FOR THE PERIOD

Pursuant to 25 U.S.C. 450 et. seq.  
(Pub. L. 93-638, as amended)

## ANNUAL FUNDING AGREEMENT

This Annual Funding Agreement (“AFA”) is entered into between the Navajo Nation and the United States Department of the Interior (“DOI”), pursuant to the agreement between the Navajo Nation and DOI for Safety of Dams Program, pursuant to Title I of the Indian Self-Determination and Education Assistance Act (“ISDEAA”), Pub. L. 93-638, as amended (hereinafter referred to as the Contract).

### A. PROGRAM, FUNCTIONS, SERVICES AND ACTIVITIES

1. The Navajo Nation agrees to administer and perform those portions of the Bureau of Indian Affairs’ (“BIA”) Safety of Dams Program identified in the Scope of Work, attached hereto as Attachment A and incorporated herein by reference, in accordance with its own laws and policies and the terms, provisions, and conditions of the Contract and this AFA and any attachments hereto. The program standards, including any provisions of Federal Regulations waived by the Secretary, are identified in Section B of the Contract.
2. The Navajo Nation agrees that any services or assistance provided to Indian beneficiaries under the Contract and this AFA shall be provided in a fair and uniform manner subject to applicable laws and regulations.
3. The Navajo Nation shall obtain from the BIA all such funds and other resources made available for the benefit of the tribe and Indian beneficiaries for all programs to be operated and services to be delivered by the Navajo Nation through the Contract and this AFA on behalf of the DOI, except for “Trust” and executive functions of the BIA considered non-contractible under the ISDEAA, as amended.
4. The BIA shall transfer to the Navajo Nation all such funds and other resources available for the benefit of the Tribe and Indian beneficiaries through the Contract in the most expeditious manner authorized by law, and shall provide technical support and assistance at the request of the Navajo Nation or as provided herein, in the most

expeditious manner authorized by law.

5. The Navajo Nation shall exercise full discretion over the funds made available subject only to the provisions of the Contract, this AFA, tribal law, and Federal law.

6. The Navajo Nation has identified a need for program and/or office space. DOI shall undertake reasonable efforts to make such program and/or office space available to the Navajo Nation, together with such maintenance services as may be necessary for that program and/or office space. When not available and tribal buildings are used, DOI will enter into a lease pursuant to Section 105 (f) (1) of the ISDEAA, as amended and 25 CFR Part 900, Subpart H.

**B. PROGRAM FUNDING**

Subject to the availability of Congressional appropriation, DOI shall provide direct program funding for Fiscal Year 2016 in the distribution amount shown on the budget form attached hereto as Attachment B exclusive of any Central Office or Regional Office shares, direct contract support costs and indirect costs, in one lump sum payment to the Navajo Nation in accordance with Section B(6) of the Contract. Funding award(s) such as one time funding which require separate expenditure report shall be specified in the contact modification (SF-30) by BIA. A separate account Financial Management Information System (FMIS Business Unit) shall be assigned by the Navajo Nation accordingly. Full payment shall be made by all-electronic payment through an Automated Standard Application for Payment (ASAP), an information system developed by the Financial Management Services and the Federal Reserve Bank of Richmond. The Navajo Nation must have: (1) an active registration in ASAP by completing the Participation Request Form; (2) an active Data Universal Number System (DUNS); and an active registration in the System for Award Management (SAM).

DOI acknowledges that the direct amount identified does not fully fund the contracted activities and agrees to make good faith efforts to identify additional funding for the contracted activities and to expeditiously notify the Navajo Nation when such funding is available.

**C. TRIBAL SHARES**

In addition to the amount referred to in Paragraph B of this AFA, DOI shall pay a sum to be negotiated representing Central Office and Regional Office shares associated with this AFA. Such shares do not reflect Central Office or Regional Office shares which the Navajo Nation has included in other Fiscal Year 2016 Pub. L. 93-638, as amended, Contracts.

**D. CONTRACT SUPPORT FUNDS**

The Navajo Nation shall be entitled to contract support funds to the full extent specified in Section 106 (a)(2) of the ISDEAA, as amended and related provisions. It is understood by the parties that full contract support funds may not be initially available to the Navajo Nation. However, upon becoming available by Congressional appropriation or through the identification of appropriate budget savings from Contract Support Cost line items, the Navajo Nation shall participate in the distribution of those shortfall funds. If, during the term of this AFA, it is not possible to pay all contract support amounts, DOI shall make a good faith effort, subject to applicable law, to identify funds or to obtain an appropriation to address this shortfall.

**1. Direct Contract Support Cost**

In addition to the amount in paragraphs D and D(2) of this AFA, the Navajo Nation shall receive direct contract support costs pursuant to Section 106(a)(2) of the ISDEAA, as amended. The amount of direct contract support costs are subject to negotiation between the Navajo Nation and DOI. To the extent that DOI does not receive sufficient appropriations to fully fund the amount of direct contract support costs that would otherwise be available under Section 106(a)(2) of the ISDEAA, as amended, DOI shall report such shortfall to Congress pursuant to the requirements of Section 106(c)(2) of the ISDEAA, as amended, and simultaneously provide the Navajo Nation with such report. DOI shall pay any shortfalls in direct contract support when, and to the extent such shortfall funds are appropriated by Congress. In no event does the Navajo Nation waive its right to recover 100% of the direct contract support costs negotiated under this AFA.

