**DATE :** February 17, 2015

**SUBJECT :** Recommending governance certification of the Casamero Lake Chapter within the meaning of 26 N.N.C. Section 102

**Scope, Objectives and Methodology:**

The Office of the Auditor General, in conjunction with REDW, Certified Public Accountants have reviewed the Casamero Lake Chapter's Five Management System for the three month period ending March 31, 2014. The purpose of the review was to determine whether Casamero Lake Chapter (Chapter) has met the objectives of a five management system, as defined by 26 Navajo Nation Code (N.N.C.), the Local Governance Act.

The review included obtaining an understanding of the internal control policies and procedures established by the Chapter's Five Management System, evaluating the design effectiveness of the internal control procedures, determining whether such procedures have been placed in operation and other procedures we consider necessary to form a conclusion on whether the Chapter has met the objectives of a five management system.

The Navajo Nation Local Governance Act, 26 N.N.C., defines a five management system to include accounting, procurement, record keeping, personnel, and property management. During our review, we evaluated Casamero Lake Chapter's achievement of its Five Management System objectives in the areas of financial reporting, safeguarding of assets and compliance with laws and regulations. Our review did not include an evaluation of Casamero Lake Chapter's operational effectiveness and efficiency beyond the five management system. Consequently, we provide no conclusion regarding the effectiveness and efficiency of the overall Chapter operations.

**Background:**

26 N.N.C. §101 requires chapter management to establish a five management system that provides reasonable assurance that:

- Financial transactions are authorized, valid and properly recorded to permit the preparation of basic financial statements and other financial reports.
- Assets are safeguarded against loss from unauthorized disposition or use.
- Chapter activities in the areas addressed by its five management system comply with applicable laws and regulations.

**Review Results:**

The review noted no material weaknesses involving the Casamero Lake Chapter Five Management System and its operation. A material weakness is defined as a condition in which the design or operation of one or more management control does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Auditing standards require us to note that an examination of this type does not necessarily disclose all matters in internal control that might be material weaknesses.

**Accounting System:**

Casamero Lake Chapter's financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. We conclude that the Chapter's financial reporting is reliable and accurate for the purpose of the Chapter's current operations.

**Conclusion:**

Casamero Lake Chapter Five Management System provides reasonable assurance that financial reporting is reliable and accurate, assets are safeguarded from loss and applicable laws and regulations are complied with. Therefore, we recommend that the Resources and Development Committee approve Casamero Lake Chapter for governance certification within the meaning of 26 N.N.C. §102.

**Limitations of a Five Management System:**

Although we conclude that Casamero Lake Chapter currently has an adequate five management system for financial reporting, safeguarding of assets or compliance with laws and regulations, we must note that any control system can only provide reasonable, not absolute, assurance that the Chapter will achieve its management system objectives. No control system can prevent all problems. In addition, the effectiveness of a control system changes over time.

Memo to Resources and Development Committee

Page 3

Maintaining an adequate five management system designed to fulfill control objectives is the responsibility of Casamero Lake Chapter management. Because of inherent limitations in internal control, errors or fraud may nevertheless occur and not be detected. Also, controls that are effective now may later become deficient because of the performance of those responsible for applying them. Finally, future changes in the Chapter organization may reduce the effectiveness of the controls established by the Chapter's Five Management System.

This report is intended solely for the information and use by the Resources and Development Committee of the Navajo Nation Council, Casamero Lake Chapter and others within the Navajo Nation Government for the purpose of governance certification under the Local Governance Act. This report is not intended to be and should not be used by anyone other than these specified parties.

**OPEN FOR QUESTION TO COMMUNITY MEMBERS:**

**Fernie Yazzie, Chapter President:** Since the beginning of New Year 2010, we have made numerous public hearing on this Five Management System, we do have all of them on record and all of the sign in sheet were given out. We will continue to work with our community members on educating what Five Management System is, I know it will take more than one time to do this presentation to have everyone under how it works.

**Tommy McDonald, Community Member:** This certification is long over due, when I was Chapter Officials we had worked on this policy for more than one time. I give a lot of credited to my little brother Fernie for providing a lot of guidance and providing a feed back to the community members on what Five Management System is, we are doing this for our community members. What Mr. Yazzie went over is all in the law, we the community members needs to start working with these policies. I know this policy has been changed more than one time. With that I would like to make a motion to approved Resolution # 6 & 7 for our Chapter Certification.

**Elnora Yazzie, Community Member:** This is a long over due, we need to catch up with our society, I know, as Navajo were are consider still living in 3<sup>rd</sup> world and we need to make that change. We need to have our chapter certified, we need to move forward, with that in mind, I would like to second this motion for approval.

**Molly Brown, Community Member:** We do need to have our chapter certified, this has been talked about for a long time and we need to move forward. Our Chapter President explained everything real good, we can understand. I did ask Littlewater Chaper what is good and bad about being certified Chapter and they didn't really explain how it works.

**Limbert Largo III, Chapter Vice-President:** We are ready, but we still need to have the community what Certified Chapter is, we need to explain more to the community members, I know not all of them are here today.

**Ken Garcia, Chapter Secretary/Treasurer:** I believe being a certified chapter is good, we need to have our chapter get certified.

**Clara Garcia, Community Member:** Lets proceed with the certification and see what happens.

**Wilbert Largo, Community Member:** I think being a certified chapter would be good, we need to move forward.

**Darrell Chapo, Community Member:** Give it try, it might work for us, this is long over due for our chapter. Maybe once the chapter gets certified it will give us more ways to get funds from other resources.

### Five Management System Public Hearing Minutes

April 28, 2010

Chapter President Fernie Yazzie called the Five Management System Public Hearing Meeting to order at 10:20 a.m.

Invocation: by Chapter Vice President Limbert Largo.

A brief history of 1993 when the planning for local empowerment was introduced; In 1990 Albert Hale use this platform to campaign for Navajo Nation President and won the election, he started working with the Navajo Nation Council to approve and Navajo Nation council pass the resolution to certify all 110 chapter, as of today there are 12 chapter certified, with 2 chapters in Eastern Navajo agency; they are Bread Spring and Littlewater chapter. There are three other chapters ready to be certified, they are Casamero Lake Chapter, Lake Valley Chapter and Whiterock Chapter. We were told our records are updated and in good standing. The Navajo Nation Council is encouraging our chapter to get certified, this is why we are have a public hearing. We started back in January, but due to bad weather, we had our first hearing meeting on March 28, 2010 and today, this is the second public hearing meeting, there will be another meeting in May. After the public hearing meeting in June, then a resolution will be sent to Auditor General Office to ask them to review our records for certification, if the certification is pass with the all qualification for certification the Auditor General will send a letter of recommendation to (TCDC) Transportation Community Development Committees to request them to certify the Chapter. The chapter should be certified by November 2010. If the chapter's records do not meet the qualification the Auditor General will give us 90 days to review and correct all the necessary documentations. Last year in July the Community Land Use Plan was certified, now we are working on the Five Management System to be certified and it would benefit our chapter to be certified. Chapter certification allow the chapter to plan and increase local empowerment to improve the community welfare. The chapter will be able to approve home site lease request and the chapter can develop grant to obtain funding from outside resources and not be dependent on the Navajo Nation. The Chapter will have a committee to approve and review all requests from the community. The Chapter President Fernie Yazzie went into his power point presentation and presented his presentation slide by slide explained in Navajo and English. (Power point presentation slide is attached to the minutes)

Molly Mustache: asked, is the \$160,000.00 coming in this year? Yes, we have to report how we will use the money with all documentation, request for more fund.

