficient to reestablish the amount deposited prior to the audit and to reimburse the Navajo Nation for any amount the Navajo Nation spent on the environmental audit in excess of the \$15,000 deposit.
- 18.7 The deposit shall be kept in an account by the Navajo Nation Office of the Controller on behalf of the Lessee to meet the expenses of the obligations stated above. At the termination of the Lease and upon completion of all environmental audits, removal and remediation to be performed on the premises, the Navajo Nation shall return any of the money deposited to the Lessee which was not spent to conduct environmental audits of the leased premises or to remediate, or remove Regulated Substances which were released on the leased premises.
- 18.8 Nothing stated herein shall be construed to limit Lessee's liability for costs associated with investigation, or remediation, of Regulated Substances located on the leased premises including Lessee's liability for litigation costs and attorney's fees.
- 18.9 The ownership and removal responsibility for any regulated substances or petroleum product manufacturing, processing, storage, or conveyance facilities placed in or on the leased premises shall be the responsibility of the Lessee. All facilities or storage tanks must comply with applicable federal, state, local, and Navajo Nation law including requirements for corrosion protection, spill and overfill protection, and leak detection. Any repairs made to such facilities or storage tanks must comply with applicable repair standards. Lessee shall provide the appropriate Navajo Nation Division of Economic Development department with complete and legible copies of all documents establishing Lessee's ownership of, lease of, or acquisition of any other use interest in any storage tanks installed on the leased premises.
- 18.10 Unless otherwise notified by the Lessor, Regulated Substances and storage tanks are the property of the Lessee who places them on the property and do not become the property of the Lessor for RCRA liability purposes unless or upon the expiration of the Lease. Lessee is owner for RCRA, 42 U.S.C. 6991(3), purposes of any storage tanks placed on the leased premises. Petroleum manufacturing, processing, storage, storage tanks, or conveyance facilities shall be removed by Lessee unless notified by the Lessor in writing not to remove.
- 18.11 Prior to termination or expiration of the Lease and prior to vacancy of the property, the Lessee shall remove those improvements that are subject to removal as described above and below, assess the

site for potential contamination, remediate any contamination discovered, and satisfy or actively and in good faith seek resolution of any third party damages which may have occurred. Should any of the above activities extend past the termination or expiration date of the Lease, the Lease shall be extended and Lessee shall remain financially responsible for completing these activities. The bond, unless waived, or the insurance of this Lease shall not be released or terminated until these activities are completed.

Such postponement shall be as the sole discretion of the Navajo Nation Division of Economic Development and shall not be unreasonably withheld.
- 19.5 Failure on the part of the Lessee to procure or maintain required insurance shall constitute a material breach of contract upon which the Lessor may immediately terminate this Lease.
- 19.6 Lessor reserves the right to request and receive certified copies of any or all of the above policies and/or endorsements.
- 19.7 Lessee and its insurers providing the required coverages shall waive all rights of recovery against the Navajo Nation and its agents, officials, and employees.
- 19.8 The insurance limits required under this Lease shall not limit the liability of the Lessee, nor relieve the Lessee of any obligation under this Lease.
- 19.9 The Lessee shall not do or commit to be done anything in or upon any portions of the leased premises or bring or keep anything there which would in any way conflict with the conditions of any insurance policy upon the leased premises or in any way increase the rate of insurance upon the leased premises or on property kept there.
- 19.10 Lessor will not be responsible for any omissions or inadequacies of insurance coverage and amounts in the event the insurance purchased by Lessee proves to be inadequate or otherwise insufficient for any reason whatsoever.

20.0 FIRE AND CASUALTY INSURANCE

The Term of the Lease shall not be extended while the rent is being abated.

- 20.6 In the event of damage to the extent of seventy-five percent (75%) or more of the total value of all improvements on the leased premises during the last one (1) year of the Term of this Lease, including the Renewal Options, Lessee may choose not to reconstruct said improvements. Lessee shall provide Lessor with a written notice of the exercise of Lessee's reconstruction decision within thirty (30) days of the event of damage, giving rise to Lessee's decision. Should Lessee exercise its option to reconstruct, Lessee shall commence reconstruction of the damaged improvements within ninety (90) days of Lessee's exercise of its reconstruction option. Should Lessee not exercise its option to reconstruct, this Lease shall terminate thirty (30) days after notice is sent to Lessor. The leased premise shall be cleared of debris at Lessee's expense prior to termination of the Lease. Lessee shall not be charged rent during the period of debris removal unless Lessee occupies the leased premises beyond the Lease termination date, after which the Lessee will be charged hold over rental as provided herein. If such amount paid to the encumbrancer is sufficient to repair the loss or damage or if Lessor or Lessee shall within three (3) months after such payment by the insurer to the encumbrancer deposit with the encumbrancer enough money to completely repair the loss or damage, when added to the amount paid by the insurer to the encumbrancer, the encumbrancer shall, upon written order of Lessor or Lessee, pay such monies for such repair, and it shall not be deemed a payment or credit on the encumbrance; but otherwise, at the expiration of such three (3) months said sum so paid by the insurer to the encumbrancer shall be applied and credited upon the approved encumbrance. It is understood and agreed that nothing herein shall relieve Lessee of its obligation to repair and/or replace the damaged improvement to a condition as good or better than before the damage.

