RE: CO-39-19, *Approving a Navajo Nation Grant and Supplemental Funding from the Unreserved, Undesignated Fund Balance in the Amount of \$400,000.00 (Four Hundred Thousand Dollars) for the Tohatchi Area of Opportunity & Services, Inc (TAOS, Inc.) to Purchase Vehicles*

Dear Speaker Damon,

Pursuant to the authority vested in the Navajo Nation President, I am exercising the Line Item Veto authority in CO-39-19.

There should be no mistake or misinterpretation, the Tohatchi Area of Opportunity & Services provides an invaluable service to our Navajo children with developmental disabilities. The program deserves our support; however, that support must follow the appropriate process so there is no question of the validity of our support.

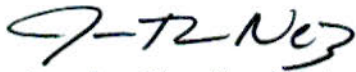

First, the requirements for a grant to eligible external entities is outlined in the Budget Instruction Manual, Section X. A requirement for a grant application is the assignment to a Navajo Nation Branch or Division to be responsible for overseeing the administration of the grant. In this instance, there is no assignment to the Division of Social Services, which is the appropriate Division. The purpose of the assignment is to ensure the Division monitors the grantee's performance; insuring the funds are spent in accordance with our laws and policies. Related to the assignment is the proper signatures on the budget forms which should have the signatures of the appropriate Division and proper Branch designee; this requirement was not followed in the budget forms attached to the Resolution.

Second, the Appropriations Act requires supplemental appropriations made from non-recurring revenues shall only be made for non-recurring operations or purposes, and the Controller of the Navajo Nation shall be responsible for designating recurring and non-recurring revenues and purpose. The Resolution makes reference to an Exhibit E as the memorandum from the Office of the Controller that determines the request for supplemental appropriations is a non-recurring cost. That memorandum, Exhibit E, is not included in the Resolution and no determination can be made on the position of the Controller.

For this reason, I am exercising the Line Item Veto authority granted to me and strike the \$400,000 appropriated in CO-39-19.

TAOS is supported by many local Navajo Nation Chapters and local organizations, we appreciate their support. TAOS' concern for the safety of the children in their care should be addressed and we fully support TAOS. Working with the Division of Social Services, TAOS may bring this request for future consideration using the process for our grant application.

Sincerely,

A handwritten signature in black ink, appearing to read "J-Nez".

PART II. REASON FOR REQUEST AND STATEMENT OF NEED:

Tohatchi Area of Opportunity & Services, Inc. (TAOS, Inc.) provides services to 46 individuals with intellectual / developmental disabilities. Office of Management and Budget

Memorandum

To: Pernell Halóna, Honorable Council Delegate
Navajo Nation Council

From: 
Dominic Beyer, Executive Director

Date: May 13, 2019

Subject: Review of the Funding Proposal by the Tohatchi Area of Opportunity and Services for the Purchase of Eight Vehicles in the Amount of \$400,000

The Office of Management and Budget reviewed the above subject document and finds the following:

1. The signature of the Division Director, Division of Social Services, should be at the bottom of Budget Form 1. The signature space has been left blank.
2. On Budget Form 2, in Part II., the purpose of the program or Tohatchi Area of Opportunity and Services, Incorporated (TAOS, Inc.) should be entered which corresponds to the incorporation purpose or by laws purpose of the organization. In Part III., TAOS, Inc. should only list the purchase of eight vehicles in the 4th quarter since it appears that the purchase will be made shortly after approval of the funding sometime in June, 2019.
3. Signature of the appropriate Division Director or Branch Chief needs to be entered in Part IV. of Budget Form 2 at the bottom of the page.
4. Budget Form 4 is okay as it is with the proper financial object codes with the exception to include the number of vehicles (8) to be purchased and the estimated price of each vehicle. With the \$400,000 requested that comes out to about \$50,000 per vehicle which may be a little bit high unless they are specialized vehicles. In addition, at least three bids from companies from which the eight vehicles are to be purchased is required by the Navajo Nation to be included in the funding request.
5. The Supplemental Funding Proposal Summary should have the signature of the Division Director, Division of Social Services, and in the right hand space, the signature of an official from the Office of the President and Vice President should be obtained.

For further information regarding this review, contact Mr. Emmett Francis, Budget Officer, Office of Management and Budget, phone number (928) 871-7648 or via email at efrancis@omb.navajo-nsn.gov.

