BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Resources and Development Committee is a standing committee of the Navajo Nation Council with oversight authority over Navajo Nation Chapters and Community Development. 26 N.N.C. §102; 2 N.N.C. §500(C).
- B. The Budget and Finance Committee is a standing committee of the Navajo Nation Council with the responsibility to "review and recommend to the Navajo Nation Council the budgeting, appropriation, investment and management of all funds." 2 N.N.C. §301(B)(2).
- C. The Naabik'iyáti' Committee is a standing committee of the Navajo Nation Council that considers all proposed final actions by the Navajo Nation Council. 2 N.N.C. §164(A)(9).
- D. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C. §102(A). As such, the Council may approve appropriations from the Navajo Nation's Síhasin Fund.

1 E. 12 N.N.C. §2502, as amended by CJA-03-18, states the purpose of the Navajo Nation Síhasin
2 Fund (“Síhasin Fund”) as follows:

3 §2502 Purpose

4 A. The purposes of this Fund are to provide financial support and/or financing for:

- 5 1. The planning and development of economic development and regional
6 infrastructure supporting economic development and community
7 development, including such infrastructure as, but not limited to,
8 housing, commercial and government buildings, waterline, solid waste
9 management development, powerline Projects, and transportation and
10 communication systems, within the Navajo Nation; . . .

11 B. For the Purpose in §2502(A)(1), Fund expenditures for infrastructure shall not
12 be limited by 12 N.N.C. §1310(F) or TCDCJY-77-99.

13 C. Leveraging the Fund by way of guaranteeing loans, match funding, direct
14 funding in part, and other weighted uses of the Fund, including loan financing
15 from the Fund, for the purposes in §2502(A)(1), shall be favored over direct
16 funding in whole.

17 F. The Síhasin Fund provides that “Fund Principal” shall consist of all deposits made to the
18 Síhasin Fund and that “Fund Income” shall consist of all earnings (interest, dividends, etc.)
19 generated and realized by the Fund Principal, and that Síhasin Fund Income shall be
20 deposited in, and added to, the Fund Principal until such time as a Fund Expenditure Plan is
21 duly approved. 12 N.N.C. §2504 and §2505(C).

22 G. The Síhasin Fund also provides that “Fund Principal and Income shall not be expended
23 except pursuant to a Fund Expenditure Plan consistent with the purposes set forth in §2502
24 of this Chapter and adopted by a two-thirds (2/3) vote of all members of the Navajo Nation
25 Council.” 12 N.N.C. §2505(A).

26
27 **SECTION TWO. FINDINGS**

28 A. Ganado Fire District is a political subdivision of the State of Arizona that provides critical
29 emergency services to Ganado, Steamboat, Kindahlichii, Klagetoh, Cornfields,
30 Woodsprings, Cross Canyon, Bashbito, Toyeyi, and other Navajo Nation communities.

- 1 B. Ganado Fire District has need for \$2,644,380 worth of fire apparatus/equipment and
2 rescue/medical transport units, to meet the fire, rescue, and other emergency needs of the
3 Ganado Chapter and surrounding Navajo Nation communities. **EXHIBIT A.**
- 4 C. Ganado Fire District has provided a listing of its monthly activity statistics, as compared to
5 those of the Navajo Nation Police Department, for the first seven months of 2020 and all of
6 2019. **EXHIBIT B.** These statistics show a dire need for the requested emergency vehicles
7 and equipment. Notably, the District's fire/rescue/emergency activities are expected to
8 increase with the end of COVID-19-related closures and stay-at-home orders on the Navajo
9 Nation.
- 10 D. Ganado Fire District has provided its 2019-2020 and its 2020-2021 budgets. **EXHIBIT C.**
11 These budgets show a significant shortfall, such that \$2,644,380 is requested to purchase the
12 needed emergency vehicles and equipment to serve the described Navajo communities.
- 13 E. Ganado Fire District has provided detailed descriptions of the fire apparatus/equipment and
14 rescue/medical transport units for which it is requesting funds. **EXHIBIT D.**
- 15 F. The Navajo Nation Chapters of Ganado, Kindahlichii, Klagetoh, Cornfields, Jeddito,
16 Nazlini, and Greasewood Springs, have all adopted resolutions supporting the request for
17 funding for the purchase of the fire apparatus/equipment and rescue/medical transport units
18 for the Ganado Fire District. **EXHIBIT E.**
- 19 G. In October of 2021 the Navajo Nation Council approved Resolution No. CO-53-21, which
20 was signed into law on November 2, 2021. Resolution No. CO-53-21 approved \$2,644,380
21 from the Síhasin Fund for the Division of Community Development to purchase the needed
22 emergency equipment and vehicles for the Ganado Fire District, and approved the related
23 Expenditure Plan for these funds pursuant to 12 N.N.C. §2501-§2508. See **EXHIBIT F**
24 (Exhibits under CO-53-21 are omitted).
- 25 H. The equipment and vehicles listed in EXHIBIT D are necessary for the Ganado Fire District
26 to meet the fire response and other emergency needs of the Ganado Chapter and several
27 surrounding Navajo Nation communities.
- 28 I. Due to supply chain issues and other extreme delays resulting from the COVID-19 pandemic,
29 DCD has been unable to complete the purchase of the emergency equipment and vehicles
30 for the Ganado Fire District, as approved in CO-53-21, and the approved funds have reverted.