21.0 INDEMNIFY

Except for Lessor's sole negligence, Lessee shall indemnify, protect, defend, and hold Lessor harmless from and against any claims, loss rents, damages, costs, liens, judgments, penalties, permits, attorneys or consultant's fees, expenses and/or liabilities arising out of, involving, or dealing with, the occupancy of the leased premise by Lessee, the conduct of the Lessee's business, any act, omission, neglect or misconduct of Lessee, its agents, contractors, employees, or invitees, and out of any default or breach by Lessee in the performance in a timely manner of any obligation on the Lessee's part to be performed under this Lease. - 22.1 If, at any time during the term of this Lease, the leased premises or any part thereof is taken or condemned under the laws of eminent domain, then and in every such case, the leasehold estate and interest of the Lessee in said leased premises or part thereof taken shall forthwith cease and terminate. All compensation awarded by reason of any takings of the leased premises and any taking of or injury to the buildings or improvements located thereon shall be awarded to the Lessee and the Lessor as their interests appear at the time of such taking provided that Lessee's right to such awards shall be subject to the rights of an encumbrancer to receive such awards as set out in an approved encumbrance.
- 22.2 If the condemnation is less than the entire leased premises and/or improvements, the Lease shall continue as for the remainder of the Term of the Lease, however the rent shall be reduced proportionately. Notwithstanding the foregoing if Lessee in its reasonable opinion believes a taking of less than all of the leased premises has a material adverse impact on its business operations at the leased premises then Lessee may terminate the Lease in its entirety, upon a thirty (30) day notice to Lessor.
- 22.3 If a temporary condemnation of all or a portion of the leased premises and/or improvements, Lessee will be entitled to the entire amount of an award, whether paid by way of damages, rent or otherwise; however, if such condemnation extends beyond the Term of the Lease, such amounts will be apportioned among Lessor and Lessee based upon the duration of the Term remaining following the condemnation and the duration of the condemnation following the end of the Term of the Lease.

- 23.1 Time is declared to be of the essence of this Lease.
- 23.2 Lessor may determine the Lessee is in default for the following:

 - (2) Lessee fails to perform any of its material non-monetary obligations or duties under the lease when required and such failure continues for a period of ten (10) days after notice of default is sent to Lessee that such obligation or duty has not been performed; provided that if such failure is not reasonably susceptible to cure within ten (10) days, there is no default for such longer period of time as is reasonably required to cure such failure provided that Lessee commences a cure within ten (10) days after the notice of default is mailed and Lessee diligently pursues the cure.
 - (3) Lessee abandons or surrenders the leased premises and the operations required hereunder are not operated for a period of sixty (60) consecutive days for any reason other than a closure for major repairs or renovation, acts of god, casualty, war or insurrection, strikes or labor disputes or other matters beyond the reasonable control of Lessee after written

notice thereof has been received by Lessee from Lessor.

23.3 Lessee shall, within ten (10) days, from the mailing of the notice of default either:

- (1) Notify in writing to the Lessor that the default has been cured or cure commenced and submit documentation necessary to indicate the default has indeed been cured or cure commenced; or
- (2) Submit in writing to the Lessor a statement and explanation disputing the Lessor's determination that the Lease is in default and why the Lease should not be terminated; or
- (3) Request in writing to be given additional time to cure or commence cure, unless it is found it is not reasonably to cure within ten (10) days there is no default for such longer period of time as is reasonably required to cure. Any additional time granted to cure shall be in the discretion of the Navajo Nation Division of Economic Development. If a grant of extension for time to cure is given, the Lessee shall diligently perform and complete the corrective actions within a time frame agreed, in writing, between the Lessor and Lessee.

