Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The Chilchinbeto Chapter was the only Navajo community under lockdown during the early days of pandemic. Many lives were lost and the people continue to fear going places or visiting other people. The trauma was very hard on the people. Many homes need to service septic tanks. Many people had built outdoor portile potties because the inside toilets are full. Some of these elderlies do not know how to call in the septic service contractors.

☐ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The Navajo Nation will actually indirectly provide a service to the people for their restroom utility needs. The nation will benefit from cleanliness, sanitations, and running water. It is especially hard on ADA people that are on wheel chairs, using crutches, canes, and those that need to use the toilet more often including cold nights.

☐ document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

March 1, 2023 → March 1st 2024

There is plenty of time. Only the sewer pond closure by NTUA will make it a challenge.

☐ document attached

(d) Identify who will be responsible for implementing the Program or Project

Chapter Manager, Eugene Badonie has already doing the assessment on number of homes, those that are not being used, and those that are most extreme need. He will be responsible for filing the ARPA paperwork, applications, requisition, and contract including the purchases.

☐ document attached

(e) Explain who will be responsible for operations and maintenance costs for the Project once completed, and how such costs will be funded prospectively:

The Chilchinbeto Chapter will teach the people to saving at least \$30 per month so they do not repeat the predicament in the future. Each owner understands completely what can happen if bills are not paid or services are not make immediately.

☐ document attached

(f) State which of the 66 Fiscal Recovery Fund expenditure categories in the attached U.S. Department of the Treasury Appendix 1 listing the proposed Program or Project falls under, and explain the reason why:

2.1 Household Assistance: Rent, mortgage, utility Aid - The community experienced the worst life threatening pandemic in thier lifetime. Most of them are using septic services to their homes and they were not ready for the pandemic that caused them so much pain. They could not get their septic tank service because of Stay-at-home Executive Orders, No visitations, and the use of mask and gloves. They did everything they could to fend for themselves and they are still staying home and distrust visitors.

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The chapter has a new John Deere backhoe and a used Kubota tractor. We have been renting transportation to haul this equipment for burial services, road maintenance, and trenching for the sewage lines and waterlines. Being the epic center for the COVID-19 pandemic, Chilchinbeto had one of the highest rates of fatalities in 2020, and 2021, and still going in 2023. This adds to the number of other causes of death. The vehicle will pull the gooseneck trailer, distribute food, home testing supplies, hand sanitizers, coal, wood, gloves, and masks, etc.

☐ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

the Navajo Nation will actually indirectly provide a piece of equipment to make shoveling easier for digging burial sites and it will also minimize the health hazards from the ealderly shoveling. The truck will be the one that makes it happen by transporting the equipment safely and in a timely manner. The chapter will not have to wait on people or rental to make delivery.

RESOLUTION OF CHILCHINBETO CHAPTER OF THE NAVAJO NATION

Resolution # CCH-04-01-2023A

AMENDING THE RESOLUTION # CCH-02-14-2023C TO PURCHASE A NEW F350 INSTEAD AT A 2023 PRICE.

WHEREAS:

1. Pursuant to 26 N.N.C., Section 3 (A) the Chilchinbeto Chapter is a duly recognized certified chapter of the Navajo Nation Government, as listed at 11 N.N.C., part 1, section 10, and
2. Pursuant to 26 N.N.C., Section 1 (B) Chilchinbeto Chapter is vested with the authority to review all matters affecting the community and to make appropriate correction when necessary and make recommendation to the Navajo Nation and other local agencies for appropriate actions, and
3. The Chilchinbeto Chapter has previously brought it before the Regular Meeting on October 18th, 2022 and presented a resolution # CCH-10-14-2022C to purchase a new 2023 Heavy Duty Ford truck at a price of \$62,275.00 from Champion Ford of Gallup New Mexico. The sale was submitted into the ARPA Portal as a project expenditure for \$2.9 million from Delegate Region fund, and
4. The Chilchinbeto Chapter has since delayed on the deal with the Chapman Ford of Gallup New Mexico while the company offered to order the 2023 F350 for \$62,275.00 deliverable in 6 months and lock in the 2022 price with only \$1,000.00 down and pay the remainder upon arrival. The Delegate Region fund was slow in getting approval and therefore dissolved the deal and the new price is \$80,000.00.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Chilchinbeto Chapter hereby approve to recommend and support to amend the Resolution # 10-07-2022C and proceed with the purchase of the 2023 F350 at \$80,000.00 from Chapman Ford of Gallup New Mexico and amend the ARPA FRF Delegate Region funding.
2. Chilchinbeto Chapter affirms that the Chapter will only use awarded funds in compliance with the ARPA, the ARPA Regulations, and all other applicable Navajo Nation and Federal laws and regulations.

