30 E. 12 N.N.C. §2502, as amended by CJA-03-18, states the purpose of the Navajo Nation Síhasin

1 Fund (“Síhasin Fund”) as follows:

2       §2502 Purpose

3       A. The purposes of this Fund are to provide financial support and/or financing for:

4           1. The planning and development of economic development and regional infrastructure  
5           supporting economic development and community development, including such  
6           infrastructure as, but not limited to, housing, commercial and government buildings,  
7           waterline, solid waste management development, powerline Projects, and  
8           transportation and communication systems, within the Navajo Nation; and . . .

9       B. For the Purpose in §2502(A)(1), Fund expenditures for infrastructure shall not be limited  
10      by 12 N.N.C. §1310(F) or TCDCJY-77-99.

11      C. Leveraging the Fund by way of guaranteeing loans, match funding, direct funding in  
12      part, and other weighted uses of the Fund, including loan financing from the Fund, for  
13      the purposes in §2502(A)(1), shall be favored over direct funding in whole.

14      F. The Síhasin Fund provides that “Fund Principal” shall consist of all deposits made to the  
15      Síhasin Fund and that “Fund Income” shall consist of all earnings (interest, dividends, etc.)  
16      generated and realized by the Fund Principal, and that Síhasin Fund Income shall be  
17      deposited in, and added to, the Fund Principal until such time as a Fund Expenditure Plan is

19      G. The Síhasin Fund also provides that “Fund Principal and Income shall not be expended  
20      except pursuant to a Fund Expenditure Plan consistent with the purposes set forth in §2502  
21      of this Chapter and adopted by a two-thirds (2/3) vote of all members of the Navajo Nation  
22      Council.” 12 N.N.C. §2505(A).

23

24      **SECTION TWO. FINDINGS**

25      A. The Navajo Tribal Utility Authority (“NTUA”) has provided a letter to Gladys Jones, a  
26      Navajo resident in Ganado, Arizona. This letter, dated July 13, 2023, explains the new gas  
27      service line extension project that will be constructed to serve her residence. The letter  
28      explains that the Owner, namely Gladys Jones, will be responsible for the total cost of  
29      construction for this project, which is estimated to be approximately \$17,628. See the  
30      attached **EXHIBIT A**.

- 1       B. In addition, NTUA has provided engineering drawings and further details for this project.  
2       See the attached **EXHIBIT B**.
- 3       C. Approving the requested \$17,628 for this project satisfies the purpose of the Síhasin Fund  
4       because such purchase pertains to “infrastructure” and “community development” as  
5       mentioned in 12 N.N.C. §2502(A)(1).
- 6       D. The Navajo Nation finds that approval of the requested Síhasin funds is in the best interests  
7       of the Navajo Nation and the Navajo People.
