Section 2.1 The Guarantor represents, warrants and covenants to the Guaranty Beneficiaries as follows:

(a) the execution, delivery and performance by it of this Guaranty (including, without limitation the waiver of sovereign immunity set forth in Section 4.4 hereof) does not and will not contravene or conflict with any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court or tribunal having jurisdiction over it, or any contractual restriction binding on or affecting it;

(b) the execution, delivery and performance by it of this Guaranty does not and will not conflict with or result in a breach of the terms or provisions of any indenture, agreement or instrument to which it is a party, or by which it is bound, or to which it is subject, or constitute a default thereunder;

(c) with the assistance of counsel of its choice, it has read and reviewed this Guaranty and the Operating Agreement (including all of its schedules and ancillary documents) and such other documents as it and its counsel deemed necessary or desirable to read;

(d) it is a tribal utility authority, validly formed and existing and in good standing under the laws of the jurisdiction of its formation and all other jurisdictions where its failure to be so qualified would have a material adverse effect on its financial condition or results of operations and has the full power and authority to enter into and perform its obligations under this Guaranty;

(e) it has duly authorized, executed and delivered this Guaranty (including, without limitation the waiver of sovereign immunity set forth in Section 4.4 hereof), and this Guaranty is fully enforceable against it (in the venue specified in Section 4.5 hereof) in accordance

with its terms, subject to applicable bankruptcy, insolvency and other laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether a proceeding is sought in equity or at law); and

(f) Guarantor acknowledges and agrees it is tenant under that certain Kayenta Chapter Solar Lease by and between the Navajo Nation, a federally recognized Indian tribe, and Guarantor, dated June 24, 2016, and the sublandlord under that certain Kayenta Chapter Solar Sublease by and between NTUA and Managing Member, dated March 1, 2016, and that the Managing Member is the subsublandlord under that certain Kayenta Chapter Solar Subsublease by and between Managing Member and NGI-Kayenta II, LLC, a subsidiary of the Company, dated on or about the date hereof. The foregoing lease documents are collectively referred to herein as the Site Access Agreements. The Guarantor hereby covenants it shall not agree or collude with the Navajo Nation, Managing Member or any other party to amend, modify, grant any waivers under, effectuate any surrender of or termination of any Site Access Agreements in any manner that may be adverse to the Company, the Facilities or the Investor Member. Guarantor shall not amend, modify, grant any waivers under, effectuate any surrender of or otherwise terminate any Site Access Agreements without the prior written consent of the Investor Member.

ARTICLE III. **GUARANTY AND COMPLETION OF PERFORMANCE.**

Section 3.1 Guaranty.

(a) The Guarantor shall absolutely and unconditionally guarantee due payment, performance and fulfillment of any and all of the Managing Member's obligations under the Operating Agreement, in an amount not to exceed the Investor Member Aggregate Contribution, plus any Attorney's Fees and Expenses, as described in Section 4.1 hereunder (the "Guaranteed Obligations").

(b) In the event that the Guarantor itself assumes any of the Guaranteed Obligations and timely cures any event of default thereunder, the Guaranty Beneficiaries hereby agree that they will perform their respective obligations under the Guaranteed Agreement in favor of such Guarantor to the same extent and with the same effect as if such Guarantor was named as the counterparty to the Guaranteed Agreement, in accordance with the terms and conditions of the Guaranteed Agreement.

Section 3.2 **Direct and Primary Obligations.** The Guarantor agrees that if the Guaranteed Obligations guaranteed by this Guaranty are not fully and timely paid or performed according to the tenor thereof, whether by acceleration or otherwise, Guarantor shall immediately upon receipt of written demand therefor from the applicable Guaranty Beneficiary, pay the Guaranteed Obligations due (payable strictly in United States Dollars) or perform all obligations hereby guaranteed in like manner as if the obligations constituted the direct and primary obligations of the Guarantor. Any right of the Guarantor to subrogation as a result of any payment or performance hereunder or any other payment made or performance by the Guarantor on account of the amounts or obligations due hereunder shall be subordinated to the rights of the Guaranty Beneficiaries under this Guaranty, and the Guarantor hereby agrees not to pursue any claim based

on any right of subrogation, any claim for unjust enrichment or any other theory that would entitle the Guarantor to a claim against the Company based on any payment or performance made hereunder or otherwise on account of the amounts or obligations due hereunder until the obligations guaranteed by this Guaranty have been satisfied in full.

