Chapter Affiliation

Students submitting an ONNSFA application are asked to state their chapter affiliation. This information is used to determine which agency office a student's file will be assigned to and for reporting purposes.

Choosing a Chapter

On occasion, students inquire about which of the Navajo Nation's 110 chapters they should state on the application. We encourage students to consider the chapter nearest to their residence or the chapter at which their parents are registered to vote.

Voter Registration

Students, who become registered voters on the Navajo Nation, have an opportunity to elect leadership at the chapter and national levels. Many Navajo Nation services and funds are divided among chapters based upon the number of registered voters and population. Members of the NN Council respective Committe Members, please pass this legislation. Research says that it is those communities who invest in their people who will be winners in the long-run. Close to home here on the Navajo Nation such and investment can translate into reduction in persistent poverty and high unemployment rates. Since 2013 I have advocated for \$2.5 million to be earmarked for growing Navajo economist. It has been a belaborious process and I am really glad that this path, with your approval, will achieve delivery of such an important profession that is dearly missing. On a personal basis, may I request for serious consideration that \$2.5 million of the \$50 million be used to establish the UNM Navajo Nation/Boyle Endowment Fund. To get immediate result for Navajo students to acquire advanced degree at the Master's and PhD level will require a targeted approach along the same pathways that gave the Navajo Nation certified teachers, attorneys and architects and engineers established back in the 70s and 80s. In the 21st Century it is essential that the Navajo Nation have their own battalion of economist who will research, analyze and recommend policies that can lead to Navajo Nation prosperity. If desired, I can make myself available to answer questions you may have about the value and practices of economist..

Thank you.

Dear Mr. Speaker, President Nez, Vice-President Lizer, Council Delegate Kee Allen Begay, and Honorable Council Members:

My name is Montaro Juan Morgan Ramos and I am twenty years old. My Chapter is located in Sawmill, Arizona and my grandparents reside in Blue Canyon. I write to you today to express my support for Legislation 238-19. I currently live in Queen Creek, Arizona and attend ASU's polytechnic campus. I am a proud recipient of the Chief Manuelito scholarship. I was originally studying professional flight to become a professional airline pilot through a partnership with ASU and ATP located at Phoenix-Mesa Gateway airport. In addition to the \$11,000 in tuition to attend ASU, I have pay approximately \$20,000-\$25,000 per year to take flight lessons. I decided to live at home to cut back on expenses.

I covered the first year of my professional flights with my own personal funds of \$18,000 by working and applying for various scholarships but I realized I would not be able finish my studies without incurring significant loans and financial burden. As a result I have postponed my studies as a professional pilot for the time being. Legislation 238-19 would allow me to continue my endeavors to become a professional pilot as long as the funding opportunity would allow me to pay for tuition at ASU and to cover my professional flight training at ATP at Phoenix-Mesa Gateway Airport.

I am available to provide more information regarding my background and education.

In conclusion I strongly support Legislation 238-19.

Thank you for the opportunity to express my support.

Best regards,

Montaro J. M. Ramos

My name is Cody Artis, I am a current law student at the University of Idaho. I have struggled financially due to the lack of scholarships provided for Navajo students. The legislation will greatly help my current pursuit in obtaining a Juris Doctorate. I hope to come back to the Navajo Nation and to work within the Division of Natural Resources.

Thank you for your time and consideration for the upcoming scholars and students.

Good afternoon. My name is Jesse Crabtree and I am an enrolled member of the great Navajo Nation from the Forest Lake Chapter. I am writing today to offer support for Legislation #0238-19. I encourage the Navajo Nation to provide more funding for scholarships for our youth. I was told from a young age by my grandparents to go to school and learn, and someday you can come home to help your people. I am a proud recipient of funding from the Navajo Nation and I appreciate it. The funding from the Navajo Nation assisted me greatly and allowed me to get my bachelors in science from Northern Arizona University. Without the funding, my schooling would not have been funded and who knows where I would have ended up at. Who know if I would have finished school. Who knows if I would have had the great career that I currently have. What I do know is that I graduated with the help of the Navajo Nation and I am grateful for that.