1 J. DCD has therefore requested new legislation for the same \$2,644,380 in Síhasin funds
2 originally approved in CO-53-21, and that a new funds reversion deadline be set for March
3 31, 2024. This new deadline will allow DCD enough time to complete the purchase of the
4 emergency equipment and vehicles, and will give the seller sufficient time to properly tailor
5 the equipment and vehicles to meet the Ganado Fire District's particular needs and
6 specifications. **EXHIBIT G.**

7 K. Given the recurring droughts each summer on the Navajo Nation, the danger of wildfires is
8 extremely high every year, hampering economic development and new infrastructure. The
9 Navajo Nation therefore finds that using the Síhasin Fund for the purchase of emergency
10 vehicles and equipment for the Ganado Fire District, is within the purposes of 12 N.N.C.
11 §2502(A)(1) and 2 N.N.C. §164(A)(16), and is in the best interests of Navajo communities
12 and the Navajo People.

8 repairs of the emergency vehicles and equipment purchased for the District by DCD; and, as
9 a condition of receiving title to the vehicles and equipment, GFD shall obtain appropriate
10 liability and other appropriate insurance for all items received. Upon delivery and transfer of
11 title to GFD, the Navajo Nation shall not be liable for any condition or event pertaining to
12 any of the emergency vehicles and equipment provided to GFD.

13 H. Any and all cost-savings shall be returned to the Síhasin Fund once all items are purchased
14 by DCD, and the funds approved herein shall revert to the Síhasin Fund principal if not spent
15 or encumbered by March 31, 2024.

16
17 **SECTION FOUR. DIRECTIVE**

18 The Division of Community Development shall provide regular written reports on the status of
19 its expenditures of the Síhasin funds approved herein. These reports shall be submitted to the
20 Naabik'iyati' Committee and to the Office of the President and Vice-President by the fifth day
21 of each month following the effective date of this Action.

22
23 **SECTION FIVE. EFFECTIVE DATE**

24 This Action and the related Expenditure Plan shall become effective pursuant to 12 N.N.C.
25 §2505(A) and 2 N.N.C. §221(B).

26
27 **SECTION SIX. SAVING CLAUSE**

28 If any part of this Action is invalidated by the Supreme Court of the Navajo Nation, or by any
29 Navajo Nation District Court without appeal to the Navajo Nation Supreme Court, the
30 remainder of this Action shall be the law of the Navajo Nation.

Dear Speaker Damon,

Providing support to the Ganado Fire District is a prime example of working together to give our communities the protection they need. With this resolution the communities of Ganado, Steamboat, Kin Dah Lichíí', Klagetoh, Cornfields, Jeddito, Nazlini, and Greasewood Springs, along with the surrounding areas, will benefit from the District's new fire safety equipment. While we pray the fire protection and emergency services are not needed it is comforting to know it will be available when necessary.

With the funding support from the Navajo Nation we urge our State and County partners to step up to also support the Ganado Fire District. The Navajo Nation communities need services and collaboration with other agencies is one way to ensure those needs are met. There are many examples of partnership to provide services, so support of a fire district is not unfamiliar.

Thank you to the local Chapters for their support and thank you to the 24th Navajo Nation Council for the appropriation to assist the Ganado Fire District. We sign CO-53-21 into law.