Chapter Limbert Largo, encouraged the community to think about, and understand what Fernie is presenting today and be aware of what will happen in the future.

Chapter Secretary/Treasure Ken Garcia asked, Council Delegate Hoskie Kee, will the Casamero Lake Chapter received the \$160,000.00 every year without any problem and how long the chapter will received the \$160,000.00? Hoskie Kee replied, Depending on how much fund is available and depending on when the chapter is certified. If the chapter is certified in mid year then the will chapter get a partial of \$160,000.00 and the following year the chapter will receive the full amount.

Albert Cleveland commented and questioned, I am kind of puzzled about the certification of the chapter? What about if the chapter run of funds? Then where are going get funds? Fernie replied; first the chapter will hire a grant writer, accountant, the chapter grant writer will find funding sources for chapter operation. The chapter will hire more personnel for different purposes. Chapter President Fernie Yazzie completed his presentation and no comments or questions the hearing meeting was adjourned at 1:15 p.m.

## Minutes

### Five Management System Public Hearing minutes

March 30,, 2010

1. Chapter President Fernie Yazzie called the meeting to order for public hearing on five management system at 10:18 am.
2. Invocation by Chapter Vice President Limbert Largo.
3. A brief history of the five management system explained by Fernie Yazzie: In 1998 local empowerment title 26 was introduce by Albert Hale to 110 chapters to take charge of controlling empowerment in their community. Since then the chapters initiated plans towards certification of their chapters. Today two chapters in Eastern Navajo Agency are certified. Casamero Lake Chapter adapted a resolution at a Regular Chapter meeting on June 10, 2006 toward certification. The plan after certification will commence changes in the chapter operation; the staffs will be required to have BA degree in their position. The staff members will solicit funds through outside Grantees or franchise with corporate companies to acquire more funds for community projects. The position may consist of a coordinator, accountant, planner, attorney, grants writer, and auditor. if need be only.
4. Chapter President Fernie Yazzie used a power point presentation which lasted about two and half hours. The copy of the power point presentation is attached to the minutes. (see attachment)
5. Comments from the floor, people agreed it is a good idea to be a certified chapter. If we are on schedule working on certifying the chapter and the chapter should be certified by December 2010.

**Comment:** Chapter Vice President Limbert Largo; told the community that the chapter finance records and other records are in good standing, ready for the certification, I encourage you people to ask question and state your concerns.

**Comments:** by Sharon Wellito. When George Tolth was Council Delegate, the chapter certification was mentioned at every chapter meeting, since then there are a lot of

policy charge made like house material, PEP funds. As of today we are still working on the certification, I think it time to become a certify chapter.

**Question:** Molly Brown, who is going to look for funds? Fernie replied, someone will be hired and work with the chapter.

**Question:** John Chee Garcia, when chapter is certified would it interfere with the present operation? Fernie replied, no the chapter operation will continue as it is, for the first year and then in the future there will be some changes.

**Comment;** Chapter Secretary/treasurers Ken Garcia, to be a certify chapter is a good idea, chapter official would have more authority to run the chapter operation.

**Comment:** Council Delegate Hoskie Kee, it good to be a certify chapter. The chapter would have more opportunity to look for fund outside the Navajo Nation.

No more comment and questions and the hearing meeting adjourned.

6. Adjourned by 12:42 p.m.

- This Act shall be cited as the "Navajo Nation Local Governance Act" and herein codified in Title Twenty Six (26) of the Navajo Nation Code.

This Act clearly defines the executive and legislative functions of the Chapter as well as the duties and responsibilities of Chapter officials and administrators consistent with the Navajo Nation's policy of "separation of powers" and "checks and balances."
- 2. Enactment of the Local Governance Act allows Chapters to make decisions over local matters. This authority, in the long run, will improve community decision making, allow communities to excel and flourish, enable Navajo leaders to lead towards a prosperous future, and improve the strength and sovereignty of the Navajo Nation. Through adopters are compelled to govern with responsibility and accountability to the local citizens.

**Dear Mr. Morgan & Mrs. Padilla,**

We respectfully request for a formal review of our Five Management System at the Casamero Lake Chapter, Eastern Navajo Agency.

We are pleased to announce that our Model Five Management Policies and Procedures for Fiscal, Personnel, Procurement, Records and Property Management are formulated, implemented, and adopted.

We understand the importance and essentiality of the Five Management System; therefore, the Chapter has been operating and functioning under the developed policies and procedures for more than three (3) years. The Chapter has fully established accountability and segregation of responsibilities among the Chapter Staff and Chapter Officials to ensure proper management.

Furthermore, the Chapter has been independently generating Financial Statement for three (3) months and turning in copies to the Local Governance Support Center. We appreciate the support and the guidance we receive from the LGSC which has enabled us to gain momentum for the establishment of the FMS for our Chapter.

We want to recognize our Community Service Coordinator, Sharon Wellito, and Office Specialists, Sharon Francisco for their dedication and commitment in achieving Chapter Governance Certification for Casamero Lake Chapter. They both sacrificed personal time to compile and complete the FMS.

We appreciate your time and considerations, in efforts to provide leadership and a favorable decision towards our Governance Certification of Casamero Lake Chapter.

Sincerely yours,

Under this method, the ending inventory balance will reflect the cost of the most recent purchases. The advantage of this method is that it gives an up-to-date inventory value.
  - a. The following example illustrates the use of the FIFO method for one inventory item under a perpetual inventory system. In this method, a cost must be assigned to each item of inventory purchased or sold.

Date	Quantity	Cost	Sale(s)	Adjmt	Quantity (On-hand)	Cost	Balance
03/02/06	100 bales	1.50	0		100	150.00	150.00
03/10/06	50 bales	1.60			50	230.00	380.00
03/15/06	100 bales	1.50	150.00		(100)	150.00	230.00
"	25 bales	1.60	40.00		25	40.00	270.00
03/20/06	25 bales	1.55			25	38.75	308.75
"	50 busted bales	1.50		75.00	(50)	75.00	230.00

- b. The Chapter shall also use the FIFO inventory method for all resale items. Determining the cost and value of the resale items will depend upon the following factors:
    - (1.) Cost to produce the item
    - (2.) Economic demand for the item
    - (3.) Comparable price on the market
    - (4.) Chapter approved amount (hay, grain, etc.)
- 7. The Chapter shall maintain support documentation on all inventory transactions on an ongoing basis. These inventory records shall reflect the inventory receipts, issuances and balances. The inventory record keeping and custodial functions shall be segregated for internal control measures.
  - a. Inventory Sales Receipt (cash receipt): Pre-numbered and numerically controlled sales receipt forms shall be prepared in duplicate for each sale. Each form shall be properly prepared and have the following information: number and quantities issued; unit sale price; vendor; date; total amount of sales; and the signature of employee who sold the inventory. The inventory sale receipts shall be reconciled with the inventory records on a monthly basis, or whenever necessary.
- 8. Inventory Control Procedures:
  - a. The Administrative Assistant, at the time of inventory count, shall obtain the current perpetual inventory record and cross reference items during a physical count to determine whether any items are missing, damaged, spoiled, or obsolete.
  - b. The Administrative Assistant shall report any discrepancies in the inventory immediately to the Chapter Manager.
  - c. The Chapter Manager shall review the inventory count listing and any findings by the Administrative Assistant. If there is a major deficiency or changes in the inventory not properly recorded, the Chapter Manager shall consult with the Chapter officials as soon as possible, and correct the deficiencies with the Administrative Assistant. ## **I. CHAPTER PERSONNEL POLICIES MANUAL**

### **A. Purpose**

These policies are designed to assist Chapter Managers to deal consistently with human resources issues and to outline the rights, benefits, and what is expected of Chapter administrative employees.