23.4 Should a default occur beyond all applicable cure periods; the Lessor may exercise the following options upon Lessee's default:

- (1) Collect, by suit or otherwise, all monies as they become due hereunder, or enforce, by suit or otherwise, Lessee's compliance with all terms of this Lease; or
- (2) Re-enter the leased premises if the Lessee has abandoned the leased premises or has failed to conduct business for a period of sixty (60) days without notice and remove all persons and property therefrom, excluding the property belonging to authorized Sublessees, and re-let the leased premises without terminating this Lease as the agent and for the account of Lessee, but without prejudice to the right to terminate the Lease thereafter, and without invalidating any right of Lessor or any obligations of Lessee hereunder. The terms and conditions of such re-letting shall be in the sole discretion of Lessor who shall have the right to alter and repair the leased premises as it deems advisable and to re-let with or without any equipment or fixtures situated thereon. Rents from any such re-letting shall be applied first to the expense of re-letting, collection, altering, and repairing, including attorney's fees and any real estate commissions actually paid, insurance, taxes and assessments and thereafter toward payment to liquidate the total liability of Lessee. Lessee shall pay to Lessor monthly when due, any deficiency and Lessor may sue thereafter as each monthly deficiency shall arise; or
- (3) Terminate this Lease, as a matter of law; or
- (4) Pursue the execution on bonds or collection of insurance proceeds.

23.6 Exercise of any of the remedies outlined in this Section shall not exclude recourse as to any other remedies, by suit or otherwise, which may be exercised by Lessor or any other rights or remedies now held or which may be held by Lessor or Lessee in the future.

23.7 If any approved encumbrancer shall give Lessor, before any default shall have occurred in this Lease, a written notice containing the name and address and the interest in the leased premises of such encumbrancer, Lessor shall thereafter give to such encumbrancer a copy of each notice of default by Lessee at the same time as such notice of default shall be given by Lessor to Lessee.

Lessor shall accept such encumbrancer's performance of any of Lessee's covenants or other obligations under this Lease, with the same force and effect as though performed by Lessee. Upon providing such written notice, the encumbrancer shall have standing to pursue any appeals permitted by applicable statutes and regulations that Lessee would be entitled to pursue. Further, Lessor shall not terminate the Lease if an encumbrancer has commenced and is diligently pursuing a foreclosure action to terminate Lessee's interest in said Lease and has cured or is taking action to cure the breach that is the cause of the termination.

24.0 EARLY TERMINATION

- 24.1 Lessee shall have the unconditional right to terminate this Lease, without liability or fault (an "Early Termination"), subject to a penalty fee of one (1) year rent which shall be in effect until the ninth anniversary of the Effective Date, by giving to Lessor a thirty (30) day notice of termination upon the seventh anniversary of the Effective Date, so long as the Lessee or any Sublessees are not in Default, beyond all applicable cure periods.
- 24.2 Upon such termination, the Parties shall have no further rights, obligations or liabilities under this Lease, except a penalty fee as set forth in Section 24.1 and except such rights, obligations or liabilities that expressly survive termination hereof

Lessee shall vacate the premises within thirty (30) days upon receipt of the termination letter, unless an appeal has been filed. The termination shall become effective 31 days after mailing the letter.

Lessee must notify the Lessor in writing of its intention to terminate no later than thirty (30) days prior to the expiration of the development period.
- 24.5 Lessor and Lessee may agree to mutually terminate this Lease without a penalty fee.

25.0 STATUS OF SUBLEASES

Termination of this Lease, by cancellation or otherwise, shall not serve to cancel approved subleases and/or subtenancies, but shall operate as a temporary assignment to Lessor, without merger of the Lease and sublease or subtenancy, of any and all such subleases and/or subtenancies, until a lease can be obtained between the Sublessee, Assignee, and the Lessor, which such parties shall diligently pursue.

26.0 DELIVERY OF LEASED PREMISES

- 26.1 At the termination or expiration of this Lease, Lessee will peaceably and without legal process deliver up the possession of the leased premises, in good condition, usual wear and tear casualty, taking or repairs conducted by Lessor excepted.

No showing of probable cause shall be required for such entry and inspection. If testing for environmental contamination reveals environmental contamination in violation of applicable law, Lessee shall pay the costs of such testing. Nothing in this paragraph shall limit Lessee's obligation under applicable law or this Lease to perform testing or remediation or otherwise limit Lessee's liability.
- 27.2 Lessor, specifically Project Development Department, shall have the right, during normal business hours, during the term of this Lease and if the Lease is terminated or expired, at any time, to enter upon the leased premises, or any part thereof, to inspect the same and all buildings and other improvements as is required under the Navajo Nation Lease Compliance Form, and the Lessor and its authorized Representatives shall notify the Lessee not less than three (3) days before conducting the inspection. Such inspection shall not unreasonably interfere with the Lessee's business operations, unless the Lease has expired or is terminated.

28.0 HOLDING OVER

Holding over by the Lessee after the termination of this Lease shall not constitute a renewal or extension thereof or give the Lessee any rights in or to the leased premises. In the event of a holding over by Lessee, the Lessee shall be subject to immediate removal and shall agree to pay as hold over rental an annual rental computed at double the rental amount charged during the twelve months immediately preceding the commencement of the holding over period. Accepting holdover rent from Lessee does not extend the Lease or constitute an election of remedies or adversely affect any of Lessor's other remedies.