Section 3.3 **Continuing and Irrevocable Obligations.** This Guaranty and the obligations of the Guarantor hereunder shall be continuing and irrevocable until the obligations guaranteed by this Guaranty have been satisfied in full. Notwithstanding the foregoing or anything else set forth herein, and in addition thereto, if at any time all or any part of any payment received by the Investor Member from the Guarantor under or with respect to this Guaranty is or must be rescinded or returned for any reason whatsoever (including, but not limited to, determination that said payment was a voidable preference or fraudulent transfer under insolvency, bankruptcy or reorganization laws), then the Guarantor's obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence, notwithstanding such previous receipt of payment by the Investor Member, and the Guarantor's obligations hereunder shall continue to be effective or be reinstated as to such payment, all as though such previous payment to the Investor Member had never been made. The provisions of the foregoing sentence shall survive termination of this Guaranty, and shall remain a valid and binding obligation of the Guarantor until satisfied.

Section 3.4 **No Discharge.** The Guarantor acknowledges that the Investor Member is a member of the Company. The Guarantor agrees that the exercise by the Investor Member, of any of its rights or remedies under the Operating Agreement for Managing Member's failure to fulfill its obligations under the Operating Agreement shall not serve to reduce or discharge the liability of the Guarantor hereunder, except to the extent Managing Member's obligations under the Operating Agreement have been reduced or discharged; provided, however that the Investor Member shall have no obligation to exercise any of its rights or remedies under the Operating Agreement.

Section 3.5 **Other Indebtedness Subordinated.** Any payments owing under the Operating Agreement or any Transaction Document (including, without limitation, the Site Access Agreement) to the Guarantor shall be subordinate to the obligations of the Guarantor to the Guaranty Beneficiaries under this Guaranty.

Section 3.6 **Waiver and Estoppel.** The Guarantor knowingly waives and agrees that it will be estopped from asserting any argument to the contrary as follows: (a) any and all notice of acceptance of this Guaranty or of the creation, renewal or accrual of any of the obligations or liabilities hereunder indemnified against, either now or in the future; (b) protest, presentment, demand for payment, notice of default or nonpayment, notice of protest or default; (c) any and all notices or formalities to which it may otherwise be entitled, including, without limitation, notice of the granting of any indulgences or extensions of time of payment of any of the liabilities and obligations hereunder and hereby indemnified against; (d) any promptness in making any claim or demand hereunder; (e) the defense of the statute of limitations in any action hereunder or in any action for the collection of amounts payable hereunder, (f) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other person or persons or the failure to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other person or persons; (g) any defense based upon an election of remedies which destroys

or otherwise impairs any or all of the subrogation rights of the Guaranty Beneficiaries or the right of the Guaranty Beneficiaries to proceed against any other person for reimbursement, or both; (h) any duty or obligation of the Guaranty Beneficiaries to perfect, protect, retain or enforce any security for the payment of amounts payable by the Guarantor hereunder or to proceed against any one or more persons as a condition to proceeding against the Guarantor; and (i) to the extent it may be waived, any principle or provision of law, statutory or otherwise, which is or might be in conflict with the terms and provisions of this Guaranty. The Guarantor hereby waives, to the fullest extent allowed by law, all suretyship rights, defenses and other benefits to which it might otherwise be entitled. Without limiting the generality of the foregoing: (a) Guaranty Beneficiaries shall not be required to furnish the Guarantor with copies of any notices given or required to be given to Manager Member under the Operating Agreement, including, without limitation, notices of default; and (b) Guarantor's liability under this Guaranty shall not be affected, released, terminated, discharged or impaired by (i) any amendment of the Operating Agreement, (ii) any change in time, manner or place of payment, performance or observance of any of the Guaranteed Obligations; (iii) any other guaranty now or hereafter executed by Guarantor or any other guarantor or the release of any other guarantor from liability for the payment, performance or observance of any of the Guaranteed Obligations, whether by operation of law or otherwise; (iv) any waiver of, or any assertion or enforcement or failure or refusal to assert or enforce, or any consent or indulgence granted by Guaranty Beneficiaries with respect to a waiver of, or written agreement with respect to a consent or indulgence with respect to a departure from, any term of the Operating Agreement, including without limitation the waiver of any default by Managing Member, or the making of any other arrangement with, or the accepting of any compensation or settlement from, Managing Member; provided that to the extent that Guaranty Beneficiaries provide Managing Member with a written departure from any term of the Operating Agreement, the Guaranteed Obligations for which Guarantor is liable under the Guaranty shall be deemed modified to reflect the terms of such written waiver or agreement; or (v) any defect in or invalidity of the Operating Agreement. No delay or failure on the part of the Guaranty Beneficiaries in the exercise of any right or remedy against any other party against whom the Guaranty Beneficiaries may have any rights shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by the Guaranty Beneficiaries of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy. No provision of this Guaranty or right of the Guaranty Beneficiaries hereunder can be waived, nor can the Guarantor be released from its obligations hereunder, except by a writing duly executed by the Guaranty Beneficiaries. This Guaranty may not be modified, amended, revised, revoked, terminated, changed or varied in any way whatsoever, except by the express terms of a writing duly executed by the Guaranty Beneficiaries and the Guarantor.

Section 3.7 **Duration.** The Guarantor hereby agrees that this Guaranty, shall remain in full force and effect at all times hereinafter until performed in full subject to the limitations and expiration periods set forth herein, notwithstanding any action or undertakings by or against the Guaranty Beneficiaries and the Guarantor in any proceeding in the United States Bankruptcy Court, including, without limitation, any proceeding relating to valuation of collateral, election or imposition of secured or unsecured claim status upon claims by the Investor Member pursuant to any Chapter of the Bankruptcy Code or the Rules of Bankruptcy Procedure, as same may be applicable from time to time. The Guarantor acknowledges that it may not be possible to determine the existence of liability hereunder until after such time as the IRS is prohibited from assessing additional tax liability against the Investor Member for any year in which it, the Company or any

SPV claimed Tax Credits, which may be at a point in time subsequent to when the Investor Member has disposed of its Membership Interests.

Section 3.8 **Financial Statements.**

(a) Within fifteen (15) calendar days after the end of each fiscal quarter (excluding the fiscal quarter ending on the last day of each Fiscal Year), each Guarantor shall furnish to the Investor Member unaudited financial statements with respect to such fiscal quarter for each Guarantor consisting of (i) a balance sheet showing such Guarantor's financial position as of the end of such fiscal quarter, (ii) profit and loss statements for the Company for such fiscal quarter, and (iii) a statement of cash flows for the Company for such fiscal quarter.

(b) Within one hundred twenty (120) calendar days after the end of the Fiscal Year, the Guarantor shall furnish to the Investor Member financial statements with respect to such Fiscal Year for each Guarantor that are audited and certified by the Accountants, consisting of (i) a balance sheet showing each Guarantor's financial position as of the end of such Fiscal Year, (ii) profit and loss statements for each Guarantor for such Fiscal Year, (iii) a statement of cash flows for each Guarantor for such Fiscal Year and (iv) related footnotes.

ARTICLE VI. **COVENANTS, REPRESENTATIONS AND WARRANTIES.**

Section 6.1 The Guarantor represents, warrants and covenants to the Guaranty Beneficiaries as follows:

(a) the execution, delivery and performance by it of this Guaranty (including, without limitation the waiver of sovereign immunity set forth in Section 4.4 hereof) does not and will not contravene or conflict with any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court or tribunal having jurisdiction over it, or any contractual restriction binding on or affecting it;

(b) the execution, delivery and performance by it of this Guaranty does not and will not conflict with or result in a breach of the terms or provisions of any indenture, agreement or instrument to which it is a party, or by which it is bound, or to which it is subject, or constitute a default thereunder;

(c) with the assistance of counsel of its choice, it has read and reviewed this Guaranty and the Operating Agreement (including all of its schedules and ancillary documents) and such other documents as it and its counsel deemed necessary or desirable to read;

(d) it is a tribal utility authority, validly formed and existing and in good standing under the laws of the jurisdiction of its formation and all other jurisdictions where its failure to be so qualified would have a material adverse effect on its financial condition or results of operations and has the full power and authority to enter into and perform its obligations under this Guaranty;

(e) it has duly authorized, executed and delivered this Guaranty (including, without limitation the waiver of sovereign immunity set forth in Section 4.4 hereof), and this Guaranty is fully enforceable against it (in the venue specified in Section 4.5 hereof) in accordance

with its terms, subject to applicable bankruptcy, insolvency and other laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether a proceeding is sought in equity or at law); and

ARTICLE VII.
GUARANTY AND COMPLETION OF PERFORMANCE.

Section 7.1 **Guaranty.**

(a) The Guarantor shall absolutely and unconditionally guarantee due payment, performance and fulfillment of any and all of the Managing Member's obligations under the Operating Agreement, in an amount not to exceed the Investor Member Aggregate Contribution, plus any Attorney's Fees and Expenses, as described in Section 4.1 hereunder (the "Guaranteed Obligations").

(b) In the event that the Guarantor itself assumes any of the Guaranteed Obligations and timely cures any event of default thereunder, the Guaranty Beneficiaries hereby agree that they will perform their respective obligations under the Guaranteed Agreement in favor of such Guarantor to the same extent and with the same effect as if such Guarantor was named as the counterparty to the Guaranteed Agreement, in accordance with the terms and conditions of the Guaranteed Agreement.

Section 7.2 **Direct and Primary Obligations.** The Guarantor agrees that if the Guaranteed Obligations guaranteed by this Guaranty are not fully and timely paid or performed according to the tenor thereof, whether by acceleration or otherwise, Guarantor shall immediately upon receipt of written demand therefor from the applicable Guaranty Beneficiary, pay the Guaranteed Obligations due (payable strictly in United States Dollars) or perform all obligations hereby guaranteed in like manner as if the obligations constituted the direct and primary obligations of the Guarantor. Any right of the Guarantor to subrogation as a result of any payment or performance hereunder or any other payment made or performance by the Guarantor on account of the amounts or obligations due hereunder shall be subordinated to the rights of the Guaranty Beneficiaries under this Guaranty, and the Guarantor hereby agrees not to pursue any claim based on any right of subrogation, any claim for unjust enrichment or any other theory that would entitle the Guarantor to a claim against the Company based on any payment or performance made hereunder or otherwise on account of the amounts or obligations due hereunder until the obligations guaranteed by this Guaranty have been satisfied in full.

Section 7.3 **Continuing and Irrevocable Obligations.** This Guaranty and the obligations of the Guarantor hereunder shall be continuing and irrevocable until the obligations guaranteed by this Guaranty have been satisfied in full. Notwithstanding the foregoing or anything else set forth herein, and in addition thereto, if at any time all or any part of any payment received by the Investor Member from the Guarantor under or with respect to this Guaranty is or must be rescinded or returned for any reason whatsoever (including, but not limited to, determination that said payment was a voidable preference or fraudulent transfer under insolvency, bankruptcy or reorganization laws), then the Guarantor's obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence, notwithstanding such previous

receipt of payment by the Investor Member, and the Guarantor's obligations hereunder shall continue to be effective or be reinstated as to such payment, all as though such previous payment to the Investor Member had never been made. The provisions of the foregoing sentence shall survive termination of this Guaranty, and shall remain a valid and binding obligation of the Guarantor until satisfied.

Section 7.4 **No Discharge.** The Guarantor acknowledges that the Investor Member is a member of the Company. The Guarantor agrees that the exercise by the Investor Member, of any of its rights or remedies under the Operating Agreement for Managing Member's failure to fulfill its obligations under the Operating Agreement shall not serve to reduce or discharge the liability of the Guarantor hereunder, except to the extent Managing Member's obligations under the Operating Agreement have been reduced or discharged; provided, however that the Investor Member shall have no obligation to exercise any of its rights or remedies under the Operating Agreement.

Section 7.5 **Other Indebtedness Subordinated.** Any payments owing under the Operating Agreement or any Transaction Document (including, without limitation, the Site Access Agreement) to the Guarantor shall be subordinate to the obligations of the Guarantor to the Guaranty Beneficiaries under this Guaranty.

Section 7.6 **Waiver and Estoppel.** The Guarantor knowingly waives and agrees that it will be estopped from asserting any argument to the contrary as follows: (a) any and all notice of acceptance of this Guaranty or of the creation, renewal or accrual of any of the obligations or liabilities hereunder indemnified against, either now or in the future; (b) protest, presentment, demand for payment, notice of default or nonpayment, notice of protest or default; (c) any and all notices or formalities to which it may otherwise be entitled, including, without limitation, notice of the granting of any indulgences or extensions of time of payment of any of the liabilities and obligations hereunder and hereby indemnified against; (d) any promptness in making any claim or demand hereunder; (e) the defense of the statute of limitations in any action hereunder or in any action for the collection of amounts payable hereunder, (f) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other person or persons or the failure to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other person or persons; (g) any defense based upon an election of remedies which destroys or otherwise impairs any or all of the subrogation rights of the Guaranty Beneficiaries or the right of the Guaranty Beneficiaries to proceed against any other person for reimbursement, or both; (h) any duty or obligation of the Guaranty Beneficiaries to perfect, protect, retain or enforce any security for the payment of amounts payable by the Guarantor hereunder or to proceed against any one or more persons as a condition to proceeding against the Guarantor; and (i) to the extent it may be waived, any principle or provision of law, statutory or otherwise, which is or might be in conflict with the terms and provisions of this Guaranty. The Guarantor hereby waives, to the fullest extent allowed by law, all suretyship rights, defenses and other benefits to which it might otherwise be entitled. Without limiting the generality of the foregoing: (a) Guaranty Beneficiaries shall not be required to furnish the Guarantor with copies of any notices given or required to be given to Manager Member under the Operating Agreement, including, without limitation, notices of default; and (b) Guarantor's liability under this Guaranty shall not be affected, released, terminated, discharged or impaired by (i) any amendment of the Operating Agreement, (ii) any change in time, manner or place of payment, performance or observance of any of the Guaranteed

Obligations; (iii) any other guaranty now or hereafter executed by Guarantor or any other guarantor or the release of any other guarantor from liability for the payment, performance or observance of any of the Guaranteed Obligations, whether by operation of law or otherwise; (iv) any waiver of, or any assertion or enforcement or failure or refusal to assert or enforce, or any consent or indulgence granted by Guaranty Beneficiaries with respect to a waiver of, or written agreement with respect to a consent or indulgence with respect to a departure from, any term of the Operating Agreement, including without limitation the waiver of any default by Managing Member, or the making of any other arrangement with, or the accepting of any compensation or settlement from, Managing Member; provided that to the extent that Guaranty Beneficiaries provide Managing Member with a written departure from any term of the Operating Agreement, the Guaranteed Obligations for which Guarantor is liable under the Guaranty shall be deemed modified to reflect the terms of such written waiver or agreement; or (v) any defect in or invalidity of the Operating Agreement. No delay or failure on the part of the Guaranty Beneficiaries in the exercise of any right or remedy against any other party against whom the Guaranty Beneficiaries may have any rights shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by the Guaranty Beneficiaries of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy. No provision of this Guaranty or right of the Guaranty Beneficiaries hereunder can be waived, nor can the Guarantor be released from its obligations hereunder, except by a writing duly executed by the Guaranty Beneficiaries. This Guaranty may not be modified, amended, revised, revoked, terminated, changed or varied in any way whatsoever, except by the express terms of a writing duly executed by the Guaranty Beneficiaries and the Guarantor.