#### **1. Role of the Chapter Manager**

The Chapter Manager, at times in consultation with the Chapter Officials, determines jobs to be performed, offers employment, and compensates employees for the work performed.

#### **2. Role of Chapter Manager**

Chapter Managers are responsible for utilizing and applying the personnel policies consistently in dealing with human resources issues. They are encouraged to seek advice from Department of Personnel Management and Department of Justice (or legal counsel) on the interpretation of the Personnel Policies Manual and in addressing employment issues. Chapter Managers are expected to provide leadership in implementing the policies and to set a positive example for employees.

#### **3. Role of the Employee**

Employees shall read, understand, and comply with policies and procedures that affect or apply to their employment.

#### **4. Role of the Department of Personnel Management and Legal Counsel**

The Chapter Manager shall develop and implement procedures, as necessary, consistent with the policies contained in this manual. Department of Personnel Management or legal counsel (private or the Department of Justice) may also provide guidance to Chapter Managers on the interpretation and intent of the manual and assist in addressing employment issues.

### **B. Application**

These Personnel Policies apply to all Chapter employees, regardless of funding source or employment status, except where they are specifically excluded. These policies do not create an employment contract by implication and the rights and privileges granted employees are only those specifically stated.

C. **Exceptions**

1. Certain categories of employees may be affected by policies and regulations that may take precedence or may supplement these policies.
2. To the extent that the Chapter is required to develop policies or procedures that take precedence over or supplement this manual, they shall be reviewed and approved, if necessary, by the Department of Justice (or private legal counsel) prior to implementation by the Chapter.

II. **MANAGEMENT AND SUPERVISORY RESPONSIBILITIES**

**Chapter Managers are responsible for:**

1. Developing and maintaining the highest possible level of performance in their Chapter.
2. Developing and maintaining good employee working relationships and conduct in their Chapter.
3. Planning, organizing, directing, coordinating and supervising all functional activities and responsibilities within their Chapter.
4. Preparing budgets, performance reports, and other documents as required.
5. Submitting required reports to the Navajo Nation Council, Standing Committees, Commissions and Boards as specified by the Chapter's Five Management System ("FMS") or Navajo Nation law.
6. Implementing personnel policies and procedures as outlined in this manual.
7. Implementing and maintaining internal operating policies, procedures, and control.
8. Safeguarding and accounting for all assets, including but not limited to, funds and property for which there is a custodial responsibility.
9. Representing the Chapter in official functions as directed.
10. Approving or disapproving all documents in accordance with functional responsibilities.
11. Managing employee performance in accordance with established policies and procedures.
12. Maintaining reporting relationships consistent with the chain of command.

13. Coordinating activities with other governmental agencies.
14. Upholding the laws and regulations of the Navajo Nation and adherence to the Chapter's FMS.
15. Monitoring the presence of unauthorized individuals at the worksite and taking appropriate action.

### **III. EMPLOYMENT PRACTICES**

#### **A. Policy**

The policy of the Chapter is to comply with all applicable laws that govern the employment relationship between the Chapter and its employees. Consistent with the provisions of applicable laws and policies, the Chapter will not improperly discriminate against any applicant or employee.

#### **B. Navajo Preference**

The Chapter gives preference in employment to enrolled members of the Navajo Tribe in accordance with the provisions of the Navajo Preference in Employment Act (15 N.N.C. §601 - 19).

#### **C. Other**

Whenever necessary, the Chapter may offer preference in employment to other applicants based on funding source requirements. However, in no case may this preference supersede Navajo preference.

#### **D. Second or Outside Employment**

1. Full-time employment with the Chapter shall generally be the sole employment of any employee. However, it is recognized that personal situations do occur that might make it necessary for employees to seek supplementary employment.
2. A Chapter employee shall not engage in outside or self-employment if such outside or self-employment creates a conflict of interest. A conflict of interest is defined as a real or seeming incompatibility between one's private interests and one's public or fiduciary duties.
3. A Chapter employee who secures outside or self-employment that creates a conflict of interest may be subject to dismissal.
4. A Chapter employee may not concurrently hold two full-time positions with the Chapter and the Nation.

5. Additional employment should not impair job performance with the Chapter. This includes conflicts of interest, neglect of duty, absence from or tardiness to the workstation, and performing duties associated with additional employment during normal working hours.
6. If a Chapter employee is absent from his/her job due to outside or self-employment, the employee shall be required to take leave.
7. Chapter Managers are responsible for determining whether additional employment adversely affects job performance with the Chapter.
8. Honoraria and/or compensation received for occasional seminars, speeches, or presentations are not deemed to be second or outside employment and are not subject to these provisions.

**E. Hiring of Relatives**

1. To promote consistency and equity in the treatment of all Chapter employees, to prevent breaches in confidentiality, to prevent improper influences in employment and to prevent the perception of favoritism, the Chapter will not employ, in any position, the immediate relatives of current employees or elected officials if:
  - a. one is directly supervising the other on a regular basis or
  - b. there is potential for creating an adverse effect on supervision, security, or morale, or the potential for a conflict of interest.
2. For purposes of this policy, the term "relative" is defined as an individual who is related by blood or marriage to the employee as a father, mother, son, daughter, brother, sister, grandmother, grandfather, uncle, aunt, cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, stepfather, stepmother, stepson, stepdaughter, stepsister, stepbrother, half brother or half sister.
3. If Chapter employees become related after employment and a conflict such as described in the above paragraph is created; or, if a re-organization creates such a conflict, 90 calendar days will be allowed to resolve the matter voluntarily or by transfer of one of the Chapter employees. If this is not possible, the Chapter employee with the most recent date of continuous employment will be released.
4. Employees, Chapter officials, members of the Navajo Nation Council, or other committees capable of influencing hiring, evaluation, or other employee actions, and who are related to employees covered by these policies, shall refrain from influencing all actions having to do with such relatives.

5. All applicants for positions with the Chapter shall indicate on the official application form whether they are related to any employee. This information will be used to determine possible conflicts of interest involving the position.
6. If an applicant knowingly answers questions untruthfully concerning the relationship, and this fact later becomes known, the employee will be terminated immediately.

#### **IV. RECRUITMENT AND SELECTION**

##### **A. Policy**

In general, the Chapter's employment process, which is carried out by the Chapter Manager in consultation and with the approval of the Chapter officials, will ensure competitive practices in recruitment, selection, and placement of qualified applicants based on the applicant's knowledge, skills, abilities, and overall qualifications for employment with the Chapter. The Chapter's employment process shall comply with applicable laws of the Navajo Nation.