29.0 LEASE REQUIREMENTS NOT EXCLUSIVE

Nothing in this Lease shall be construed to relieve Lessor, Lessee, or any Sublessee of any obligations pursuant to any federal, state, local, or Navajo Nation law, which is currently enacted or which may be enacted at a later date, for the protection of the environment or the public health, safety, or general welfare.

("NPEA"), and the Navajo Nation Business Opportunity Act, 5 N.N.C. §§ 201 et seq. ("NBOA"). The terms and provisions of the NPEA and NBOA are specifically incorporated in, and become a part of this Lease. Violation of such laws by the Lessee shall constitute a breach of this Lease and provide grounds for suspension or termination of the Lease or any other remedy prescribed by the NPEA and NBOA.

32.0 USE OF NAVAJO PRODUCED GOODS AND SERVICES

Lessee agrees to make all purchases of materials, equipment, goods, services and transportation from Navajo-owned businesses, whenever such purchase is economically feasible.

38.0 COVENANT NOT TO CONTEST JURISDICTION

Lessee hereby covenants and agrees never to contest or challenge the legislative, executive, or judicial jurisdiction of the Navajo Nation on the basis that such jurisdiction is inconsistent with the status of the Navajo Nation as an Indian nation, or that the Navajo Nation government is not a government of general jurisdiction, or that the Navajo Nation government does not possess full police power (i.e., the power to legislate and regulate for the general health and welfare) over all lands, persons, and activities within its territorial boundaries, or on any other basis generally applicable to similar challenges to the jurisdiction of a state government.

It is agreed that if any provision of this Lease shall be determined to be void then such determination shall not affect any other provision of this Lease and all such other provisions shall remain in full force and effect; and it is the intention of the parties hereto that if any provision of this Lease is capable of two interpretations, one of which would render the provision void and the other of which would render the provisions valid, then the provision shall have the meaning which renders it valid.

42.0 NO ORAL AGREEMENTS

It is understood that there are no oral agreements between the parties hereto affecting this Lease, and this Lease supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between the parties hereto or displayed by Lessor to Lessee with respect to the subject matter hereof, and none thereof shall be used to interpret or construe this Lease.

43.0 VALIDITY

This Lease, and any modification of or amendment to this Lease, shall not be valid or binding upon either party hereto until approved by the Resource Development Committee of the Navajo Nation Council and/or any other appropriate oversight committees and the President of the Navajo Nation, pursuant to Navajo Law.

44.0 FEDERAL COMPLIANCE TERMS FOR LOT 15A BUILDINGS

Lessee, based on the contribution by Economic Development Administration for the building and improvements under EDA Award Number: 07-01-06088, hereby agrees to the following Federal compliance terms:

- 44.1 Civil Rights. The Lessee shall not discriminate against any qualified employee or applicant for employment because of race, color, national origin, religion, sex, age or physical or mental disability.
- 44.2 Audits and Inspections. At any time during normal business hours and as frequently as is deemed necessary, the Lessee shall make available to the Lessor and the Economic Development Administration (EDA) or EDA's authorized agents, for their examination, all of its records pertaining to matters covered by this Lease and only matters relating to the Lease.
- 44.3 Retention of Records. All records in the possession of the Lessee pertaining to this Agreement shall be retained for a period of three (3) years after the expiration of the Agreement or any extensions thereof. All records shall be retained beyond the three (3) year period if audit findings have not been resolved within that period or if other disputes have not been resolved.
- 44.4 Assignment and Subletting. Assignment and subletting are permitted under this Agreement without prior written approval of the Economic Development Administration or any Navajo Nation committee/body.

44.5 Environmental Compliance. Lessor warrants and represents to the Lessee that it has no knowledge of the presence or of the release, now or in the past, of any hazardous substance or material on the Premises. Lessor agrees to hold Lessee free, harmless and indemnified from any penalty, fine, liability, cost or charge whatsoever related to any damage or condition that might be caused by any existing environmental condition that currently exists on the leased premises.

Lessee covenants and agrees that throughout the Term its use and occupancy of the premises will at all times be in strict compliance with all governmental regulations, be they federal, state or local, that pertain to the use and storage of hazardous materials and substances, and Lessee shall save and hold Lessor free, harmless and indemnified from any penalty, fine, liability, cost or charge whatsoever which Lessor may incur by reason of Lessee's failure to comply with this Paragraph. Such covenants, however, shall not apply to any condition that existed at the time Lessee first took possession of any part of the Premises, or which is caused or results from acts of others, including Lessor.

Lessee's obligations under this Paragraph shall automatically terminate and expire one (1) year after Lessee no longer occupies the leased premises unless an action has been filed in some judicial tribunal of competent jurisdiction prior to that time which related to a period during which Lessee in fact did occupy any part of the leased premises.