Sincerely,

BE IT ENACTED:

SECTION ONE. AUTHORITY

- A. The Navajo Nation Council is the governing body of the Navajo Nation. 2 N.N.C. § 102(A).
- B. Pursuant to 2 N.N.C. § 164(A)(16), "[m]atters constituting an emergency shall be limited to the cessation of law enforcement services, and disaster relief services, fire protection services or other direct services required as an entitlement under Navajo Nation or Federal law, or which directly threaten the sovereignty of the Navajo Nation. Such an emergency matter must arise due to the pressing public need for such resolution(s) and must be a matter requiring final action by the Council." 2 N.N.C. § 164(A)(16).
- C. The Navajo Nation Code provides that the purpose of the Navajo Nation Síhasin Fund ("Síhasin Fund") is as follows:

§ 2502 Purpose

- A. The purposes of this Fund are to provide financial support and/or financing for:
 - 1. The planning and development of economic development and regional infrastructure supporting economic development, and community development, including such infrastructure as, but not limited to, housing, commercial and government buildings, waterline, solid waste management development, powerline projects, and transportation and communication systems, within the Navajo Nation; and . . .
- B. For the Purpose in § 2502(A)(1), Fund expenditures for infrastructure shall not be limited by 12 N.N.C. § 1310(F) or TCDCJY-77-99.

- C. Leveraging the Fund by way of guaranteeing loans, match funding, direct funding in part, and other weighted uses of the Fund, including loan financing from the Fund, for the purposes in § 2502(A)(1), shall be favored over direct funding in whole.

12 N.N.C. § 2502, as amended by CJA-03-18.

- D. The Síhasin Fund provides that "Fund Principal" shall consist of all deposits made to the Síhasin Fund and that "Fund Income" shall consist of all earnings (interest, dividends, etc.) generated and realized by the Fund Principal, and that Fund Income shall be deposited in and added to Fund Principal until such time as a Fund Expenditure Plan is duly adopted. 12 N.N.C. §§ 2504 and 2505(C).

SECTION TWO. FINDINGS

- A. Ganado Fire District is a political subdivision of the State of Arizona that provides emergency services to the Navajo Nation communities of Ganado, Steamboat, Kin Dah Lichíí', Klagetoh, Cornfields, Woodsprings, Cross Canyon, Beshbito, Toyei, and others.
- B. The Ganado Fire District has need for \$2,644,380.00 worth of fire apparatus and rescue/medical transport units, to meet the fire and other emergency needs of the Ganado Chapter and surrounding Navajo Nation communities. Exhibit A.
- C. Ganado Fire District has provided a listing of its monthly activity statistics, as compared to those of the Navajo Nation Police Department, for the first seven months of 2020 and all of 2019. Exhibit B. These statistics show an urgent need for the requested emergency vehicles.
- D. Ganado Fire District has provided its 2019-2020 and its 2020-2021 budgets. Exhibit C. These budgets show a shortfall, such that the \$2,644,380.00 in funding is needed to purchase the requested emergency vehicles.
- E. Ganado Fire District has provided detailed descriptions of the fire apparatus and rescue/medical transport units that it is requesting. Exhibit D.
- F. The Navajo Nation Chapters of Ganado, Steamboat, Kin Dah Lichíí', Klagetoh, Cornfields, Jeddito, Nazlini, Greasewood Springs, and the District 17 Council, have all adopted resolutions supporting the request for funding for the purchase

of the fire apparatus and rescue/medical transport units for Ganado Fire District. Exhibit E.

- G. Given the current drought situation on the Navajo Nation, the danger of wildfires is extremely high. This legislation is offered as an emergency action, because it meets the "fire protection services" purpose in 2 N.N.C. § 164(A)(16), and it also addresses a "pressing public need" as listed in 2 N.N.C. § 164(A)(16).
- H. The Navajo Nation Council finds that using the Síhasin Fund for the purchase of emergency vehicles, as set forth on Page 3 of Exhibit A, is within the purposes of 12 N.N.C. § 2502(A)(1) and 2 N.N.C. § 164(A)(16), and is in the best interests of Navajo communities and the Navajo People.

SECTION THREE. ALLOCATION OF \$2,644,380.00 TO THE DIVISION OF COMMUNITY DEVELOPMENT AND APPROVAL AND ADOPTION OF THE SÍHASIN GANADO FIRE DISTRICT EMERGENCY VEHICLE EXPENDITURE PLAN

- A. The Navajo Nation Council hereby allocates \$2,644,380.00 from the Síhasin Fund to the Division of Community Development to implement the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan as detailed in Exhibit A.
- B. The Navajo Nation Council hereby approves and adopts the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan as set forth in Exhibit A.
- C. The Síhasin Funds allocated for the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan may be further leveraged by bond or loan financing pursuant to the Navajo Nation Bond Financing Act, 12 N.N.C. § 1300 et seq., as amended, using Síhasin Fund earnings for repayment and financing costs, upon the recommendation of the Budget and Finance Committee and approval by a two-thirds (2/3) vote of all members of the Navajo Nation Council.

SECTION FOUR. APPROVAL OF SÍHASIN GANADO FIRE DISTRICT EMERGENCY VEHICLE EXPENDITURE PLAN ADMINISTRATION

The Navajo Nation Council hereby approves the administration of the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan as follows:

- A. The Navajo Nation Controller shall determine whether the source of the \$2,644,380 allocation from the Síhasin Fund will be from Fund Principal or Fund Income or a combination of both.

- B. The funds allocated for the Ganado Fire District Emergency Vehicle Expenditure Plan shall be distributed to the Division of Community Development within twenty (20) days following enactment of this legislation.
- C. Upon receipt of the \$2,644,380 in Síhasin funds, the Division of Community Development shall promptly purchase the emergency vehicles listed in Exhibit C and arrange for delivery of the vehicles, and transfer of vehicle titles, to the Ganado Fire District.
- D. Ganado Fire District shall be responsible for the operation, maintenance, and repairs of the emergency vehicles, and shall obtain appropriate liability and other insurance covering use of the emergency vehicles. The Navajo Nation shall not be liable for any condition or event pertaining to the emergency vehicles.
- E. The funds allocated for the Ganado Fire District Emergency Vehicle Expenditure Plan shall be used solely to purchase the emergency vehicles described in Exhibit C and any and all cost-savings shall be returned to the Síhasin Fund once the Ganado Fire District Emergency Vehicle Expenditure Plan is completed.
- F. The funds allocated for the Ganado Fire District Emergency Vehicle Expenditure Plan shall revert to the Síhasin Fund principal if not spent or encumbered within ninety (90) days of distribution to the Division of Community Development, unless recommended otherwise by the Resources and Development Committee and approved by the Naabik'íyáti' Committee.
- G. The Síhasin Fund shall be reimbursed, in the full amount allocated in this legislation, from prospective funds available to the Navajo Nation from any and all state and federal sources, including Congressional appropriations under the American Rescue Plan Act of 2021 or other COVID-19-related relief.

SECTION FIVE. EFFECTIVE DATE

This legislation and the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan shall become effective pursuant to 12 N.N.C. § 2505.

SECTION SIX. SAVING CLAUSE

Should any provision(s) of this Action be determined invalid by the Navajo Nation Supreme Court, or the District Courts of the Navajo Nation without appeal to the Navajo Nation Supreme Court,

the remainder of this Action shall remain the law of the Navajo Nation.

SECTION SEVEN. DIRECTIVES

The Division of Community Development shall provide a written report on the status of expenditures and project progress under the Síhasin Ganado Fire District Emergency Vehicle Expenditure Plan to the Naabik'íyáti' Committee, and to the Office of the President and Vice-President, by the fifth day of each month following the enactment of this legislation.

TO: Delegate Vince James, Council Delegate
 24th Navajo Nation Council

FROM: 
 Dr. Pearl Yellowman, Executive Director
 Division of Community Development

DATE: December 20, 2022

SUBJECT: Extension Request – Resolution CO-53-21

Delegate James,

The Division of Community Development (DCD) is requesting an extension on Resolution CO-53-21. The original language under Section 4(F) gave DCD ninety (90) days to spend or encumber the funds. A Purchase Order (PO# 411478) was issued on the 90th day, February 15, 2022.

Due to the term identified in the resolution, the Business Unit number was set up as a fiscal year business unit which led to the business unit expiring at the end of fiscal year 2022. The Business Unit, BU#: 415004, no longer shows available funds and our Purchase Order (PO) was canceled. The Office of the Controller (OOC) issues a memo every year in the summer for fiscal year end closing timelines which notifies departments when to submit for payment so that PO's are not canceled. A memo was submitted to OOC requesting for the Purchase Order to carry over into the next fiscal year, however, the expiring Business Unit had no funds to encumber against.

The reason for pursuing a Purchase Order, rather than a contract, is because we are only purchasing vehicles. The purchase of vehicles is deemed as goods under the Navajo Nation Procurement Rules and Regulations under Section II (E). If a service was being provided along with the purchase of the vehicles, then we'd need a contract.

This extension will allow for the use of the funds under Resolution CO-53-21. A new purchase order will be requested from the Office of the Controller which will allow DCD to make the payment after the delivery of the six (6) Fire Trucks and two (2) Ambulances. The expected delivery by Velocity Fire Equipment is expected to happen before September 30, 2023. Our recommended extension is to March 31, 2024.

Thank you