##### **B. Responsibilities**

1. The Chapter Manager shall be responsible for:
  - a. complying with the employment, recruitment and selection policies and the requirements of applicable Navajo Nation, state, and federal laws,
  - b. notifying the Chapter of all vacant positions to be filled,
  - c. defining the duties and responsibilities of the vacant position and, with the consultation of the Chapter Officials, the position requirements, and
  - d. making the final selection from among applicants for a particular position after Chapter approval.
2. The Chapter Manager shall be responsible for:
  - a. establishing, implementing and monitoring effective recruitment and selection policies and procedures,
  - b. assisting programs in defining job-related position requirements and determining the most effective recruitment and selection policies and procedures,
  - c. advertising vacant positions,

- d. establishing selection procedures,
- e. conducting qualification assessments and referring qualified applicants to the program,
- f. advising employees on personnel policies and procedures, interpretation of requirements, and professional standards for selection methods,
- g. consulting with employees on the availability and qualifications of applicants for specific positions, reviewing, monitoring and evaluating the effectiveness of selection processes.
- h. Ensuring that all actions taken are consistent with the Chapter's Five Management System and Navajo Nation law.

**C. Advertising of Vacant Positions**

- 1. All vacant positions must be advertised a minimum of 10 working days. Job vacancy announcements may be within the Chapter, or within the community, or outside the Chapter and the community, or outside the Navajo Nation, or submitted to the Department of Personnel Management to be published on the weekly job vacancy listing.
- 2. Chapter requests for job vacancies that are included on the weekly vacancy listing published by Department of Personnel Management are to be submitted on Job Vacancy Announcement forms complete with all required information and signatures.
- 3. The Chapter may collect all responses to a vacancy published on the weekly job vacancy listing by the Department of Personnel Management from the Department and then make its decision in accordance with these personnel policies. This is only if the Chapter has elected to post a vacancy through the Department of Personnel Management.
- 4. Administrative Employees of the Chapter shall retain their positions after the Chapter's transition to Local Governance Act certification. The Chapter's Administrative Employees shall resign as Navajo Nation employees only to **transition** into the same positions as Chapter employees. The Employees shall amicably resign with the understanding that they will be reconstituted as Chapter Administrative employees the following work-day. This shall not be placed within the Employee's permanent employment file as an adverse action.

The Chapter may elect to advertise, interview and re-hire for these Administrative Employee positions. However, it should be understood that this is extremely inefficient and that the Chapter's administrative functions will cease to be performed for the time period the Chapter takes

to re-hire administrative employees. The Chapter may elect to do this, but it is discouraged.

**D. Applications for Employment**

1. Chapter employment application forms may be made available at the Chapter or online. The Chapter shall also accept standard Navajo Nation applications for employment that are from the Department of Personnel Management, which may be downloaded from the website at [www.nndpm.navajo.org](http://www.nndpm.navajo.org). The application form solicits information from the applicant relating to education, experience, training, residence and other pertinent information. Applicants are required to sign the application which includes a statement that they are certifying to the truth and accuracy of all information provided therein.
2. Applications may be hand delivered, mailed, faxed, or delivered by other acceptable methods, but they must be received by the Chapter on or before the closing date specified on the job vacancy announcement. If mailed, date stamp on mailed application must be on or before closing date.
3. Applicants shall be required to furnish, at their own expense, evidence of character, education, physical condition, or other qualifications, which are job-related as may be deemed necessary.
4. In order to receive full credit for education, certification, or licensure, transcripts, copies of degrees, certificates, and other appropriate documents must be submitted along with the employment application.
5. Any misrepresentations, falsifications, or material omissions in any of this information or any other materials used in the application process, or information offered during the interviews, may result in the exclusion of the individual from further consideration for employment for that position; or if the person has been hired, termination of employment.

**E. Interview Expenses**

1. An applicant interviewed for a key position may be reimbursed for interview expenses subject to the Chapter's availability of funds. The Chapter Manager will be responsible for designating key positions jointly with the Chapter Officials.
2. A key position is a professional or highly technical position that requires specialized training, experience, licensure or certification.
3. Reimbursement of interview expenses will be limited to one trip to the interview site and actual reasonable expenses, including commercial fare, car rental, personal vehicle mileage, meals, lodging and other incidental costs.

4. Reimbursements shall not exceed the current travel expense rates established by the Navajo Nation and must be supported by receipts.

**F. Referrals**

1. The Chapter Manager shall consider applicants in the following order of priority:
  - a. Enrolled Navajos with reemployment preference
  - b. Enrolled Navajo veterans
  - c. Other enrolled Navajo applicants
  - d. Non-Navajo spouses of enrolled Navajos
  - e. Non-Navajos

*However, the applicant possessing the best qualifications to perform the duties of the position should be selected.*

2. Anytime a lower priority applicant is selected over higher priority applicants, the Chapter Manager shall provide written justification to the Chapter Officials and Membership setting forth the reasons for the selection.

**G. Reemployment Preference**

1. A regular status Chapter employee separated from employment due to a reduction-in-force will be eligible for reemployment preference.
2. Reemployment preference will not be granted to employees who have not attained regular status at the time of layoff.
3. Reemployment preference continues for a period of six months from the date of layoff provided the employee does not decline Chapter employment when offered.

**H. Selection Methods and Criteria**

All selection methods and criteria shall be job related. Selection methods include any assessment or technique used as qualifying mechanisms; physical, education, work experience requirements, formal and informal interviews; and application forms.

1. Age Requirements

- a. Applicants under sixteen years of age will not be considered for regular employment unless an exception has been made by applicable law or regulation.
- b. Age is not a factor in employment except for those positions in which bona fide occupational qualifications are required.

2. Physical Qualifications

A person selected shall possess and maintain the minimum physical qualifications necessary to perform essential duties of the position. The Chapter Manager, in consultation with the Chapter Officials, shall designate those positions for which medical examinations shall be required prior to employment. Whenever the Chapter Manager, in consultation with the Chapter Officials and legal counsel (private or the Department of Justice), has reason to believe that an employee's health is adversely affecting his/her job performance, the employee may be required to undergo a medical examination by a licensed physician. The results shall be used to determine continued employment.

3. Polygraph Tests

No applicant or employee shall be requested or required to take a polygraph test as a condition of employment.

4. Background Checks

The Chapter Manager shall designate certain positions as sensitive, such as commissioned personnel, bus drivers, or those working with children and those involving the handling of money, inventories, or security of buildings.

Job-related background checks, which may require fingerprinting of applicants, shall be conducted prior to appointment of a person to a sensitive position. If the background check cannot be completed until after placement, the results shall be used to determine the employee's suitability for continued employment.

- a. Applicants who have been charged with a misdemeanor involving moral turpitude or a felony shall not be eligible for employment unless the charges are dismissed or they are found not guilty.
- b. Applicants who have been convicted of a misdemeanor involving moral turpitude or a felony or who enter pleas of guilty or no contest shall not be eligible to be considered for employment for a period of at least three years following completion of sentence. The number of years may be controlled by other standards if the position is funded pursuant to a grant or contract.

5. Work and Education Reference Checks

To verify information about an applicant's knowledge, skills, abilities, character, and other qualifications that will be important to successful performance in a new position, job-related inquiries may be made of current and former supervisors and other persons who can supply relevant information. Information provided by an applicant to obtain employment, which later proves false, shall be grounds for termination.