The Navajo Nation Grant Application

Name of Applicant: Tohatchi Area of Opportunity & Services, Inc.		Telephone No.: 505-722-9287
Mailing Address: P.O. Box 49; Tohatchi		Email: Kimber.crowe@taos-inc.org
Physical Address: 1658 South Second St.; Gallup, NM 87301		IRS TIN/EIN No: 85-0240851
NN Grant Request Amount: \$400,000.00	Grant Start Date: 5/1/2019	Grant End Date: 9/30/2019

Brief Description of the Organization or Entity Requesting the Grant:

Tohatchi Area of Opportunity & Services, Inc. (TAOS) formerly known as A School For Me, Inc. was recognized as a "tribal organization" in 1982 ACJN. However, lack of facilities in Tohatchi required TAOS to relocate its administrative office to Gallup, NM; supported living, community support and supported employment services continue to be provided to adults and children with developmental disabilities in Tohatchi and Gallup, NM.

PROBLEMS/NEEDS STATEMENT

Briefly describe the problems/needs identified based on relevant and collected data. The statement should be brief, clear and concise, including population (Navajo) to be served and location of the population.

TAOS serves a total population of 46 Navajo and 1 Non-Navajo individuals with developmental disabilities including 34 adults and 13 children; 15 adults and 13 children are funded through the NN Division of Social Services, Department of Families and 19 adults are funded through the State of New Mexico, Department of Developmental Disabilities'. TAOS operates 2 homes in Tohatchi, NM, 9 homes and 3 apartments in Gallup, NM to benefit individuals. Besides maintaining these facilities, TAOS must ensure for the safety and well being of individuals and staff as they go about their daily activities. This includes the use of safe and reliable vehicles. TAOS maintains a vehicle fleet of 22 vehicles mostly with high mileage and deemed unsafe. The past 3 years the NMDOT has awarded TAOS monies to purchase 2 vehicles each year with the expectation of another award for 2 vehicles this year and the following year. NM purchased vehicles are for the specific use of NM funded individuals. For the reason funding is limited to purchase replacement vehicles for 28 NN funded Navajo individuals, TAOS is requesting \$400,00.00 to purchase 8 vehicles to replace old, high maintenance vehicles presently in use to transport 28 Navajo individuals and staff funded by the Navajo Nation.

METHODOLOGY

Briefly describe the approaches, services, and/or ways the problems or needs which will be addressed with the grant.

Tohatchi Area of Opportunity & Services, Inc. will have replaced 8 aging vehicles deemed unsafe that require high maintenance and alleviate concerns of transporting individuals in vehicles that will have exceeded their useful life.

To the best of my knowledge and belief, all data in this application are true and correct. The document has been duly authorized by the governing body of the applicant and the applicant will comply with the Navajo Nation terms and conditions if the grant is awarded.

Memorandum:

To: Delegates & 2 NNC '164 Reviewers
Navajo Nation Government

From: *Robert Willie*
Robert Willie, Accounting Manager
Office of the Controller

Date: August 16, 2019

Subject: Legislation 0203-19-UUFB Request Navajo Nation Grant \$400,000
for the Tohatchi Area of Opportunity & Services, Inc to Purchase
Vehicles

The Office of the Controller has reviewed the above referenced document.

1. The balance of the UUFB is \$37,960,422 as of June 20, 2019. Within the Three Branch Chief agreement an amount of \$21,000,000 is intended to be set aside as part of the FY 2020 comprehensive budget to address the impending FY 2021 projected General Fund Revenue decrease. Unmet needs amounts have yet to be determined but would also reduce this available amount. In addition, there are requests from the UUFB for water rights and DALTC that would further reduce the amount of the UUFB.
2. This funding request is in the amount of \$400,000 to purchase vehicles for Tohatchi Area of Opportunities & Service Inc. This is an outside entity that is requesting this purchase. In the body of the legislation it appears to be a grant. That would lead to the question of who would the vehicles belong to? The Navajo Nation or the Tohatchi Area Of Opportunity & Service Inc. The budget

NAVAJO NATION OFFICE OF THE CONTROLLER

P.O.BOX 3150 · WINDOW ROCK, AZ 86515 · PHONE: (928) 871-6398 · FAX: (928) 871-6026

forms attached have the budget amounts in the Capital Line items which would indicate that the Navajo Nation would purchase these vehicles., but the quotes from the dealership are to Tohatchi Area of Opportunity & Services. So the question would be whether this is a grant, or a Navajo Nation capital purchase. If it is a Navajo Nation Purchase, a program would need to be identified to take responsibility of these vehicles and the procurement rules of the Navajo Nation would need to apply to this purchase. Also, if they are Navajo Nation vehicles the program responsible would be the authorized drivers and the vehicles would need to be tagged as a Navajo Nation fixed asset.

3. This request is funding for a non-recurring cost for a grant. It would also be a non-recurring cost if it is capital purchase.

If you should have any questions you can contact me at tribal extension X6125