## **2. Indirect Costs**

In addition to the amount identified in paragraphs B, C, and D(1) of this AFA, the Navajo Nation shall receive indirect costs applicable to the period covered by this AFA as determined pursuant to the applicable Indirect Cost Negotiation Agreement, entered into between the Navajo Nation and its cognizant agent. The award of indirect cost funds will be made through a Supplemental Annual Funding Agreement entered into between the Navajo Nation and BIA-NRO. To the extent that DOI does not receive sufficient appropriations to fully fund the amount of indirect costs that would otherwise be available under Section 106(a) (2) of the ISDEAA, as amended, DOI shall report such shortfall to Congress pursuant to the requirements of Section 106(c) (2) of the ISDEAA, as amended, and simultaneously provide the Navajo Nation with such report. DOI shall pay any shortfalls in indirect costs when, and to the extent, such shortfall funds are appropriated by Congress. In no event does the Navajo Nation waive its right to recover 100% of the indirect costs associated with this AFA.

## **3. Contract Support Cost (CSC) Calculation**

In addition to the entitlement of the contract support funds, the Navajo Nation shall submit a budget report that provides estimated contract support costs needs of both direct contract support funds and indirect contract support funds which will be submitted to BIA NRO by July 10 of the AFA year. The budget report shall be used internally at BIA NRO for the sole purpose of supporting the DOI's Contract Support Cost and pay cost allocations and shortfall reports to Congress. The budget shall be prepared at or equivalent to Level of Detail 6 on the Navajo Nation's FMIS.

## **E. PRE-AWARD COSTS**

Any cost the Navajo Nation incurs with respect to the performance of the Contract and this AFA before the award date or effective date of this AFA may be paid with funding under this AFA to the extent (a) that such costs are otherwise reasonable, allowable and allocable to performance of the attached Scope of Work, and (b) that the Navajo Nation informed BIA of costs consistent with Section 106 (a) (6) of the ISDEAA, as amended, if this AFA covers the initial year of a contract.

**F. PROGRAM BUDGET**

The budget for the services provided under this AFA reflects the Fiscal Year 2015 recurring enacted amount allocated and is attached hereto as Attachment B, which is incorporated herein by reference. If Congressional appropriation for full year funding is not available at the start of the FY 2016, as an initial budget, the Navajo Nation may enter in the FMIS a full year budget at the actual, total amount of recurring funds distributed for FY 2015 that is based on Congressional appropriation. The final Fiscal Year 2016 budget shall be based on funds allocated through Congressional appropriation. If the Navajo Nation is proposing to allocate costs between two 638 programs, the percentage breakdown of such cost allocation shall be reflected in the budget.

1. The Navajo Nation shall request prior approval from the Awarding Official for budget revisions whenever:
  - a. The budget revision results from changes in the scope or stated objective of the program;
  - b. The revision requires additional funding;
  - c. The revision causes an increase in the amount of indirect cost for the Contract, or;
  - d. The revision pertains to the addition of items requiring approval of the BIA under the ISDEAA Section 106(k), as amended or 25 CFR §200.420.
2. All other budget revisions do not require BIA approval, including prior year savings attributable to operations of the program.

**G. AVAILABILITY OF FUNDS**

1. All funding under this AFA is subject to the availability of Congressional appropriations. Funding under this AFA may be reduced only according to the provisions of Section 106(b) of the ISDEAA, as amended. No legal liability by the Federal government for any payment may arise until funds are made available to the BIA for the Contract.
2. In the event that funding of this AFA is reduced because of Congressional action, the Navajo Nation retains the option to rescind the Contract, renegotiate the attached

Scope of Work, or suspend performance under the Contract consistent with Section B(5) of the Contract.

3. To the extent that any shortfalls exist in funding, direct, contract support or otherwise, owed to the Navajo Nation, the DOI and BIA shall make a good faith effort, subject to applicable law, to identify funds or to obtain an appropriation to address this shortfall. DOI will report such shortfalls to Congress, and simultaneously provide the Navajo Nation with such report.

4. Nothing in this AFA shall be deemed a waiver of any right the Navajo Nation may have under the Act to receive 100% of its funding, direct, contract support or otherwise, as determined under Section 106 of the ISDEAA, as amended.

#### **H. APPLICABLE LAW**

In the performance of the Contract and this AFA, the Navajo Nation agrees to comply with all expressly applicable Federal laws, regulations and executive orders, including the Drug-Free Workplace Act of 1988 (Pub. L. 100-689), and all applicable Navajo Nation laws, regulations and executive orders. The parties shall renegotiate and modify the language of this AFA to conform to any applicable federal and Navajo Nation laws, regulations or executive orders which are passed after the effective date of this AFA. The BIA shall inform the Navajo Nation, in writing, of all existing federal laws, regulations and executive orders it believes apply to this AFA within 60 days of execution. The BIA shall inform the Navajo Nation, in writing, of all newly enacted or amended federal laws, regulations and executive orders it believes apply to this AFA within 60 days of adoption. The Navajo Nation retains the right to renegotiate the attached Scope of Work to reflect any amended federal laws, regulations, and executive orders and shall not be held responsible under this AFA for compliance with such laws, regulations, and executive orders until the BIA has provided the notice described above.

Contracts & Grants Section - OMB

Subject: Document No. 004770- Proposal for FY'2016 PL 93-638 BIA Funding by Safety of Dams

The subject document was reviewed for compliance with the Guideline on Submission of Proposal for FY 2016 P.L. 93-638 BIA Funding that was issued by memorandum of August 31, 2015 by CGS/OMB. The document is sufficient and surname accordingly with the following information:

1. Among the instruction in the Guideline, the Program is to use the FY 2015 recurring funds allocated as the base in submitting the proposed budget for FY 2016 funding. If the Program exceeds the base budget then explanation must be provided to justify the higher amount. The proposed budget for FY 2016 is \$734,802 and current FY 2015 amount is \$370,000.00. Because Safety of Dams operates on a Project bases, the Proposed FY 2016 amount is an estimated amount needed.

Include the above information when reviewing document for approval. If you have any questions, please call Germaine Jones at (928) 871-6037.