Based on my experience funding of college students from the Navajo Nation works and could continue to benefit the Nation for future generations. Please support Legislation #0238-19 and fund Navajo students.

Thank you.

Need-based funding is provided to students who demonstrate financial need according to the Financial Need Analysis (FNA) form submitted on their behalf by the school of attendance. Students in this category are deemed not to have sufficient personal or family resources to meet a college's or university's cost of attendance (e.g. tuition, books and housing).

Awards of up to \$2,500 per semester or \$5,000 per academic year are provided to students based upon their individual need assessment. Primary funding sources of need-based awards are PL 93-638 funds and Navajo Nation Funds.

No-Need-Based Awards

(\$1,000 per semester)

No-need-based funding is provided to students, who are deemed to have enough resources to meet the cost of attendance at a college or university of their choice.

Chief Manuelito Scholarships

(\$3,500 per semester)

Merit-based scholarships are provided students, who achieve a high grade point average and a commensurate ACT or SAT college test score. Students are required to complete courses in Navajo Language (1 unit) and Navajo Government (1/2 unit) prior to the application deadline to be considered for this scholarship. Full-time undergraduate students may also qualify for the Chief Manuelito scholarship under the 24/3 rule by completing 24 credit hours of college-level courses with a 3.0 GPA.

Graduate Student Awards

(\$2,500 to \$5,000 per semester)

Grant awards are provided to Navajo students seeking graduate-level degrees.

Part-Time Undergraduate and Graduate Awards

Funding is available for eligible part-time undergraduate and graduate students. Part-time application requirements and award amounts vary.

Increasing Higher Education Attainment Rates

Number and Type of Degrees Attained by ONNSFA Award Recipients

awarded Navajo Nation financial assistance or scholarship from 2016 to 2018. A majority of the degrees were attained from institutions within the Four-Corners region.

Data was compiled from 28 schools within this area. Schools ranged from two-year to four-year institutions including: Arizona State University, Chandler Coconino Community College, Diné College, Fort Lewis College, Navajo Technical University, University of New Mexico, New Mexico State University, New Mexico Highlands University and Northern Arizona University.

Rising Numbers of Navajo College Students

The number of Navajo students seeking a college degree continues to increase. From 2010 to 2018, a total of 125,175 students submitted applications for scholarships to the Office of Navajo Nation Scholarship & Financial Assistance.

Meanwhile an average of 56 percent of applicants were not funded. Funding for students is imperative as many students depend on financial assistance and scholarships from the Navajo Nation to help meet educational costs, which continue to rise significantly.

Thus, the ONNSFA continues to seek partnerships to increase resources to Navajo college student The table below provides a snapshot of the number of college degrees earned by students

LEFT Perry R. James of Continental Divide, NM received the first Master of Arts degree in Diné Culture, Language & Leadership at Navajo Technical University in 2016. NTU has since strengthened the program and several more have attained a Master of Arts Degree. The university has begun to take the initial steps in implementing a doctorate program.

The ONNSFA is proud to partner with NTU in providing up to \$2,500 per semester for full-time students pursuing a bachelor degree in any of NTU's ten bachelor degree program or up to \$5,000 per semester for students seeking a Masters degree. Student Awards (by Chapter)

Chapter Affiliation

Students submitting an ONNSFA application are asked to state their chapter affiliation. This information is used to determine which agency office a student's file will be assigned to and for reporting purposes.

Choosing a Chapter

On occasion, students inquire about which of the Navajo Nation's 110 chapters they should state on the application. We encourage students to consider the chapter nearest to their residence or the chapter at which their parents are registered to vote.

Students, who become registered voters on the Navajo Nation, have an opportunity to elect leadership at the chapter and national levels. Many Navajo Nation services and funds are divided amongst the 110 chapters based upon the number of registered voters and population.

In 2018, the ONNSFA provided awards to a total of 6,680 students. The chapters the students are affiliated with are as follows:
