MEMORANDUM

To : Executive Official Review Document Reviewers 6/15/22

From : *Marlinda Littleman for DSS*
Deannah Neswood-Gishey, Executive Director
Navajo Division of Social Services

Date : June 15, 2022

Subject: EOR Document No. 018808: Revised Burial Assistance and General Assistance Policy Manual

In May 2008, then Health, Education and Human Services Committee of the Navajo Nation Council approved Resolution HEHSCMA-01-08 for the Navajo Division of Social Services' Professional Standards and Ethics Manual, which include the Financial Services Protocol.

The Financial Services Protocol includes Burial Assistance, General Assistance, Tribal Work Experience Program, Emergency Assistance, Community Services Block Grant (CSBG), and Low Income Home Energy Assistance Program (LIHEAP). This section of the Manual is being revised. Additionally, NDSS does not operate Tribal Work Experience Program and the Emergency Assistance is an unfunded mandate. There exists LIHEAP and CSBG policy manuals.

Therefore, the Financial Services Protocol is strike-through, and the proposed amendment of the Burial Assistance and General Assistance Policy Manual is entirely underscored.

Thank you for your timely review. If you have any questions, please call Ms. Roselyn Begay, Senior Programs & Projects Specialist at 871-6851 or email: Roselyn.Begay@nndss.org.

f. The Division shall prorate:

- i. ~~Over a twelve (12) month period, any recurring annual income received by individuals such as teachers whose regular employment does not engage them on a year round basis.~~
 - 1. ~~This includes BIA school employees who get furloughed for a certain period of time.~~
- ii. ~~Income received by individuals employed on a contracted basis over the period of the contract~~
 - 1. ~~One time contractual payment will be considered as income in the month it is actually received.~~
- i. ~~Lump sum income received quarterly, semi-annually or yearly over the period covered by the income. The NDSS shall prorate the income unless there is evidence that the income will not continue to be received in the future. Lump sum payment such as Individual Indian Money, oil royalties, income tax refund, etc. shall be prorated according to the budget standard.~~

g. Income Disregards

- i. ~~NDSS shall disregard from the gross amount of earned income, amounts deducted for:~~
 - 4. ~~Federal, State, and local taxes.~~
 - 5. ~~Social Security (FICA)~~
 - 6. ~~Health Insurance~~
 - 7. ~~Work related and self-employment expenses for employed persons, which include expenses such as union fees and verifiable transportation to and from work, are to be deducted from the gross income to establish the amount available to meet need.~~
 - 8. ~~Child Care costs except where the other parent in the home is not working or is not disabled; however exception will be made in cases where the parent in the home is determined and documented to be incapable of providing appropriate care of the children.~~
 - 9. ~~The costs of special clothing, tools, and equipment directly related to the individuals employment. All the above will be disregarded from self-employment income after deducting costs of doing business~~
 - 10. ~~Consumers of State unemployment compensation will be allowed a reasonable amount deduction for work search expense.~~
- ii. ~~NDSS shall disregard as income or other liquid assets.~~
 - 1. ~~The "first" two thousand dollars (\$2,000.00) of liquid resources available to the household.~~
 - g. ~~Resources are all types of income and other liquid assets available for the support and maintenance unless otherwise disregarded or specifically excluded by Federal Statute.~~
 - h. ~~This provision is not to be construed as applying to earned or unearned income during the month in which such income is received. All monies not specifically exempt by law will be considered available for family support and maintenance and counted as income in the month it is actually received.~~
 - i. ~~All income earned or unearned must be calculated in the month it is received.~~
 - j. ~~Since the current payment processing procedures does not allow for timely adjustment of grants when incomes are received the worker must compute overpayment and recover the~~

overpaid amount

- e. ~~The two thousand dollar (\$2,000.00) disregard of earned or unearned income applies after thirty (30) days has expired.~~
 - i. ~~Example: A general assistance consumer receives three thousand dollars (\$3,000.00) on the 1st of August. For thirty (30) days, the income is considered as available for consumer's use and makes him/her ineligible for that period. During this period, he/she spends one thousand dollars (\$1,000.00) and puts two thousand dollars (\$2,000.00) in the bank. On September 1st, he reapplies for financial assistance. The two thousand dollars (\$2,000.00), he/she has put in the bank is now a "liquid asset" and is completely disregarded under the two thousand dollars (\$2,000.00) disregard provision, and the consumer is eligible to receive assistance again.~~
 - ii. ~~Secondly, for any liquid resource that is considered "liquid Asset", the two thousand dollars (\$2,000.00) disregard applies immediately. There is no thirty (30) day period when the asset can be considered available for support and maintenance, unless the asset is converted to "cash".~~
- f. ~~The two thousand dollars (\$2,000.00) disregard of liquid resource can be reapplied again under certain circumstances. The main thing to remember is the phrase, "the first two thousand dollars (\$2,000.00) of the liquid resources available to the household". Any liquid asset in excess of the two thousand dollars (\$2,000.00) disregard shall be considered available for support and maintenance and deducted from the household's assistance budget.~~
- g. ~~If an unmet need is no longer evident after the applicable liquid resource is deducted from the household's assistance budget, the financial assistance for the household will be discontinued. However, the consumer's can reapply for financial assistance whenever they are in need again, the process of the disregard starts all over again.~~
- h. ~~Any home produce from garden, livestock, and poultry utilized by the applicant or consumer and his/her household for their consumption.~~
- i. ~~Foster care maintenance payments are intended to meet the needs of the foster child and are to be totally disregarded as a part of the household income.~~
- j. ~~Resources specifically excluded by federal statute.~~
- h. ~~In arriving at net income, the following examples shall not be considered as allowable deductions:~~
 - i. ~~Business expenses do not include items such as depreciation, personal business and entertainment expenses, personal transportation, purchases or capital equipment and payments on the principal on loans for capital assets or durable goods.~~
 - ii. ~~Personal debts, including payroll deduction for personal debts.~~

 - 1. Shall allow access to information in the record that the requester is entitled to inspect under this subchapter; and

Appendix "C"

**Federal Register, Vol. 87, No. 19
of January 28, 2022**

merchandise will be detained by CBP for an admissibility determination and will be excluded unless the importer demonstrates that the merchandise was not made using forced labor in violation of 19 U.S.C. 1307. 19 CFR 12.43–12.44. Subject to certain conditions, the importer may also export the merchandise prior to seizure. 19 CFR 12.44(a).

These regulations also set forth the procedure for the Commissioner of CBP to issue a Finding when the Commissioner determines that the merchandise is subject to the provisions of 19 U.S.C. 1307. Pursuant to 19 CFR 12.42(f), if the Commissioner finds that merchandise within the purview of 19 U.S.C. 1307 is being, or is likely to be, imported into the United States, the Commissioner will, with the approval of the Secretary of the Department of Homeland Security (DHS), publish a Finding to that effect in the **Federal Register** and in the *Customs Bulletin and Decisions*.¹ Under the authority of 19 CFR 12.44(b), CBP may seize and forfeit imported merchandise covered by a Finding.

On December 16, 2020, CBP issued a withhold release order (made effective on December 30, 2020) on “palm oil,” including all crude palm oil and palm kernel oil and derivative products, made wholly or in part with palm oil traceable to Sime Darby Plantation Berhad (“Sime Darby Plantation”), with reasonable evidence demonstrating that the Sime Darby Plantation, including its subsidiaries and joint ventures, primarily located in Malaysia, harvested the fruit and produced the palm oil using forced labor. Through its investigation, CBP has determined that there is sufficient information to support a Finding that Sime Darby Plantation and its subsidiaries are using forced labor on Sime Darby’s plantations in Malaysia to harvest fresh fruit bunches, which are used to extract palm oil and produce derivative products, and that such palm oil and derivative products produced by the company are likely being imported into the United States.

¹ Although the regulation states that the Secretary of the Treasury must approve the issuance of a Finding, the Secretary of the Treasury delegated this authority to the Secretary of Homeland Security in Treasury Order No. 100–16 (68 FR 28322). See Appendix to 19 CFR part 0. Under Delegation Order 7010.3, Section II.A.3, the Secretary of Homeland Security delegated the authority to issue a Finding to the Commissioner of CBP, with the approval of the Secretary of Homeland Security. The Commissioner of CBP, in turn, delegated the authority to make a Finding regarding prohibited goods under 19 U.S.C. 1307 to the Executive Assistant Commissioner, Office of Trade.

II. Finding

A. General

Pursuant to 19 U.S.C. 1307 and 19 CFR 12.42(f), it is hereby determined that certain articles described in paragraph II.B., that are manufactured or produced in whole or in part with the use of convict, forced, or indentured labor by Sime Darby Plantation and its subsidiaries are being, or are likely to be, imported into the United States. Based upon this determination, the port director may seize the covered merchandise for violation of 19 U.S.C. 1307 and commence forfeiture proceedings pursuant to 19 CFR part 162, subpart E, unless the importer establishes by satisfactory evidence that the merchandise was not produced in any part with the use of prohibited labor specified in this Finding. 19 CFR 12.42(g).

B. Articles and Entities Covered by This Finding

This Finding covers palm oil and derivative products made wholly or in part with palm oil classified under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 12.07.10.0000, 1511.10.0000, 1511.90.0000, 1513.21.0000, 1513.29.0000, 1517, 3401.11, 3401.20.0000, 3401.19.0000, 3823.12.0000, 3823.19.2000, 3823.70.6000, 3823.70.4000, 3824.99.41 and any other relevant subheadings under Chapters 12, 15, 23, 29 and 38, which are produced or manufactured wholly or in part by Sime Darby Plantation, its subsidiaries and joint ventures.

The Secretary of Homeland Security has reviewed and approved this Finding.

Dated: January 25, 2022.

John P. Leonard,

Acting Executive Assistant Commissioner,
Office of Trade.