**J. Offer of Employment**

1. The authority to offer employment is vested in the Chapter Manager, after consultation and approval by Chapter Officials.
2. The offer of employment will be extended by the Chapter Manager to the individual selected for the job if the selection is consistent with existing policies and criteria established for the job.
3. The Chapter Manager shall also approve the proposed pay rate before an offer of employment is made to an applicant.
4. The Chapter Manager shall not offer or approve employment if selection was done contrary to these Personnel Policies or Navajo Nation law.

**K. Moving Expenses**

Subject to the Chapter's availability of funds, moving expenses, in whole or in part, may be paid by the Chapter.

**V. EMPLOYMENT STATUS**

Employment status varies with the position and conditions of employment. Chapter Managers, working jointly with the Chapter Officials (and review/advice from private legal counsel or the Department of Justice) shall ensure that employees are properly designated.

**A. The Navajo Nation has six categories of employment status, of which the Chapter has elected to adhere to five:**

1. Regular full-time

Employees who are hired to work the regularly established 40-hour workweek and who remain employed full-time upon completion of the introductory period.

2. Regular part-time

Employees who work less than the regularly scheduled 40-hour workweek but not less than 20 hours per week and who remain employed part-time upon completion of the introductory period.

3. Seasonal

Employees who work less than one year on a full or part-time basis due to the nature of the position and/or funding level. Seasonal employment is usually applicable to jobs that occur on an intermittent or seasonal basis.

4. Temporary

- a. Temporary employees are those who are hired as interim replacements or to supplement the work force, or to assist in the completion of a specific project.
- b. Employment of a temporary to fill a vacant regular status position is limited to a maximum of six consecutive months in a program's fiscal year.
- c. Employment of a temporary in a temporary Chapter account may be extended as necessary, except that if a temporary is employed continuously for one year, the program must justify maintaining the position as temporary or budget the position as regular status.
- d. Employment of a temporary beyond any initially stated period does not in any way imply a change in employment status. Temporary employees retain that status unless and until notified of a change.
- e. While temporary employees receive mandated benefits (such as workers' compensation insurance and Social Security), they are ineligible for Navajo Nation benefit programs including annual and sick leave accrual.

5. Volunteers

Persons who offer and provide unpaid assistance or services to the Navajo Nation for a specified time period. Supervisors must arrange for appropriate coverage under workers' compensation.

**B. Introductory Period**

The Introductory Period is intended to give employees the opportunity to demonstrate the capability to perform assigned job duties at a satisfactory level of performance and to determine whether the position meets their expectations. The Chapter uses this period to evaluate employee capabilities, work habits, and

overall performance. The Table of Penalties (Section XIII below) does not apply during the Introductory period.

1. Immediate supervisors will provide performance standards for successful completion of the introductory period.
2. These policies do not apply to temporary employees.
3. The three types of introductory periods are:
  - a. 90-day Introductory Period  
All new employees, hired in a regular or seasonal position will work on an introductory basis for the first 90 calendar days after their date of hire. The introductory period shall begin on the first day of employment and end at the end of the work day on the 90th calendar day. For those employees who work on a Monday through Friday tour of duty and the 90th day falls on a Saturday, Sunday or holiday, the 90th day will carry over to the next working business day. A regular status employee will be subject to only one new employee introductory period during any continuous term of employment.
  - b. Supervisory Introductory Period  
A Chapter employee promoted or transferred to a higher level supervisory position, will be subject to a supervisory introductory period of 90 calendar days. An employee promoted or transferred to a supervisory position continues to utilize leave benefits during the supervisory introductory period.
4. Periods of temporary employment cannot be used to satisfy the introductory period requirement. Leave benefits accumulate but cannot be used during the 90-day introductory period.
5. During the introductory period, new employees are eligible for those benefits required by law, such as workers' compensation and Social Security. After obtaining regular status, employees may also be eligible for other Chapter and Navajo Nation provided benefits, subject to the terms and conditions of each benefits program.
6. Unsatisfactory Performance or Conduct
  - a. If, during the 90-day introductory period, the employee's performance or conduct is found to be unsatisfactory, the immediate supervisor may terminate the employee for just cause, provided that the employee is given contemporaneous written notification citing the reason(s) for the termination.

- b. An employee terminated during any introductory period has no rights to grievance.
- c. Termination of new employees within the introductory period voids accrued annual and sick leave. Supervisory and transferred employees will receive payment for all accrued annual leave.

7. Failure to Complete Supervisory Introductory Period

- a. Employees failing to successfully complete their supervisory introductory period will be returned to their previous position, if it is available, at their prior rate of pay. If the previous position is not available, they will be considered for a comparable position. If a comparable position is not available, they will be laid off and placed on preferential status for reemployment.
- b. Employees failing to satisfactorily complete a supervisory introductory period will not be considered for another supervisory position for a period of 12 months. During the supervisory introductory period, an employee has no rights to grievance.

8. If any introductory period is interrupted by an employee's extended absence due to medical reasons, the introductory period may be extended the number of calendar days the employee was absent.

9. Conversion to Regular Status

- a. When an employee satisfactorily completes an introductory period, the immediate supervisor is required to submit a performance appraisal for him/her to the Chapter (either Chapter Manager or the Chapter's file with notice to the Chapter Officials) along with the personnel action form. This will convert the employee's introductory status to regular status.
- b. If the immediate supervisor fails to notify, in writing, the employee and the Chapter Manager or Chapter Officials of the conversion status at the end of any introductory period, the Chapter Officials are authorized to initiate action to convert the employee to regular status.

10. Reemployment after Break in Service

Former employees rehired after any break in service, are considered new employees and will be subject to another introductory period regardless of a previous completion. The exceptions are those reemployed after a layoff. They are eligible for reinstatement for a period of six months after layoff.

**C. New Employee Orientation**

1. New employees are required to attend an employee orientation within 90 calendar days of employment date. All supervisors shall allow new employees to attend the orientation as scheduled.
2. The new employee orientation shall include an overview of general Chapter operating policies and procedures, employee benefits, and an overview of the Chapter and Navajo Nation organizational structures, and reporting relationships.
3. All employees are required to read and affirm in writing that they are familiar with this Personnel Policies Manual.
4. Supervisors are required to provide an employee orientation to newly hired and transferred employees. This orientation shall include program specific topics, such as Chapter goals and objectives, office and workstation regulations, and job and performance expectations.

**D. Basic Workweek**

The basic workweek is seven days - Saturday through Friday. Standard hours of work for all employees are 40 hours per week.

**E. Basic Tour of Duty**

The basic tour of duty is from 8:00 a.m. to 12:00 noon and from 1:00 p.m. to 5:00 p.m., Monday through Friday.

**1. Breaks**

Employees are entitled to a midmorning and a mid-afternoon break, each break time not to exceed 15 minutes. Employees cannot accumulate break time.

**2. Standby Duty**

Certain work operations require that employees be placed on standby and available for duty. If called, employees required to remain on duty during emergency situations for extended periods will receive rest and meal periods.

**3. Time Records**

Time records will be maintained for each employee to accumulate and report the following: hours worked, hours absent, hours on approved leave, type of approved leave, and hours of unauthorized absence. Time records must be submitted for payroll purposes.

**F. Alternative Work Schedules**

1. Exceptions to the basic tour of duty may be approved by the Chapter Manager upon written request from administrative employees. .
2. Alternative work schedules are generally dependent upon the specific working conditions and needs of the Chapter.
3. The Chapter Manager will be responsible for developing and issuing procedures on the types of alternative work schedules available (E.g. flextime, compressed workweek, shift work, job sharing, and telecommuting).

**VI. CLASSIFICATION OF POSITIONS**

**A. Policy**

It is the policy of the Chapter to establish and maintain a classification plan which groups jobs based upon similar duties, responsibilities, and qualification requirements.

**B. Position Classification Plan**

1. Purpose

To establish and classify positions by assigning official class titles, providing descriptions of duties and responsibilities, determining qualification requirements and setting pay rates based on duties and responsibilities.

2. Modifications

The Chapter Manager, in consultation with the Chapter Officials, will modify the position classification plan through establishing new classes, revising or abolishing existing classes, setting new entry level rates, and other related criteria, as necessary.

3. Coverage and Exclusions

All positions, regardless of the source of funding, are covered by the classification plan.

**C. Classification of New Positions**

1. A position must be officially classified before the Chapter Manager can take any personnel action with respect to employment, transfer, promotion, demotion or salary.

2. The Chapter Manager, in consultation with the Chapter Officials, shall be responsible for evaluating and classifying each position to the appropriate class. Consideration will be given to the general duties, tasks, responsibilities, and qualification requirements.
3. The approved class title, as designated by Department of Personnel Management should be used for all official records.
4. The Chapter Manager and Administrative Assistant shall be responsible for maintaining the official class specifications and will provide each the Chapter a set of the relevant class specifications.

## **VII. SALARY AND WAGE ADMINISTRATION**

### **A. Policy**

It is the policy of the Chapter to pay wages and salaries that are commensurate with the type of work, the level of responsibility and the qualifications required for each job and that are comparable subject to budgetary constraints, to rates being paid for similar work within the Navajo Nation and in other comparable organizations, and to provide for salary adjustments for Chapter employees that are equitable and competitive.

### **B. Applicability**

These policies apply to all positions and employees, regardless of the funding source, except employees whose rates of pay are specifically set by legislation.

### **C. Salary and Wage Limits**

1. Each position in the Chapter is evaluated using a classification system that is determined by the Chapter Manager and is assigned a pay grade that establishes the value of the position in relation to other positions within the Chapter.
2. The Official Salary Schedule, which is produced by the Chapter Manager, shall provide a pay grade for all classes. Each class title shall be assigned a pay grade in the approved salary schedule. For every pay grade, there shall be a "salary range" progressing from minimum to a maximum.
3. The last step of the pay grade assigned to a position provides the maximum limit an employee will be paid for that job.

### **D. Salary and Wage Administration**

1. Each position shall be reviewed by the Chapter Manager, classified, and assigned to a grade within the pay structure that reflects an equitable value

relative to other classifications.

2. The Chapter Manager will annually establish an appropriate pay structure consistent with other pay structures to ensure internal equity based on the current market average. All pay is subject to availability of Chapter funds.
3. Certain occupations may command Special Pay Ranges (premium pay) based on prevailing market pay levels. The Chapter Manager is responsible for evaluating eligibility and determining the adjusted ranges.
  - a. The special ranges shall be effective for one fiscal year.
  - b. Continued eligibility for the special rate shall depend on an annual evaluation of market pay levels.
  - c. If the special pay range is lower than the standard range, and range reduction results in an employee being above the maximum step, that employee's pay will be frozen until such time that it falls within the established range.
4. The Chapter Manager will adjust the pay rates of employees at certain worksites to reflect the cost of labor difference using appropriate locality pay data.
5. The Chapter Manager may consider additional factors such as remoteness of worksite and hard to fill positions in determining and adjusting pay.

**E. Appointment Rate**

The Chapter Manager is responsible for reviewing appointment rates based on the qualifications of the applicant compared to the established minimum qualifications for the position.

1. New employees will generally be assigned to Step "A" of the pay grade (or the equivalent) to which the position is assigned. No employee will be paid below Step "A".
2. Applicants with qualifications greater than those required at entry level may be hired at a rate not to exceed the midpoint of the pay range assigned.

**F. Special Recruitment Rates**

When all recruitment and selection procedures have been followed and an applicant cannot be recruited, a special rate may be authorized by the Chapter Manager in consultation with the Chapter Officials. Special rates are subject to availability of Chapter funds.

## **G. Pay Adjustments**

Pay adjustments resulting from a promotion, transfer or reclassification of a position are effective the pay period following the date of approval by the Chapter Manager and shall not be retroactive.

### **1. Transfer**

If an employee is transferred from one position to another in the same grade (lateral) no pay adjustment will occur. If transferred to a position in a higher grade, see G.3 below. If transferred to a position in a lower grade, see G.4 below.

### **2. Reclassification**

- a. If an employee's position is reclassified which results in the assignment of a higher pay grade, the employee's pay will be adjusted as outlined in G.3 below. If the reclassification results in the assignment of a lower pay grade, the employee's pay will be adjusted as outlined in G.4 below; or if the grade assignment remains the same, then no pay adjustment will occur.
- b. The eligibility date for the next step increase will be adjusted pursuant to G.6 below whenever a pay increase occurs.

### **3. Promotion**

An employee is promoted when he/she is moved from one position to another that is in a higher grade. Pay adjustments can be made as follows:

- a. an employee meeting the minimum qualifications for the new position will be paid at Step "A" of the assigned pay grade.
- b. notwithstanding G.1 above, based on an employee's qualifications, an increase of up to two steps may be granted and shall not exceed the maximum of the pay range assigned. The employee's eligibility date for the next step increase will be adjusted pursuant to G.6 below.

### **4. Demotion**

All vacancy announcements must be advertised for a minimum of 10 working days and include the phrase, "Veterans' Preference Applies" in the posting.

2. Application for Employment

- a. Each employment application will contain a general information document regarding Veterans' Preference and an Application for Veterans' Employment Preference.
- b. The Chapter's employment application shall require the applicant to indicate whether or not they are claiming Veterans' Preference. In those cases, the applicant will be asked to complete the Application for Veterans' Employment Preference requiring them to identify which of the eligibility criteria applies to them.
- c. The applicant will be required to furnish the documentation necessary to prove Veterans' Preference eligibility on or before the closing date of the position to be considered for preference. Proof of Veterans' Preference eligibility includes:
  - 1) Veterans and spouses of disabled Veterans must furnish a copy of the DD Form 214 and/or 215, military discharge papers, and/or other verification from the Department of Defense (DOD) or Military Branches.
  - 2) Spouses of disabled Veterans and un-remarried surviving spouse of a deceased Veteran must provide:

- i. Certification from DOD or Military Branches that the Veteran is totally and permanently disabled or documentation certifying the service-connected death of the Veteran.
  - ii. Evidence of marriage to the Veteran.
  - iii. A statement that the spouse is still married to the Veteran or that the spouse is not re-married at the time of the application for employment.
- d. Absence of required documentation invalidates the claim and the applicant is not eligible for Veterans' Preference. However, the Chapter Manager may—in his/her discretion—waive the above requirements in lieu of alternative evidence that is convincing.