CERTIFICATION

We hereby certify that the foregoing resolution was considered at a duly called meeting at Chilchinbeto Chapter, Navajo Nation, at which time a quorum was present and the same was passed by a vote of 16 in favor, 00 opposed, and 02 abstained, this 01st, day of April, 2023.

If additional information has been requested and you wish to provide it, please resubmit all the required forms updated to include the additional information. Full resubmission will expedite the Initial Eligibility Determination process. Therefore, please include a new RFS form indicating resubmission, revised Appendix A, Budget Form 1, and other supporting documents. **Please email your resubmission to arpa@nndoj.org.** Please be aware that under Resolution BFS-31-21 a Project or Program can only be reviewed twice, therefore it is critical that you include all the requested additional information for your second submission.

An NNDOJ Initial Eligibility Determination is based on the documents provided, which NNDOJ will assume are true, correct, and complete. Should the Project or Program change in any material way after the initial determination, the requestor must seek the advice of NNDOJ. An initial determination is limited to review of the Project or Program as it relates to whether the Project or Program is a legally allowable use – it does not serve as an opinion as to whether or not the Project or Program should be funded, nor does it serve as an opinion as to whether or not the amount requested is reasonable or accurate.

Part 2. Expenditure Plan details.

(a) Describe the Program(s) and/or Project(s) to be funded, including how the funds will be used, for what purposes, the location(s) to be served, and what COVID-related needs will be addressed:

The purchase of the septic service truck with a 300-gallon tank will enable health and safety for the people in the Chilchinbeto Chapter. The community does not have a septic service nearby and most of them do not come to Chilchinbeto. We have over 220 septic tanks in the community, but most of them are currently not in use for lack of services, lack of funds, or lack of decent roads. The purchase of the septic service truck will enable the chapter to provide a healthy place to live for the residents. Most residents use outside toilets, even wheelchair-bound residents on cold winter nights.

☐ document attached

(b) Explain how the Program or Project will benefit the Navajo Nation, Navajo communities, or the Navajo People:

The Navajo Nation, the Navajo community, and the Navajo people will once again have the ability to use wastewater from the home and allow the active bacteria to dissolve and consume waste. This provides a clean and healthy living for the people and they do not have to deal with cold weather, or struggle to get to the rest rooms outside their home.

☐ document attached

(c) A prospective timeline showing the estimated date of completion of the Project and/or each phase of the Project. Disclose any challenges that may prevent you from incurring costs for all funding by December 31, 2024 and/or fully expending funds and completing the Program(s) or Project(s) by December 31, 2026:

APPROVING TO USE THE \$180,000.00 TO PURCHASE 300 GALLON HEAVY DUTY SEPTIC SERVICE TRUCK.

WHEREAS:

1. Pursuant to 26 N.N.C., Section 3 (A) the Chilchinbeto Chapter is a duly recognized certified chapter of the Navajo Nation Government, as listed at 11 N.N.C., part 1, section 10, and
2. Pursuant to 26 N.N.C., Section 1 (B) Chilchinbeto Chapter is vested with the authority to review all matters affecting the community and to make appropriate correction when necessary and make recommendation to the Navajo Nation and other local agencies for appropriate actions, and

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Chilchinbeto Chapter hereby approve to use the ARPA Delegate Region funds of \$180,000.00 toward the purchase of a heavy duty septic service truck with a 300 gallon tank.