Section 7.7 **Duration.** The Guarantor hereby agrees that this Guaranty, shall remain in full force and effect at all times hereinafter until performed in full subject to the limitations and expiration periods set forth herein, notwithstanding any action or undertakings by or against the Guaranty Beneficiaries and the Guarantor in any proceeding in the United States Bankruptcy Court, including, without limitation, any proceeding relating to valuation of collateral, election or imposition of secured or unsecured claim status upon claims by the Investor Member pursuant to any Chapter of the Bankruptcy Code or the Rules of Bankruptcy Procedure, as same may be applicable from time to time. The Guarantor acknowledges that it may not be possible to determine the existence of liability hereunder until after such time as the IRS is prohibited from assessing additional tax liability against the Investor Member for any year in which it, the Company or any SPV claimed Tax Credits, which may be at a point in time subsequent to when the Investor Member has disposed of its Membership Interests.

Section 7.8 **Financial Statements.**

(a) Within fifteen (15) calendar days after the end of each fiscal quarter (excluding the fiscal quarter ending on the last day of each Fiscal Year), each Guarantor shall furnish to the Investor Member unaudited financial statements with respect to such fiscal quarter for each Guarantor consisting of (i) a balance sheet showing such Guarantor's financial position as of the end of such fiscal quarter, (ii) profit and loss statements for the Company for such fiscal quarter, and (iii) a statement of cash flows for the Company for such fiscal quarter.

(b) Within one hundred twenty (120) calendar days after the end of the Fiscal Year, the Guarantor shall furnish to the Investor Member financial statements with respect to such Fiscal Year for each Guarantor that are audited and certified by the Accountants, consisting of (i)

a balance sheet showing each Guarantor's financial position as of the end of such Fiscal Year, (ii) profit and loss statements for each Guarantor for such Fiscal Year, (iii) a statement of cash flows for each Guarantor for such Fiscal Year and (iv) related footnotes.

ARTICLE VIII. **MISCELLANEOUS**

Section 8.1 **Attorneys' Fees and Expenses.** If any action or proceeding to enforce this Guaranty or any provision hereof is brought by any Party, the prevailing party shall be entitled to recover from the non-prevailing Party its reasonable attorneys' fees and its costs and expenses of suit, including actual attorneys' and consultants' fees. In the event that any Party hereto secures a judgment in any proceeding brought to enforce or interpret this Guaranty, then any cost or expense incurred in enforcing or in successfully appealing from such judgment, including, without limitation, actual attorneys' fees shall be paid by the Party against whom such judgment has been rendered or against whom an appeal is won, and shall be recoverable separately from and in addition to any other amount included in such judgment.

Section 8.7 **Heading**. The articles, section and schedule headings contained in this Guaranty are solely for the purpose of reference, are not part of the agreement of the Parties and shall not in any way affect the meaning or interpretation of this Guaranty.

Section 8.8 **Entire Agreement**.

(a) This Guaranty embodies the entire agreement and understanding of the Parties in respect of the transactions contemplated by this Guaranty.

(b) Each Party acknowledges that, in agreeing to enter into this Guaranty, it has not relied on any representation, warranty, collateral contract or other assurance (except those repeated in this Guaranty) made by or on behalf of any other Party at any time before the signature of this Guaranty. Each Party waives all rights and remedies which, but for this clause (b), might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance.

Section 8.9 **Construction of Agreement**. The terms and provisions of this Guaranty represent the results of negotiations between the Parties, each of which has been represented by counsel of its own choosing, and neither of which has acted under duress or compulsion, whether legal, economic or otherwise. Accordingly, the terms and provisions of this Guaranty shall be interpreted and construed in accordance with their usual and customary meanings, and the Parties hereby waive the application in connection with the interpretation and construction of this Guaranty of any rule of law to the effect that ambiguous or conflicting terms or provisions contained in this Guaranty shall be interpreted or construed against the Party whose attorney prepared the executed draft or any earlier draft of this Guaranty.

Section 8.10 **Severability**. If any term or other provision of this Guaranty is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Guaranty shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party.