**D. Interview and Selection**

1. Applicants who meet the qualification requirements shall be considered in the following order or priority:
  - a. Enrolled Navajos with reemployment preference
  - b. Enrolled Navajo Veterans
  - c. Other enrolled Navajo applicants
  - d. Non-Navajo spouses of enrolled Navajos
  - e. Non-Navajos
2. Preference is given at each step of the employment consideration process to preference eligible applicants, provided such individual possesses the minimum qualifications necessary to perform the duties of the position. Qualified Veterans receive the same level of preference despite disability status.
3. All qualified eligible Veterans must be granted an interview.
4. If the best qualified applicant, including a preference eligible Veteran are equally qualified, and no further evaluation occurs, the Veteran must be given selection preference. If there is a non-Veteran who is the best qualified for a position, the non-Veteran could be employed if an eligible Veteran does not possess the same level of qualifications. In such cases, reasons why and approval by the Chapter Manager is required prior to any offer of employment. Documentation of the hiring decision is

paramount. In cases where the Veteran is not selected, the Chapter Manager must be able to justify why the Veteran was not selected.

5. It is the Chapter Manager and Administrative Assistant's responsibility to ensure that a letter of non-selection is sent to all applicants, including Veterans, who were interviewed but not selected for a position. The letter of non-selection must be issued within three (3) working days from the time that the selected candidate signs the conditional offer of employment.

# Form W-4 (2012)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2012 expires February 18, 2013. See Pub. 505, Tax Withholding and Estimated Tax.

**Note.** If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$950 and includes more than \$300 of unearned income (for example, interest and dividends).

**Basic instructions.** If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

**Head of household.** Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

**Tax credits.** You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

**Nonwage income.** If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity

income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

**Two earners or multiple jobs.** If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

**Nonresident alien.** If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

**Check your withholding.** After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2012. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

**Future developments.** The IRS has created a page on [IRS.gov](http://IRS.gov) for information about Form W-4, at [www.irs.gov/w4](http://www.irs.gov/w4). Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted on that page.

## IX. INVENTORY CONTROL

### A. Resale Inventory:

The development and implementation of a resale inventory policy prevents overstocking, shortage and loss as a result of theft, spoilage, breakage, etc.

1. The Chapter shall maintain detailed records of inventory items showing the description, cost, quantity and location of all inventories.
2. The total dollar value of inventory items and the price changes shall be recorded in the chapter's financial records.
3. Verification of inventory shall be made on a monthly basis through a physical count.
4. Any differences in the financial records shall be investigated for cause and the records adjusted accordingly. Any adjustment to the records shall require a justification memorandum by the Chapter Manager.
5. The inventory shall consist of goods purchased and/or produced for resale. Examples of such inventory are hay, grain, craft items and fuel for households.
6. First-in-First-Out (FIFO) Inventory Method: The Chapter shall use the FIFO inventory method. It is based on the assumption that the first items in are the first out of inventory. Under this method, the ending inventory balance will reflect the cost of the most recent purchases. The advantage of this method is that it gives an up-to-date inventory value.
  - a. The following example illustrates the use of the FIFO method for one inventory item under a perpetual inventory system. In this method, a cost must be assigned to each item of inventory purchased or sold.

#### *March - INVENTORY LOG*

Date 2006	Quantity	Unit Cost	Sale(s)	On- hand	Adj.	Amount	Balance (Inventory)
03/02	100	1.50		100		150.00	\$ 150.00
03/10	50	1.60		150		80.00	\$ 230.00
03/15		1.60	100	50		160.00	\$ 70.00
03/16		1.60	25	25		40.00	\$ 30.00
03/17	10 busted bales	1.60		15	16.00	16.00	14.00

03/20	25	1.60		40		40.00	\$ 54.40
-------	----	------	--	----	--	-------	----------

- b. The Chapter will also use the FIFO inventory method for all resale items. Determining the cost and value of the resale items will depend upon the following factors:
      - (1.) Cost to produce the item
      - (2.) Economic demand for the item
      - (3.) Comparable price on the market
      - (4.) Chapter membership approval of sale price (hay, grain, etc.)
7. The Chapter shall maintain support documentation on all inventory transactions on an ongoing basis. These inventory records shall reflect the inventory receipts, issuances and balances. The inventory record keeping and custodial functions shall be segregated for internal control measures.
  - a. Inventory Sales Receipt (cash receipt): A pre-numbered and numerically controlled sales receipt form shall be prepared in duplicate for each sale. Each form shall be properly prepared and have the following information: number and quantities issued; unit sale price; vendor; date; total amount of sales; and the signature of the employee who sold the inventory. The inventory sale receipts shall be reconciled with the inventory records on a monthly basis, or whenever necessary.
8. Inventory Control Procedures:
  - a. The Administrative Assistant, at the time of inventory count, shall obtain the current perpetual inventory record and cross reference items during a physical count to determine whether any items are missing, damaged, spoiled, or obsolete.
  - b. The Administrative Assistant shall report any discrepancies to the inventory immediately to the Chapter Manager.
  - c. The Chapter Manager shall review the inventory count listing and any findings by the Administrative Assistant. If there is a major deficiency or changes in the inventory not properly recorded, the Chapter Manager shall consult with the Chapter officials as soon as possible, and correct the deficiencies with the help of the Administrative Assistant. Any changes to the inventory shall require a justification memorandum.
  - d. The Administrative Assistant shall handle all daily inventory record keeping. The Chapter Manager shall perform a monthly physical count and reconciliation of cash receipt tickets to the inventory records.

- e. The Chapter Manager shall use a fair market value determination in the resale of any items.

**NAVAJO NATION CODE ANNOTATED  
TITLE 5A. NAVAJO UNIFORM COMMERCIAL CODE  
DESCRIPTION OF ARTICLES**

*Current through October 2008.*

**Description of Articles****Article 1**

Article 1 of the UCC is a general article which defines terms which are used throughout the UCC. (This section of the Navajo UCC has been substantially unchanged with the exception of the addition of § 1-110 which excludes certain types of barter transactions from the Navajo UCC.)

**Article 2**

Article 2 of the UCC governs the sale of personal property ("goods"). Goods means all things which are moveable at the time of their identification in the contract of sale. Goods do not include: (i) intangibles, such as patent rights; (ii) real property, such as houses and land; or (iii) services such as legal or accounting work.

Article 2 codifies contract law as applied to the sales of personal property. It deals with the four basic questions of contract law: (1) Is there sufficient agreement to be a contract?; (2) What are the terms of the contract?; (3) Have the parties properly performed their duties under the contract?; and (4) What are the remedies for breach of those duties? Although Article 2 establishes some rules which apply to all sales contracts, for the most part the rules in Articles 2 apply only where the parties themselves have not made their intentions clear. For example, one rule which applies to all contracts under Article 2 is that contracts for goods valued at more than five hundred dollars (\$500.00) must be in writing to be enforceable (the Navajo UCC exempts certain barter transactions from this requirement under § 1-110).

Article 2 governs the formation of the contract, such as when an offer to sell or purchase has been made, how to change such an offer and how to accept it. For example, if a business makes an offer by mail to sell shoes and does not specify how the offer can be accepted, the offer can be accepted by any "reasonable means". Thus, the offer could be accepted by mail, telegram or even a telephone call if those methods were found to be reasonable.

Article 2 governs certain of the terms in a contract if the parties have not agreed on that term or have failed to provide for a situation. These terms include price, time of delivery, the point at which the risk of loss passes, warranties concerning the goods and remedies for failure to perform. For example, if the parties fail to agree upon or forget to include the place and time of delivery for the goods, the UCC states that the goods will be delivered at the seller's place of business and the time allowed for delivery will be "a reasonable time" as determined by prior dealings between the parties and industry custom.

\*2342 Article 2 also governs the performance of the obligations under the contract. The questions which arise in this area concern the seller's obligation to deliver "conforming" goods, the buyer's obligation to accept "conforming" goods, the buyer's right to inspect the goods and the buyer's obligation to pay for the goods. For example, unless the parties agree otherwise, the buyer is obligated to pay for the goods at the time and place the goods are received.

## N.N.C. Description of Articles, Description of Articles

Finally, Article 2 sets out the remedies for either party upon the failure of the other party to adequately perform its obligations. The remedies must deal with situations, for the seller, in which the buyer refuses to accept delivery, cancels the order, refuses to pay or becomes insolvent. For the buyer, these situations include those in which the seller has failed to deliver, has delivered "non-conforming" goods, or has delivered goods which causes an injury. For example, unless otherwise agreed by the parties, if during the course of several shipments the buyer refuses to make a payment when due: (i) the seller may withhold future delivery; (ii) may resell the remaining goods and sue to recover damages; or (iii) may sue to recover the full purchase price.

### Article 3

Article 3 of the UCC deals with negotiable instruments, which include drafts, business and personal checks, certificates of deposits and promissory notes. Article 3 does not apply to money, documents of title or investment securities such as stocks and bonds. Commercial paper is frequently used as a cash substitute. Thus, a check could be used as a medium of payment instead of cash or a note may be used as a deferred methods of payment.

Article 3 sets out the obligations and liabilities of the persons who issue negotiable instruments and those who are involved in their transfer. In the case of a check, they would include the person who writes the check, his bank, the banks who process the check, the bank which finally accepts the check and the person or company to whom the check is written. The type of situations for which Article 3 sets out rules include those in which the check is drawn on insufficient funds or the signature is forged.

### Article 9

Article 9 of the UCC governs the creation and enforcement of security interests. A security interest is an interest of a creditor in specific property ("collateral") owned by a debtor. A security interest permits the secured creditor after default to sell particular collateral and to apply the proceeds of its sales to the payment of his secured debt. In contrast to a secured creditor, an "unsecured" creditor (i.e., a creditor without a security interest) has only general rights against the property of the debtor after the secured creditors have been paid, and an unsecured creditor has no rights against any particular property of a debtor. The most common examples of a security interest arise from the purchase of a vehicle such as a car or tractor by an individual. However, security interests are very important for business in financing the acquisition of capital equipment, such as machines, as well as the purchasing of inventory and selling goods on credit.

\*2343 Article 9 facilitates the purchase of goods by improving the chances of a creditor's being repaid and thus encouraging him to sell goods on credit or, in the case of a bank, to lend money. It represents a comprehensive scheme of regulation of security interests in personal property. Article 9 does not regulate transactions in land or improvements. The Article establishes a central filing system so that creditors can determine the extent of the obligations of a debtor to other creditors and establishes procedures for a creditor to enforce a security interest in the case of a debtor's failure to pay. (The enactment of this article does not affect Navajo repossession law.)

A large part of Article 9 is concerned with establishing the priority of secured parties against each other or other creditors of the debtor. For example, if two creditors are depending on the same "collateral" of the debtor to "secure" their loans, then, generally, the first creditor to "file" a notice of his interest will have the right to have his loan repaid first from the sale of the collateral. However, Article 9 establishes special priority rules for secured parties who loan the money to "purchase" the collateral. This rule encourages the purchase of capital equipment by giving priority protection to loans or credit extended for the initial purchase of goods.

2. Denying the request by providing a written explanation of why the record is protected from disclosure. In making such determinations, the governmental entity shall consult with the Department of Justice; or

1. This application must meet the notice and filing requirements of the Navajo Nation Sovereign Immunity Act, 1 N.N.C. § 551 et. seq.

2. Any person who may have an interest in maintaining the confidentiality of the record may appear and demonstrate the need for maintaining the confidentiality of such record.

H. The Navajo Nation may assess the reasonable costs for photocopying and other activities associated with providing the record against the person requesting the record.

I. The implementation of the Navajo Nation Privacy and Access to Information Act shall be subject to rules and regulations duly adopted by the Government Services Committee. Records released may be subject to reasonable restrictions on use, pursuant to such rules and regulations of the Government Services Committee.

*Commerce and Trade*

*Chapter 2. Navajo Nation Business Opportunity Act*

§201. Title; Findings; Legislative Purpose And Intent

A. This Act shall be known and cited as the Navajo Nation Business Opportunity Act; Title 5, Navajo Nation Code, Sections 201 through 215 ~~216~~.

B. Whereas the Navajo Nation Council finds:

1. The Navajo Nation is comprised of more than 25,000 square miles of land;

3. The unemployment rate of the Navajo Nation is approximately 50%;
4. In 1996, the United States Congress enacted the Personal Responsibility and Work Reconciliation Act of 1996 (P.L. 104-193 "Welfare Reform Act"). This Act will impact thousands of Navajo people. As a result, there is a need to accelerate the development of privately owned businesses and provide more employment opportunities;
5. There is a need within the Navajo Nation to accelerate business development and economic growth within the Navajo Nation;
6. Although the Navajo Nation has a population that is approximately 90% Navajo, approximately 76% of the contracts by the Navajo Nation between the years 1994 and 2003 were awarded to non-Navajos, according to the Navajo Nation contract award data; and

The Navajo Nation's sovereign status is directly related to its ability and authority to regulate all commercial activities within the Navajo Nation, including those of non-Indians and non-member Indians. In addition, the Treaty of 1868 between the Navajo Nation and the United States recognizes the inherent authority of the Navajo Nation to exclude non-Indians from the Navajo Nation. Pursuant to this authority, engaging in business within the Navajo Nation is a privilege granted by the Navajo Nation and is subject to such conditions as the Navajo Nation may require, subject to applicable federal law. The privilege of entering into the Navajo Nation for the purpose of engaging in business is therefore conditioned upon, among other things, compliance with this Act.

C. The purpose of this Act is to:

1. Promote the economic self-sufficiency of the Navajo Nation by granting "first opportunity" and/or preference in contracting to Navajo and/or Indian owned and operated businesses;
2. Promote competitive bidding and contracting opportunities among Navajo businesses;
3. Develop a dynamic and self sustaining private sector for the Navajo Nation;
4. Increase Navajo business and employment opportunities for the Navajo people;
5. Provide for business certification in accordance with current Navajo Nation laws; and
6. Regulate the conduct of those engaging in business within the Navajo Nation in order to protect and promote the economic security and welfare of the Navajo Nation.

D. It is not the intent of this Act to require the Navajo Nation or any other public entities or private entities to contract with non-qualified Navajo businesses.

E. It is the intent of this Act to grant first opportunity and contracting preference to qualified Navajo-owned or Indian-owned businesses for all contracts, subcontracts, grants and sub-grants ~~sponsored issued~~ by ~~the Navajo Nation and all~~ public and private entities within the Navajo Nation.

F. The provisions of this Act ~~shall~~ should be ~~applied as an affirmative action plan~~ liberally interpreted to promote economic development and the growth of Navajo-owned businesses within ~~on~~ the Navajo Nation.
